TITLE I—PROTECTION OF EMPLOYEE BENEFIT RIGHTS^{2—1}

SUBTITLE A—GENERAL PROVISIONS

FINDINGS AND DECLARATION OF POLICY

SEC. 2. [1001] (a) The Congress finds that the growth in size, scope, and numbers of employee benefit plans in recent years has been rapid and substantial; that the operational scope and economic impact of such plans is increasingly interstate; that the continued well-being and security of millions of employees and their dependents are directly affected by these plans; that they are affected with a national public interest; that they have become an important factor affecting the stability of employment and the successful development of industrial relations; that they have become an important factor in commerce because of the interstate character of their activities, and of the activities of their participants, and the employers, employee organizations, and other entities by which they are established or maintained; that a large volume of the activities of such plans is carried on by means of the mails and instrumentalities of interstate commerce; that owing to the lack of employee information and adequate safeguards concerning their operation, it is desirable in the interests of employees and their beneficiaries, and to provide for the general welfare and the free flow of commerce, that disclosure be made and safeguards be provided with respect to the establishment, operation, and administration of such plans; that they substantially affect the revenues of the United States because they are afforded preferential Federal tax treatment; that despite the enormous growth in such plans many employees with long years of employment are losing anticipated retirement benefits owing to the lack of vesting provisions in such plans; that owing to the inadequacy of current minimum standards, the soundness and stability of plans with respect to adequate funds to pay promised benefits may be endangered; that owing to the termination of plans before requisite funds have been accumulated, employees and their beneficiaries have been deprived of anticipated benefits; and that it is therefore desirable in the interests of employees and their beneficiaries, for the protection of the revenue of the United States, and to provide for the free flow of commerce, that minimum standards be provided assuring the equitable character of such plans and their financial soundness.

(b) It is hereby declared to be the policy of this Act to protect interstate commerce and the interests of participants in employee benefit plans and their beneficiaries, by requiring the disclosure and reporting to participants and beneficiaries of financial and other information with respect thereto, by establishing standards of conduct, responsibility, and obligation for fiduciaries of employee benefit plans, and by providing for appropriate remedies, sanctions, and ready access to the Federal courts.

(c) It is hereby further declared to be the policy of this Act to protect interstate commerce, the Federal taxing power, and the interests of participants in private pension plans and their bene-

ficiaries by improving the equitable character and the soundness of such plans by requiring them to vest the accrued benefits of employees with significant periods of service, to meet minimum standards of funding, and by requiring plan termination insurance.

DEFINITIONS

SEC. 3. [1002] For purposes of this title:

(1) The terms “employee welfare benefit plan” and “welfare plan” mean any plan, fund, or program which was heretofore or is hereafter established or maintained by an employer or by an employee organization, or by both, to the extent that such plan, fund, or program was established or is maintained for the purpose of providing for its participants or their beneficiaries, through the purchase of insurance or otherwise, (A) medical, surgical, or hospital care or benefits, or benefits in the event of sickness, accident, disability, death or unemployment, or vacation benefits, apprenticeship or other training programs, or day care centers, scholarship funds, or prepaid legal services, or (B) any benefit described in section 302(c) of the Labor Management Relations Act, 1947 [(29 U.S.C. 186(c))] (other than pensions on retirement or death, and insurance to provide such pensions).

(2)(A) Except as provided in subparagraph (B), the terms “employee pension benefit plan” and “pension plan” mean any plan, fund, or program which was heretofore or is hereafter established or maintained by an employer or by an employee organization, or by both, to the extent that by its express terms or as a result of surrounding circumstances such plan, fund, or program—

(i) provides retirement income to employees, or
(ii) results in a deferral of income by employees for periods extending to the termination of covered employment or beyond, regardless of the method of calculating the contributions made to the plan, the method of calculating the benefits under the plan or the method of distributing benefits from the plan. A distribution from a plan, fund, or program shall not be treated as made in a form other than retirement income or as a distribution prior to termination of covered employment solely because such distribution is made to an employee who has attained age 62 and who is not separated from employment at the time of such distribution.

(B) The Secretary may by regulation prescribe rules consistent with the standards and purposes of this Act providing one or more exempt categories under which—

(i) severance pay arrangements, and
(ii) supplemental retirement income payments, under which the pension benefits of retirees or their beneficiaries are supplemented to take into account some portion or all of the increases in the cost of living (as determined by the Secretary of Labor) since retirement,
shall, for purposes of this title, be treated as welfare plans rather than pension plans. In the case of any arrangement or payment a principal effect of which is the evasion of the standards or purposes of this Act applicable to pension plans, such arrangement or payment shall be treated as a pension plan. An applicable voluntary early retirement incentive plan (as defined in section 457(e)(11)(D)(ii) of the Internal Revenue Code of 1986) making pay-

ments or supplements described in section 457(e)(11)(D)(i) of such Code, and an applicable employment retention plan (as defined in section 457(f)(4)(C) of such Code) making payments of benefits described in section 457(f)(4)(A) of such Code, shall, for purposes of this title, be treated as a welfare plan (and not a pension plan) with respect to such payments and supplements.

(17) The term “separate account” means an account established or maintained by an insurance company under which income, gains, and losses, whether or not realized, from assets allocated to such account, are, in accordance with the applicable contract, credited to or charged against such account without regard to other income, gains, or losses of the insurance company.

(18) The term “adequate consideration” when used in part 4 of subtitle B means (A) in the case of a security for which there is a generally recognized market, either (i) the price of the security prevailing on a national securities exchange which is registered under section 6 of the Securities Exchange Act of 1934 [(15 U.S.C. 78f)], or (ii) if the security is not traded on such a national securities exchange, a price not less favorable to the plan than the offering price for the security as established by the current bid and asked prices quoted by persons independent of the issuer and of any party in interest; and (B) in the case of an asset other than a security for which there is a generally recognized market, the fair market value of the asset as determined in good faith by the trustee or named fiduciary pursuant to the terms of the plan and in accordance with regulations promulgated by the Secretary.

(19) The term “nonforfeitable” when used with respect to a pension benefit or right means a claim obtained by a participant or his beneficiary to that part of an immediate or deferred benefit under a pension plan which arises from the participant’s service, which is unconditional, and which is legally enforceable against the plan. For purposes of this paragraph, a right to an accrued benefit derived from employer contributions shall not be treated as forfeitable merely because the plan contains a provision described in section 203(a)(3).

(20) The term “security” has the same meaning as such term has under section 2(1) of the Securities Act of 1933 (15 U.S.C. 77b(1)).

(21)(A) Except as otherwise provided in subparagraph (B), a person is a fiduciary with respect to a plan to the extent (i) he exercises any discretionary authority or discretionary control respecting management of such plan or exercises any authority or control respecting management or disposition of its assets, (ii) he renders investment advice for a fee or other compensation, direct or indirect, with respect to any moneys or other property of such plan, or has any authority or responsibility to do so, or (iii) he has any discretionary authority or discretionary responsibility in the administration of such plan. Such term includes any person designated under section 405(c)(1)(B).

(B) If any money or other property of an employee benefit plan is invested in securities issued by an investment company registered under the Investment Company Act of 1940 [(15 U.S.C. 80a-1 et seq.)], such investment shall not by itself cause such investment company or such investment company's investment adviser or principal underwriter to be deemed to be a fiduciary or a party in interest as those terms are defined in this title, except insofar as such investment company or its investment adviser or principal underwriter acts in connection with an employee benefit plan covering employees of the investment company, the investment adviser, or its principal underwriter. Nothing contained in this subparagraph shall limit the duties imposed on such investment company, investment adviser, or principal underwriter by any other law.

(22) The term "normal retirement benefit" means the greater of the early retirement benefit under the plan, or the benefit under the plan commencing at normal retirement age. The normal retirement benefit shall be determined without regard to—

(A) medical benefits, and

(B) disability benefits not in excess of the qualified disability benefit.

For purposes of this paragraph, a qualified disability benefit is a disability benefit provided by a plan which does not exceed the benefit which would be provided for the participant if he separated from the service at normal retirement age. For purposes of this paragraph, the early retirement benefit under a plan shall be determined without regard to any benefit under the plan which the Secretary of the Treasury finds to be a benefit described in section 204(b)(1)(G).

(23) The term "accrued benefit" means—

(A) in the case of a defined benefit plan, the individual's accrued benefit determined under the plan and, except as provided in section 204(c)(3), expressed in the form of an annual benefit commencing at normal retirement age, or

(A) the time a plan participant attains normal retirement age under the plan, or

(28) The term “normal service cost” or “normal cost” means the annual cost of future pension benefits and administrative expenses assigned, under an actuarial cost method, to years subsequent to a particular valuation date of a pension plan. The Secretary of the Treasury may prescribe regulations to carry out this paragraph.

(29) The term “accrued liability” means the excess of the present value, as of a particular valuation date of a pension plan, of the projected future benefit costs and administrative expenses for all plan participants and beneficiaries over the present value of future contributions for the normal cost of all applicable plan participants and beneficiaries. The Secretary of the Treasury may prescribe regulations to carry out this paragraph.

(30) The term “unfunded accrued liability” means the excess of the accrued liability, under an actuarial cost method which so provides, over the present value of the assets of a pension plan. The Secretary of the Treasury may prescribe regulations to carry out this paragraph.

(31) The term “advance funding actuarial cost method” or “actuarial cost method” means a recognized actuarial technique utilized for establishing the amount and incidence of the annual actuarial cost of pension plan benefits and expenses. Acceptable actuarial cost methods shall include the accrued benefit cost method (unit credit method), the entry age normal cost method, the individual level premium cost method, the aggregate cost method, the attained age normal cost method, and the frozen initial liability cost method. The terminal funding cost method and the current funding (pay-as-you-go) cost method are not acceptable actuarial cost methods. The Secretary of the Treasury shall issue regulations to further define acceptable actuarial cost methods.

(32) The term “governmental plan” means a plan established or maintained for its employees by the Government of the United States, by the government of any State or political subdivision thereof, or by any agency or instrumentality of any of the foregoing. The term “governmental plan” includes a plan which is established and maintained by an Indian tribal government (as defined in section 7701(a)(40) of the Internal Revenue Code of 1986), a subdivision of an Indian tribal government (determined in accordance with section 7871(d) of such Code), or an agency or instrumentality of either, and all of the participants of which are employees of such entity substantially all of whose services as such an employee are in the performance of essential governmental functions but not in the performance of commercial activities (whether or not an essential government function)^{3—2—B}

(33)(A) The term “church plan” means a plan established and maintained (to the extent required in clause (ii) of subparagraph (B)) for its employees (or their beneficiaries) by a church or by a convention or association of churches which is exempt from tax under section 501 of the Internal Revenue Code of 1986.

(B) The term “church plan” does not include a plan—

(i) which is established and maintained primarily for the benefit of employees (or their beneficiaries) of such church or convention or association of churches who are employed in connection with one or more unrelated trades or businesses (within the meaning of section 513 of the Internal Revenue Code of 1986), or

(ii) if less than substantially all of the individuals included in the plan are individuals described in subparagraph (A) or in clause (ii) of subparagraph (C) (or their beneficiaries).

(C) For purposes of this paragraph—

(i) A plan established and maintained for its employees (or their beneficiaries) by a church or by a convention or association of churches includes a plan maintained by an organization, whether a civil law corporation or otherwise, the principal purpose or function of which is the administration or funding of a plan or program for the provision of retirement benefits or welfare benefits, or both, for the employees of a church or a convention or association of churches, if such organization is controlled by or associated with a church or a convention or association of churches.

(ii) The term employee of a church or a convention or association of churches includes—

(I) a duly ordained, commissioned, or licensed minister of a church in the exercise of his ministry, regardless of the source of his compensation;

(II) an employee of an organization, whether a civil law corporation or otherwise, which is exempt from tax under section 501 of the Internal Revenue Code of 1986

^{3—2—A} The Railroad Retirement Act of 1935 was amended in its entirety and completely revised by the Railroad Retirement Act of 1937. Effective January 1, 1975, the Railroad Retirement Act of 1937 was itself amended in its entirety by, completely revised by, and redesignated as the Railroad Retirement Act of 1974 (Public Law 93-445; 88 Stat. 1305).

(III) an individual described in clause (v).

(iii) A church or a convention or association of churches which is exempt from tax under section 501 of the Internal Revenue Code of 1986 shall be deemed the employer of any individual included as an employee under clause (ii).

(iv) An organization, whether a civil law corporation or otherwise, is associated with a church or a convention or association of churches if it shares common religious bonds and convictions with that church or convention or association of churches.

(v) If an employee who is included in a church plan separates from the service of a church or a convention or association of churches or an organization, whether a civil law corporation or otherwise, which is exempt from tax under section 501 of the Internal Revenue Code of 1986 and which is controlled by or associated with a church or a convention or association of churches, the church plan shall not fail to meet the requirements of this paragraph merely because the plan—

(I) retains the employee's accrued benefit or account for the payment of benefits to the employee or his beneficiaries pursuant to the terms of the plan; or

(II) receives contributions on the employee's behalf after the employee's separation from such service, but only for a period of 5 years after such separation, unless the employee is disabled (within the meaning of the disability provisions of the church plan or, if there are no such provisions in the church plan, within the meaning of section 72(m)(7) of the Internal Revenue Code of 1986) at the time of such separation from service.

(D)(i) If a plan established and maintained for its employees (or their beneficiaries) by a church or by a convention or association of churches which is exempt from tax under section 501 of the Internal Revenue Code of 1986 fails to meet one or more of the requirements of this paragraph and corrects its failure to meet such requirements within the correction period, the plan shall be deemed to meet the requirements of this paragraph for the year in which the correction was made and for all prior years.

(ii) If a correction is not made within the correction period, the plan shall be deemed not to meet the requirements of this paragraph beginning with the date on which the earliest failure to meet one or more of such requirements occurred.

(iii) For purposes of this subparagraph, the term "correction period" means—

(I) the period ending 270 days after the date of mailing by the Secretary of the Treasury of a notice of default with respect to the plan's failure to meet one or more of the requirements of this paragraph; or

(II) any period set by a court of competent jurisdiction after a final determination that the plan fails to meet such requirements, or, if the court does not specify such period, any reasonable period determined by the Secretary of the Treasury on the basis of all the facts and circumstances, but in any

event not less than 270 days after the determination has become final; or

(III) any additional period which the Secretary of the Treasury determines is reasonable or necessary for the correction of the default,

whichever has the latest ending date.

(34) The term “individual account plan” or “defined contribution plan” means a pension plan which provides for an individual account for each participant and for benefits based solely upon the amount contributed to the participant’s account, and any income, expenses, gains and losses, and any forfeitures of accounts of other participants which may be allocated to such participant’s account.

(35) The term “defined benefit plan” means a pension plan other than an individual account plan; except that a pension plan which is not an individual account plan and which provides a benefit derived from employer contributions which is based partly on the balance of the separate account of a participant—

(A) for the purposes of section 202, shall be treated as an individual account plan, and

(B) for the purposes of paragraph (23) of this section and section 204, shall be treated as an individual account plan to the extent benefits are based upon the separate account of a participant and as a defined benefit plan with respect to the remaining portion of benefits under the plan.

(36) The term “excess benefit plan” means a plan maintained by an employer solely for the purpose of providing benefits for certain employees in excess of the limitations on contributions and benefits imposed by section 415 of the Internal Revenue Code of 1986 on plans to which that section applies, without regard to whether the plan is funded. To the extent that a separable part of a plan (as determined by the Secretary of Labor) maintained by an employer is maintained for such purpose, that part shall be treated as a separate plan which is an excess benefit plan.

(37)(A) The term “multiemployer plan” means a plan—

(i) to which more than one employer is required to contribute,

(ii) which is maintained pursuant to one or more collective bargaining agreements between one or more employee organizations and more than one employer, and

(iii) which satisfies such other requirements as the Secretary may prescribe by regulation.

(B) For purposes of this paragraph, all trades or businesses (whether or not incorporated) which are under common control within the meaning of section 4001(b)(1) are considered a single employer.

(C) Notwithstanding subparagraph (A), a plan is a multiemployer plan on and after its termination date if the plan was a multiemployer plan under this paragraph for the plan year preceding its termination date.

(D) For purposes of this title, notwithstanding the preceding provisions of this paragraph, for any plan year which began before the date of the enactment of the Multiemployer Pension Plan Amendments Act of 1980 [September 26, 1980], the term “multiem-

ployer plan” means a plan described in section 3(37) of this Act as in effect immediately before such date.

(E) Within one year after the date of the enactment of the Multiemployer Pension Plan Amendments Act of 1980 [September 26, 1980], a multiemployer plan may irrevocably elect, pursuant to procedures established by the corporation^{3—3} and subject to the provisions of sections 4403(b) and (c)^{3—4}, that the plan shall not be treated as a multiemployer plan for all purposes under this Act or the Internal Revenue Code of 1954 if for each of the last 3 plan years ending prior to the effective date of the Multiemployer Pension Plan Amendments Act of 1980^{3—5}—

(i) the plan was not a multiemployer plan because the plan was not a plan described in section 3(37)(A)(iii) of this Act and section 414(f)(1)(C) of the Internal Revenue Code of 1954 (as such provisions were in effect on the day before the date of the enactment of the Multiemployer Pension Plan Amendments Act of 1980 [the day before September 26, 1980]); and

(ii) the plan had been identified as a plan that was not a multiemployer plan in substantially all its filings with the corporation^{3—6}, the Secretary of Labor and the Secretary of the Treasury.

(F)(i) For purposes of this title a qualified football coaches plan—

(I) shall be treated as a multiemployer plan to the extent not inconsistent with the purposes of this subparagraph; and

(ii) For purposes of this subparagraph, the term “qualified football coaches plan” means any defined contribution plan which is established and maintained by an organization—

(I) which is described in section 501(c) of such Code;

(II) the membership of which consists entirely of individuals who primarily coach football as full-time employees of 4-year colleges or universities described in section 170(b)(1)(A)(ii) of such Code; and

(III) which was in existence on September 18, 1986.

(G)(i) Within 1 year after the enactment of the Pension Protection Act of 2006—

(I) an election under subparagraph (E) may be revoked, pursuant to procedures prescribed by the Pension Benefit Guaranty Corporation, if, for each of the 3 plan years prior to the date of the enactment of that Act, the plan would have been a multiemployer plan but for the election under subparagraph (E), and

(II) a plan that meets the criteria in clauses (i) and (ii) of subparagraph (A) of this paragraph or that is described in clause (vi) may, pursuant to procedures prescribed by

the Pension Benefit Guaranty Corporation, elect to be a multiemployer plan, if—

(aa) for each of the 3 plan years immediately preceding the first plan year for which the election under this paragraph is effective with respect to the plan, the plan has met those criteria or is so described,

(bb) substantially all of the plan's employer contributions for each of those plan years were made or required to be made by organizations that were exempt from tax under section 501 of the Internal Revenue Code of 1986, and

(cc) the plan was established prior to September 2, 1974.

(ii) An election under this subparagraph shall be effective for all purposes under this Act and under the Internal Revenue Code of 1986, starting with any plan year beginning on or after January 1, 1999, and ending before January 1, 2008, as designated by the plan in the election made under clause (i)(II).

(iii) Once made, an election under this subparagraph shall be irrevocable, except that a plan described in clause (i)(II) shall cease to be a multiemployer plan as of the plan year beginning immediately after the first plan year for which the majority of its employer contributions were made or required to be made by organizations that were not exempt from tax under section 501 of the Internal Revenue Code of 1986.

(iv) The fact that a plan makes an election under clause (i)(II) does not imply that the plan was not a multiemployer plan prior to the date of the election or would not be a multiemployer plan without regard to the election.

(v)(I) No later than 30 days before an election is made under this subparagraph, the plan administrator shall provide notice of the pending election to each plan participant and beneficiary, each labor organization representing such participants or beneficiaries, and each employer that has an obligation to contribute to the plan, describing the principal differences between the guarantee programs under title IV and the benefit restrictions under this title for single employer and multiemployer plans, along with such other information as the plan administrator chooses to include.

(II) Within 180 days after the date of enactment of the Pension Protection Act of 2006, the Secretary shall prescribe a model notice under this clause.

(III) A plan administrator's failure to provide the notice required under this subparagraph shall be treated for purposes of section 502(c)(2) as a failure or refusal by the plan administrator to file the annual report required to be filed with the Secretary under section 101(b)(1).

(vi) A plan is described in this clause if it is a plan sponsored by an organization which is described in section 501(c)(5) of the Internal Revenue Code of 1986 and exempt from tax under section 501(a) of such Code and which was established in Chicago, Illinois, on August 12, 1881.

(vii)¹ For purposes of this Act and the Internal Revenue Code of 1986, a plan making an election under this subparagraph shall be treated as maintained pursuant to a collective bargaining agreement if a collective bargaining agreement, expressly or otherwise, provides for or permits employer contributions to the plan by one or more employers that are signatory to such agreement, or participation in the plan by one or more employees of an employer that is signatory to such agreement, regardless of whether the plan was created, established, or maintained for such employees by virtue of another document that is not a collective bargaining agreement.

(38) The term “investment manager” means any fiduciary (other than a trustee or named fiduciary, as defined in section 402(a)(2))—

(A) who has the power to manage, acquire, or dispose of any asset of a plan;

(B) who (i) is registered as an investment adviser under the Investment Advisers Act of 1940; (ii) is not registered as an investment adviser under such Act by reason of paragraph (1) of section 203A(a) of such Act, is registered as an investment adviser under the laws of the State (referred to in such paragraph (1)) in which it maintains its principal office and place of business, and, at the time the fiduciary last filed the registration form most recently filed by the fiduciary with such State in order to maintain the fiduciary’s registration under the laws of such State, also filed a copy of such form with the Secretary; (iii) is a bank, as defined in that Act; or (iv) is an insurance company qualified to perform services described in subparagraph (A) under the laws of more than one State; and

(C) has acknowledged in writing that he is a fiduciary with respect to the plan.

(39) The terms “plan year” and “fiscal year of the plan” mean, with respect to a plan, the calendar, policy, or fiscal year on which the records of the plan are kept.

(40)(A) The term “multiple employer welfare arrangement” means an employee welfare benefit plan, or any other arrangement (other than an employee welfare benefit plan), which is established or maintained for the purpose of offering or providing any benefit described in paragraph (1) to the employees of two or more employers (including one or more self-employed individuals), or to their beneficiaries, except that such term does not include any such plan or other arrangement which is established or maintained—

(i) under or pursuant to one or more agreements which the Secretary finds to be collective bargaining agreements,

(ii) by a rural electric cooperative, or

(iii) by a rural telephone cooperative association.

(B) For purposes of this paragraph—

(i) two or more trades or businesses, whether or not incorporated, shall be deemed a single employer if such trades or businesses are within the same control group,

(ii) the term “control group” means a group of trades or businesses under common control,

¹ Margin for clause (vii) so in law.

(iii) the determination of whether a trade or business is under “common control” with another trade or business shall be determined under regulations of the Secretary applying principles similar to the principles applied in determining whether employees of two or more trades or businesses are treated as employed by a single employer under section 4001(b), except that, for purposes of this paragraph, common control shall not be based on an interest of less than 25 percent,

(iv) the term “rural electric cooperative” means—

(41) The term “single-employer plan” means a plan which is not a multiemployer plan.^{3–7}

(42) the term “plan assets” means plan assets as defined by such regulations as the Secretary may prescribe, except that under such regulations the assets of any entity shall not be treated as plan assets if, immediately after the most recent acquisition of any equity interest in the entity, less than 25 percent of the total value of each class of equity interest in the entity is held by benefit plan investors. For purposes of determinations pursuant to this paragraph, the value of any equity interest held by a person (other than such a benefit plan investor) who has discretionary authority or control with respect to the assets of the entity or any person who provides investment advice for a fee (direct or indirect) with respect to such assets, or any affiliate of such a person, shall be disregarded for purposes of calculating the 25 percent threshold. An entity shall be considered to hold plan assets only to the extent of the percentage of the equity interest held by benefit plan investors. For purposes of this paragraph, the term “benefit plan investor” means an employee benefit plan subject to part 4, any plan to which section 4975 of the Internal Revenue Code of 1986 applies, and any entity whose underlying assets include plan assets by reason of a plan’s investment in such entity.

ANNUAL REPORTS

SEC. 103. **[1023]** (a)(1)(A) An annual report shall be published with respect to every employee benefit plan to which this part applies. Such report shall be filed with the Secretary in accordance with section 104(a), and shall be made available and furnished to participants in accordance with section 104(b).

(B) The annual report shall include the information described in subsections (b) and (c) and where applicable subsections (d), (e), and (f) and shall also include—

(i) a financial statement and opinion, as required by paragraph (3) of this subsection, and

(ii) an actuarial statement and opinion, as required by paragraph (4) of this subsection.

(2) If some or all of the information necessary to enable the administrator to comply with the requirements of this title is maintained by—

(A) an insurance carrier or other organization which provides some or all of the benefits under the plan, or holds assets of the plan in a separate account,

(B) a bank or similar institution which holds some or all of the assets of the plan in a common or collective trust or a separate trust, or custodial account, or

(C) a plan sponsor as defined in section 3(16)(B), such carrier, organization, bank, institution, or plan sponsor shall transmit and certify the accuracy of such information to the administrator within 120 days after the end of the plan year (or such other date as may be prescribed under regulations of the Secretary).

(3)(A) Except as provided in subparagraph (C), the administrator of an employee benefit plan shall engage, on behalf of all plan participants, an independent qualified public accountant, who shall conduct such an examination of any financial statements of the plan, and of other books and records of the plan, as the accountant may deem necessary to enable the accountant to form an

opinion as to whether the financial statements and schedules required to be included in the annual report by subsection (b) of this section are presented fairly in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year. Such examination shall be conducted in accordance with generally accepted auditing standards, and shall involve such tests of the books and records of the plan as are considered necessary by the independent qualified public accountant. The independent qualified public accountant shall also offer his opinion as to whether the separate schedules specified in subsection (b)(3) of this section and the summary material required under section 104(b)(3) present fairly, and in all material respects the information contained therein when considered in conjunction with the financial statements taken as a whole. The opinion by the independent qualified public accountant shall be made a part of the annual report. In a case where a plan is not required to file an annual report, the requirements of this paragraph shall not apply. In a case where by reason of section 104(a)(2) a plan is required only to file a simplified annual report, the Secretary may waive the requirements of this paragraph.

(B) In offering his opinion under this section the accountant may rely on the correctness of any actuarial matter certified to by an enrolled actuary, if he so states his reliance.

(C) The opinion required by subparagraph (A) need not be expressed as to any statements required by subsection (b)(3)(G) prepared by a bank or similar institution or insurance carrier regulated and supervised and subject to periodic examination by a State or Federal agency if such statements are certified by the bank, similar institution, or insurance carrier as accurate and are made a part of the annual report.

In a case where a plan is not required to file an annual report, the requirement of this paragraph shall not apply, and, in a case where by reason of section 104(a)(2), a plan is required only to file a simplified report, the Secretary may waive the requirement of this paragraph.

(B) The enrolled actuary shall utilize such assumptions and techniques as are necessary to enable him to form an opinion as to whether the contents of the matters reported under subsection (d) of this section—

(i) are in the aggregate reasonably related to the experience of the plan and to reasonable expectations; and

(ii) represent his best estimate of anticipated experience under the plan.

The opinion by the enrolled actuary shall be made with respect to, and shall be made a part of, each annual report.

(C) For purposes of this title the term “enrolled actuary” means an actuary enrolled under subtitle C of title III of this Act.

The Secretary shall make copies of such annual reports available for inspection in the public document room of the Department of Labor.

(2)(A) With respect to annual reports required to be filed with the Secretary under this part, he may by regulation prescribe simplified annual reports for any pension plan which covers less than 100 participants.

(B) Nothing contained in this paragraph shall preclude the Secretary from requiring any information or data from any such plan to which this part applies where he finds such data or information is necessary to carry out the purposes of this title nor shall the Secretary be precluded from revoking provisions for simplified reports for any such plan if he finds it necessary to do so in order to carry out the objectives of this title.

(3) The Secretary may by regulation exempt any welfare benefit plan from all or part of the reporting and disclosure requirements of this title or may provide for simplified reporting and disclosure if he finds that such requirements are inappropriate as applied to welfare benefit plans.

(4) The Secretary may reject any filing under this section—

(B) if he determines that there is any material qualification by an accountant or actuary contained in an opinion submitted pursuant to section 103(a)(3)(A) or section 103(a)(4)(B).

(5) If the Secretary rejects a filing of a report under paragraph (4) and if a revised filing satisfactory to the Secretary is not submitted within 45 days after the Secretary makes his determination under paragraph (4) to reject the filing, and if the Secretary deems it in the best interest of the participants, he may take any one or more of the following actions—

MINIMUM PARTICIPATION STANDARDS

SEC. 202. **[1052]** (a)(1)(A) No pension plan may require, as a condition of participation in the plan, that an employee complete a period of service with the employer or employers maintaining the plan extending beyond the later of the following dates—

(i) the date on which the employee attains the age of 21;

or

(ii) the date on which he completes 1 year of service.

(B)(i) In the case of any plan which provides that after not more than 2 years of service each participant has a right to 100 percent of his accrued benefit under the plan which is nonforfeitable at the time such benefit accrues, clause (ii) of subparagraph (A) shall be applied by substituting "2 years of service" for "1 year of service".

(ii) In the case of any plan maintained exclusively for employees of an educational organization (as defined in section 170(b)(1)(A)(ii) of the Internal Revenue Code of 1986) by an employer which is exempt from tax under section 501(a) of such Code, which provides that each participant having at least 1 year of service has a right to 100 percent of his accrued benefit under the plan which is nonforfeitable at the time such benefit accrues, clause (i) of subparagraph (A) shall be applied by substituting "26" for "21". This clause shall not apply to any plan to which clause (i) applies.

(2) No pension plan may exclude from participation (on the basis of age) employees who have attained a specified age.

(3)(A) For purposes of this section, the term "year of service" means a 12-month period during which the employee has not less than 1,000 hours of service. For purposes of this paragraph, computation of any 12-month period shall be made with reference to the date on which the employee's employment commenced, except that, in accordance with regulations prescribed by the Secretary, such computation may be made by reference to the first day of a plan year in the case of an employee who does not complete 1,000

hours of service during the 12-month period beginning on the date his employment commenced.

(B) In the case of any seasonal industry where the customary period of employment is less than 1,000 hours during a calendar year, the term "year of service" shall be such period as may be determined under regulations prescribed by the Secretary.

(C) For purposes of this section, the term "hour of service" means a time of service determined under regulations prescribed by the Secretary.

(D) For purposes of this section, in the case of any maritime industry, 125 days of service shall be treated as 1,000 hours of service. The Secretary may prescribe regulations to carry out the purposes of this subparagraph.

(4) A plan shall be treated as not meeting the requirements of paragraph (1) unless it provides that any employee who has satisfied the minimum age and service requirements specified in such paragraph, and who is otherwise entitled to participate in the plan, commences participation in the plan no later than the earlier of—

(A) the first day of the first plan year beginning after the date on which such employee satisfied such requirements, or

(B) the date 6 months after the date on which he satisfied such requirements,

unless such employee was separated from the service before the date referred to in subparagraph (A) or (B), whichever is applicable.

(b)(1) Except as otherwise provided in paragraphs (2), (3), and (4), all years of service with the employer or employers maintaining the plan shall be taken into account in computing the period of service for purposes of subsection (a)(1).

(2) In the case of any employee who has any 1-year break in service (as defined in section 203(b)(3)(A)) under a plan to which the service requirements of clause (i) of subsection (a)(1)(B) apply, if such employee has not satisfied such requirements, service before such break shall not be required to be taken into account.

(3) In computing an employee's period of service for purposes of subsection (a)(1) in the case of any participant who has any 1-year break in service (as defined in section 203(b)(3)(A)), service before such break shall not be required to be taken into account under the plan until he has completed a year of service (as defined in subsection (a)(3)) after his return.

(4)(A) For purposes of paragraph (1), in the case of a nonvested participant, years of service with the employer or employers maintaining the plan before any period of consecutive 1-year breaks in service shall not be required to be taken into account in computing the period of service if the number of consecutive 1-year breaks in service within such period equals or exceeds the greater of—

(i) 5, or

(ii) the aggregate number of years of service before such period.

(B) If any years of service are not required to be taken into account by reason of a period of breaks in service to which subparagraph (A) applies, such years of service shall not be taken into account in applying subparagraph (A) to a subsequent period of breaks in service.

(C) For purposes of subparagraph (A), the term “nonvested participant” means a participant who does not have any nonforfeitable right under the plan to an accrued benefit derived from employer contributions.

(5)(A) In the case of each individual who is absent from work for any period—

- (i) by reason of the pregnancy of the individual,
- (ii) by reason of the birth of a child of the individual,
- (iii) by reason of the placement of a child with the individual in connection with the adoption of such child by such individual, or
- (iv) for purposes of caring for such child for a period beginning immediately following such birth or placement,

the plan shall treat as hours of service, solely for purposes of determining under this subsection whether a 1-year break in service (as defined in section 203(b)(3)(A)) has occurred, the hours described in subparagraph (B).

(B) The hours described in this subparagraph are—

- (i) the hours of service which otherwise would normally have been credited to such individual but for such absence, or
- (ii) in any case in which the plan is unable to determine the hours described in clause (i), 8 hours of service per day of such absence,

except that the total number of hours treated as hours of service under this subparagraph by reason of any such pregnancy or placement shall not exceed 501 hours.

(C) The hours described in subparagraph (B) shall be treated as hours of service as provided in this paragraph—

- (i) only in the year in which the absence from work begins, if a participant would be prevented from incurring a 1-year break in service in such year solely because the period of absence is treated as hours of service as provided in subparagraph (A); or
- (ii) in any other case, in the immediately following year.

(D) For purposes of this paragraph, the term “year” means the period used in computations pursuant to section 202(a)(3)(A).

(E) A plan may provide that no credit will be given pursuant to this paragraph unless the individual furnishes to the plan administrator such timely information as the plan may reasonably require to establish—

- (i) that the absence from work is for reasons referred to in subparagraph (A), and
- (ii) the number of days for which there was such an absence.

MINIMUM VESTING STANDARDS

SEC. 203. [1053] (a) Each pension plan shall provide that an employee's right to his normal retirement benefit is nonforfeitable upon the attainment of normal retirement age and in addition shall satisfy the requirements of paragraphs (1) and (2) of this subsection.

(1) A plan satisfies the requirements of this paragraph if an employee's rights in his accrued benefit derived from his own contributions are nonforfeitable.

(2)(A)(i) In the case of a defined benefit plan, a plan satisfies the requirements of this paragraph if it satisfies the requirements of clause (ii) or (iii).

(ii) A plan satisfies the requirements of this clause if an employee who has completed at least 5 years of service has a nonforfeitable right to 100 percent of the employee's accrued benefit derived from employer contributions.

(iii) A plan satisfies the requirements of this clause if an employee has a nonforfeitable right to a percentage of the employee's accrued benefit derived from employer contributions determined under the following table:

Years of service:	The nonforfeitable percentage is:
3	20
4	40
5	60
6	80
7 or more	100.

(B)(i) In the case of an individual account plan, a plan satisfies the requirements of this paragraph if it satisfies the requirements of clause (ii) or (iii).

(ii) A plan satisfies the requirements of this clause if an employee who has completed at least 3 years of service has a nonforfeitable right to 100 percent of the employee's accrued benefit derived from employer contributions.

(iii) A plan satisfies the requirements of this clause if an employee has a nonforfeitable right to a percentage of the employee's accrued benefit derived from employer contributions determined under the following table:

Years of service:	The nonforfeitable percentage is:
2	20
3	40
4	60
5	80
6 or more	100.

(3)(A) A right to an accrued benefit derived from employer contributions shall not be treated as forfeitable solely because the plan provides that it is not payable if the participant dies (except in the case of a survivor annuity which is payable as provided in section 205).

(B) A right to an accrued benefit derived from employer contributions shall not be treated as forfeitable solely because the plan provides that the payment of benefits is suspended for

such period as the employee is employed, subsequent to the commencement of payment of such benefits—

(i) in the case of a plan other than a multiemployer plan, by an employer who maintains the plan under which such benefits were being paid; and

(ii) in the case of a multiemployer plan, in the same industry, in the same trade or craft, and the same geographic area covered by the plan, as when such benefits commenced.

The Secretary shall prescribe such regulations as may be necessary to carry out the purposes of this subparagraph, including regulations with respect to the meaning of the term “employed”.

(C) A right to an accrued benefit derived from employer contributions shall not be treated as forfeitable solely because plan amendments may be given retroactive application as provided in section 302(d)(2).

(D)(i) A right to an accrued benefit derived from employer contributions shall not be treated as forfeitable solely because the plan provides that, in the case of a participant who does not have a nonforfeitable right to at least 50 percent of his accrued benefit derived from employer contributions, such accrued benefit may be forfeited on account of the withdrawal by the participant of any amount attributable to the benefit derived from mandatory contributions (as defined in the last sentence of section 204(c)(2)(C)) made by such participant.

(ii) Clause (i) shall not apply to a plan unless the plan provides that any accrued benefit forfeited under a plan provision described in such clause shall be restored upon repayment by the participant of the full amount of the withdrawal described in such clause plus, in the case of a defined benefit plan, interest. Such interest shall be computed on such amount at the rate determined for purposes of section 204(c)(2)(C) (if such subsection applies) on the date of such repayment (computed annually from the date of such withdrawal). The plan provision required under this clause may provide that such repayment must be made (I) in the case of a withdrawal on account of separation from service, before the earlier of 5 years after the first date on which the participant is subsequently re-employed by the employer, or the close of the first period of 5 consecutive 1-year breaks in service commencing after the withdrawal; or (II) in the case of any other withdrawal, 5 years after the date of the withdrawal.

(iii) In the case of accrued benefits derived from employer contributions which accrued before the date of the enactment of this Act [September 2, 1974], a right to such accrued benefit derived from employer contributions shall not be treated as forfeitable solely because the plan provides that an amount of such accrued benefit may be forfeited on account of the withdrawal by the participant of an amount attributable to the benefit derived from mandatory contributions, made by such participant before the date of the enactment of this Act [September 2, 1974] if such amount forfeited is proportional to such amount withdrawn. This clause shall not apply to any plan to

which any mandatory contribution is made after the date of the enactment of this Act [September 2, 1974]. The Secretary of the Treasury shall prescribe such regulations as may be necessary to carry out the purposes of this clause.

(iv) For purposes of this subparagraph, in the case of any class-year plan, a withdrawal of employee contributions shall be treated as a withdrawal of such contributions on a plan year by plan year basis in succeeding order of time.

(v) CROSS REFERENCE.—For nonforfeiture where the employee has a nonforfeitable right to at least 50 percent of his accrued benefit, see section 206(c).

(E)(i) A right to an accrued benefit derived from employer contributions under a multiemployer plan shall not be treated as forfeitable solely because the plan provides that benefits accrued as a result of service with the participant's employer before the employer had an obligation to contribute under the plan may not be payable if the employer ceases contributions to the multiemployer plan.

(ii) A participant's right to an accrued benefit derived from employer contributions under a multiemployer plan shall not be treated as forfeitable solely because—

(I) the plan is amended to reduce benefits under section 4244A or 4281, or

(II) benefit payments under the plan may be suspended under section 4245 or 4281.

(F) A matching contribution (within the meaning of section 401(m) of the Internal Revenue Code of 1986) shall not be treated as forfeitable merely because such contribution is forfeitable if the contribution to which the matching contribution relates is treated as an excess contribution under section 401(k)(8)(B) of such Code, an excess deferral under section 402(g)(2)(A) of such Code, an erroneous automatic contribution under section 414(w) of such Code, or an excess aggregate contribution under section 401(m)(6)(B) of such Code.

(b)(1) In computing the period of service under the plan for purposes of determining the nonforfeitable percentage under subsection (a)(2), all of an employee's years of service with the employer or employers maintaining the plan shall be taken into account, except that the following may be disregarded:

(A) years of service before age 18,^{203—1}

(B) years of service during a period for which the employee declined to contribute to a plan requiring employee contributions;

(C) years of service with an employer during any period for which the employer did not maintain the plan or a predecessor plan, defined by the Secretary of the Treasury;

(D) service not required to be taken into account under paragraph (3);

(E) years of service before January 1, 1971, unless the employee has had at least 3 years of service after December 31, 1970;

^{203—1} So in original. Margination is incorrect, and it appears that the comma should be a semicolon.

(F) years of service before this part first applies to the plan if such service would have been disregarded under the rules of the plan with regard to breaks in service, as in effect on the applicable date; and

(G) in the case of a multiemployer plan, years of service—
(i) with an employer after—

(I) a complete withdrawal of such employer from the plan (within the meaning of section 4203), or

(II) to the extent permitted by regulations prescribed by the Secretary of the Treasury, a partial withdrawal described in section 4205(b)(2)(A)(i) of this title in connection with the decertification of the collective bargaining representative; and

(ii) with any employer under the plan after the termination date of the plan under section 4048.

(2)(A) For purposes of this section, except as provided in subparagraph (C), the term “year of service” means a calendar year, plan year, or other 12-consecutive month period designated by the plan (and not prohibited under regulations prescribed by the Secretary) during which the participant has completed 1,000 hours of service.

(B) For purposes of this section, the term “hour of service” has the meaning provided by section 202(a)(3)(C).

(C) In the case of any seasonal industry where the customary period of employment is less than 1,000 hours during a calendar year, the term “year of service” shall be such period as determined under regulations of the Secretary.

(D) For purposes of this section, in the case of any maritime industry, 125 days of service shall be treated as 1,000 hours of service. The Secretary may prescribe regulations to carry out the purposes of this subparagraph.

(3)(A) For purposes of this paragraph, the term “1-year break in service” means a calendar year, plan year, or other 12-consecutive-month period designated by the plan (and not prohibited under regulations prescribed by the Secretary) during which the participant has not completed more than 500 hours of service.

(B) For purposes of paragraph (1), in the case of any employee who has any 1-year break in service, years of service before such break shall not be required to be taken into account until he has completed a year of service after his return.

(C) For purposes of paragraph (1), in the case of any participant in an individual account plan or an insured defined benefit plan which satisfies the requirements of subsection 204(b)(1)(F) who has 5 consecutive 1-year breaks in service, years of service after such 5-year period shall not be required to be taken into account for purposes of determining the nonforfeitable percentage of his accrued benefit derived from employer contributions which accrued before such break.

(D)(i) For purposes of paragraph (1), in the case of a nonvested participant, years of service with the employer or employers maintaining the plan before any period of consecutive 1-year breaks in service shall not be required to be taken into account if the number of consecutive 1-year breaks in service within such period equals or exceeds the greater of—

- (I) 5, or
- (II) the aggregate number of years of service before such period.
- (ii) If any years of service are not required to be taken into account by reason of a period of breaks in service to which clause (i) applies, such years of service shall not be taken into account in applying clause (i) to a subsequent period of breaks in service.
- (iii) For purposes of clause (i), the term “nonvested participant” means a participant who does not have any nonforfeitable right under the plan to an accrued benefit derived from employer contributions.
- (E)(i) In the case of each individual who is absent from work for any period—
 - (I) by reason of the pregnancy of the individual,
 - (II) by reason of the birth of a child of the individual,
 - (III) by reason of the placement of a child with the individual in connection with the adoption of such child by such individual, or
 - (IV) for purposes of caring for such child for a period beginning immediately following such birth or placement,
 the plan shall treat as hours of service, solely for purposes of determining under this paragraph whether a 1-year break in service has occurred, the hours described in clause (ii).
 - (ii) The hours described in this clause are—
 - (I) the hours of service which otherwise would normally have been credited to such individual but for such absence, or
 - (II) in any case in which the plan is unable to determine the hours described in subclause (I), 8 hours of service per day of absence,
 except that the total number of hours treated as hours of service under this clause by reason of such pregnancy or placement shall not exceed 501 hours.
 - (iii) The hours described in clause (ii) shall be treated as hours of service as provided in this subparagraph—
 - (I) only in the year in which the absence from work begins, if a participant would be prevented from incurring a 1-year break in service in such year solely because the period of absence is treated as hours of service as provided in clause (i); or
 - (II) in any other case, in the immediately following year.
 - (iv) For purposes of this subparagraph, the term “year” means the period used in computations pursuant to paragraph (2).
 - (v) A plan may provide that no credit will be given pursuant to this subparagraph unless the individual furnishes to the plan administrator such timely information as the plan may reasonably require to establish—
 - (I) that the absence from work is for reasons referred to in clause (i), and
 - (II) the number of days for which there was such an absence.
- (4) CROSS REFERENCES.—
 - (A) For definitions of “accrued benefit” and “normal retirement age”, see sections 3(23) and (24).

(B) For effect of certain cash out distributions, see section 204(d)(1).

(c)(1)(A) A plan amendment changing any vesting schedule under this plan shall be treated as not satisfying the requirements of subsection (a)(2) if the nonforfeitable percentage of the accrued benefit derived from employer contributions (determined as of the later of the date such amendment is adopted, or the date such amendment becomes effective) of any employee who is a participant in the plan is less than such nonforfeitable percentage computed under the plan without regard to such amendment.

(B) A plan amendment changing any vesting schedule under the plan shall be treated as not satisfying the requirements of subsection (a)(2) unless each participant having not less than 3 years of service is permitted to elect, within a reasonable period after adoption of such amendment, to have his nonforfeitable percentage computed under the plan without regard to such amendment.

(2) Subsection (a) shall not apply to benefits which may not be provided for designated employees in the event of early termination of the plan under provisions of the plan adopted pursuant to regulations prescribed by the Secretary of the Treasury to preclude the discrimination prohibited by section 401(a)(4) of the Internal Revenue Code of 1986.

(d) A pension plan may allow for nonforfeitable benefits after a lesser period and in greater amounts than are required by this part.

(e)(1) If the present value of any nonforfeitable benefit with respect to a participant in a plan exceeds \$5,000, the plan shall provide that such benefit may not be immediately distributed without the consent of the participant.

(2)^{203—2} For purposes of paragraph (1), the present value shall be calculated in accordance with section 205(g)(3).

(3) This subsection shall not apply to any distribution of dividends to which section 404(k) of the Internal Revenue Code of 1986 applies.

(4) A plan shall not fail to meet the requirements of this subsection if, under the terms of the plan, the present value of the nonforfeitable accrued benefit is determined without regard to that portion of such benefit which is attributable to rollover contributions (and earnings allocable thereto). For purposes of this subparagraph, the term “rollover contributions” means any rollover contribution under sections 402(c), 403(a)(4), 403(b)(8), 408(d)(3)(A)(ii), and 457(e)(16) of the Internal Revenue Code of 1986.

(f) SPECIAL RULES FOR PLANS COMPUTING ACCRUED BENEFITS BY REFERENCE TO HYPOTHETICAL ACCOUNT BALANCE OR EQUIVALENT AMOUNTS.—

(1) IN GENERAL.—An applicable defined benefit plan shall not be treated as failing to meet—

(A) subject to paragraph (2), the requirements of subsection (a)(2), or

(B) the requirements of section 204(c) or 205(g), or the requirements of subsection (e), with respect to accrued benefits derived from employer contributions,

^{203—2} Margination so in law.

solely because the present value of the accrued benefit (or any portion thereof) of any participant is, under the terms of the plan, equal to the amount expressed as the balance in the hypothetical account described in paragraph (3) or as an accumulated percentage of the participant's final average compensation.

(2) 3-YEAR VESTING.—In the case of an applicable defined benefit plan, such plan shall be treated as meeting the requirements of subsection (a)(2) only if an employee who has completed at least 3 years of service has a nonforfeitable right to 100 percent of the employee's accrued benefit derived from employer contributions.

(3) APPLICABLE DEFINED BENEFIT PLAN AND RELATED RULES.—For purposes of this subsection—

(A) IN GENERAL.—The term “applicable defined benefit plan” means a defined benefit plan under which the accrued benefit (or any portion thereof) is calculated as the balance of a hypothetical account maintained for the participant or as an accumulated percentage of the participant's final average compensation.

(B) REGULATIONS TO INCLUDE SIMILAR PLANS.—The Secretary of the Treasury shall issue regulations which include in the definition of an applicable defined benefit plan any defined benefit plan (or any portion of such a plan) which has an effect similar to an applicable defined benefit plan.

BENEFIT ACCRUAL REQUIREMENTS

SEC. 204. [1054] (a) Each pension plan shall satisfy the requirements of subsection (b)(3), and—

(1) in the case of a defined benefit plan, shall satisfy the requirements of subsection (b)(1); and

(2) in the case of a defined contribution plan, shall satisfy the requirements of subsection (b)(2).

(b)(1)(A) A defined benefit plan satisfies the requirements of this paragraph if the accrued benefit to which each participant is entitled upon his separation from the service is not less than—

(i) 3 percent of the normal retirement benefit to which he would be entitled at the normal retirement age if he commenced participation at the earliest possible entry age under

the plan and served continuously until the earlier of age 65 or the normal retirement age specified under the plan, multiplied by

(ii) the number of years (not in excess of $33\frac{1}{3}$) of his participation in the plan.

In the case of a plan providing retirement benefits based on compensation during any period, the normal retirement benefit to which a participant would be entitled shall be determined as if he continued to earn annually the average rate of compensation which he earned during consecutive years of service, not in excess of 10, for which his compensation was the highest. For purposes of this subparagraph, social security benefits and all other relevant factors used to compute benefits shall be treated as remaining constant as of the current year for all years after such current year.

(B) A defined benefit plan satisfies the requirements of this paragraph of a particular plan year if under the plan the accrued benefit payable at the normal retirement age is equal to the normal retirement benefit and the annual rate at which any individual who is or could be a participant can accrue the retirement benefits payable at normal retirement age under the plan for any later plan year is not more than $133\frac{1}{3}$ percent of the annual rate at which he can accrue benefits for any plan year beginning on or after such particular plan year and before such later plan year. For purposes of this subparagraph—

(i) any amendment to the plan which is in effect for the current year shall be treated as in effect for all other plan years;

(ii) any change in an accrual rate which does not apply to any individual who is or could be a participant in the current year shall be disregarded;

(iii) the fact that benefits under the plan may be payable to certain employees before normal retirement age shall be disregarded; and

(iv) social security benefits and all other relevant factors used to compute benefits shall be treated as remaining constant as of the current year for all years after the current year.

(C) A defined benefit plan satisfies the requirements of this paragraph if the accrued benefit to which any participant is entitled upon his separation from the service is not less than a fraction of the annual benefit commencing at normal retirement age to which he would be entitled under the plan as in effect on the date of his separation if he continued to earn annually until normal retirement age the same rate of compensation upon which his normal retirement benefit would be computed under the plan, determined as if he had attained normal retirement age on the date any such determination is made (but taking into account no more than the 10 years of service immediately preceding his separation from service). Such fraction shall be a fraction, not exceeding 1, the numerator of which is the total number of his years of participation in the plan (as of the date of his separation from the service) and the denominator of which is the total number of years he would have participated in the plan if he separated from the service at the normal retirement age. For purposes of this subparagraph, social security benefits and all other relevant factors used to compute benefits

shall be treated as remaining constant as of the current year for all years after such current year.

(D) Subparagraphs (A), (B), and (C) shall not apply with respect to years of participation before the first plan year to which this section applies but a defined benefit plan satisfies the requirements of this subparagraph with respect to such years of participation only if the accrued benefit of any participant with respect to such years of participation is not less than the greater of—

(i) his accrued benefit determined under the plan, as in effect from time to time prior to the date of the enactment of this Act [September 2, 1974], or

(ii) an accrued benefit which is not less than one-half of the accrued benefit to which such participant would have been entitled if subparagraph (A), (B), or (C) applied with respect to such years of participation.

(E) Notwithstanding subparagraphs (A), (B), and (C) of this paragraph, a plan shall not be treated as not satisfying the requirements of this paragraph solely because the accrual of benefits under the plan does not become effective until the employee has two continuous years of service. For purposes of this subparagraph, the term “year of service” has the meaning provided by section 202(a)(3)(A).

(F) Notwithstanding subparagraphs (A), (B), and (C), a defined benefit plan satisfies the requirements of this paragraph if such plan—

(i) is funded exclusively by the purchase of insurance contracts, and

(ii) satisfies the requirements of paragraphs (2) and (3) of section 301(b) (relating to certain insurance contract plans), but only if an employee’s accrued benefit as of any applicable date is not less than the cash surrender value his insurance contracts would have on such applicable date if the requirements of paragraphs (4), (5), and (6) of section 301(b) were satisfied.

(G) Notwithstanding the preceding subparagraphs, a defined benefit plan shall be treated as not satisfying the requirements of this paragraph if the participant’s accrued benefit is reduced on account of any increase in his age or service. The preceding sentence shall not apply to benefits under the plan commencing before benefits payable under title II of the Social Security Act [(42 U.S.C. 401 et seq.)] which benefits under the plan—

(i) do not exceed social security benefits, and

(ii) terminate when such social security benefits commence.

(H)(i) Notwithstanding the preceding subparagraphs, a defined benefit plan shall be treated as not satisfying the requirements of this paragraph if, under the plan, an employee’s benefit accrual is ceased, or the rate of an employee’s benefit accrual is reduced, because of the attainment of any age.

(ii) A plan shall not be treated as failing to meet the requirements of this subparagraph solely because the plan imposes (without regard to age) a limitation on the amount of benefits that the plan provides or a limitation on the number of years of service or years of participation which are taken into account for purposes of determining benefit accrual under the plan.

(iii) In the case of any employee who, as of the end of any plan year under a defined benefit plan, has attained normal retirement age under such plan—

(I) if distribution of benefits under such plan with respect to such employee has commenced as of the end of such plan year, then any requirement of this subparagraph for continued accrual of benefits under such plan with respect to such employee during such plan year shall be treated as satisfied to the extent of the actuarial equivalent of in-service distribution of benefits, and

(II) if distribution of benefits under such plan with respect to such employee has not commenced as of the end of such year in accordance with section 206(a)(3), and the payment of benefits under such plan with respect to such employee is not suspended during such plan year pursuant to section 203(a)(3)(B), then any requirement of this subparagraph for continued accrual of benefits under such plan with respect to such employee during such plan year shall be treated as satisfied to the extent of any adjustment in the benefit payable under the plan during such plan year attributable to the delay in the distribution of benefits after the attainment of normal retirement age.

The preceding provisions of this clause shall apply in accordance with regulations of the Secretary of the Treasury. Such regulations may provide for the application of the preceding provisions of this clause, in the case of any such employee, with respect to any period of time within a plan year.

(iv) Clause (i) shall not apply with respect to any employee who is a highly compensated employee (within the meaning of section 414(q) of the Internal Revenue Code of 1986) to the extent provided in regulations prescribed by the Secretary of the Treasury for purposes of precluding discrimination in favor of highly compensated employees within the meaning of subchapter D of chapter 1 of the Internal Revenue Code of 1986.

(v) A plan shall not be treated as failing to meet the requirements of clause (i) solely because the subsidized portion of any early retirement benefit is disregarded in determining benefit accruals.

(vi) Any regulations prescribed by the Secretary of the Treasury pursuant to clause (v) of section 411(b)(1)(H) of the Internal Revenue Code of 1986 shall apply with respect to the requirements of this subparagraph in the same manner and to the same extent as such regulations apply with respect to the requirements of such section 411(b)(1)(H).

(2)(A) A defined contribution plan satisfies the requirements of this paragraph if, under the plan, allocations to the employee's account are not ceased, and the rate at which amounts are allocated to the employee's account is not reduced, because of the attainment of any age.

(B) A plan shall not be treated as failing to meet the requirements of subparagraph (A) solely because the subsidized portion of any early retirement benefit is disregarded in determining benefit accruals.

(C) Any regulations prescribed by the Secretary of the Treasury pursuant to subparagraphs (B) and (C) of section 411(b)(2) of the Internal Revenue Code of 1986 shall apply with respect to the requirements of this paragraph in the same manner and to the same extent as such regulations apply with respect to the requirements of such section 411(b)(2).

(3) A plan satisfies the requirements of this paragraph if—

(A) in the case of a defined benefit plan, the plan requires separate accounting for the portion of each employee's accrued benefit derived from any voluntary employee contributions permitted under the plan; and

(B) in the case of any plan which is not a defined benefit plan, the plan requires separate accounting for each employee's accrued benefit.

(4)(A) For purposes of determining an employee's accrued benefit, the term "year of participation" means a period of service (beginning at the earliest date on which the employee is a participant in the plan and which is included in a period of service required to be taken into account under section 202(b), determined without regard to section 202(b)(5)) as determined under regulations prescribed by the Secretary which provide for the calculation of such period on any reasonable and consistent basis.

(B) For purposes of this paragraph, except as provided in subparagraph (C), in the case of any employee whose customary employment is less than full time, the calculation of such employee's service on any basis which provides less than a ratable portion of the accrued benefit to which he would be entitled under the plan if his customary employment were full time shall not be treated as made on a reasonable and consistent basis.

(C) For purposes of this paragraph, in the case of any employee whose service is less than 1,000 hours during any calendar year, plan year or other 12-consecutive-month period designated by the plan (and not prohibited under regulations prescribed by the Secretary) the calculation of his period of service shall not be treated as not made on a reasonable and consistent basis merely because such service is not taken into account.

(D) In the case of any seasonal industry where the customary period of employment is less than 1,000 hours during a calendar year, the term "year of participation" shall be such period as determined under regulations prescribed by the Secretary.

(E) For purposes of this subsection in the case of any maritime industry, 125 days of service shall be treated as a year of participation. The Secretary may prescribe regulations to carry out the purposes of this subparagraph.

(5)¹ SPECIAL RULES RELATING TO AGE.—

(A) COMPARISON TO SIMILARLY SITUATED YOUNGER INDIVIDUAL.—

(i) IN GENERAL.—A plan shall not be treated as failing to meet the requirements of paragraph (1)(H)(i) if a participant's accrued benefit, as determined as of any date under the terms of the plan, would be equal

¹Pension Protection Act of 2006 (PPA) section 701 provides generally that the provisions apply to periods after 6/29/05, but allows for delay of the effective date for collectively bargained plans until as late as 1/1/2010.

to or greater than that of any similarly situated, younger individual who is or could be a participant.

(ii) **SIMILARLY SITUATED.**—For purposes of this subparagraph, a participant is similarly situated to any other individual if such participant is identical to such other individual in every respect (including period of service, compensation, position, date of hire, work history, and any other respect) except for age.

(iii) **DISREGARD OF SUBSIDIZED EARLY RETIREMENT BENEFITS.**—In determining the accrued benefit as of any date for purposes of this subparagraph, the subsidized portion of any early retirement benefit or retirement-type subsidy shall be disregarded.

(iv) **ACCRUED BENEFIT.**—For purposes of this subparagraph, the accrued benefit may, under the terms of the plan, be expressed as an annuity payable at normal retirement age, the balance of a hypothetical account, or the current value of the accumulated percentage of the employee's final average compensation.

(B) **APPLICABLE DEFINED BENEFIT PLANS.**—

(i) **INTEREST CREDITS.**—

(I) **IN GENERAL.**—An applicable defined benefit plan shall be treated as failing to meet the requirements of paragraph (1)(H) unless the terms of the plan provide that any interest credit (or an equivalent amount) for any plan year shall be at a rate which is not greater than a market rate of return. A plan shall not be treated as failing to meet the requirements of this subclause merely because the plan provides for a reasonable minimum guaranteed rate of return or for a rate of return that is equal to the greater of a fixed or variable rate of return.

(II) **PRESERVATION OF CAPITAL.**—An applicable defined benefit plan shall be treated as failing to meet the requirements of paragraph (1)(H) unless the plan provides that an interest credit (or equivalent amount) of less than zero shall in no event result in the account balance or similar amount being less than the aggregate amount of contributions credited to the account.

(III) **MARKET RATE OF RETURN.**—The Secretary of the Treasury may provide by regulation for rules governing the calculation of a market rate of return for purposes of subclause (I) and for permissible methods of crediting interest to the account (including fixed or variable interest rates) resulting in effective rates of return meeting the requirements of subclause (I).

(ii) **SPECIAL RULE FOR PLAN CONVERSIONS.**—If, after June 29, 2005, an applicable plan amendment is adopted, the plan shall be treated as failing to meet the requirements of paragraph (1)(H) unless the requirements of clause (iii) are met with respect to each

individual who was a participant in the plan immediately before the adoption of the amendment.

(iii) RATE OF BENEFIT ACCRUAL.—Subject to clause (iv), the requirements of this clause are met with respect to any participant if the accrued benefit of the participant under the terms of the plan as in effect after the amendment is not less than the sum of—

(I) the participant's accrued benefit for years of service before the effective date of the amendment, determined under the terms of the plan as in effect before the amendment, plus

(II) the participant's accrued benefit for years of service after the effective date of the amendment, determined under the terms of the plan as in effect after the amendment.

(iv) SPECIAL RULES FOR EARLY RETIREMENT SUBSIDIES.—For purposes of clause (iii)(I), the plan shall credit the accumulation account or similar amount with the amount of any early retirement benefit or retirement-type subsidy for the plan year in which the participant retires if, as of such time, the participant has met the age, years of service, and other requirements under the plan for entitlement to such benefit or subsidy.

(v) APPLICABLE PLAN AMENDMENT.—For purposes of this subparagraph—

(I) IN GENERAL.—The term “applicable plan amendment” means an amendment to a defined benefit plan which has the effect of converting the plan to an applicable defined benefit plan.

(II) SPECIAL RULE FOR COORDINATED BENEFITS.—If the benefits of 2 or more defined benefit plans established or maintained by an employer are coordinated in such a manner as to have the effect of the adoption of an amendment described in subclause (I), the sponsor of the defined benefit plan or plans providing for such coordination shall be treated as having adopted such a plan amendment as of the date such coordination begins.

(III) MULTIPLE AMENDMENTS.—The Secretary of the Treasury shall issue regulations to prevent the avoidance of the purposes of this subparagraph through the use of 2 or more plan amendments rather than a single amendment.

(IV) APPLICABLE DEFINED BENEFIT PLAN.—For purposes of this subparagraph, the term “applicable defined benefit plan” has the meaning given such term by section 203(f)(3).

(vi) TERMINATION REQUIREMENTS.—An applicable defined benefit plan shall not be treated as meeting the requirements of clause (i) unless the plan provides that, upon the termination of the plan—

(I) if the interest credit rate (or an equivalent amount) under the plan is a variable rate, the

rate of interest used to determine accrued benefits under the plan shall be equal to the average of the rates of interest used under the plan during the 5-year period ending on the termination date, and

(II) the interest rate and mortality table used to determine the amount of any benefit under the plan payable in the form of an annuity payable at normal retirement age shall be the rate and table specified under the plan for such purpose as of the termination date, except that if such interest rate is a variable rate, the interest rate shall be determined under the rules of subclause (I).

(C) CERTAIN OFFSETS PERMITTED.—A plan shall not be treated as failing to meet the requirements of paragraph (1)(H)(i) solely because the plan provides offsets against benefits under the plan to the extent such offsets are otherwise allowable in applying the requirements of section 401(a) of the Internal Revenue Code of 1986.

(D) PERMITTED DISPARITIES IN PLAN CONTRIBUTIONS OR BENEFITS.—A plan shall not be treated as failing to meet the requirements of paragraph (1)(H) solely because the plan provides a disparity in contributions or benefits with respect to which the requirements of section 401(l) of the Internal Revenue Code of 1986 are met.

(E) INDEXING PERMITTED.—

(i) IN GENERAL.—A plan shall not be treated as failing to meet the requirements of paragraph (1)(H) solely because the plan provides for indexing of accrued benefits under the plan.

(ii) PROTECTION AGAINST LOSS.—Except in the case of any benefit provided in the form of a variable annuity, clause (i) shall not apply with respect to any indexing which results in an accrued benefit less than the accrued benefit determined without regard to such indexing.

(iii) INDEXING.—For purposes of this subparagraph, the term “indexing” means, in connection with an accrued benefit, the periodic adjustment of the accrued benefit by means of the application of a recognized investment index or methodology.

(F) EARLY RETIREMENT BENEFIT OR RETIREMENT-TYPE SUBSIDY.—For purposes of this paragraph, the terms “early retirement benefit” and “retirement-type subsidy” have the meaning given such terms in subsection (g)(2)(A).

(G) BENEFIT ACCRUED TO DATE.—For purposes of this paragraph, any reference to the accrued benefit shall be a reference to such benefit accrued to date.

(c)(1) For purposes of this section and section 203 an employee’s accrued benefit derived from employer contributions as of any applicable date is the excess (if any) of the accrued benefit for such employee as of such applicable date over the accrued benefit derived from contributions made by such employee as of such date.

(2)(A) In the case of a plan other than a defined benefit plan, the accrued benefit derived from contributions made by an employee as of any applicable date is—

(i) except as provided in clause (ii), the balance of the employee's separate account consisting only of his contributions and the income, expenses, gains, and losses attributable thereto, or

(ii) if a separate account is not maintained with respect to an employee's contributions under such a plan, the amount which bears the same ratio to his total accrued benefit as the total amount of the employee's contributions (less withdrawals) bears to the sum of such contributions and the contributions made on his behalf by the employer (less withdrawals).

(B) DEFINED BENEFIT PLANS.—In the case of a defined benefit plan, the accrued benefit derived from contributions made by an employee as of any applicable date is the amount equal to the employee's accumulated contributions expressed as an annual benefit commencing at normal retirement age, using an interest rate which would be used under the plan under section 205(g)(3) (as of the determination date).

(C) For purposes of this subsection, the term “accumulated contributions” means the total of—

(i) all mandatory contributions made by the employee,

(ii) interest (if any) under the plan to the end of the last plan year to which section 203(a)(2) does not apply (by reason of the applicable effective date), and

(iii)^{204—1} interest on the sum of the amounts determined under clauses (i) and (ii) compounded annually—

(I)^{204—2} at the rate of 120 percent of the Federal mid-term rate (as in effect under section 1274 of the Internal Revenue Code of 1986 for the 1st month of a plan year for the period beginning with the 1st plan year to which subsection (a)(2) applies by reason of the applicable effective date) and ending with the date on which the determination is being made, and

(II)^{204—3} at the interest rate which would be used under the plan under section 205(g)(3) (as of the determination date) for the period beginning with the determination date and ending on the date on which the employee attains normal retirement age.

For purposes of this subparagraph, the term “mandatory contributions” means amounts contributed to the plan by the employee which are required as a condition of employment, as a condition of participation in such plan, or as a condition of obtaining benefits under the plan attributable to employer contributions.

(D) The Secretary of the Treasury is authorized to adjust by regulation the conversion factor described in subparagraph (B) from time to time as he may deem necessary. No such adjustment

^{204—1} So in original. Margination is incorrect.

^{204—2} See note 204—1.

^{204—3} See note 204—1.

shall be effective for a plan year beginning before the expiration of 1 year after such adjustment is determined and published.

(3) For purposes of this section, in the case of any defined benefit plan, if an employee's accrued benefit is to be determined as an amount other than an annual benefit commencing at normal retirement age, or if the accrued benefit derived from contributions made by an employee is to be determined with respect to a benefit other than an annual benefit in the form of a single life annuity (without ancillary benefits) commencing at normal retirement age, the employee's accrued benefit, or the accrued benefits derived from contributions made by an employee, as the case may be, shall be the actuarial equivalent of such benefit or amount determined under paragraph (1) or (2).

(4) In the case of a defined benefit plan which permits voluntary employee contributions, the portion of an employee's accrued benefit derived from such contributions shall be treated as an accrued benefit derived from employee contributions under a plan other than a defined benefit plan.

(d) Notwithstanding section 203(b)(1), for purposes of determining the employee's accrued benefit under the plan, the plan may disregard service performed by the employee with respect to which he has received—

(1) a distribution of the present value of his entire nonforfeitable benefit if such distribution was in an amount (not more than the dollar limit under section 203(e)(1)) permitted under regulations prescribed by the Secretary of the Treasury, or

(2) a distribution of the present value of his nonforfeitable benefit attributable to such service which he elected to receive. Paragraph (1) shall apply only if such distribution was made on termination of the employee's participation in the plan. Paragraph (2) shall apply only if such distribution was made on termination of the employee's participation in the plan or under such other circumstances as may be provided under regulations prescribed by the Secretary of the Treasury.

(e) For purposes of determining the employee's accrued benefit, the plan shall not disregard service as provided in subsection (d) unless the plan provides an opportunity for the participant to repay the full amount of a distribution described in subsection (d) with, in the case of a defined benefit plan, interest at the rate determined for purposes of subsection (c)(2)(C) and provides that upon such repayment the employee's accrued benefit shall be recomputed by taking into account service so disregarded. This subsection shall apply only in the case of a participant who—

(1) received such a distribution in any plan year to which this section applies, which distribution was less than the present value of his accrued benefit,

(2) resumes employment covered under the plan, and

(3) repays the full amount of such distribution with, in the case of a defined benefit plan, interest at the rate determined for purposes of subsection (c)(2)(C).

The plan provision required under this subsection may provide that such repayment must be made (A) in the case of a withdrawal on account of separation from service, before the earlier of 5 years

after the first date on which the participant is subsequently re-employed by the employer, or the close of the first period of 5 consecutive 1-year breaks in service commencing after the withdrawal; or (B) in the case of any other withdrawal, 5 years after the date of the withdrawal.

(f) For the purposes of this part, an employer shall be treated as maintaining a plan if any employee of such employer accrues benefits under such plan by reason of service with such employer.

(g)(1) The accrued benefit of a participant under a plan may not be decreased by an amendment of the plan, other than an amendment described in section 302(d)(2) or 4281.

(2) For purposes of paragraph (1), a plan amendment which has the effect of—

(A) eliminating or reducing an early retirement benefit or a retirement-type subsidy (as defined in regulations), or

(B) eliminating an optional form of benefit, with respect to benefits attributable to service before the amendment shall be treated as reducing accrued benefits. In the case of a retirement-type subsidy, the preceding sentence shall apply only with respect to a participant who satisfies (either before or after the amendment) the preamendment conditions for the subsidy. The Secretary of the Treasury shall by regulations provide that this paragraph shall not apply to any plan amendment which reduces or eliminates benefits or subsidies which create significant burdens or complexities for the plan and plan participants, unless such amendment adversely affects the rights of any participant in a more than de minimis manner. The Secretary of the Treasury may by regulations provide that this subparagraph shall not apply to a plan amendment described in subparagraph (B) (other than a plan amendment having an effect described in subparagraph (A)).

(3) For purposes of this subsection, any—

(A) tax credit employee stock ownership plan (as defined in section 409(a) of the Internal Revenue Code of 1986), or

(B) employee stock ownership plan (as defined in section 4975(e)(7) of such Code),

shall not be treated as failing to meet the requirements of this subsection merely because it modifies distribution options in a non-discriminatory manner.

(4)(A) A defined contribution plan (in this subparagraph referred to as the “transferee plan”) shall not be treated as failing to meet the requirements of this subsection merely because the transferee plan does not provide some or all of the forms of distribution previously available under another defined contribution plan (in this subparagraph referred to as the “transferor plan”) to the extent that—

(i) the forms of distribution previously available under the transferor plan applied to the account of a participant or beneficiary under the transferor plan that was transferred from the transferor plan to the transferee plan pursuant to a direct transfer rather than pursuant to a distribution from the transferor plan;

(ii) the terms of both the transferor plan and the transferee plan authorize the transfer described in clause (i);

(iii) the transfer described in clause (i) was made pursuant to a voluntary election by the participant or beneficiary whose account was transferred to the transferee plan;

(iv) the election described in clause (iii) was made after the participant or beneficiary received a notice describing the consequences of making the election; and

(v) the transferee plan allows the participant or beneficiary described in clause (iii) to receive any distribution to which the participant or beneficiary is entitled under the transferee plan in the form of a single sum distribution.

(B) Subparagraph (A) shall apply to plan mergers and other transactions having the effect of a direct transfer, including consolidations of benefits attributable to different employers within a multiple employer plan.

(5) Except to the extent provided in regulations promulgated by the Secretary of the Treasury, a defined contribution plan shall not be treated as failing to meet the requirements of this subsection merely because of the elimination of a form of distribution previously available thereunder. This paragraph shall not apply to the elimination of a form of distribution with respect to any participant unless—

(A) a single sum payment is available to such participant at the same time or times as the form of distribution being eliminated; and

(B) such single sum payment is based on the same or greater portion of the participant's account as the form of distribution being eliminated.

(h)(1) An applicable pension plan may not be amended so as to provide for a significant reduction in the rate of future benefit accrual unless the plan administrator provides the notice described in paragraph (2) to each applicable individual (and to each employee organization representing applicable individuals) and to each employer who has an obligation to contribute to the plan.

(2) The notice required by paragraph (1) shall be written in a manner calculated to be understood by the average plan participant and shall provide sufficient information (as determined in accordance with regulations prescribed by the Secretary of the Treasury) to allow applicable individuals to understand the effect of the plan amendment. The Secretary of the Treasury may provide a simplified form of notice for, or exempt from any notice requirement, a plan—

(A) which has fewer than 100 participants who have accrued a benefit under the plan, or

(B) which offers participants the option to choose between the new benefit formula and the old benefit formula.

(3) Except as provided in regulations prescribed by the Secretary of the Treasury, the notice required by paragraph (1) shall be provided within a reasonable time before the effective date of the plan amendment.

(4) Any notice under paragraph (1) may be provided to a person designated, in writing, by the person to which it would otherwise be provided.

(5) A plan shall not be treated as failing to meet the requirements of paragraph (1) merely because notice is provided before the

adoption of the plan amendment if no material modification of the amendment occurs before the amendment is adopted.

(6)(A) In the case of any egregious failure to meet any requirement of this subsection with respect to any plan amendment, the provisions of the applicable pension plan shall be applied as if such plan amendment entitled all applicable individuals to the greater of—

- (i) the benefits to which they would have been entitled without regard to such amendment, or
- (ii) the benefits under the plan with regard to such amendment.

(B) For purposes of subparagraph (A), there is an egregious failure to meet the requirements of this subsection if such failure is within the control of the plan sponsor and is—

- (i) an intentional failure (including any failure to promptly provide the required notice or information after the plan administrator discovers an unintentional failure to meet the requirements of this subsection),
- (ii) a failure to provide most of the individuals with most of the information they are entitled to receive under this subsection, or
- (iii) a failure which is determined to be egregious under regulations prescribed by the Secretary of the Treasury.

(7) The Secretary of the Treasury may by regulations allow any notice under this subsection to be provided by using new technologies.

(8) For purposes of this subsection—

(A) The term “applicable individual” means, with respect to any plan amendment—

- (i) each participant in the plan; and
- (ii) any beneficiary who is an alternate payee (within the meaning of section 206(d)(3)(K)) under an applicable qualified domestic relations order (within the meaning of section 206(d)(3)(B)(i)), whose rate of future benefit accrual under the plan may reasonably be expected to be significantly reduced by such plan amendment.

(B) The term “applicable pension plan” means—

- (i) any defined benefit plan; or
- (ii) an individual account plan which is subject to the funding standards of section 412 of the Internal Revenue Code of 1986.

(9) For purposes of this subsection, a plan amendment which eliminates or reduces any early retirement benefit or retirement-type subsidy (within the meaning of subsection (g)(2)(A)) shall be treated as having the effect of reducing the rate of future benefit accrual.

(i)(1) In the case of a plan described in paragraph (3) which is maintained by an employer that is a debtor in a case under title 11, United States Code, or similar Federal or State law, no amendment of the plan which increases the liabilities of the plan by reason of—

- (A) any increase in benefits,
- (B) any change in the accrual of benefits, or

(C) any change in the rate at which benefits become non-forfeitable under the plan, with respect to employees of the debtor, shall be effective prior to the effective date of such employer's plan of reorganization.

(2) Paragraph (1) shall not apply to any plan amendment that—

(A) the Secretary of the Treasury determines to be reasonable and that provides for only de minimis increases in the liabilities of the plan with respect to employees of the debtor,

(B) only repeals an amendment described in section 302(d)(2),

(C) is required as a condition of qualification under part I of subchapter D of chapter 1 of the Internal Revenue Code of 1986, or

(D) was adopted prior to, or pursuant to a collective bargaining agreement entered into prior to, the date on which the employer became a debtor in a case under title 11, United States Code, or similar Federal or State law.

(3) This subsection shall apply only to plans (other than multi-employer plans) covered under section 4021 of this Act for which the funding target attainment percentage (as defined in section 303(d)(2)) is less than 100 percent after taking into account the effect of the amendment.

(4) For purposes of this subsection, the term "employer" has the meaning set forth in section 302(b)(1), without regard to section 302(b)(2).

(j) DIVERSIFICATION REQUIREMENTS FOR CERTAIN INDIVIDUAL ACCOUNT PLANS.—

(1) IN GENERAL.—An applicable individual account plan shall meet the diversification requirements of paragraphs (2), (3), and (4).

(2) EMPLOYEE CONTRIBUTIONS AND ELECTIVE DEFERRALS INVESTED IN EMPLOYER SECURITIES.—In the case of the portion of an applicable individual's account attributable to employee contributions and elective deferrals which is invested in employer securities, a plan meets the requirements of this paragraph if the applicable individual may elect to direct the plan to divest any such securities and to reinvest an equivalent amount in other investment options meeting the requirements of paragraph (4).

(3) EMPLOYER CONTRIBUTIONS INVESTED IN EMPLOYER SECURITIES.—In the case of the portion of the account attributable to employer contributions other than elective deferrals which is invested in employer securities, a plan meets the requirements of this paragraph if each applicable individual who—

(A) is a participant who has completed at least 3 years of service, or

(B) is a beneficiary of a participant described in subparagraph (A) or of a deceased participant, may elect to direct the plan to divest any such securities and to reinvest an equivalent amount in other investment options meeting the requirements of paragraph (4).

(4) INVESTMENT OPTIONS.—

(A) IN GENERAL.—The requirements of this paragraph are met if the plan offers not less than 3 investment options, other than employer securities, to which an applicable individual may direct the proceeds from the divestment of employer securities pursuant to this subsection, each of which is diversified and has materially different risk and return characteristics.

(B) TREATMENT OF CERTAIN RESTRICTIONS AND CONDITIONS.—

(i) TIME FOR MAKING INVESTMENT CHOICES.—A plan shall not be treated as failing to meet the requirements of this paragraph merely because the plan limits the time for divestment and reinvestment to periodic, reasonable opportunities occurring no less frequently than quarterly.

(ii) CERTAIN RESTRICTIONS AND CONDITIONS NOT ALLOWED.—Except as provided in regulations, a plan shall not meet the requirements of this paragraph if the plan imposes restrictions or conditions with respect to the investment of employer securities which are not imposed on the investment of other assets of the plan. This subparagraph shall not apply to any restrictions or conditions imposed by reason of the application of securities laws.

(5) APPLICABLE INDIVIDUAL ACCOUNT PLAN.—For purposes of this subsection—

(A) IN GENERAL.—The term “applicable individual account plan” means any individual account plan (as defined in section 3(34)) which holds any publicly traded employer securities.

(B) EXCEPTION FOR CERTAIN ESOPS.—Such term does not include an employee stock ownership plan if—

(i) there are no contributions to such plan (or earnings thereunder) which are held within such plan and are subject to subsection (k) or (m) of section 401 of the Internal Revenue Code of 1986, and

(ii) such plan is a separate plan (for purposes of section 414(l) of such Code) with respect to any other defined benefit plan or individual account plan maintained by the same employer or employers.

(C) EXCEPTION FOR ONE PARTICIPANT PLANS.—Such term shall not include a one-participant retirement plan (as defined in section 101(i)(8)(B)).

(D) CERTAIN PLANS TREATED AS HOLDING PUBLICLY TRADED EMPLOYER SECURITIES.—

(i) IN GENERAL.—Except as provided in regulations or in clause (ii), a plan holding employer securities which are not publicly traded employer securities shall be treated as holding publicly traded employer securities if any employer corporation, or any member of a controlled group of corporations which includes such employer corporation, has issued a class of stock which is a publicly traded employer security.

(ii) EXCEPTION FOR CERTAIN CONTROLLED GROUPS WITH PUBLICLY TRADED SECURITIES.—Clause (i) shall not apply to a plan if—

(I) no employer corporation, or parent corporation of an employer corporation, has issued any publicly traded employer security, and

(II) no employer corporation, or parent corporation of an employer corporation, has issued any special class of stock which grants particular rights to, or bears particular risks for, the holder or issuer with respect to any corporation described in clause (i) which has issued any publicly traded employer security.

(iii) DEFINITIONS.—For purposes of this subparagraph, the term—

(I) “controlled group of corporations” has the meaning given such term by section 1563(a) of the Internal Revenue Code of 1986, except that “50 percent” shall be substituted for “80 percent” each place it appears,

(II) “employer corporation” means a corporation which is an employer maintaining the plan, and

(III) “parent corporation” has the meaning given such term by section 424(e) of such Code.

(6) OTHER DEFINITIONS.—For purposes of this paragraph—

(A) APPLICABLE INDIVIDUAL.—The term “applicable individual” means—

(i) any participant in the plan, and

(ii) any beneficiary who has an account under the plan with respect to which the beneficiary is entitled to exercise the rights of a participant.

(B) ELECTIVE DEFERRAL.—The term “elective deferral” means an employer contribution described in section 402(g)(3)(A) of the Internal Revenue Code of 1986.

(C) EMPLOYER SECURITY.—The term “employer security” has the meaning given such term by section 407(d)(1).

(D) EMPLOYEE STOCK OWNERSHIP PLAN.—The term “employee stock ownership plan” has the meaning given such term by section 4975(e)(7) of such Code.

(E) PUBLICLY TRADED EMPLOYER SECURITIES.—The term “publicly traded employer securities” means employer securities which are readily tradable on an established securities market.

(F) YEAR OF SERVICE.—The term “year of service” has the meaning given such term by section 203(b)(2).

(7) TRANSITION RULE FOR SECURITIES ATTRIBUTABLE TO EMPLOYER CONTRIBUTIONS.—

(A) RULES PHASED IN OVER 3 YEARS.—

(i) IN GENERAL.—In the case of the portion of an account to which paragraph (3) applies and which consists of employer securities acquired in a plan year beginning before January 1, 2007, paragraph (3) shall only apply to the applicable percentage of such securi-

ties. This subparagraph shall be applied separately with respect to each class of securities.

(ii) EXCEPTION FOR CERTAIN PARTICIPANTS AGED 55 OR OVER.—Clause (i) shall not apply to an applicable individual who is a participant who has attained age 55 and completed at least 3 years of service before the first plan year beginning after December 31, 2005.

(B) APPLICABLE PERCENTAGE.—For purposes of subparagraph (A), the applicable percentage shall be determined as follows:

Plan year to which paragraph (3) applies:	The applicable percentage is:
1st	33
2d	66
3d	100.

(k) CROSS REFERENCE.—For special rules relating to plan provisions adopted to preclude discrimination, see section 203(c)(2).

REQUIREMENT OF JOINT AND SURVIVOR ANNUITY AND PRERETIREMENT SURVIVOR ANNUITY

SEC. 205. [1055] (a) Each pension plan to which this section applies shall provide that—

(1) in the case of a vested participant who does not die before the annuity starting date, the accrued benefit payable to such participant shall be provided in the form of a qualified joint and survivor annuity, and

(2) in the case of a vested participant who dies before the annuity starting date and who has a surviving spouse, a qualified preretirement survivor annuity shall be provided to the surviving spouse of such participant.

(b)(1) This section shall apply to—

(A) any defined benefit plan,

(B) any individual account plan which is subject to the funding standards of section 302, and

(C) any participant under any other individual account plan unless—

(i) such plan provides that the participant's nonforfeitable accrued benefit (reduced by any security interest held by the plan by reason of a loan outstanding to such participant) is payable in full, on the death of the participant, to

the participant's surviving spouse (or, if there is no surviving spouse or the surviving spouse consents in the manner required under subsection (c)(2), to a designated beneficiary),

(ii) such participant does not elect the payment of benefits in the form of a life annuity, and

(iii) with respect to such participant, such plan is not a direct or indirect transferee (in a transfer after December 31, 1984) of a plan which is described in subparagraph (A) or (B) or to which this clause applied with respect to the participant.

Clause (iii) of subparagraph (C) shall apply only with respect to the transferred assets (and income therefrom) if the plan separately accounts for such assets and any income therefrom.

(2)(A) In the case of—

(i) a tax credit employee stock ownership plan (as defined in section 409(a) of the Internal Revenue Code of 1986), or

(ii) an employee stock ownership plan (as defined in section 4975(e)(7) of such Code),

subsection (a) shall not apply to that portion of the employee's accrued benefit to which the requirements of section 409(h) of such Code apply.

(B) Subparagraph (A) shall not apply with respect to any participant unless the requirements of clause^{205—1} (i), (ii), and (iii) of paragraph (1)(C) are met with respect to such participant.

(4)^{205—2} This section shall not apply to a plan which the Secretary of the Treasury or his delegate has determined is a plan described in section 404(c) of the Internal Revenue Code of 1986 (or a continuation thereof) in which participation is substantially limited to individuals who, before January 1, 1976, ceased employment covered by the plan.

(4)^{205—3} A plan shall not be treated as failing to meet the requirements of paragraph (1)(C) or (2) merely because the plan provides that benefits will not be payable to the surviving spouse of the participant unless the participant and such spouse had been married throughout the 1-year period ending on the earlier of the participant's annuity starting date or the date of the participant's death.

(c)(1) A plan meets the requirements of this section only if—

(A)¹ under the plan, each participant—

(i) may elect at any time during the applicable election period to waive the qualified joint and survivor annuity

^{205—2} So in original. Sections 7861(d)(1) and 7862(d)(9)(B) of P.L. 101-239 redesignated the two subsection (b)(3)'s as subsection (b)(4)'s.

^{205—3} See note 205-2.

¹ Subparagraph (A) of subsection (c)(1) (as amended by section 1004(b)(1) of Public Law 109-280) applies December 31, 2007 pursuant to subsection (c)(1) of such section 1004. Prior to December 31, 2007, such subparagraph reads as follows:

(A) under the plan, each participant—

(i) may elect at any time during the applicable election period to waive the qualified joint and survivor annuity form of benefit or the qualified preretirement survivor annuity form of benefit (or both), and

(ii) may revoke any such election at any time during the applicable election period, and

form of benefit or the qualified preretirement survivor annuity form of benefit (or both),

(ii) if the participant elects a waiver under clause (i), may elect the qualified optional survivor annuity at any time during the applicable election period, and

(iii) may revoke any such election at any time during the applicable election period, and

(B) the plan meets the requirements of paragraphs (2), (3), and (4).

(2) Each plan shall provide that an election under paragraph (1)(A)(i) shall not take effect unless—

(A)(i) the spouse of the participant consents in writing to such election, (ii) such election designates a beneficiary (or a form of benefits) which may not be changed without spousal consent (or the consent of the spouse expressly permits designations by the participant without any requirement of further consent by the spouse), and (iii) the spouse's consent acknowledges the effect of such election and is witnessed by a plan representative or a notary public, or

(B) it is established to the satisfaction of a plan representative that the consent required under subparagraph (A) may not be obtained because there is no spouse, because the spouse cannot be located, or because of such other circumstances as the Secretary of the Treasury may by regulations prescribe.

Any consent by a spouse (or establishment that the consent of a spouse may not be obtained) under the preceding sentence shall be effective only with respect to such spouse.

(3)(A) Each plan shall provide to each participant, within a reasonable period of time before the annuity starting date (and consistent with such regulations as the Secretary of the Treasury may prescribe) a written explanation of—

(i) the terms and conditions of the qualified joint and survivor annuity and of the qualified optional survivor annuity¹,

(ii) the participant's right to make, and the effect of, an election under paragraph (1) to waive the joint and survivor annuity form of benefit,

(iii) the rights of the participant's spouse under paragraph (2), and

(iv) the right to make, and the effect of, a revocation of an election under paragraph (1).

(B)(i) Each plan shall provide to each participant, within the applicable period with respect to such participant (and consistent with such regulations as the Secretary may prescribe), a written explanation with respect to the qualified preretirement survivor annuity comparable to that required under subparagraph (A).

(ii) For purposes of clause (i), the term "applicable period" means, with respect to a participant, whichever of the following periods ends last:

(I) The period beginning with the first day of the plan year in which the participant attains age 32 and ending with the

¹The amendment to insert "and of the qualified optional survivor annuity" after "annuity" made by section 1004(b)(3) of Public Law 109-280 applies December 31, 2007 pursuant to subsection (c)(1) of such section 1004.

close of the plan year preceding the plan year in which the participant attains age 35.

(II) A reasonable period after the individual becomes a participant.

(III) A reasonable period ending after paragraph (5) ceases to apply to the participant.

(IV) A reasonable period ending after section 205 applies to the participant.

In the case of a participant who separates from service before attaining age 35, the applicable period shall be a reasonable period after separation.

(4) Each plan shall provide that, if this section applies to a participant when part or all of the participant's accrued benefit is to be used as security for a loan, no portion of the participant's accrued benefit may be used as security for such loan unless—

(A) the spouse of the participant (if any) consents in writing to such use during the 90-day period ending on the date on which the loan is to be so secured, and

(B) requirements comparable to the requirements of paragraph (2) are met with respect to such consent.

(5)(A) The requirements of this subsection shall not apply with respect to the qualified joint and survivor annuity form of benefit or the qualified preretirement survivor annuity form of benefit, as the case may be, if such benefit may not be waived (or another beneficiary selected) and if the plan fully subsidizes the costs of such benefit.

(B) For purposes of subparagraph (A), a plan fully subsidizes the costs of a benefit if under the plan the failure to waive such benefit by a participant would not result in a decrease in any plan benefits with respect to such participant and would not result in increased contributions from such participant.

(6) If a plan fiduciary acts in accordance with part 4 of this subtitle in—

(A) relying on a consent or revocation referred to in paragraph (1)(A), or

(B) making a determination under paragraph (2), then such consent, revocation, or determination shall be treated as valid for purposes of discharging the plan from liability to the extent of payments made pursuant to such Act.^{205—4}

(7) For purposes of this subsection, the term “applicable election period” means—

(A) in the case of an election to waive the qualified joint and survivor annuity form of benefit, the 180-day period ending on the annuity starting date, or

(B) in the case of an election to waive the qualified preretirement survivor annuity, the period which begins on the first day of the plan year in which the participant attains age 35 and ends on the date of the participant's death.

In the case of a participant who is separated from service, the applicable election period under subparagraph (B) with respect to

benefits accrued before the date of such separation from service shall not begin later than such date.

(8) Notwithstanding any other provision of this subsection—

(A)(i) A plan may provide the written explanation described in paragraph (3)(A) after the annuity starting date. In any case to which this subparagraph applies, the applicable election period under paragraph (7) shall not end before the 30th day after the date on which such explanation is provided.

(ii) The Secretary of the Treasury may by regulations limit the application of clause (i), except that such regulations may not limit the period of time by which the annuity starting date precedes the provision of the written explanation other than by providing that the annuity starting date may not be earlier than termination of employment.

(B) A plan may permit a participant to elect (with any applicable spousal consent) to waive any requirement that the written explanation be provided at least 30 days before the annuity starting date (or to waive the 30-day requirement under subparagraph (A)) if the distribution commences more than 7 days after such explanation is provided.

(d)(1)¹ For purposes of this section, the term “qualified joint and survivor annuity” means an annuity—

(A) for the life of the participant with a survivor annuity for the life of the spouse which is not less than 50 percent of (and is not greater than 100 percent of) the amount of the annuity which is payable during the joint lives of the participant and the spouse, and

(B) which is the actuarial equivalent of a single annuity for the life of the participant.

Such term also includes any annuity in a form having the effect of an annuity described in the preceding sentence.

(2)(A) For purposes of this section, the term “qualified optional survivor annuity” means an annuity—

(i) for the life of the participant with a survivor annuity for the life of the spouse which is equal to the applicable percentage of the amount of the annuity which is payable during the joint lives of the participant and the spouse, and

(ii) which is the actuarial equivalent of a single annuity for the life of the participant.

Such term also includes any annuity in a form having the effect of an annuity described in the preceding sentence.

¹ Subsection (d) (as amended by section 1004(b)(2) of Public Law 109–280) applies December 31, 2007 pursuant to subsection (c)(1) of such section 1004. Prior to December 31, 2007, such subsection reads as follows:

(d) For purposes of this section, the term “qualified joint and survivor annuity” means an annuity—

(1) for the life of the participant with a survivor annuity for the life of the spouse which is not less than 50 percent of (and is not greater than 100 percent of) the amount of the annuity which is payable during the joint lives of the participant and the spouse, and

(2) which is the actuarial equivalent of a single annuity for the life of the participant. Such term also includes any annuity in a form having the effect of an annuity described in the preceding sentence.

(B)(i) For purposes of subparagraph (A), if the survivor annuity percentage—

(I) is less than 75 percent, the applicable percentage is 75 percent, and

(II) is greater than or equal to 75 percent, the applicable percentage is 50 percent.

(ii) For purposes of clause (i), the term “survivor annuity percentage” means the percentage which the survivor annuity under the plan’s qualified joint and survivor annuity bears to the annuity payable during the joint lives of the participant and the spouse.

(e) For purposes of this section—

(1) Except as provided in paragraph (2), the term “qualified preretirement survivor annuity” means a survivor annuity for the life of the surviving spouse of the participant if—

(A) the payments to the surviving spouse under such annuity are not less than the amounts which would be payable as a survivor annuity under the qualified joint and survivor annuity under the plan (or the actuarial equivalent thereof) if—

(i) in the case of a participant who dies after the date on which the participant attained the earliest retirement age, such participant had retired with an immediate qualified joint and survivor annuity on the day before the participant’s date of death, or

(ii) in the case of a participant who dies on or before the date on which the participant would have attained the earliest retirement age, such participant had—

(I) separated from service on the date of death,

(II) survived to the earliest retirement age,

(III) retired with an immediate qualified joint and survivor annuity at the earliest retirement age, and

(IV) died on the day after the day on which such participant would have attained the earliest retirement age, and

(B) under the plan, the earliest period for which the surviving spouse may receive a payment under such annuity is not later than the month in which the participant would have attained the earliest retirement age under the plan.

In the case of an individual who separated from service before the date of such individual’s death, subparagraph (A)(ii)(I) shall not apply.

(2) In the case of any individual account plan or participant described in subparagraph (B) or (C) of subsection (b)(1), the term “qualified preretirement survivor annuity” means an annuity for the life of the surviving spouse the actuarial equivalent of which is not less than 50 percent of the portion of the account balance of the participant (as of the date of death) to which the participant had a nonforfeitable right (within the meaning of section 203).

(3) For purposes of paragraphs (1) and (2), any security interest held by the plan by reason of a loan outstanding to the participant shall be taken into account in determining the amount of the qualified preretirement survivor annuity.

(f)(1) Except as provided in paragraph (2), a plan may provide that a qualified joint and survivor annuity (or a qualified preretirement survivor annuity) will not be provided unless the participant and spouse had been married throughout the 1-year period ending on the earlier of—

(A) the participant's annuity starting date, or

(B) the date of the participant's death.

(2) For purposes of paragraph (1), if—

(A) a participant marries within 1 year before the annuity starting date, and

(B) the participant and the participant's spouse in such marriage have been married for at least a 1-year period ending on or before the date of the participant's death,

such participant and such spouse shall be treated as having been married throughout the 1-year period ending on the participant's annuity starting date.

(g)(1) A plan may provide that the present value of a qualified joint and survivor annuity or a qualified preretirement survivor annuity will be immediately distributed if such value does not exceed the amount that can be distributed without the participant's consent under section 203(e). No distribution may be made under the preceding sentence after the annuity starting date unless the participant and the spouse of the participant (or where the participant has died, the surviving spouse) consent in writing to such distribution.

(2) If—

(A) the present value of the qualified joint and survivor annuity or the qualified preretirement survivor annuity exceeds the amount that can be distributed without the participant's consent under section 203(e), and

(B) the participant and the spouse of the participant (or where the participant has died, the surviving spouse) consent in writing to the distribution,

the plan may immediately distribute the present value of such annuity.

(3)(A) For purposes of paragraphs (1) and (2), the present value shall not be less than the present value calculated by using the applicable mortality table and the applicable interest rate.

(B) For purposes of subparagraph (A)—

(i) The term “applicable mortality table” means a mortality table, modified as appropriate by the Secretary of the Treasury, based on the mortality table specified for the plan year under subparagraph (A) of section 303(h)(3) (without regard to subparagraph (C) or (D) of such section).

(ii) The term “applicable interest rate” means the adjusted first, second, and third segment rates applied under rules similar to the rules of section 303(h)(2)(C) for the month before the date of the distribution or such other time as the Secretary of the Treasury may by regulations prescribe.

(iii) For purposes of clause (ii), the adjusted first, second, and third segment rates are the first, second, and third segment rates which would be determined under section 303(h)(2)(C) if—

(I) section 303(h)(2)(D) were applied by substituting the average yields for the month described in clause (ii) for the average yields for the 24-month period described in such section,

(II) section 303(h)(2)(G)(i)(II) were applied by substituting “section 205(g)(3)(A)(ii)(II)” for “section 302(b)(5)(B)(ii)(II)”, and

(III) the applicable percentage under section 303(h)(2)(G) were determined in accordance with the following table:

In the case of plan years beginning in:		The applicable percentage is:
2008	20 percent
2009	40 percent
2010	60 percent
2011	80 percent.

(h) For purposes of this section—

(1) The term “vested participant” means any participant who has a nonforfeitable right (within the meaning of section 3(19)) to any portion of such participant’s accrued benefit.

(2)(A) The term “annuity starting date” means—

(i) the first day of the first period for which an amount is payable as an annuity, or

(ii) in the case of a benefit not payable in the form of an annuity, the first day on which all events have occurred which entitle the participant to such benefit.

(B) For purposes of subparagraph (A), the first day of the first period for which a benefit is to be received by reason of disability shall be treated as the annuity starting date only if such benefit is not an auxiliary benefit.

(3) The term “earliest retirement age” means the earliest date on which, under the plan, the participant could elect to receive retirement benefits.

(i) A plan may take into account in any equitable manner (as determined by the Secretary of the Treasury) any increased costs resulting from providing a qualified joint or survivor annuity or a qualified preretirement survivor annuity.

(j) If the use of any participant’s accrued benefit (or any portion thereof) as security for a loan meets the requirements of subsection (c)(4), nothing in this section shall prevent any distribution required by reason of a failure to comply with the terms of such loan.

(k) No consent of a spouse shall be effective for purposes of subsection (g)(1) or (g)(2) (as the case may be) unless requirements comparable to the requirements for spousal consent to an election under subsection (c)(1)(A) are met.

(l) In prescribing regulations under this section, the Secretary of the Treasury shall consult with the Secretary of Labor.

OTHER PROVISIONS RELATING TO FORM AND PAYMENT OF BENEFITS

SEC. 206. [1056] (a) Each pension plan shall provide that unless the participant otherwise elects, the payment of benefits under the plan to the participant shall begin not later than the 60th day after the latest of the close of the plan year in which—

(1) occurs the date on which the participant attains the earlier of age 65 or the normal retirement age specified under the plan,

(2) occurs the 10th anniversary of the year in which the participant commenced participation in the plan, or

(3) the participant terminates his service with the employer.

In the case of a plan which provides for the payment of an early retirement benefit, such plan shall provide that a participant who satisfied the service requirements for such early retirement benefit, but separated from the service (with any nonforfeitable right to an accrued benefit) before satisfying the age requirement for such early retirement benefit, is entitled upon satisfaction of such age requirement to receive a benefit not less than the benefit to which he would be entitled at the normal retirement age, actuarially reduced under regulations prescribed by the Secretary of the Treasury.

(b) If—

(1) a participant or beneficiary is receiving benefits under a pension plan, or

(2) a participant is separated from the service and has non-forfeitable rights to benefits,

a plan may not decrease benefits of such a participant by reason of any increase in the benefit levels payable under title II of the Social Security Act [(42 U.S.C. 401 et seq.)] or the Railroad Retirement Act of 1937 [Railroad Retirement Act of 1974 (45 U.S.C. 231 et seq.)]^{206—1} or any increase in the wage base^{206—2} under such title II, if such increase takes place after the date of the enactment of this Act [September 2, 1974] or (if later) the earlier of the date of first entitlement of such benefits or the date of such separation.

(c) No pension plan may provide that any part of a participant's accrued benefit derived from employer contributions (whether or not otherwise nonforfeitable) is forfeitable solely because of withdrawal by such participant of any amount attributable to the benefit derived from contributions made by such participant. The preceding sentence shall not apply (1) to the accrued benefit of any participant unless, at the time of such withdrawal, such participant has a nonforfeitable right to at least 50 percent of such accrued benefit, or (2) to the extent that an accrued benefit is permitted to be forfeited in accordance with section 203(a)(3)(D)(iii).

(d)(1) Each pension plan shall provide that benefits provided under the plan may not be assigned or alienated.

(2) For the purposes of paragraph (1) of this subsection, there shall not be taken into account any voluntary and revocable assignment of not to exceed 10 percent of any benefit payment, or of any irrevocable assignment or alienation of benefits executed before the date of enactment of this Act [September 2, 1974]. The preceding sentence shall not apply to any assignment or alienation made for the purposes of defraying plan administration costs. For purposes of this paragraph a loan made to a participant or beneficiary shall not be treated as an assignment or alienation if such loan is secured by the participant's accrued nonforfeitable benefit and is exempt from the tax imposed by section 4975 of the Internal Revenue

Code of 1986 (relating to tax on prohibited transactions) by reason of section 4975(d)(1) of such Code.

(3)(A) Paragraph (1) shall apply to the creation, assignment, or recognition of a right to any benefit payable with respect to a participant pursuant to a domestic relations order, except that paragraph (1) shall not apply if the order is determined to be a qualified domestic relations order. Each pension plan shall provide for the payment of benefits in accordance with the applicable requirements of any qualified domestic relations order.

(B) For purposes of this paragraph—

(i) the term “qualified domestic relations order” means a domestic relations order—

(I) which creates or recognizes the existence of an alternate payee’s right to, or assigns to an alternate payee the right to, receive all or a portion of the benefits payable with respect to a participant under a plan, and

(II) with respect to which the requirements of subparagraphs (C) and (D) are met, and

(ii) the term “domestic relations order” means any judgment, decree, or order (including approval of a property settlement agreement) which—

(I) relates to the provision of child support, alimony payments, or marital property rights to a spouse, former spouse, child, or other dependent of a participant, and

(II) is made pursuant to a State domestic relations law (including a community property law).

(C) A domestic relations order meets the requirements of this subparagraph only if such order clearly specifies—

(i) the name and the last known mailing address (if any) of the participant and the name and mailing address of each alternate payee covered by the order,

(ii) the amount or percentage of the participant’s benefits to be paid by the plan to each such alternate payee, or the manner in which such amount or percentage is to be determined,

(iii) the number of payments or period to which such order applies, and

(iv) each plan to which such order applies.

(D) A domestic relations order meets the requirements of this subparagraph only if such order—

(i) does not require a plan to provide any type or form of benefit, or any option, not otherwise provided under the plan,

(ii) does not require the plan to provide increased benefits (determined on the basis of actuarial value), and

(iii) does not require the payment of benefits to an alternate payee which are required to be paid to another alternate payee under another order previously determined to be a qualified domestic relations order.

(E)(i) A domestic relations order shall not be treated as failing to meet the requirements of clause (i) of subparagraph (D) solely because such order requires that payment of benefits be made to an alternate payee—

(I) in the case of any payment before a participant has separated from service, on or after the date on which the partici-

pant attains (or would have attained) the earliest retirement age,

(II) as if the participant had retired on the date on which such payment is to begin under such order (but taking into account only the present value of benefits actually accrued and not taking into account the present value of any employer subsidy for early retirement), and

(III) in any form in which such benefits may be paid under the plan to the participant (other than in the form of a joint and survivor annuity with respect to the alternate payee and his or her subsequent spouse).

For purposes of subclause (II), the interest rate assumption used in determining the present value shall be the interest rate specified in the plan or, if no rate is specified, 5 percent.

(ii) For purposes of this subparagraph, the term “earliest retirement age” means the earlier of—

(I) the date on which the participant is entitled to a distribution under the plan, or

(II) the later of the date of the participant attains age 50 or the earliest date on which the participant could begin receiving benefits under the plan if the participant separated from service.

(F) To the extent provided in any qualified domestic relations order—

(i) the former spouse of a participant shall be treated as a surviving spouse of such participant for purposes of section 205 (and any spouse of the participant shall not be treated as a spouse of the participant for such purposes), and

(ii) if married for at least 1 year, the surviving former spouse shall be treated as meeting the requirements of section 205(f).

(G)(i) In the case of any domestic relations order received by a plan—

(I) the plan administrator shall promptly notify the participant and each alternate payee of the receipt of such order and the plan’s procedures for determining the qualified status of domestic relations orders, and

(II) within a reasonable period after receipt of such order, the plan administrator shall determine whether such order is a qualified domestic relations order and notify the participant and each alternate payee of such determination.

(ii) Each plan shall establish reasonable procedures to determine the qualified status of domestic relations orders and to administer distributions under such qualified orders. Such procedures—

(I) shall be in writing,

(II) shall provide for the notification of each person specified in a domestic relations order as entitled to payment of benefits under the plan (at the address included in the domestic relations order) of such procedures promptly upon receipt by the plan of the domestic relations order, and

(III) shall permit an alternate payee to designate a representative for receipt of copies of notices that are sent to the alternate payee with respect to a domestic relations order.

(H)(i) During any period in which the issue of whether a domestic relations order is a qualified domestic relations order is being determined (by the plan administrator, by a court of competent jurisdiction, or otherwise), the plan administrator shall separately account for the amounts (hereinafter in this subparagraph referred to as the “segregated amounts”) which would have been payable to the alternate payee during such period if the order had been determined to be a qualified domestic relations order.

(ii) If within the 18-month period described in clause (v) the order (or modification thereof) is determined to be a qualified domestic relations order, the plan administrator shall pay the segregated amounts (including any interest thereon) to the person or persons entitled thereto.

(iii) If within the 18-month period described in clause (v)—

(I) it is determined that the order is not a qualified domestic relations order, or

(II) the issue as to whether such order is a qualified domestic relations order is not resolved,

then the plan administrator shall pay the segregated amounts (including any interest thereon) to the person or persons who would have been entitled to such amounts if there had been no order.

(iv) Any determination that an order is a qualified domestic relations order which is made after the close of the 18-month period described in clause (v) shall be applied prospectively only.

(v) For purposes of this subparagraph, the 18-month period described in this clause is the 18-month period beginning with the date on which the first payment would be required to be made under the domestic relations order.

(I) If a plan fiduciary acts in accordance with part 4 of this subtitle in—

(i) treating a domestic relations order as being (or not being) a qualified domestic relations order, or

(ii) taking action under subparagraph (H),

then the plan’s obligation to the participant and each alternate payee shall be discharged to the extent of any payment made pursuant to such Act.^{206—3}

(J) A person who is an alternate payee under a qualified domestic relations order shall be considered for purposes of any provision of this Act a beneficiary under the plan. Nothing in the preceding sentence shall permit a requirement under section 4001 of the payment of more than 1 premium with respect to a participant for any period.

(K) The term “alternate payee” means any spouse, former spouse, child, or other dependent of a participant who is recognized by a domestic relations order as having a right to receive all, or a portion of, the benefits payable under a plan with respect to such participant.

A plan shall not be treated as failing to meet the requirements of section 205 solely by reason of an offset under this paragraph.

(ii) would be less than 60 percent taking into account such occurrence.

(B) EXEMPTION.—Subparagraph (A) shall cease to apply with respect to any plan year, effective as of the first day of the plan year, upon payment by the plan sponsor of a contribution (in addition to any minimum required contribution under section 303) equal to—

(C) UNPREDICTABLE CONTINGENT EVENT BENEFIT.—For purposes of this paragraph, the term “unpredictable contingent event benefit” means any benefit payable solely by reason of—

(i) a plant shutdown (or similar event, as determined by the Secretary of the Treasury), or

(2) LIMITATIONS ON PLAN AMENDMENTS INCREASING LIABILITY FOR BENEFITS.—

(A) IN GENERAL.—No amendment to a defined benefit plan which is a single-employer plan which has the effect of increasing liabilities of the plan by reason of increases in benefits, establishment of new benefits, changing the rate of benefit accrual, or changing the rate at which benefits become nonforfeitable may take effect during any plan year if the adjusted funding target attainment percentage for such plan year is—

(i) less than 80 percent, or

(ii) would be less than 80 percent taking into account such amendment.

(ii) in the case of subparagraph (A)(ii), the amount sufficient to result in an adjusted funding target attainment percentage of 80 percent.

(C) EXCEPTION FOR CERTAIN BENEFIT INCREASES.—Subparagraph (A) shall not apply to any amendment which provides for an increase in benefits under a formula which is not based on a participant's compensation, but only if the rate of such increase is not in excess of the contemporaneous rate of increase in average wages of participants covered by the amendment.

(3) LIMITATIONS ON ACCELERATED BENEFIT DISTRIBUTIONS.—

(A) FUNDING PERCENTAGE LESS THAN 60 PERCENT.—A defined benefit plan which is a single-employer plan shall provide that, in any case in which the plan's adjusted funding target attainment percentage for a plan year is less than 60 percent, the plan may not pay any prohibited payment after the valuation date for the plan year.

(B) BANKRUPTCY.—A defined benefit plan which is a single-employer plan shall provide that, during any period in which the plan sponsor is a debtor in a case under title 11, United States Code, or similar Federal or State law, the plan may not pay any prohibited payment. The preceding sentence shall not apply on or after the date on which the enrolled actuary of the plan certifies that the adjusted funding target attainment percentage of such plan is not less than 100 percent.

(C) LIMITED PAYMENT IF PERCENTAGE AT LEAST 60 PERCENT BUT LESS THAN 80 PERCENT.—

(i) IN GENERAL.—A defined benefit plan which is a single-employer plan shall provide that, in any case in which the plan's adjusted funding target attainment percentage for a plan year is 60 percent or greater but less than 80 percent, the plan may not pay any prohibited payment after the valuation date for the plan year to the extent the amount of the payment exceeds the lesser of—

(I) 50 percent of the amount of the payment which could be made without regard to this subsection, or

(II) the present value (determined under guidance prescribed by the Pension Benefit Guaranty Corporation, using the interest and mortality assumptions under section 205(g)) of the maximum guarantee with respect to the participant under section 4022.

(ii) ONE-TIME APPLICATION.—

(I) IN GENERAL.—The plan shall also provide that only 1 prohibited payment meeting the requirements of clause (i) may be made with respect to any participant during any period of consecutive plan years to which the limitations under either subparagraph (A) or (B) or this subparagraph applies.

(II) TREATMENT OF BENEFICIARIES.—For purposes of this clause, a participant and any beneficiary on his behalf (including an alternate payee, as defined in section 206(d)(3)(K)) shall be treated as 1 participant. If the accrued benefit of a participant is allocated to such an alternate payee and 1 or more other persons, the amount under clause (i) shall be allocated among such persons in the same manner as the accrued benefit is allocated unless the qualified domestic relations order (as defined in section 206(d)(3)(B)(i)) provides otherwise.

(D) EXCEPTION.—This paragraph shall not apply to any plan for any plan year if the terms of such plan (as in effect for the period beginning on September 1, 2005, and ending with such plan year) provide for no benefit accruals with respect to any participant during such period.

(E) PROHIBITED PAYMENT.—For purpose of this paragraph, the term “prohibited payment” means—

(i) any payment, in excess of the monthly amount paid under a single life annuity (plus any social security supplements described in the last sentence of section 204(b)(1)(G)), to a participant or beneficiary whose annuity starting date (as defined in section 205(h)(2)) occurs during any period a limitation under subparagraph (A) or (B) is in effect,

(ii) any payment for the purchase of an irrevocable commitment from an insurer to pay benefits, and

(iii) any other payment specified by the Secretary of the Treasury by regulations.

Such term shall not include the payment of a benefit which under section 203(e) may be immediately distributed without the consent of the participant.

(4) LIMITATION ON BENEFIT ACCRUALS FOR PLANS WITH SEVERE FUNDING SHORTFALLS.—

(A) IN GENERAL.—A defined benefit plan which is a single-employer plan shall provide that, in any case in which the plan’s adjusted funding target attainment percentage for a plan year is less than 60 percent, benefit accruals under the plan shall cease as of the valuation date for the plan year.

(B) EXEMPTION.—Subparagraph (A) shall cease to apply with respect to any plan year, effective as of the first day of the plan year, upon payment by the plan sponsor of a contribution (in addition to any minimum required contribution under section 303) equal to the amount suffi-

cient to result in an adjusted funding target attainment percentage of 60 percent.

(5) RULES RELATING TO CONTRIBUTIONS REQUIRED TO AVOID BENEFIT LIMITATIONS.—

(A) SECURITY MAY BE PROVIDED.—

(i) IN GENERAL.—For purposes of this subsection, the adjusted funding target attainment percentage shall be determined by treating as an asset of the plan any security provided by a plan sponsor in a form meeting the requirements of clause (ii).

(ii) FORM OF SECURITY.—The security required under clause (i) shall consist of—

(I) a bond issued by a corporate surety company that is an acceptable surety for purposes of section 412 of this Act,

(II) cash, or United States obligations which mature in 3 years or less, held in escrow by a bank or similar financial institution, or

(III) such other form of security as is satisfactory to the Secretary of the Treasury and the parties involved.

(iii) ENFORCEMENT.—Any security provided under clause (i) may be perfected and enforced at any time after the earlier of—

(I) the date on which the plan terminates,

(II) if there is a failure to make a payment of the minimum required contribution for any plan year beginning after the security is provided, the due date for the payment under section 303(j), or

(III) if the adjusted funding target attainment percentage is less than 60 percent for a consecutive period of 7 years, the valuation date for the last year in the period.

(iv) RELEASE OF SECURITY.—The security shall be released (and any amounts thereunder shall be refunded together with any interest accrued thereon) at such time as the Secretary of the Treasury may prescribe in regulations, including regulations for partial releases of the security by reason of increases in the adjusted funding target attainment percentage.

(B) PREFUNDING BALANCE OR FUNDING STANDARD CARRYOVER BALANCE MAY NOT BE USED.—No prefunding balance or funding standard carryover balance under section 303(f) may be used under paragraph (1), (2), or (4) to satisfy any payment an employer may make under any such paragraph to avoid or terminate the application of any limitation under such paragraph.

(C) DEEMED REDUCTION OF FUNDING BALANCES.—

(i) IN GENERAL.—Subject to clause (iii), in any case in which a benefit limitation under paragraph (1), (2), (3), or (4) would (but for this subparagraph and determined without regard to paragraph (1)(B), (2)(B), or (4)(B)) apply to such plan for the plan year, the plan sponsor of such plan shall be treated for purposes of

this Act as having made an election under section 303(f) to reduce the prefunding balance or funding standard carryover balance by such amount as is necessary for such benefit limitation to not apply to the plan for such plan year.

(ii) EXCEPTION FOR INSUFFICIENT FUNDING BALANCES.—Clause (i) shall not apply with respect to a benefit limitation for any plan year if the application of clause (i) would not result in the benefit limitation not applying for such plan year.

(iii) RESTRICTIONS OF CERTAIN RULES TO COLLECTIVELY BARGAINED PLANS.—With respect to any benefit limitation under paragraph (1), (2), or (4), clause (i) shall only apply in the case of a plan maintained pursuant to 1 or more collective bargaining agreements between employee representatives and 1 or more employers.

(6) NEW PLANS.—Paragraphs (1), (2), and (4) shall not apply to a plan for the first 5 plan years of the plan. For purposes of this paragraph, the reference in this paragraph to a plan shall include a reference to any predecessor plan.

(7) PRESUMED UNDERFUNDING FOR PURPOSES OF BENEFIT LIMITATIONS.—

(A) PRESUMPTION OF CONTINUED UNDERFUNDING.—In any case in which a benefit limitation under paragraph (1), (2), (3), or (4) has been applied to a plan with respect to the plan year preceding the current plan year, the adjusted funding target attainment percentage of the plan for the current plan year shall be presumed to be equal to the adjusted funding target attainment percentage of the plan for the preceding plan year until the enrolled actuary of the plan certifies the actual adjusted funding target attainment percentage of the plan for the current plan year.

(B) PRESUMPTION OF UNDERFUNDING AFTER 10TH MONTH.—In any case in which no certification of the adjusted funding target attainment percentage for the current plan year is made with respect to the plan before the first day of the 10th month of such year, for purposes of paragraphs (1), (2), (3), and (4), such first day shall be deemed, for purposes of such paragraph, to be the valuation date of the plan for the current plan year and the plan's adjusted funding target attainment percentage shall be conclusively presumed to be less than 60 percent as of such first day.

(C) PRESUMPTION OF UNDERFUNDING AFTER 4TH MONTH FOR NEARLY UNDERFUNDED PLANS.—In any case in which—

(i) a benefit limitation under paragraph (1), (2), (3), or (4) did not apply to a plan with respect to the plan year preceding the current plan year, but the adjusted funding target attainment percentage of the plan for such preceding plan year was not more than 10 percentage points greater than the percentage which would have caused such paragraph to apply to the plan with respect to such preceding plan year, and

(ii) as of the first day of the 4th month of the current plan year, the enrolled actuary of the plan has not certified the actual adjusted funding target attainment percentage of the plan for the current plan year, until the enrolled actuary so certifies, such first day shall be deemed, for purposes of such paragraph, to be the valuation date of the plan for the current plan year and the adjusted funding target attainment percentage of the plan as of such first day shall, for purposes of such paragraph, be presumed to be equal to 10 percentage points less than the adjusted funding target attainment percentage of the plan for such preceding plan year.

(8) TREATMENT OF PLAN AS OF CLOSE OF PROHIBITED OR CESSATION PERIOD.—For purposes of applying this part—

(A) OPERATION OF PLAN AFTER PERIOD.—Unless the plan provides otherwise, payments and accruals will resume effective as of the day following the close of the period for which any limitation of payment or accrual of benefits under paragraph (3) or (4) applies.

(B) TREATMENT OF AFFECTED BENEFITS.—Nothing in this paragraph shall be construed as affecting the plan's treatment of benefits which would have been paid or accrued but for this subsection.

(9) TERMS RELATING TO FUNDING TARGET ATTAINMENT PERCENTAGE.—For purposes of this subsection—

(A) IN GENERAL.—The term “funding target attainment percentage” has the same meaning given such term by section 303(d)(2).

(B) ADJUSTED FUNDING TARGET ATTAINMENT PERCENTAGE.—The term “adjusted funding target attainment percentage” means the funding target attainment percentage which is determined under subparagraph (A) by increasing each of the amounts under subparagraphs (A) and (B) of section 303(d)(2) by the aggregate amount of purchases of annuities for employees other than highly compensated employees (as defined in section 414(q) of the Internal Revenue Code of 1986) which were made by the plan during the preceding 2 plan years.

(C) APPLICATION TO PLANS WHICH ARE FULLY FUNDED WITHOUT REGARD TO REDUCTIONS FOR FUNDING BALANCES.—

(i) IN GENERAL.—In the case of a plan for any plan year, if the funding target attainment percentage is 100 percent or more (determined without regard to the reduction in the value of assets under section 303(f)(4)), the funding target attainment percentage for purposes of subparagraphs (A) and (B) shall be determined without regard to such reduction.

(ii) TRANSITION RULE.—Clause (i) shall be applied to plan years beginning after 2007 and before 2011 by substituting for “100 percent” the applicable percentage determined in accordance with the following table:

In the case of a plan year beginning in calendar year:	The applicable percentage is
2008	92
2009	94
2010	96.

(iii) **LIMITATION.**—Clause (ii) shall not apply with respect to any plan year beginning after 2008 unless the funding target attainment percentage (determined without regard to the reduction in the value of assets under section 303(f)(4)) of the plan for each preceding plan year beginning after 2007 was not less than the applicable percentage with respect to such preceding plan year determined under clause (ii).

(D) **SPECIAL RULE FOR CERTAIN YEARS.**—Solely for purposes of any applicable provision—

(i) **IN GENERAL.**—For plan years beginning on or after October 1, 2008, and before October 1, 2010, the adjusted funding target attainment percentage of a plan shall be the greater of—

(I) such percentage, as determined without regard to this subparagraph, or

(II) the adjusted funding target attainment percentage for such plan for the plan year beginning after October 1, 2007, and before October 1, 2008, as determined under rules prescribed by the Secretary of the Treasury.

(ii) **SPECIAL RULE.**—In the case of a plan for which the valuation date is not the first day of the plan year—

(I) clause (i) shall apply to plan years beginning after December 31, 2007, and before January 1, 2010, and

(II) clause (i)(II) shall apply based on the last plan year beginning before November 1, 2007, as determined under rules prescribed by the Secretary of the Treasury.

(iii) **APPLICABLE PROVISION.**—For purposes of this subparagraph, the term “applicable provision” means—

(I) paragraph (3), but only for purposes of applying such paragraph to a payment which, as determined under rules prescribed by the Secretary of the Treasury, is a payment under a social security leveling option which accelerates payments under the plan before, and reduces payments after, a participant starts receiving social security benefits in order to provide substantially similar aggregate payments both before and after such benefits are received, and

(II) paragraph (4).

(10) **SECRETARIAL AUTHORITY FOR PLANS WITH ALTERNATE VALUATION DATE.**—In the case of a plan which has designated a valuation date other than the first day of the plan year, the Secretary of the Treasury may prescribe rules for the applica-

tion of this subsection which are necessary to reflect the alternate valuation date.

(11) SPECIAL RULE FOR 2008.—For purposes of this subsection, in the case of plan years beginning in 2008, the funding target attainment percentage for the preceding plan year may be determined using such methods of estimation as the Secretary of the Treasury may provide.

(2) Sections 203 and 204 shall be applied as if all such employers constituted a single employer, except that the application of any rules with respect to breaks in service shall be made under regulations prescribed by the Secretary.

(3) The minimum funding standard provided by section 302 shall be determined as if all participants in the plan were employed by a single employer.

(b) For purposes of this part and part 3—

For purposes of this subparagraph, the term “small employer” has the meaning given such term by section 4980D(d)(2) of the Internal Revenue Code of 1986, except that such section shall be applied by substituting “500” for “50” each place it appears.

(B) BENEFIT REQUIREMENTS.—

(i) IN GENERAL.—The benefit requirements of this subparagraph are met with respect to the defined benefit plan forming part of the eligible combined plan if the accrued benefit of each participant derived from employer contributions, when expressed as an annual retirement benefit, is not less than the applicable percentage of the participant’s final average pay. For purposes of this clause, final average pay shall be determined using the period of consecutive years (not ex-

ceeding 5) during which the participant had the greatest aggregate compensation from the employer.

(ii) **APPLICABLE PERCENTAGE.**—For purposes of clause (i), the applicable percentage is the lesser of—

(I) 1 percent multiplied by the number of years of service with the employer, or

(II) 20 percent.

(iii) **SPECIAL RULE FOR APPLICABLE DEFINED BENEFIT PLANS.**—If the defined benefit plan under clause (i) is an applicable defined benefit plan as defined in section 203(f)(3)(B) which meets the interest credit requirements of section 204(b)(5)(B)(i), the plan shall be treated as meeting the requirements of clause (i) with respect to any plan year if each participant receives pay credit for the year which is not less than the percentage of compensation determined in accordance with the following table:

If the participant's age as of the beginning of the year is—	The percentage is—
30 or less	2
Over 30 but less than 40	4
40 or over but less than 50	6
50 or over	8.

(iv) **YEARS OF SERVICE.**—For purposes of this subparagraph, years of service shall be determined under the rules of paragraphs (1), (2), and (3) of section 203(b), except that the plan may not disregard any year of service because of a participant making, or failing to make, any elective deferral with respect to the qualified cash or deferred arrangement to which subparagraph (C) applies.

(C) **CONTRIBUTION REQUIREMENTS.**—

(i) **IN GENERAL.**—The contribution requirements of this subparagraph with respect to any applicable individual account plan forming part of an eligible combined plan are met if—

(I) the qualified cash or deferred arrangement included in such plan constitutes an automatic contribution arrangement, and

(II) the employer is required to make matching contributions on behalf of each employee eligible to participate in the arrangement in an amount equal to 50 percent of the elective contributions of the employee to the extent such elective contributions do not exceed 4 percent of compensation.

Rules similar to the rules of clauses (ii) and (iii) of section 401(k)(12)(B) of the Internal Revenue Code of 1986 shall apply for purposes of this clause.

(ii) **NONELECTIVE CONTRIBUTIONS.**—An applicable individual account plan shall not be treated as failing to meet the requirements of clause (i) because the employer makes nonelective contributions under the plan but such contributions shall not be taken into account

in determining whether the requirements of clause (i)(II) are met.

(D) VESTING REQUIREMENTS.—The vesting requirements of this subparagraph are met if—

(i) in the case of a defined benefit plan forming part of an eligible combined plan an employee who has completed at least 3 years of service has a nonforfeitable right to 100 percent of the employee's accrued benefit under the plan derived from employer contributions, and

(ii) in the case of an applicable individual account plan forming part of eligible combined plan—

(I) an employee has a nonforfeitable right to any matching contribution made under the qualified cash or deferred arrangement included in such plan by an employer with respect to any elective contribution, including matching contributions in excess of the contributions required under subparagraph (C)(i)(II), and

(II) an employee who has completed at least 3 years of service has a nonforfeitable right to 100 percent of the employee's accrued benefit derived under the arrangement from nonelective contributions of the employer.

For purposes of this subparagraph, the rules of section 203 shall apply to the extent not inconsistent with this subparagraph.

(E) UNIFORM PROVISION OF CONTRIBUTIONS AND BENEFITS.—In the case of a defined benefit plan or applicable individual account plan forming part of an eligible combined plan, the requirements of this subparagraph are met if all contributions and benefits under each such plan, and all rights and features under each such plan, must be provided uniformly to all participants.

(F) REQUIREMENTS MUST BE MET WITHOUT TAKING INTO ACCOUNT SOCIAL SECURITY AND SIMILAR CONTRIBUTIONS AND BENEFITS OR OTHER PLANS.—

(i) IN GENERAL.—The requirements of this subparagraph are met if the requirements of clauses (ii) and (iii) are met.

(ii) SOCIAL SECURITY AND SIMILAR CONTRIBUTIONS.—The requirements of this clause are met if—

(I) the requirements of subparagraphs (B) and (C) are met without regard to section 401(l) of the Internal Revenue Code of 1986, and

(II) the requirements of sections 401(a)(4) and 410(b) of the Internal Revenue Code of 1986 are met with respect to both the applicable defined contribution plan and defined benefit plan forming part of an eligible combined plan without regard to section 401(l) of the Internal Revenue Code of 1986.

(iii) OTHER PLANS AND ARRANGEMENTS.—The requirements of this clause are met if the applicable de-

defined contribution plan and defined benefit plan forming part of an eligible combined plan meet the requirements of sections 401(a)(4) and 410(b) of the Internal Revenue Code of 1986 without being combined with any other plan.

(3) NONDISCRIMINATION REQUIREMENTS FOR QUALIFIED CASH OR DEFERRED ARRANGEMENT.—

(A) IN GENERAL.—A qualified cash or deferred arrangement which is included in an applicable individual account plan forming part of an eligible combined plan shall be treated as meeting the requirements of section 401(k)(3)(A)(ii) of the Internal Revenue Code of 1986 if the requirements of paragraph (2) are met with respect to such arrangement.

(B) MATCHING CONTRIBUTIONS.—In applying section 401(m)(11) of such Code to any matching contribution with respect to a contribution to which paragraph (2)(C) applies, the contribution requirement of paragraph (2)(C) and the notice requirements of paragraph (5)(B) shall be substituted for the requirements otherwise applicable under clauses (i) and (ii) of section 401(m)(11)(A) of such Code.

(4) AUTOMATIC CONTRIBUTION ARRANGEMENT.—For purposes of this subsection—

(A) IN GENERAL.—A qualified cash or deferred arrangement shall be treated as an automatic contribution arrangement if the arrangement—

(i) provides that each employee eligible to participate in the arrangement is treated as having elected to have the employer make elective contributions in an amount equal to 4 percent of the employee's compensation unless the employee specifically elects not to have such contributions made or to have such contributions made at a different rate, and

(ii) meets the notice requirements under subparagraph (B).

(B) NOTICE REQUIREMENTS.—

(i) IN GENERAL.—The requirements of this subparagraph are met if the requirements of clauses (ii) and (iii) are met.

(ii) REASONABLE PERIOD TO MAKE ELECTION.—The requirements of this clause are met if each employee to whom subparagraph (A)(i) applies—

(I) receives a notice explaining the employee's right under the arrangement to elect not to have elective contributions made on the employee's behalf or to have the contributions made at a different rate, and

(II) has a reasonable period of time after receipt of such notice and before the first elective contribution is made to make such election.

(iii) ANNUAL NOTICE OF RIGHTS AND OBLIGATIONS.—The requirements of this clause are met if each employee eligible to participate in the arrangement is, within a reasonable period before any year,

given notice of the employee's rights and obligations under the arrangement.

The requirements of this subparagraph shall not be treated as met unless the requirements of clauses (i) and (ii) of section 401(k)(12)(D) of the Internal Revenue Code of 1986 are met with respect to the notices described in clauses (ii) and (iii) of this subparagraph.

(5) COORDINATION WITH OTHER REQUIREMENTS.—

(A) TREATMENT OF SEPARATE PLANS.—The except clause in section 3(35) shall not apply to an eligible combined plan.

(B) REPORTING.—An eligible combined plan shall be treated as a single plan for purposes of section 103.

(6) APPLICABLE INDIVIDUAL ACCOUNT PLAN.—For purposes of this subsection—

(A) IN GENERAL.—The term “applicable individual account plan” means an individual account plan which includes a qualified cash or deferred arrangement.

(B) QUALIFIED CASH OR DEFERRED ARRANGEMENT.—The term “qualified cash or deferred arrangement” has the meaning given such term by section 401(k)(2) of the Internal Revenue Code of 1986.

EFFECTIVE DATES

SEC. 211. [1061] (a) Except as otherwise provided in this section, this part shall apply in the case of plan years beginning after the date of the enactment of this Act [September 2, 1974].

(b)(1) Except as otherwise provided in subsection (d), sections 205, 206(d), and 208 shall apply with respect to plan years beginning after December 31, 1975.

(2) Except as otherwise provided in subsections (c) and (d) in the case of a plan in existence on January 1, 1974, this part shall apply in the case of plan years beginning after December 31, 1975.

(c)(1) In the case of a plan maintained on January 1, 1974, pursuant to one or more agreements which the Secretary finds to be collective bargaining agreements between employee organizations and one or more employers, no plan shall be treated as not meeting the requirements of sections 204 and 205 solely by reason of a supplementary or special plan provision (within the meaning of paragraph (2)) for any plan year before the year which begins after the earlier of—

(A) the date on which the last of such agreements relating to the plan terminates (determined without regard to any extension thereof agreed to after the date of the enactment of this Act [September 2, 1974]), or

(B) December 31, 1980.

For purposes of subparagraph (A) and section 307(c), any plan amendment made pursuant to a collective bargaining agreement relating to the plan which amends the plan solely to conform to any requirement contained in this Act or the Internal Revenue

Code of 1986 shall not be treated as a termination of such collective bargaining agreement. This paragraph shall not apply unless the Secretary determines that the participation and vesting rules in effect on the date of enactment of this Act [September 2, 1974] are not less favorable to participants, in the aggregate, than the rules provided under sections 202, 203, and 204.

(2) For purposes of paragraph (1), the term “supplementary or special plan provision” means any plan provision which—

(A) provides supplementary benefits, not in excess of one-third of the basic benefit, in the form of an annuity for the life of the participant, or

(B) provides that, under a contractual agreement based on medical evidence as to the effects of working in an adverse environment for an extended period of time, a participant having 25 years of service is to be treated as having 30 years of service.

(3) This subsection shall apply with respect to a plan if (and only if) the application of this subsection results in a later effective date for this part than the effective date required by subsection (b).

(d) If the administrator of a plan elects under section 1017(d) of this Act to make applicable to a plan year and to all subsequent plan years the provisions of the Internal Revenue Code of 1986^{211—1} relating to participation, vesting, funding, and form of benefit, this part shall apply to the first plan year to which such election applies and to all subsequent plan years.

(e)(1) No pension plan to which section 202 applies may make effective any plan amendment with respect to breaks in service (which amendment is made or becomes effective after January 1, 1974, and before the date on which section 202 first becomes effective with respect to such plan) which provides that any employee’s participation in the plan would commence at any date later than the later of—

(A) the date on which his participation would commence under the break in service rules of section 202(b), or

(B) the date on which his participation would commence under the plan as in effect on January 1, 1974.

(2) No pension plan to which section 203 applies may make effective any plan amendment with respect to breaks in service (which amendment is made or becomes effective after January 1, 1974, and before the date on which section 203 first becomes effective with respect to such plan) if such amendment provides that the nonforfeitable benefit derived from employer contributions to which any employee would be entitled is less than the lesser of the nonforfeitable benefit derived from employer contributions to which he would be entitled under—

(A) the break in service rules of section 202(b)(3), or

(B) the plan as in effect on January 1, 1974.

Subparagraph (B) shall not apply if the break in service rules under the plan would have been in violation of any law or rule of law in effect on January 1, 1974.

^{211—1} The original reference here to the Internal Revenue Code of 1954 was changed in a global amendment (with other similar references in the Act) to the current reference to the 1986 Code.

(f) The preceding provisions of this section shall not apply with respect to amendments made to this part in provisions enacted after the date of the enactment of this Act.

^{301—1} So in original. The intended reference appears to be to the Internal Revenue Code of 1986 in the first instance in this paragraph and to the Internal Revenue Code of 1954 in the second instance.

(b) For the purposes of paragraph (2) of subsection (a) a plan is an “insurance contract plan” if—

(1) the plan is funded exclusively by the purchase of individual insurance contracts,

(2) such contracts provide for level annual premium payments to be paid extending not later than the retirement age for each individual participating in the plan, and commencing with the date the individual became a participant in the plan (or, in the case of an increase in benefits, commencing at the time such increase becomes effective),

SEC. 302. MINIMUM FUNDING STANDARDS.¹

(a) REQUIREMENT TO MEET MINIMUM FUNDING STANDARD.—

(1) IN GENERAL.—A plan to which this part applies shall satisfy the minimum funding standard applicable to the plan for any plan year.

(2) MINIMUM FUNDING STANDARD.—For purposes of paragraph (1), a plan shall be treated as satisfying the minimum funding standard for a plan year if—

(A) in the case of a defined benefit plan which is a single-employer plan, the employer makes contributions to or under the plan for the plan year which, in the aggregate,

¹ PPA section 104(a) provides for a delayed effective date for multiple employer plans of certain cooperatives until as late as plan years beginning on or after 1/1/2017, with a special interest rate applicable prior to the effective date. PPA section 105(a) provides for a delayed effective date for certain PBGC settlement plans until plan years beginning on or after 1/1/2014. PPA section 106(a) provides for a delayed effective date for plans of certain government contractors until plan years beginning on or after 1/1/2011, with a special interest rate applicable prior to the effective date.

are not less than the minimum required contribution determined under section 303 for the plan for the plan year,

(B) in the case of a money purchase plan which is a single-employer plan, the employer makes contributions to or under the plan for the plan year which are required under the terms of the plan, and

(C) in the case of a multiemployer plan, the employers make contributions to or under the plan for any plan year which, in the aggregate, are sufficient to ensure that the plan does not have an accumulated funding deficiency under section 304 as of the end of the plan year.

(b) LIABILITY FOR CONTRIBUTIONS.—

(1) IN GENERAL.—Except as provided in paragraph (2), the amount of any contribution required by this section (including any required installments under paragraphs (3) and (4) of section 303(j)) shall be paid by the employer responsible for making contributions to or under the plan.

(2) JOINT AND SEVERAL LIABILITY WHERE EMPLOYER MEMBER OF CONTROLLED GROUP.—If the employer referred to in paragraph (1) is a member of a controlled group, each member of such group shall be jointly and severally liable for payment of such contributions.

(3) MULTIEMPLOYER PLANS IN CRITICAL STATUS.—Paragraph (1) shall not apply in the case of a multiemployer plan for any plan year in which the plan is in critical status pursuant to section 305. This paragraph shall only apply if the plan sponsor adopts a rehabilitation plan in accordance with section 305(e) and complies with the terms of such rehabilitation plan (and any updates or modifications of the plan).

(c) VARIANCE FROM MINIMUM FUNDING STANDARDS.—

(1) WAIVER IN CASE OF BUSINESS HARDSHIP.—

(A) IN GENERAL.—If—

(i) an employer is (or in the case of a multiemployer plan, 10 percent or more of the number of employers contributing to or under the plan are) unable to satisfy the minimum funding standard for a plan year without temporary substantial business hardship (substantial business hardship in the case of a multiemployer plan), and

(ii) application of the standard would be adverse to the interests of plan participants in the aggregate, the Secretary of the Treasury may, subject to subparagraph (C), waive the requirements of subsection (a) for such year with respect to all or any portion of the minimum funding standard. The Secretary of the Treasury shall not waive the minimum funding standard with respect to a plan for more than 3 of any 15 (5 of any 15 in the case of a multiemployer plan) consecutive plan years.

(B) EFFECTS OF WAIVER.—If a waiver is granted under subparagraph (A) for any plan year—

(i) in the case of a single-employer plan, the minimum required contribution under section 303 for the plan year shall be reduced by the amount of the

waived funding deficiency and such amount shall be amortized as required under section 303(e), and

(ii) in the case of a multiemployer plan, the funding standard account shall be credited under section 304(b)(3)(C) with the amount of the waived funding deficiency and such amount shall be amortized as required under section 304(b)(2)(C).

(C) WAIVER OF AMORTIZED PORTION NOT ALLOWED.—

The Secretary of the Treasury may not waive under subparagraph (A) any portion of the minimum funding standard under subsection (a) for a plan year which is attributable to any waived funding deficiency for any preceding plan year.

(2) DETERMINATION OF BUSINESS HARDSHIP.—For purposes of this subsection, the factors taken into account in determining temporary substantial business hardship (substantial business hardship in the case of a multiemployer plan) shall include (but shall not be limited to) whether or not—

(A) the employer is operating at an economic loss,

(B) there is substantial unemployment or underemployment in the trade or business and in the industry concerned,

(C) the sales and profits of the industry concerned are depressed or declining, and

(D) it is reasonable to expect that the plan will be continued only if the waiver is granted.

(3) WAIVED FUNDING DEFICIENCY.—For purposes of this part, the term “waived funding deficiency” means the portion of the minimum funding standard under subsection (a) (determined without regard to the waiver) for a plan year waived by the Secretary of the Treasury and not satisfied by employer contributions.

(4) SECURITY FOR WAIVERS FOR SINGLE-EMPLOYER PLANS, CONSULTATIONS.—

(A) SECURITY MAY BE REQUIRED.—

(i) IN GENERAL.—Except as provided in subparagraph (C), the Secretary of the Treasury may require an employer maintaining a defined benefit plan which is a single-employer plan (within the meaning of section 4001(a)(15)) to provide security to such plan as a condition for granting or modifying a waiver under paragraph (1).

(ii) SPECIAL RULES.—Any security provided under clause (i) may be perfected and enforced only by the Pension Benefit Guaranty Corporation, or at the direction of the Corporation, by a contributing sponsor (within the meaning of section 4001(a)(13)), or a member of such sponsor’s controlled group (within the meaning of section 4001(a)(14)).

(B) CONSULTATION WITH THE PENSION BENEFIT GUARANTY CORPORATION.—Except as provided in subparagraph (C), the Secretary of the Treasury shall, before granting or modifying a waiver under this subsection with respect to a plan described in subparagraph (A)(i)—

(i) provide the Pension Benefit Guaranty Corporation with—

(I) notice of the completed application for any waiver or modification, and

(II) an opportunity to comment on such application within 30 days after receipt of such notice, and

(ii) consider—

(I) any comments of the Corporation under clause (i)(II), and

(II) any views of any employee organization (within the meaning of section 3(4)) representing participants in the plan which are submitted in writing to the Secretary of the Treasury in connection with such application.

Information provided to the Corporation under this subparagraph shall be considered tax return information and subject to the safeguarding and reporting requirements of section 6103(p) of the Internal Revenue Code of 1986.

(C) EXCEPTION FOR CERTAIN WAIVERS.—

(i) IN GENERAL.—The preceding provisions of this paragraph shall not apply to any plan with respect to which the sum of—

(I) the aggregate unpaid minimum required contributions for the plan year and all preceding plan years, and

(II) the present value of all waiver amortization installments determined for the plan year and succeeding plan years under section 303(e)(2), is less than \$1,000,000.

(ii) TREATMENT OF WAIVERS FOR WHICH APPLICATIONS ARE PENDING.—The amount described in clause (i)(I) shall include any increase in such amount which would result if all applications for waivers of the minimum funding standard under this subsection which are pending with respect to such plan were denied.

(iii) UNPAID MINIMUM REQUIRED CONTRIBUTION.—For purposes of this subparagraph—

(I) IN GENERAL.—The term “unpaid minimum required contribution” means, with respect to any plan year, any minimum required contribution under section 303 for the plan year which is not paid on or before the due date (as determined under section 303(j)(1)) for the plan year.

(II) ORDERING RULE.—For purposes of subclause (I), any payment to or under a plan for any plan year shall be allocated first to unpaid minimum required contributions for all preceding plan years on a first-in, first-out basis and then to the minimum required contribution under section 303 for the plan year.

(5) SPECIAL RULES FOR SINGLE-EMPLOYER PLANS.—

(A) APPLICATION MUST BE SUBMITTED BEFORE DATE 2½ MONTHS AFTER CLOSE OF YEAR.—In the case of a single-em-

ployer plan, no waiver may be granted under this subsection with respect to any plan for any plan year unless an application therefor is submitted to the Secretary of the Treasury not later than the 15th day of the 3rd month beginning after the close of such plan year.

(B) SPECIAL RULE IF EMPLOYER IS MEMBER OF CONTROLLED GROUP.—In the case of a single-employer plan, if an employer is a member of a controlled group, the temporary substantial business hardship requirements of paragraph (1) shall be treated as met only if such requirements are met—

(i) with respect to such employer, and

(ii) with respect to the controlled group of which such employer is a member (determined by treating all members of such group as a single employer).

The Secretary of the Treasury may provide that an analysis of a trade or business or industry of a member need not be conducted if such Secretary determines such analysis is not necessary because the taking into account of such member would not significantly affect the determination under this paragraph.

(6) ADVANCE NOTICE.—

(A) IN GENERAL.—The Secretary of the Treasury shall, before granting a waiver under this subsection, require each applicant to provide evidence satisfactory to such Secretary that the applicant has provided notice of the filing of the application for such waiver to each affected party (as defined in section 4001(a)(21)). Such notice shall include a description of the extent to which the plan is funded for benefits which are guaranteed under title IV and for benefit liabilities.

(B) CONSIDERATION OF RELEVANT INFORMATION.—The Secretary of the Treasury shall consider any relevant information provided by a person to whom notice was given under subparagraph (A).

(7) RESTRICTION ON PLAN AMENDMENTS.—

(A) IN GENERAL.—No amendment of a plan which increases the liabilities of the plan by reason of any increase in benefits, any change in the accrual of benefits, or any change in the rate at which benefits become nonforfeitable under the plan shall be adopted if a waiver under this subsection or an extension of time under section 304(d) is in effect with respect to the plan, or if a plan amendment described in subsection (d)(2) which reduces the accrued benefit of any participant has been made at any time in the preceding 12 months (24 months in the case of a multiemployer plan). If a plan is amended in violation of the preceding sentence, any such waiver, or extension of time, shall not apply to any plan year ending on or after the date on which such amendment is adopted.

(B) EXCEPTION.—Subparagraph (A) shall not apply to any plan amendment which—

(i) the Secretary of the Treasury determines to be reasonable and which provides for only de minimis increases in the liabilities of the plan,

(ii) only repeals an amendment described in subsection (d)(2), or

(iii) is required as a condition of qualification under part I of subchapter D of chapter 1 of the Internal Revenue Code of 1986.

(8) CROSS REFERENCE.—For corresponding duties of the Secretary of the Treasury with regard to implementation of the Internal Revenue Code of 1986, see section 412(c) of such Code.

(d) MISCELLANEOUS RULES.—

(1) CHANGE IN METHOD OR YEAR.—If the funding method or a plan year for a plan is changed, the change shall take effect only if approved by the Secretary of the Treasury.

(2) CERTAIN RETROACTIVE PLAN AMENDMENTS.—For purposes of this section, any amendment applying to a plan year which—

(A) is adopted after the close of such plan year but no later than 2½ months after the close of the plan year (or, in the case of a multiemployer plan, no later than 2 years after the close of such plan year),

(B) does not reduce the accrued benefit of any participant determined as of the beginning of the first plan year to which the amendment applies, and

(C) does not reduce the accrued benefit of any participant determined as of the time of adoption except to the extent required by the circumstances,

shall, at the election of the plan administrator, be deemed to have been made on the first day of such plan year. No amendment described in this paragraph which reduces the accrued benefits of any participant shall take effect unless the plan administrator files a notice with the Secretary of the Treasury notifying him of such amendment and such Secretary has approved such amendment, or within 90 days after the date on which such notice was filed, failed to disapprove such amendment. No amendment described in this subsection shall be approved by the Secretary of the Treasury unless such Secretary determines that such amendment is necessary because of a temporary substantial business hardship (as determined under subsection (c)(2)) or a substantial business hardship (as so determined) in the case of a multiemployer plan and that a waiver under subsection (c) (or, in the case of a multiemployer plan, any extension of the amortization period under section 304(d)) is unavailable or inadequate.

(3) CONTROLLED GROUP.—For purposes of this section, the term “controlled group” means any group treated as a single employer under subsection (b), (c), (m), or (o) of section 414 of the Internal Revenue Code of 1986.

SEC. 303. MINIMUM FUNDING STANDARDS FOR SINGLE-EMPLOYER DEFINED BENEFIT PENSION PLANS.¹

(a) **MINIMUM REQUIRED CONTRIBUTION.**—For purposes of this section and section 302(a)(2)(A), except as provided in subsection (f), the term “minimum required contribution” means, with respect to any plan year of a single-employer plan—

(1) in any case in which the value of plan assets of the plan (as reduced under subsection (f)(4)(B)) is less than the funding target of the plan for the plan year, the sum of—

(A) the target normal cost of the plan for the plan year,

(B) the shortfall amortization charge (if any) for the plan for the plan year determined under subsection (c), and

(C) the waiver amortization charge (if any) for the plan for the plan year as determined under subsection (e); or

(2) in any case in which the value of plan assets of the plan (as reduced under subsection (f)(4)(B)) equals or exceeds the funding target of the plan for the plan year, the target normal cost of the plan for the plan year reduced (but not below zero) by such excess.

(b) **TARGET NORMAL COST.**—For purposes of this section:

(1) **IN GENERAL.**—Except as provided in subsection (i)(2) with respect to plans in at-risk status, the term “target normal cost” means, for any plan year, the excess of—

(A) the sum of—

(i) the present value of all benefits which are expected to accrue or to be earned under the plan during the plan year, plus

(ii) the amount of plan-related expenses expected to be paid from plan assets during the plan year, over

(B) the amount of mandatory employee contributions expected to be made during the plan year.

(2) **SPECIAL RULE FOR INCREASE IN COMPENSATION.**—For purposes of this subsection, if any benefit attributable to services performed in a preceding plan year is increased by reason of any increase in compensation during the current plan year, the increase in such benefit shall be treated as having accrued during the current plan year.

(c) **SHORTFALL AMORTIZATION CHARGE.**—

(1) **IN GENERAL.**—For purposes of this section, the shortfall amortization charge for a plan for any plan year is the aggregate total (not less than zero) of the shortfall amortization installments for such plan year with respect to any shortfall amortization base which has not been fully amortized under this subsection.

¹ PPA section 104(a) provides for a delayed effective date for multiple employer plans of certain cooperatives until as late as plan years beginning on or after 1/1/2017, with a special interest rate applicable prior to the effective date. PPA section 105(a) provides for a delayed effective date for certain PBGC settlement plans until plan years beginning on or after 1/1/2014. PPA section 106(a) provides for a delayed effective date for plans of certain government contractors until plan years beginning on or after 1/1/2011, with a special interest rate applicable prior to the effective date. PPA section 402 provides special rules for applying the provisions to certain commercial airlines.

(2) SHORTFALL AMORTIZATION INSTALLMENT.—For purposes of paragraph (1)—

(A) DETERMINATION.—The shortfall amortization installments are the amounts necessary to amortize the shortfall amortization base of the plan for any plan year in level annual installments over the 7-plan-year period beginning with such plan year.

(B) SHORTFALL INSTALLMENT.—The shortfall amortization installment for any plan year in the 7-plan-year period under subparagraph (A) with respect to any shortfall amortization base is the annual installment determined under subparagraph (A) for that year for that base.

(C) SEGMENT RATES.—In determining any shortfall amortization installment under this paragraph, the plan sponsor shall use the segment rates determined under subparagraph (C) of subsection (h)(2), applied under rules similar to the rules of subparagraph (B) of subsection (h)(2).

(D) SPECIAL ELECTION FOR ELIGIBLE PLAN YEARS.—

(i) IN GENERAL.—If a plan sponsor elects to apply this subparagraph with respect to the shortfall amortization base of a plan for any eligible plan year (in this subparagraph and paragraph (7) referred to as an “election year”), then, notwithstanding subparagraphs (A) and (B)—

(I) the shortfall amortization installments with respect to such base shall be determined under clause (ii) or (iii), whichever is specified in the election, and

(II) the shortfall amortization installment for any plan year in the 9-plan-year period described in clause (ii) or the 15-plan-year period described in clause (iii), respectively, with respect to such shortfall amortization base is the annual installment determined under the applicable clause for that year for that base.

(ii) 2 PLUS 7 AMORTIZATION SCHEDULE.—The shortfall amortization installments determined under this clause are—

(I) in the case of the first 2 plan years in the 9-plan-year period beginning with the election year, interest on the shortfall amortization base of the plan for the election year (determined using the effective interest rate for the plan for the election year), and

(II) in the case of the last 7 plan years in such 9-plan-year period, the amounts necessary to amortize the remaining balance of the shortfall amortization base of the plan for the election year in level annual installments over such last 7 plan years (using the segment rates under subparagraph (C) for the election year).

(iii) 15-YEAR AMORTIZATION.—The shortfall amortization installments determined under this subpara-

graph are the amounts necessary to amortize the shortfall amortization base of the plan for the election year in level annual installments over the 15-plan-year period beginning with the election year (using the segment rates under subparagraph (C) for the election year).

(iv) ELECTION.—

(I) IN GENERAL.—The plan sponsor of a plan may elect to have this subparagraph apply to not more than 2 eligible plan years with respect to the plan, except that in the case of a plan described in section 106 of the Pension Protection Act of 2006, the plan sponsor may only elect to have this subparagraph apply to a plan year beginning in 2011.

(II) AMORTIZATION SCHEDULE.—Such election shall specify whether the amortization schedule under clause (ii) or (iii) shall apply to an election year, except that if a plan sponsor elects to have this subparagraph apply to 2 eligible plan years, the plan sponsor must elect the same schedule for both years.

(III) OTHER RULES.—Such election shall be made at such time, and in such form and manner, as shall be prescribed by the Secretary of the Treasury, and may be revoked only with the consent of the Secretary of the Treasury. The Secretary of the Treasury shall, before granting a revocation request, provide the Pension Benefit Guaranty Corporation an opportunity to comment on the conditions applicable to the treatment of any portion of the election year shortfall amortization base that remains unamortized as of the revocation date.

(v) ELIGIBLE PLAN YEAR.—For purposes of this subparagraph, the term “eligible plan year” means any plan year beginning in 2008, 2009, 2010, or 2011, except that a plan year shall only be treated as an eligible plan year if the due date under subsection (j)(1) for the payment of the minimum required contribution for such plan year occurs on or after the date of the enactment of this subparagraph.

(vi) REPORTING.—A plan sponsor of a plan who makes an election under clause (i) shall—

(I) give notice of the election to participants and beneficiaries of the plan, and

(II) inform the Pension Benefit Guaranty Corporation of such election in such form and manner as the Director of the Pension Benefit Guaranty Corporation may prescribe.

(vii) INCREASES IN REQUIRED INSTALLMENTS IN CERTAIN CASES.—For increases in required contributions in cases of excess compensation or extraordinary dividends or stock redemptions, see paragraph (7).

(3) **SHORTFALL AMORTIZATION BASE.**—For purposes of this section, the shortfall amortization base of a plan for a plan year is—

(A) the funding shortfall of such plan for such plan year, minus

(B) the present value (determined using the segment rates determined under subparagraph (C) of subsection (h)(2), applied under rules similar to the rules of subparagraph (B) of subsection (h)(2)) of the aggregate total of the shortfall amortization installments and waiver amortization installments which have been determined for such plan year and any succeeding plan year with respect to the shortfall amortization bases and waiver amortization bases of the plan for any plan year preceding such plan year.

(4) **FUNDING SHORTFALL.**—For purposes of this section, the funding shortfall of a plan for any plan year is the excess (if any) of—

(A) the funding target of the plan for the plan year, over

(B) the value of plan assets of the plan (as reduced under subsection (f)(4)(B)) for the plan year which are held by the plan on the valuation date.

(5) **EXEMPTION FROM NEW SHORTFALL AMORTIZATION BASE.**—

(A) **IN GENERAL.**—In any case in which the value of plan assets of the plan (as reduced under subsection (f)(4)(A)) is equal to or greater than the funding target of the plan for the plan year, the shortfall amortization base of the plan for such plan year shall be zero.

(B) **TRANSITION RULE.**—

(i) **IN GENERAL.**—Except as provided in clause (iii), in the case of plan years beginning after 2007 and before 2011¹, only the applicable percentage of the funding target shall be taken into account under paragraph (3)(A) in determining the funding shortfall for purposes of paragraph (3)(A) and subparagraph (A).

(ii)¹ **APPLICABLE PERCENTAGE.**—For purposes of subparagraph (A), the applicable percentage shall be determined in accordance with the following table:

In the case of a plan year beginning in calendar year:	The applicable percentage is
2008	92
2009	94
2010	96.

(iii) **TRANSITION RELIEF NOT AVAILABLE FOR NEW OR DEFICIT REDUCTION PLANS.**—Clause (i) shall not apply to a plan—

(I) which was not in effect for a plan year beginning in 2007, or

¹ Section 115(b)(3) of the Pension Protection Act of 2006 (Public Law 109–280) provides:

(3) Section 430(c)(5)(B) of such Code and section 303(c)(5)(B) of such Act (relating to phase-in of funding target for exemption from new shortfall amortization base) shall each be applied by substituting “2012” for “2011” therein and by substituting for the table therein. See 120 Stat. 856 for substituted items in the table contained in clause (ii).

(II) which was in effect for a plan year beginning in 2007 and which was subject to section 302(d) (as in effect for plan years beginning in 2007) for such year, determined after the application of paragraphs (6) and (9) thereof.

(6) EARLY DEEMED AMORTIZATION UPON ATTAINMENT OF FUNDING TARGET.—In any case in which the funding shortfall of a plan for a plan year is zero, for purposes of determining the shortfall amortization charge for such plan year and succeeding plan years, the shortfall amortization bases for all preceding plan years (and all shortfall amortization installments determined with respect to such bases) shall be reduced to zero.

(7) INCREASES IN ALTERNATE REQUIRED INSTALLMENTS IN CASES OF EXCESS COMPENSATION OR EXTRAORDINARY DIVIDENDS OR STOCK REDEMPTIONS.—

(A) IN GENERAL.—If there is an installment acceleration amount with respect to a plan for any plan year in the restriction period with respect to an election year under paragraph (2)(D), then the shortfall amortization installment otherwise determined and payable under such paragraph for such plan year shall, subject to the limitation under subparagraph (B), be increased by such amount.

(B) TOTAL INSTALLMENTS LIMITED TO SHORTFALL BASE.—Subject to rules prescribed by the Secretary of the Treasury, if a shortfall amortization installment with respect to any shortfall amortization base for an election year is required to be increased for any plan year under subparagraph (A)—

(i) such increase shall not result in the amount of such installment exceeding the present value of such installment and all succeeding installments with respect to such base (determined without regard to such increase but after application of clause (ii)), and

(ii) subsequent shortfall amortization installments with respect to such base shall, in reverse order of the otherwise required installments, be reduced to the extent necessary to limit the present value of such subsequent shortfall amortization installments (after application of this paragraph) to the present value of the remaining unamortized shortfall amortization base.

(C) INSTALLMENT ACCELERATION AMOUNT.—For purposes of this paragraph—

(i) IN GENERAL.—The term “installment acceleration amount” means, with respect to any plan year in a restriction period with respect to an election year, the sum of—

(I) the aggregate amount of excess employee compensation determined under subparagraph (D) with respect to all employees for the plan year, plus

(II) the aggregate amount of extraordinary dividends and redemptions determined under subparagraph (E) for the plan year.

(ii) ANNUAL LIMITATION.—The installment acceleration amount for any plan year shall not exceed the excess (if any) of—

(I) the sum of the shortfall amortization installments for the plan year and all preceding plan years in the amortization period elected under paragraph (2)(D) with respect to the shortfall amortization base with respect to an election year, determined without regard to paragraph (2)(D) and this paragraph, over

(II) the sum of the shortfall amortization installments for such plan year and all such preceding plan years, determined after application of paragraph (2)(D) (and in the case of any preceding plan year, after application of this paragraph).

(iii) CARRYOVER OF EXCESS INSTALLMENT ACCELERATION AMOUNTS.—

(I) IN GENERAL.—If the installment acceleration amount for any plan year (determined without regard to clause (ii)) exceeds the limitation under clause (ii), then, subject to subclause (II), such excess shall be treated as an installment acceleration amount with respect to the succeeding plan year.

(II) CAP TO APPLY.—If any amount treated as an installment acceleration amount under subclause (I) or this subclause with respect any succeeding plan year, when added to other installment acceleration amounts (determined without regard to clause (ii)) with respect to the plan year, exceeds the limitation under clause (ii), the portion of such amount representing such excess shall be treated as an installment acceleration amount with respect to the next succeeding plan year.

(III) LIMITATION ON YEARS TO WHICH AMOUNTS CARRIED FOR.—No amount shall be carried under subclause (I) or (II) to a plan year which begins after the first plan year following the last plan year in the restriction period (or after the second plan year following such last plan year in the case of an election year with respect to which 15-year amortization was elected under paragraph (2)(D)).

(IV) ORDERING RULES.—For purposes of applying subclause (II), installment acceleration amounts for the plan year (determined without regard to any carryover under this clause) shall be applied first against the limitation under clause (ii) and then carryovers to such plan year shall be applied against such limitation on a first-in, first-out basis.

(D) EXCESS EMPLOYEE COMPENSATION.—For purposes of this paragraph—

(i) IN GENERAL.—The term “excess employee compensation” means, with respect to any employee for any plan year, the excess (if any) of—

(I) the aggregate amount includible in income under chapter 1 of the Internal Revenue Code of 1986 for remuneration during the calendar year in which such plan year begins for services performed by the employee for the plan sponsor (whether or not performed during such calendar year), over

(II) \$1,000,000.

(ii) AMOUNTS SET ASIDE FOR NONQUALIFIED DEFERRED COMPENSATION.—If during any calendar year assets are set aside or reserved (directly or indirectly) in a trust (or other arrangement as determined by the Secretary of the Treasury), or transferred to such a trust or other arrangement, by a plan sponsor for purposes of paying deferred compensation of an employee under a nonqualified deferred compensation plan (as defined in section 409A of such Code) of the plan sponsor, then, for purposes of clause (i), the amount of such assets shall be treated as remuneration of the employee includible in income for the calendar year unless such amount is otherwise includible in income for such year. An amount to which the preceding sentence applies shall not be taken into account under this paragraph for any subsequent calendar year.

(iii) ONLY REMUNERATION FOR CERTAIN POST-2009 SERVICES COUNTED.—Remuneration shall be taken into account under clause (i) only to the extent attributable to services performed by the employee for the plan sponsor after February 28, 2010.

(iv) EXCEPTION FOR CERTAIN EQUITY PAYMENTS.—

(I) IN GENERAL.—There shall not be taken into account under clause (i)(I) any amount includible in income with respect to the granting after February 28, 2010, of service recipient stock (within the meaning of section 409A of the Internal Revenue Code of 1986) that, upon such grant, is subject to a substantial risk of forfeiture (as defined under section 83(c)(1) of such Code) for at least 5 years from the date of such grant.

(II) SECRETARIAL AUTHORITY.—The Secretary of the Treasury may by regulation provide for the application of this clause in the case of a person other than a corporation.

(v) OTHER EXCEPTIONS.—The following amounts includible in income shall not be taken into account under clause (i)(I):

(I) COMMISSIONS.—Any remuneration payable on a commission basis solely on account of income directly generated by the individual performance of the individual to whom such remuneration is payable.

(II) CERTAIN PAYMENTS UNDER EXISTING CONTRACTS.—Any remuneration consisting of non-qualified deferred compensation, restricted stock, stock options, or stock appreciation rights payable or granted under a written binding contract that was in effect on March 1, 2010, and which was not modified in any material respect before such remuneration is paid.

(vi) SELF-EMPLOYED INDIVIDUAL TREATED AS EMPLOYEE.—The term “employee” includes, with respect to a calendar year, a self-employed individual who is treated as an employee under section 401(c) of such Code for the taxable year ending during such calendar year, and the term “compensation” shall include earned income of such individual with respect to such self-employment.

(vii) INDEXING OF AMOUNT.—In the case of any calendar year beginning after 2010, the dollar amount under clause (i)(II) shall be increased by an amount equal to—

(I) such dollar amount, multiplied by

(II) the cost-of-living adjustment determined under section 1(f)(3) of such Code for the calendar year, determined by substituting “calendar year 2009” for “calendar year 1992” in subparagraph (B) thereof.

If the amount of any increase under clause (i) is not a multiple of \$1,000, such increase shall be rounded to the next lowest multiple of \$1,000.

(E) EXTRAORDINARY DIVIDENDS AND REDEMPTIONS.—

(i) IN GENERAL.—The amount determined under this subparagraph for any plan year is the excess (if any) of the sum of the dividends declared during the plan year by the plan sponsor plus the aggregate amount paid for the redemption of stock of the plan sponsor redeemed during the plan year over the greater of—

(I) the adjusted net income (within the meaning of section 4043) of the plan sponsor for the preceding plan year, determined without regard to any reduction by reason of interest, taxes, depreciation, or amortization, or

(II) in the case of a plan sponsor that determined and declared dividends in the same manner for at least 5 consecutive years immediately preceding such plan year, the aggregate amount of dividends determined and declared for such plan year using such manner.

(ii) ONLY CERTAIN POST-2009 DIVIDENDS AND REDEMPTIONS COUNTED.—For purposes of clause (i), there shall only be taken into account dividends declared, and redemptions occurring, after February 28, 2010.

(iii) EXCEPTION FOR INTRA-GROUP DIVIDENDS.—Dividends paid by one member of a controlled group

(as defined in section 302(d)(3)) to another member of such group shall not be taken into account under clause (i).

(iv) EXCEPTION FOR CERTAIN REDEMPTIONS.—Redemptions that are made pursuant to a plan maintained with respect to employees, or that are made on account of the death, disability, or termination of employment of an employee or shareholder, shall not be taken into account under clause (i).

(v) EXCEPTION FOR CERTAIN PREFERRED STOCK.—

(I) IN GENERAL.—Dividends and redemptions with respect to applicable preferred stock shall not be taken into account under clause (i) to the extent that dividends accrue with respect to such stock at a specified rate in all events and without regard to the plan sponsor's income, and interest accrues on any unpaid dividends with respect to such stock.

(II) APPLICABLE PREFERRED STOCK.—For purposes of subclause (I), the term “applicable preferred stock” means preferred stock which was issued before March 1, 2010 (or which was issued after such date and is held by an employee benefit plan subject to the provisions of this title).

(F) OTHER DEFINITIONS AND RULES.—For purposes of this paragraph—

(i) PLAN SPONSOR.—The term “plan sponsor” includes any member of the plan sponsor's controlled group (as defined in section 302(d)(3)).

(ii) RESTRICTION PERIOD.—The term “restriction period” means, with respect to any election year—

(I) except as provided in subclause (II), the 3-year period beginning with the election year (or, if later, the first plan year beginning after December 31, 2009), and

(II) if the plan sponsor elects 15-year amortization for the shortfall amortization base for the election year, the 5-year period beginning with the election year (or, if later, the first plan year beginning after December 31, 2009).

(iii) ELECTIONS FOR MULTIPLE PLANS.—If a plan sponsor makes elections under paragraph (2)(D) with respect to 2 or more plans, the Secretary of the Treasury shall provide rules for the application of this paragraph to such plans, including rules for the ratable allocation of any installment acceleration amount among such plans on the basis of each plan's relative reduction in the plan's shortfall amortization installment for the first plan year in the amortization period described in subparagraph (A) (determined without regard to this paragraph).

(iv) MERGERS AND ACQUISITIONS.—The Secretary of the Treasury shall prescribe rules for the application of paragraph (2)(D) and this paragraph in any

case where there is a merger or acquisition involving a plan sponsor making the election under paragraph (2)(D).

(d) RULES RELATING TO FUNDING TARGET.—For purposes of this section—

(1) FUNDING TARGET.—Except as provided in subsection (i)(1) with respect to plans in at-risk status, the funding target of a plan for a plan year is the present value of all benefits accrued or earned under the plan as of the beginning of the plan year.

(2) FUNDING TARGET ATTAINMENT PERCENTAGE.—The “funding target attainment percentage” of a plan for a plan year is the ratio (expressed as a percentage) which—

(A) the value of plan assets for the plan year (as reduced under subsection (f)(4)(B)), bears to

(B) the funding target of the plan for the plan year (determined without regard to subsection (i)(1)).

(e) WAIVER AMORTIZATION CHARGE.—

(1) DETERMINATION OF WAIVER AMORTIZATION CHARGE.—The waiver amortization charge (if any) for a plan for any plan year is the aggregate total of the waiver amortization installments for such plan year with respect to the waiver amortization bases for each of the 5 preceding plan years.

(2) WAIVER AMORTIZATION INSTALLMENT.—For purposes of paragraph (1)—

(A) DETERMINATION.—The waiver amortization installments are the amounts necessary to amortize the waiver amortization base of the plan for any plan year in level annual installments over a period of 5 plan years beginning with the succeeding plan year.

(B) WAIVER INSTALLMENT.—The waiver amortization installment for any plan year in the 5-year period under subparagraph (A) with respect to any waiver amortization base is the annual installment determined under subparagraph (A) for that year for that base.

(3) INTEREST RATE.—In determining any waiver amortization installment under this subsection, the plan sponsor shall use the segment rates determined under subparagraph (C) of subsection (h)(2), applied under rules similar to the rules of subparagraph (B) of subsection (h)(2).

(4) WAIVER AMORTIZATION BASE.—The waiver amortization base of a plan for a plan year is the amount of the waived funding deficiency (if any) for such plan year under section 302(c).

(5) EARLY DEEMED AMORTIZATION UPON ATTAINMENT OF FUNDING TARGET.—In any case in which the funding shortfall of a plan for a plan year is zero, for purposes of determining the waiver amortization charge for such plan year and succeeding plan years, the waiver amortization bases for all preceding plan years (and all waiver amortization installments determined with respect to such bases) shall be reduced to zero.

(f) REDUCTION OF MINIMUM REQUIRED CONTRIBUTION BY PREFUNDING BALANCE AND FUNDING STANDARD CARRYOVER BALANCE.—

(1) ELECTION TO MAINTAIN BALANCES.—

(A) PREFUNDING BALANCE.—The plan sponsor of a single-employer plan may elect to maintain a prefunding balance.

(B) FUNDING STANDARD CARRYOVER BALANCE.—

(i) IN GENERAL.—In the case of a single-employer plan described in clause (ii), the plan sponsor may elect to maintain a funding standard carryover balance, until such balance is reduced to zero.

(ii) PLANS MAINTAINING FUNDING STANDARD ACCOUNT IN 2007.—A plan is described in this clause if the plan—

(I) was in effect for a plan year beginning in 2007, and

(II) had a positive balance in the funding standard account under section 302(b) as in effect for such plan year and determined as of the end of such plan year.

(2) APPLICATION OF BALANCES.—A prefunding balance and a funding standard carryover balance maintained pursuant to this paragraph—

(A) shall be available for crediting against the minimum required contribution, pursuant to an election under paragraph (3),

(B) shall be applied as a reduction in the amount treated as the value of plan assets for purposes of this section, to the extent provided in paragraph (4), and

(C) may be reduced at any time, pursuant to an election under paragraph (5).

(3) ELECTION TO APPLY BALANCES AGAINST MINIMUM REQUIRED CONTRIBUTION.—

(A) IN GENERAL.—Except as provided in subparagraphs (B) and (C), in the case of any plan year in which the plan sponsor elects to credit against the minimum required contribution for the current plan year all or a portion of the prefunding balance or the funding standard carryover balance for the current plan year (not in excess of such minimum required contribution), the minimum required contribution for the plan year shall be reduced as of the first day of the plan year by the amount so credited by the plan sponsor. For purposes of the preceding sentence, the minimum required contribution shall be determined after taking into account any waiver under section 302(c).

(B) COORDINATION WITH FUNDING STANDARD CARRYOVER BALANCE.—To the extent that any plan has a funding standard carryover balance greater than zero, no amount of the prefunding balance of such plan may be credited under this paragraph in reducing the minimum required contribution.

(C) LIMITATION FOR UNDERFUNDED PLANS.—The preceding provisions of this paragraph shall not apply for any plan year if the ratio (expressed as a percentage) which—

(i) the value of plan assets for the preceding plan year (as reduced under paragraph (4)(C)), bears to

(ii) the funding target of the plan for the preceding plan year (determined without regard to subsection (i)(1)),

is less than 80 percent. In the case of plan years beginning in 2008, the ratio under this subparagraph may be determined using such methods of estimation as the Secretary of the Treasury may prescribe.

(D) SPECIAL RULE FOR CERTAIN YEARS OF PLANS MAINTAINED BY CHARITIES.—

(i) IN GENERAL.—For purposes of applying subparagraph (C) for plan years beginning after August 31, 2009, and before September 1, 2011, the ratio determined under such subparagraph for the preceding plan year shall be the greater of—

(I) such ratio, as determined without regard to this subparagraph, or

(II) the ratio for such plan for the plan year beginning after August 31, 2007, and before September 1, 2008, as determined under rules prescribed by the Secretary of the Treasury.

(ii) SPECIAL RULE.—In the case of a plan for which the valuation date is not the first day of the plan year—

(I) clause (i) shall apply to plan years beginning after December 31, 2008, and before January 1, 2011, and

(II) clause (i)(II) shall apply based on the last plan year beginning before September 1, 2007, as determined under rules prescribed by the Secretary of the Treasury.

(iii) LIMITATION TO CHARITIES.—This subparagraph shall not apply to any plan unless such plan is maintained exclusively by one or more organizations described in section 501(c)(3) of the Internal Revenue Code of 1986.

(4) EFFECT OF BALANCES ON AMOUNTS TREATED AS VALUE OF PLAN ASSETS.—In the case of any plan maintaining a prefunding balance or a funding standard carryover balance pursuant to this subsection, the amount treated as the value of plan assets shall be deemed to be such amount, reduced as provided in the following subparagraphs:

(A) APPLICABILITY OF SHORTFALL AMORTIZATION BASE.—For purposes of subsection (c)(5), the value of plan assets is deemed to be such amount, reduced by the amount of the prefunding balance, but only if an election under paragraph (3) applying any portion of the prefunding balance in reducing the minimum required contribution is in effect for the plan year.

(B) DETERMINATION OF EXCESS ASSETS, FUNDING SHORTFALL, AND FUNDING TARGET ATTAINMENT PERCENTAGE.—

(i) IN GENERAL.—For purposes of subsections (a), (c)(4)(B), and (d)(2)(A), the value of plan assets is deemed to be such amount, reduced by the amount of the prefunding balance and the funding standard carryover balance.

(ii) SPECIAL RULE FOR CERTAIN BINDING AGREEMENTS WITH PBGC.—For purposes of subsection (c)(4)(B), the value of plan assets shall not be deemed to be reduced for a plan year by the amount of the specified balance if, with respect to such balance, there is in effect for a plan year a binding written agreement with the Pension Benefit Guaranty Corporation which provides that such balance is not available to reduce the minimum required contribution for the plan year. For purposes of the preceding sentence, the term “specified balance” means the prefunding balance or the funding standard carryover balance, as the case may be.

(C) AVAILABILITY OF BALANCES IN PLAN YEAR FOR CREDITING AGAINST MINIMUM REQUIRED CONTRIBUTION.—For purposes of paragraph (3)(C)(i) of this subsection, the value of plan assets is deemed to be such amount, reduced by the amount of the prefunding balance.

(5) ELECTION TO REDUCE BALANCE PRIOR TO DETERMINATIONS OF VALUE OF PLAN ASSETS AND CREDITING AGAINST MINIMUM REQUIRED CONTRIBUTION.—

(A) IN GENERAL.—The plan sponsor may elect to reduce by any amount the balance of the prefunding balance and the funding standard carryover balance for any plan year (but not below zero). Such reduction shall be effective prior to any determination of the value of plan assets for such plan year under this section and application of the balance in reducing the minimum required contribution for such plan for such plan year pursuant to an election under paragraph (2).

(B) COORDINATION BETWEEN PREFUNDING BALANCE AND FUNDING STANDARD CARRYOVER BALANCE.—To the extent that any plan has a funding standard carryover balance greater than zero, no election may be made under subparagraph (A) with respect to the prefunding balance.

(6) PREFUNDING BALANCE.—

(A) IN GENERAL.—A prefunding balance maintained by a plan shall consist of a beginning balance of zero, increased and decreased to the extent provided in subparagraphs (B) and (C), and adjusted further as provided in paragraph (8).

(B) INCREASES.—

(i) IN GENERAL.—As of the first day of each plan year beginning after 2008, the prefunding balance of a plan shall be increased by the amount elected by the plan sponsor for the plan year. Such amount shall not exceed the excess (if any) of—

(I) the aggregate total of employer contributions to the plan for the preceding plan year, over—

(II) the minimum required contribution for such preceding plan year.

(ii) ADJUSTMENTS FOR INTEREST.—Any excess contributions under clause (i) shall be properly adjusted for interest accruing for the periods between the first day of the current plan year and the dates on which the excess contributions were made, determined by using the effective interest rate for the preceding plan year and by treating contributions as being first used to satisfy the minimum required contribution.

(iii) CERTAIN CONTRIBUTIONS NECESSARY TO AVOID BENEFIT LIMITATIONS DISREGARDED.—The excess described in clause (i) with respect to any preceding plan year shall be reduced (but not below zero) by the amount of contributions an employer would be required to make under paragraph (1), (2), or (4) of section 206(g) to avoid a benefit limitation which would otherwise be imposed under such paragraph for the preceding plan year. Any contribution which may be taken into account in satisfying the requirements of more than 1 of such paragraphs shall be taken into account only once for purposes of this clause.

(C) DECREASE.—The prefunding balance of a plan shall be decreased (but not below zero) by—

(i) as of the first day of each plan year after 2008, the amount of such balance credited under paragraph (2) (if any) in reducing the minimum required contribution of the plan for the preceding plan year, and

(ii) as of the time specified in paragraph (5)(A), any reduction in such balance elected under paragraph (5).

(7) FUNDING STANDARD CARRYOVER BALANCE.—

(A) IN GENERAL.—A funding standard carryover balance maintained by a plan shall consist of a beginning balance determined under subparagraph (B), decreased to the extent provided in subparagraph (C), and adjusted further as provided in paragraph (8).

(B) BEGINNING BALANCE.—The beginning balance of the funding standard carryover balance shall be the positive balance described in paragraph (1)(B)(ii)(II).

(C) DECREASES.—The funding standard carryover balance of a plan shall be decreased (but not below zero) by—

(i) as of the first day of each plan year after 2008, the amount of such balance credited under paragraph (2) (if any) in reducing the minimum required contribution of the plan for the preceding plan year, and

(ii) as of the time specified in paragraph (5)(A), any reduction in such balance elected under paragraph (5).

(8) ADJUSTMENTS FOR INVESTMENT EXPERIENCE.—In determining the prefunding balance or the funding standard carry-

over balance of a plan as of the first day of the plan year, the plan sponsor shall, in accordance with regulations prescribed by the Secretary of the Treasury, adjust such balance to reflect the rate of return on plan assets for the preceding plan year. Notwithstanding subsection (g)(3), such rate of return shall be determined on the basis of fair market value and shall properly take into account, in accordance with such regulations, all contributions, distributions, and other plan payments made during such period.

(9) ELECTIONS.—Elections under this subsection shall be made at such times, and in such form and manner, as shall be prescribed in regulations of the Secretary of the Treasury.

(g) VALUATION OF PLAN ASSETS AND LIABILITIES.—

(1) TIMING OF DETERMINATIONS.—Except as otherwise provided under this subsection, all determinations under this section for a plan year shall be made as of the valuation date of the plan for such plan year.

(2) VALUATION DATE.—For purposes of this section—

(A) IN GENERAL.—Except as provided in subparagraph (B), the valuation date of a plan for any plan year shall be the first day of the plan year.

(B) EXCEPTION FOR SMALL PLANS.—If, on each day during the preceding plan year, a plan had 100 or fewer participants, the plan may designate any day during the plan year as its valuation date for such plan year and succeeding plan years. For purposes of this subparagraph, all defined benefit plans which are single-employer plans and are maintained by the same employer (or any member of such employer's controlled group) shall be treated as 1 plan, but only participants with respect to such employer or member shall be taken into account.

(C) APPLICATION OF CERTAIN RULES IN DETERMINATION OF PLAN SIZE.—For purposes of this paragraph—

(i) PLANS NOT IN EXISTENCE IN PRECEDING YEAR.—

In the case of the first plan year of any plan, subparagraph (B) shall apply to such plan by taking into account the number of participants that the plan is reasonably expected to have on days during such first plan year.

(ii) PREDECESSORS.—Any reference in subparagraph (B) to an employer shall include a reference to any predecessor of such employer.

(3) DETERMINATION OF VALUE OF PLAN ASSETS.—For purposes of this section—

(A) IN GENERAL.—Except as provided in subparagraph (B), the value of plan assets shall be the fair market value of the assets.

(B) AVERAGING ALLOWED.—A plan may determine the value of plan assets on the basis of the averaging of fair market values, but only if such method—

(i) is permitted under regulations prescribed by the Secretary of the Treasury,

(ii) does not provide for averaging of such values over more than the period beginning on the last day

of the 25th month preceding the month in which the valuation date occurs and ending on the valuation date (or a similar period in the case of a valuation date which is not the 1st day of a month), and

(iii) does not result in a determination of the value of plan assets which, at any time, is lower than 90 percent or greater than 110 percent of the fair market value of such assets at such time.

Any such averaging shall be adjusted for contributions, distributions, and expected earnings (as determined by the plan's actuary on the basis of an assumed earnings rate specified by the actuary but not in excess of the third segment rate applicable under subsection (h)(2)(C)(iii)), as specified by the Secretary of the Treasury.

(4) ACCOUNTING FOR CONTRIBUTION RECEIPTS.—For purposes of determining the value of assets under paragraph (3)—

(A) PRIOR YEAR CONTRIBUTIONS.—If—

(i) an employer makes any contribution to the plan after the valuation date for the plan year in which the contribution is made, and

(ii) the contribution is for a preceding plan year, the contribution shall be taken into account as an asset of the plan as of the valuation date, except that in the case of any plan year beginning after 2008, only the present value (determined as of the valuation date) of such contribution may be taken into account. For purposes of the preceding sentence, present value shall be determined using the effective interest rate for the preceding plan year to which the contribution is properly allocable.

(B) SPECIAL RULE FOR CURRENT YEAR CONTRIBUTIONS MADE BEFORE VALUATION DATE.—If any contributions for any plan year are made to or under the plan during the plan year but before the valuation date for the plan year, the assets of the plan as of the valuation date shall not include—

(i) such contributions, and

(ii) interest on such contributions for the period between the date of the contributions and the valuation date, determined by using the effective interest rate for the plan year.

(h) ACTUARIAL ASSUMPTIONS AND METHODS.—

(1) IN GENERAL.—Subject to this subsection, the determination of any present value or other computation under this section shall be made on the basis of actuarial assumptions and methods—

(A) each of which is reasonable (taking into account the experience of the plan and reasonable expectations), and

(B) which, in combination, offer the actuary's best estimate of anticipated experience under the plan.

(2) INTEREST RATES.—

(A) EFFECTIVE INTEREST RATE.—For purposes of this section, the term “effective interest rate” means, with respect to any plan for any plan year, the single rate of in-

terest which, if used to determine the present value of the plan's accrued or earned benefits referred to in subsection (d)(1), would result in an amount equal to the funding target of the plan for such plan year.

(B) INTEREST RATES FOR DETERMINING FUNDING TARGET.—For purposes of determining the funding target and normal cost of a plan for any plan year, the interest rate used in determining the present value of the benefits of the plan shall be—

(i) in the case of benefits reasonably determined to be payable during the 5-year period beginning on the first day of the plan year, the first segment rate with respect to the applicable month,

(ii) in the case of benefits reasonably determined to be payable during the 15-year period beginning at the end of the period described in clause (i), the second segment rate with respect to the applicable month, and

(iii) in the case of benefits reasonably determined to be payable after the period described in clause (ii), the third segment rate with respect to the applicable month.

(C) SEGMENT RATES.—For purposes of this paragraph—

(i) FIRST SEGMENT RATE.—The term “first segment rate” means, with respect to any month, the single rate of interest which shall be determined by the Secretary of the Treasury for such month on the basis of the corporate bond yield curve for such month, taking into account only that portion of such yield curve which is based on bonds maturing during the 5-year period commencing with such month.

(ii) SECOND SEGMENT RATE.—The term “second segment rate” means, with respect to any month, the single rate of interest which shall be determined by the Secretary of the Treasury for such month on the basis of the corporate bond yield curve for such month, taking into account only that portion of such yield curve which is based on bonds maturing during the 15-year period beginning at the end of the period described in clause (i).

(iii) THIRD SEGMENT RATE.—The term “third segment rate” means, with respect to any month, the single rate of interest which shall be determined by the Secretary of the Treasury for such month on the basis of the corporate bond yield curve for such month, taking into account only that portion of such yield curve which is based on bonds maturing during periods beginning after the period described in clause (ii).

(D) CORPORATE BOND YIELD CURVE.—For purposes of this paragraph—

(i) IN GENERAL.—The term “corporate bond yield curve” means, with respect to any month, a yield curve which is prescribed by the Secretary of the

Treasury for such month and which reflects the average, for the 24-month period ending with the month preceding such month, of monthly yields on investment grade corporate bonds with varying maturities and that are in the top 3 quality levels available.

(ii) ELECTION TO USE YIELD CURVE.—Solely for purposes of determining the minimum required contribution under this section, the plan sponsor may, in lieu of the segment rates determined under subparagraph (C), elect to use interest rates under the corporate bond yield curve. For purposes of the preceding sentence such curve shall be determined without regard to the 24-month averaging described in clause (i). Such election, once made, may be revoked only with the consent of the Secretary of the Treasury.

(E) APPLICABLE MONTH.—For purposes of this paragraph, the term “applicable month” means, with respect to any plan for any plan year, the month which includes the valuation date of such plan for such plan year or, at the election of the plan sponsor, any of the 4 months which precede such month. Any election made under this subparagraph shall apply to the plan year for which the election is made and all succeeding plan years, unless the election is revoked with the consent of the Secretary of the Treasury.

(F) PUBLICATION REQUIREMENTS.—The Secretary of the Treasury shall publish for each month the corporate bond yield curve (and the corporate bond yield curve reflecting the modification described in section 205(g)(3)(B)(iii)(I) for such month) and each of the rates determined under subparagraph (C) for such month. The Secretary of the Treasury shall also publish a description of the methodology used to determine such yield curve and such rates which is sufficiently detailed to enable plans to make reasonable projections regarding the yield curve and such rates for future months based on the plan’s projection of future interest rates.

(G) TRANSITION RULE.—

(i) IN GENERAL.—Notwithstanding the preceding provisions of this paragraph, for plan years beginning in 2008 or 2009, the first, second, or third segment rate for a plan with respect to any month shall be equal to the sum of—

(I) the product of such rate for such month determined without regard to this subparagraph, multiplied by the applicable percentage, and

(II) the product of the rate determined under the rules of section 302(b)(5)(B)(ii)(II) (as in effect for plan years beginning in 2007), multiplied by a percentage equal to 100 percent minus the applicable percentage.

(ii) APPLICABLE PERCENTAGE.—For purposes of clause (i), the applicable percentage is 33⅓ percent for

plan years beginning in 2008 and 66⅔ percent for plan years beginning in 2009.

(iii) NEW PLANS INELIGIBLE.—Clause (i) shall not apply to any plan if the first plan year of the plan begins after December 31, 2007.

(iv) ELECTION.—The plan sponsor may elect not to have this subparagraph apply. Such election, once made, may be revoked only with the consent of the Secretary of the Treasury.

(3) MORTALITY TABLES.—

(A) IN GENERAL.—Except as provided in subparagraph (C) or (D), the Secretary of the Treasury shall by regulation prescribe mortality tables to be used in determining any present value or making any computation under this section. Such tables shall be based on the actual experience of pension plans and projected trends in such experience. In prescribing such tables, the Secretary of the Treasury shall take into account results of available independent studies of mortality of individuals covered by pension plans.

(B) PERIODIC REVISION.—The Secretary of the Treasury shall (at least every 10 years) make revisions in any table in effect under subparagraph (A) to reflect the actual experience of pension plans and projected trends in such experience.

(C) SUBSTITUTE MORTALITY TABLE.—

(i) IN GENERAL.—Upon request by the plan sponsor and approval by the Secretary of the Treasury, a mortality table which meets the requirements of clause (iii) shall be used in determining any present value or making any computation under this section during the period of consecutive plan years (not to exceed 10) specified in the request.

(ii) EARLY TERMINATION OF PERIOD.—Notwithstanding clause (i), a mortality table described in clause (i) shall cease to be in effect as of the earliest of—

(I) the date on which there is a significant change in the participants in the plan by reason of a plan spinoff or merger or otherwise, or

(II) the date on which the plan actuary determines that such table does not meet the requirements of clause (iii).

(iii) REQUIREMENTS.—A mortality table meets the requirements of this clause if—

(I) there is a sufficient number of plan participants, and the pension plans have been maintained for a sufficient period of time, to have credible information necessary for purposes of subclause (II), and

(II) such table reflects the actual experience of the pension plans maintained by the sponsor and projected trends in general mortality experience.

(iv) ALL PLANS IN CONTROLLED GROUP MUST USE SEPARATE TABLE.—Except as provided by the Secretary of the Treasury, a plan sponsor may not use a mortality table under this subparagraph for any plan maintained by the plan sponsor unless—

(I) a separate mortality table is established and used under this subparagraph for each other plan maintained by the plan sponsor and if the plan sponsor is a member of a controlled group, each member of the controlled group, and

(II) the requirements of clause (iii) are met separately with respect to the table so established for each such plan, determined by only taking into account the participants of such plan, the time such plan has been in existence, and the actual experience of such plan.

(v) DEADLINE FOR SUBMISSION AND DISPOSITION OF APPLICATION.—

(I) SUBMISSION.—The plan sponsor shall submit a mortality table to the Secretary of the Treasury for approval under this subparagraph at least 7 months before the 1st day of the period described in clause (i).

(II) DISPOSITION.—Any mortality table submitted to the Secretary of the Treasury for approval under this subparagraph shall be treated as in effect as of the 1st day of the period described in clause (i) unless the Secretary of the Treasury, during the 180-day period beginning on the date of such submission, disapproves of such table and provides the reasons that such table fails to meet the requirements of clause (iii). The 180-day period shall be extended upon mutual agreement of the Secretary of the Treasury and the plan sponsor.

(D) SEPARATE MORTALITY TABLES FOR THE DISABLED.—Notwithstanding subparagraph (A)—

(i) IN GENERAL.—The Secretary of the Treasury shall establish mortality tables which may be used (in lieu of the tables under subparagraph (A)) under this subsection for individuals who are entitled to benefits under the plan on account of disability. The Secretary of the Treasury shall establish separate tables for individuals whose disabilities occur in plan years beginning before January 1, 1995, and for individuals whose disabilities occur in plan years beginning on or after such date.

(ii) SPECIAL RULE FOR DISABILITIES OCCURRING AFTER 1994.—In the case of disabilities occurring in plan years beginning after December 31, 1994, the tables under clause (i) shall apply only with respect to individuals described in such subclause who are disabled within the meaning of title II of the Social Security Act and the regulations thereunder.

(iii) PERIODIC REVISION.—The Secretary of the Treasury shall (at least every 10 years) make revisions in any table in effect under clause (i) to reflect the actual experience of pension plans and projected trends in such experience.

(4) PROBABILITY OF BENEFIT PAYMENTS IN THE FORM OF LUMP SUMS OR OTHER OPTIONAL FORMS.—For purposes of determining any present value or making any computation under this section, there shall be taken into account—

(A) the probability that future benefit payments under the plan will be made in the form of optional forms of benefits provided under the plan (including lump sum distributions, determined on the basis of the plan's experience and other related assumptions), and

(B) any difference in the present value of such future benefit payments resulting from the use of actuarial assumptions, in determining benefit payments in any such optional form of benefits, which are different from those specified in this subsection.

(5) APPROVAL OF LARGE CHANGES IN ACTUARIAL ASSUMPTIONS.—

(A) IN GENERAL.—No actuarial assumption used to determine the funding target for a plan to which this paragraph applies may be changed without the approval of the Secretary of the Treasury.

(B) PLANS TO WHICH PARAGRAPH APPLIES.—This paragraph shall apply to a plan only if—

(i) the plan is a single-employer plan to which title IV applies,

(ii) the aggregate unfunded vested benefits as of the close of the preceding plan year (as determined under section 4006(a)(3)(E)(iii)) of such plan and all other plans maintained by the contributing sponsors (as defined in section 4001(a)(13)) and members of such sponsors' controlled groups (as defined in section 4001(a)(14)) which are covered by title IV (disregarding plans with no unfunded vested benefits) exceed \$50,000,000, and

(iii) the change in assumptions (determined after taking into account any changes in interest rate and mortality table) results in a decrease in the funding shortfall of the plan for the current plan year that exceeds \$50,000,000, or that exceeds \$5,000,000 and that is 5 percent or more of the funding target of the plan before such change.

(i) SPECIAL RULES FOR AT-RISK PLANS.—

(1) FUNDING TARGET FOR PLANS IN AT-RISK STATUS.—

(A) IN GENERAL.—In the case of a plan which is in at-risk status for a plan year, the funding target of the plan for the plan year shall be equal to the sum of—

(i) the present value of all benefits accrued or earned under the plan as of the beginning of the plan year, as determined by using the additional actuarial assumptions described in subparagraph (B), and

(ii) in the case of a plan which also has been in at-risk status for at least 2 of the 4 preceding plan years, a loading factor determined under subparagraph (C).

(B) ADDITIONAL ACTUARIAL ASSUMPTIONS.—The actuarial assumptions described in this subparagraph are as follows:

(i) All employees who are not otherwise assumed to retire as of the valuation date but who will be eligible to elect benefits during the plan year and the 10 succeeding plan years shall be assumed to retire at the earliest retirement date under the plan but not before the end of the plan year for which the at-risk funding target and at-risk target normal cost are being determined.

(ii) All employees shall be assumed to elect the retirement benefit available under the plan at the assumed retirement age (determined after application of clause (i)) which would result in the highest present value of benefits.

(C) LOADING FACTOR.—The loading factor applied with respect to a plan under this paragraph for any plan year is the sum of—

(i) \$700, times the number of participants in the plan, plus

(ii) 4 percent of the funding target (determined without regard to this paragraph) of the plan for the plan year.

(2) TARGET NORMAL COST OF AT-RISK PLANS.—In the case of a plan which is in at-risk status for a plan year, the target normal cost of the plan for such plan year shall be equal to the sum of—

(A) the excess of—

(i) the sum of—

(I) the present value of all benefits which are expected to accrue or to be earned under the plan during the plan year, determined using the additional actuarial assumptions described in paragraph (1)(B), plus

(II) the amount of plan-related expenses expected to be paid from plan assets during the plan year, over

(ii) the amount of mandatory employee contributions expected to be made during the plan year, plus

(B) in the case of a plan which also has been in at-risk status for at least 2 of the 4 preceding plan years, a loading factor equal to 4 percent of the amount determined under subsection (b)(1)(A)(i) with respect to the plan for the plan year.

(3) MINIMUM AMOUNT.—In no event shall—

(A) the at-risk funding target be less than the funding target, as determined without regard to this subsection, or

(B) the at-risk target normal cost be less than the target normal cost, as determined without regard to this subsection.

(4) DETERMINATION OF AT-RISK STATUS.—For purposes of this subsection—

(A) IN GENERAL.—A plan is in at-risk status for a plan year if—

(i) the funding target attainment percentage for the preceding plan year (determined under this section without regard to this subsection) is less than 80 percent, and

(ii) the funding target attainment percentage for the preceding plan year (determined under this section by using the additional actuarial assumptions described in paragraph (1)(B) in computing the funding target) is less than 70 percent.

(B) TRANSITION RULE.—In the case of plan years beginning in 2008, 2009, and 2010, subparagraph (A)(i) shall be applied by substituting the following percentages for “80 percent”:

(i) 65 percent in the case of 2008.

(ii) 70 percent in the case of 2009.

(iii) 75 percent in the case of 2010.

In the case of plan years beginning in 2008, the funding target attainment percentage for the preceding plan year under subparagraph (A) may be determined using such methods of estimation as the Secretary of the Treasury may provide.

(C) SPECIAL RULE FOR EMPLOYEES OFFERED EARLY RETIREMENT IN 2006.—

(i) IN GENERAL.—For purposes of subparagraph (A)(ii), the additional actuarial assumptions described in paragraph (1)(B) shall not be taken into account with respect to any employee if—

(I) such employee is employed by a specified automobile manufacturer,

(II) such employee is offered a substantial amount of additional cash compensation, substantially enhanced retirement benefits under the plan, or materially reduced employment duties on the condition that by a specified date (not later than December 31, 2010) the employee retires (as defined under the terms of the plan),

(III) such offer is made during 2006 and pursuant to a bona fide retirement incentive program and requires, by the terms of the offer, that such offer can be accepted not later than a specified date (not later than December 31, 2006), and

(IV) such employee does not elect to accept such offer before the specified date on which the offer expires.

(ii) SPECIFIED AUTOMOBILE MANUFACTURER.—For purposes of clause (i), the term “specified automobile manufacturer” means—

(I) any manufacturer of automobiles, and
 (II) any manufacturer of automobile parts which supplies such parts directly to a manufacturer of automobiles and which, after a transaction or series of transactions ending in 1999, ceased to be a member of a controlled group which included such manufacturer of automobiles.

(5) TRANSITION BETWEEN APPLICABLE FUNDING TARGETS AND BETWEEN APPLICABLE TARGET NORMAL COSTS.—

(A) IN GENERAL.—In any case in which a plan which is in at-risk status for a plan year has been in such status for a consecutive period of fewer than 5 plan years, the applicable amount of the funding target and of the target normal cost shall be, in lieu of the amount determined without regard to this paragraph, the sum of—

(i) the amount determined under this section without regard to this subsection, plus

(ii) the transition percentage for such plan year of the excess of the amount determined under this subsection (without regard to this paragraph) over the amount determined under this section without regard to this subsection.

(B) TRANSITION PERCENTAGE.—For purposes of subparagraph (A), the transition percentage shall be determined in accordance with the following table:

If the consecutive number of years (including the plan year) the plan is in at-risk status is—	The transition percentage is—
1	20
2	40
3	60
4	80.

(C) YEARS BEFORE EFFECTIVE DATE.—For purposes of this paragraph, plan years beginning before 2008 shall not be taken into account.

(6) SMALL PLAN EXCEPTION.—If, on each day during the preceding plan year, a plan had 500 or fewer participants, the plan shall not be treated as in at-risk status for the plan year. For purposes of this paragraph, all defined benefit plans (other than multiemployer plans) maintained by the same employer (or any member of such employer's controlled group) shall be treated as 1 plan, but only participants with respect to such employer or member shall be taken into account and the rules of subsection (g)(2)(C) shall apply.

(j) PAYMENT OF MINIMUM REQUIRED CONTRIBUTIONS.—

(1) IN GENERAL.—For purposes of this section, the due date for any payment of any minimum required contribution for any plan year shall be 8½ months after the close of the plan year.

(2) INTEREST.—Any payment required under paragraph (1) for a plan year that is made on a date other than the valuation date for such plan year shall be adjusted for interest accruing for the period between the valuation date and the payment date, at the effective rate of interest for the plan for such plan year.

(3) ACCELERATED QUARTERLY CONTRIBUTION SCHEDULE FOR UNDERFUNDED PLANS.—

(A) FAILURE TO TIMELY MAKE REQUIRED INSTALLMENT.—In any case in which the plan has a funding shortfall for the preceding plan year, the employer maintaining the plan shall make the required installments under this paragraph and if the employer fails to pay the full amount of a required installment for the plan year, then the amount of interest charged under paragraph (2) on the underpayment for the period of underpayment shall be determined by using a rate of interest equal to the rate otherwise used under paragraph (2) plus 5 percentage points. In the case of plan years beginning in 2008, the funding shortfall for the preceding plan year may be determined using such methods of estimation as the Secretary of the Treasury may provide.

(B) AMOUNT OF UNDERPAYMENT, PERIOD OF UNDERPAYMENT.—For purposes of subparagraph (A)—

(i) AMOUNT.—The amount of the underpayment shall be the excess of—

(I) the required installment, over

(II) the amount (if any) of the installment contributed to or under the plan on or before the due date for the installment.

(ii) PERIOD OF UNDERPAYMENT.—The period for which any interest is charged under this paragraph with respect to any portion of the underpayment shall run from the due date for the installment to the date on which such portion is contributed to or under the plan.

(iii) ORDER OF CREDITING CONTRIBUTIONS.—For purposes of clause (i)(II), contributions shall be credited against unpaid required installments in the order in which such installments are required to be paid.

(C) NUMBER OF REQUIRED INSTALLMENTS; DUE DATES.—For purposes of this paragraph—

(i) PAYABLE IN 4 INSTALLMENTS.—There shall be 4 required installments for each plan year.

(ii) TIME FOR PAYMENT OF INSTALLMENTS.—The due dates for required installments are set forth in the following table:

In the case of the following required installment:	The due date is:
1st	April 15
2nd	July 15
3rd	October 15
4th	January 15 of the following year.

(D) AMOUNT OF REQUIRED INSTALLMENT.—For purposes of this paragraph—

(i) IN GENERAL.—The amount of any required installment shall be 25 percent of the required annual payment.

(ii) REQUIRED ANNUAL PAYMENT.—For purposes of clause (i), the term “required annual payment” means the lesser of—

(I) 90 percent of the minimum required contribution (determined without regard to this subsection) to the plan for the plan year under this section, or

(II) 100 percent of the minimum required contribution (determined without regard to this subsection or to any waiver under section 302(c)) to the plan for the preceding plan year.

Subclause (II) shall not apply if the preceding plan year referred to in such clause was not a year of 12 months.

(E) FISCAL YEARS, SHORT YEARS, AND YEARS WITH ALTERNATE VALUATION DATE.—

(i) FISCAL YEARS.—In applying this paragraph to a plan year beginning on any date other than January 1, there shall be substituted for the months specified in this paragraph, the months which correspond thereto.

(ii) SHORT PLAN YEAR.—This subparagraph shall be applied to plan years of less than 12 months in accordance with regulations prescribed by the Secretary of the Treasury.

(iii) PLAN WITH ALTERNATE VALUATION DATE.—The Secretary of the Treasury shall prescribe regulations for the application of this paragraph in the case of a plan which has a valuation date other than the first day of the plan year.

(F) QUARTERLY CONTRIBUTIONS NOT TO INCLUDE CERTAIN INCREASED CONTRIBUTIONS.—Subparagraph (D) shall be applied without regard to any increase under subsection (c)(7).

(4) LIQUIDITY REQUIREMENT IN CONNECTION WITH QUARTERLY CONTRIBUTIONS.—

(A) IN GENERAL.—A plan to which this paragraph applies shall be treated as failing to pay the full amount of any required installment under paragraph (3) to the extent that the value of the liquid assets paid in such installment is less than the liquidity shortfall (whether or not such liquidity shortfall exceeds the amount of such installment required to be paid but for this paragraph).

(B) PLANS TO WHICH PARAGRAPH APPLIES.—This paragraph shall apply to a plan (other than a plan described in subsection (g)(2)(B)) which—

(i) is required to pay installments under paragraph (3) for a plan year, and

(ii) has a liquidity shortfall for any quarter during such plan year.

(C) PERIOD OF UNDERPAYMENT.—For purposes of paragraph (3)(A), any portion of an installment that is treated as not paid under subparagraph (A) shall continue to be treated as unpaid until the close of the quarter in which the due date for such installment occurs.

(D) LIMITATION ON INCREASE.—If the amount of any required installment is increased by reason of subparagraph (A), in no event shall such increase exceed the amount which, when added to prior installments for the plan year, is necessary to increase the funding target attainment percentage of the plan for the plan year (taking into account the expected increase in funding target due to benefits accruing or earned during the plan year) to 100 percent.

(E) DEFINITIONS.—For purposes of this paragraph—

(i) LIQUIDITY SHORTFALL.—The term “liquidity shortfall” means, with respect to any required installment, an amount equal to the excess (as of the last day of the quarter for which such installment is made) of—

(I) the base amount with respect to such quarter, over

(II) the value (as of such last day) of the plan’s liquid assets.

(ii) BASE AMOUNT.—

(I) IN GENERAL.—The term “base amount” means, with respect to any quarter, an amount equal to 3 times the sum of the adjusted disbursements from the plan for the 12 months ending on the last day of such quarter.

(II) SPECIAL RULE.—If the amount determined under subclause (I) exceeds an amount equal to 2 times the sum of the adjusted disbursements from the plan for the 36 months ending on the last day of the quarter and an enrolled actuary certifies to the satisfaction of the Secretary of the Treasury that such excess is the result of nonrecurring circumstances, the base amount with respect to such quarter shall be determined without regard to amounts related to those nonrecurring circumstances.

(iii) DISBURSEMENTS FROM THE PLAN.—The term “disbursements from the plan” means all disbursements from the trust, including purchases of annuities, payments of single sums and other benefits, and administrative expenses.

(iv) ADJUSTED DISBURSEMENTS.—The term “adjusted disbursements” means disbursements from the plan reduced by the product of—

(I) the plan’s funding target attainment percentage for the plan year, and

(II) the sum of the purchases of annuities, payments of single sums, and such other disbursements as the Secretary of the Treasury shall provide in regulations.

(v) LIQUID ASSETS.—The term “liquid assets” means cash, marketable securities, and such other assets as specified by the Secretary of the Treasury in regulations.

(vi) QUARTER.—The term “quarter” means, with respect to any required installment, the 3-month period preceding the month in which the due date for such installment occurs.

(F) REGULATIONS.—The Secretary of the Treasury may prescribe such regulations as are necessary to carry out this paragraph.

(k) IMPOSITION OF LIEN WHERE FAILURE TO MAKE REQUIRED CONTRIBUTIONS.—

(1) IN GENERAL.—In the case of a plan to which this subsection applies (as provided under paragraph (2)), if—

(A) any person fails to make a contribution payment required by section 302 and this section before the due date for such payment, and

(B) the unpaid balance of such payment (including interest), when added to the aggregate unpaid balance of all preceding such payments for which payment was not made before the due date (including interest), exceeds \$1,000,000,

then there shall be a lien in favor of the plan in the amount determined under paragraph (3) upon all property and rights to property, whether real or personal, belonging to such person and any other person who is a member of the same controlled group of which such person is a member.

(2) PLANS TO WHICH SUBSECTION APPLIES.—This subsection shall apply to a single-employer plan covered under section 4021 for any plan year for which the funding target attainment percentage (as defined in subsection (d)(2)) of such plan is less than 100 percent.

(3) AMOUNT OF LIEN.—For purposes of paragraph (1), the amount of the lien shall be equal to the aggregate unpaid balance of contribution payments required under this section and section 302 for which payment has not been made before the due date.

(4) NOTICE OF FAILURE; LIEN.—

(A) NOTICE OF FAILURE.—A person committing a failure described in paragraph (1) shall notify the Pension Benefit Guaranty Corporation of such failure within 10 days of the due date for the required contribution payment.

(B) PERIOD OF LIEN.—The lien imposed by paragraph (1) shall arise on the due date for the required contribution payment and shall continue until the last day of the first plan year in which the plan ceases to be described in paragraph (1)(B). Such lien shall continue to run without regard to whether such plan continues to be described in

paragraph (2) during the period referred to in the preceding sentence.

(C) CERTAIN RULES TO APPLY.—Any amount with respect to which a lien is imposed under paragraph (1) shall be treated as taxes due and owing the United States and rules similar to the rules of subsections (c), (d), and (e) of section 4068 shall apply with respect to a lien imposed by subsection (a) and the amount with respect to such lien.

(5) ENFORCEMENT.—Any lien created under paragraph (1) may be perfected and enforced only by the Pension Benefit Guaranty Corporation, or at the direction of the Pension Benefit Guaranty Corporation, by the contributing sponsor (or any member of the controlled group of the contributing sponsor).

(6) DEFINITIONS.—For purposes of this subsection—

(A) CONTRIBUTION PAYMENT.—The term “contribution payment” means, in connection with a plan, a contribution payment required to be made to the plan, including any required installment under paragraphs (3) and (4) of subsection (j).

(B) DUE DATE; REQUIRED INSTALLMENT.—The terms “due date” and “required installment” have the meanings given such terms by subsection (j).

(C) CONTROLLED GROUP.—The term “controlled group” means any group treated as a single employer under subsections (b), (c), (m), and (o) of section 414 of the Internal Revenue Code of 1986.

(I) QUALIFIED TRANSFERS TO HEALTH BENEFIT ACCOUNTS.—In the case of a qualified transfer (as defined in section 420 of the Internal Revenue Code of 1986), any assets so transferred shall not, for purposes of this section, be treated as assets in the plan.

MINIMUM FUNDING STANDARDS FOR MULTIEMPLOYER PLANS¹

SEC. 304. (a) IN GENERAL.—For purposes of section 302, the accumulated funding deficiency of a multiemployer plan for any plan year is—

(1) except as provided in paragraph (2), the amount, determined as of the end of the plan year, equal to the excess (if any) of the total charges to the funding standard account of the plan for all plan years (beginning with the first plan year for which this part applies to the plan) over the total credits to such account for such years, and

(2) if the multiemployer plan is in reorganization for any plan year, the accumulated funding deficiency of the plan determined under section 4243.

(b) FUNDING STANDARD ACCOUNT.—

(1) ACCOUNT REQUIRED.—Each multiemployer plan to which this part applies shall establish and maintain a funding

¹ PPA section 201(d)(2) allows certain existing amortization extensions to continue beyond the general effective date of plan years beginning on or after 1/1/2007. PPA section 206 provides that the provisions are not applicable to certain benefit increases prior to 6/30/2005 under agreements approved by the PBGC prior to 6/30/2005.

standard account. Such account shall be credited and charged solely as provided in this section.

(2) CHARGES TO ACCOUNT.—For a plan year, the funding standard account shall be charged with the sum of—

(A) the normal cost of the plan for the plan year,

(B) the amounts necessary to amortize in equal annual installments (until fully amortized)—

(i) in the case of a plan which comes into existence on or after January 1, 2008, the unfunded past service liability under the plan on the first day of the first plan year to which this section applies, over a period of 15 plan years,

(ii) separately, with respect to each plan year, the net increase (if any) in unfunded past service liability under the plan arising from plan amendments adopted in such year, over a period of 15 plan years,

(iii) separately, with respect to each plan year, the net experience loss (if any) under the plan, over a period of 15 plan years, and

(iv) separately, with respect to each plan year, the net loss (if any) resulting from changes in actuarial assumptions used under the plan, over a period of 15 plan years,

(C) the amount necessary to amortize each waived funding deficiency (within the meaning of section 302(c)(3)) for each prior plan year in equal annual installments (until fully amortized) over a period of 15 plan years,

(D) the amount necessary to amortize in equal annual installments (until fully amortized) over a period of 5 plan years any amount credited to the funding standard account under section 302(b)(3)(D) (as in effect on the day before the date of the enactment of the Pension Protection Act of 2006), and

(E) the amount necessary to amortize in equal annual installments (until fully amortized) over a period of 20 years the contributions which would be required to be made under the plan but for the provisions of section 302(c)(7)(A)(i)(I) (as in effect on the day before the date of the enactment of the Pension Protection Act of 2006).

(3) CREDITS TO ACCOUNT.—For a plan year, the funding standard account shall be credited with the sum of—

(A) the amount considered contributed by the employer to or under the plan for the plan year,

(B) the amount necessary to amortize in equal annual installments (until fully amortized)—

(i) separately, with respect to each plan year, the net decrease (if any) in unfunded past service liability under the plan arising from plan amendments adopted in such year, over a period of 15 plan years,

(ii) separately, with respect to each plan year, the net experience gain (if any) under the plan, over a period of 15 plan years, and

(iii) separately, with respect to each plan year, the net gain (if any) resulting from changes in actuarial

assumptions used under the plan, over a period of 15 plan years,

(C) the amount of the waived funding deficiency (within the meaning of section 302(c)(3)) for the plan year, and

(D) in the case of a plan year for which the accumulated funding deficiency is determined under the funding standard account if such plan year follows a plan year for which such deficiency was determined under the alternative minimum funding standard under section 305 (as in effect on the day before the date of the enactment of the Pension Protection Act of 2006), the excess (if any) of any debit balance in the funding standard account (determined without regard to this subparagraph) over any debit balance in the alternative minimum funding standard account.

(4) SPECIAL RULE FOR AMOUNTS FIRST AMORTIZED IN PLAN YEARS BEFORE 2008.—In the case of any amount amortized under section 302(b) (as in effect on the day before the date of the enactment of the Pension Protection Act of 2006) over any period beginning with a plan year beginning before 2008, in lieu of the amortization described in paragraphs (2)(B) and (3)(B), such amount shall continue to be amortized under such section as so in effect.

(5) COMBINING AND OFFSETTING AMOUNTS TO BE AMORTIZED.—Under regulations prescribed by the Secretary of the Treasury, amounts required to be amortized under paragraph (2) or paragraph (3), as the case may be—

(A) may be combined into one amount under such paragraph to be amortized over a period determined on the basis of the remaining amortization period for all items entering into such combined amount, and

(B) may be offset against amounts required to be amortized under the other such paragraph, with the resulting amount to be amortized over a period determined on the basis of the remaining amortization periods for all items entering into whichever of the two amounts being offset is the greater.

(6) INTEREST.—The funding standard account (and items therein) shall be charged or credited (as determined under regulations prescribed by the Secretary of the Treasury) with interest at the appropriate rate consistent with the rate or rates of interest used under the plan to determine costs.

(7) SPECIAL RULES RELATING TO CHARGES AND CREDITS TO FUNDING STANDARD ACCOUNT.—For purposes of this part—

(A) WITHDRAWAL LIABILITY.—Any amount received by a multiemployer plan in payment of all or part of an employer's withdrawal liability under part 1 of subtitle E of title IV shall be considered an amount contributed by the employer to or under the plan. The Secretary of the Treasury may prescribe by regulation additional charges and credits to a multiemployer plan's funding standard account to the extent necessary to prevent withdrawal liability payments from being unduly reflected as advance funding for plan liabilities.

(B) ADJUSTMENTS WHEN A MULTIEMPLOYER PLAN LEAVES REORGANIZATION.—If a multiemployer plan is not in reorganization in the plan year but was in reorganization in the immediately preceding plan year, any balance in the funding standard account at the close of such immediately preceding plan year—

(i) shall be eliminated by an offsetting credit or charge (as the case may be), but

(ii) shall be taken into account in subsequent plan years by being amortized in equal annual installments (until fully amortized) over 30 plan years.

The preceding sentence shall not apply to the extent of any accumulated funding deficiency under section 4243(a) as of the end of the last plan year that the plan was in reorganization.

(C) PLAN PAYMENTS TO SUPPLEMENTAL PROGRAM OR WITHDRAWAL LIABILITY PAYMENT FUND.—Any amount paid by a plan during a plan year to the Pension Benefit Guaranty Corporation pursuant to section 4222 of this Act or to a fund exempt under section 501(c)(22) of the Internal Revenue Code of 1986 pursuant to section 4223 of this Act shall reduce the amount of contributions considered received by the plan for the plan year.

(D) INTERIM WITHDRAWAL LIABILITY PAYMENTS.—Any amount paid by an employer pending a final determination of the employer's withdrawal liability under part 1 of subtitle E of title IV and subsequently refunded to the employer by the plan shall be charged to the funding standard account in accordance with regulations prescribed by the Secretary of the Treasury.

(E) ELECTION FOR DEFERRAL OF CHARGE FOR PORTION OF NET EXPERIENCE LOSS.—If an election is in effect under section 302(b)(7)(F) (as in effect on the day before the date of the enactment of the Pension Protection Act of 2006) for any plan year, the funding standard account shall be charged in the plan year to which the portion of the net experience loss deferred by such election was deferred with the amount so deferred (and paragraph (2)(B)(iii) shall not apply to the amount so charged).

(F) FINANCIAL ASSISTANCE.—Any amount of any financial assistance from the Pension Benefit Guaranty Corporation to any plan, and any repayment of such amount, shall be taken into account under this section and section 302 in such manner as is determined by the Secretary of the Treasury.

(G) SHORT-TERM BENEFITS.—To the extent that any plan amendment increases the unfunded past service liability under the plan by reason of an increase in benefits which are not payable as a life annuity but are payable under the terms of the plan for a period that does not exceed 14 years from the effective date of the amendment, paragraph (2)(B)(ii) shall be applied separately with respect to such increase in unfunded past service liability by

substituting the number of years of the period during which such benefits are payable for “15”.

(8) SPECIAL RELIEF RULES.—Notwithstanding any other provision of this subsection—

(A) AMORTIZATION OF NET INVESTMENT LOSSES.—

(i) IN GENERAL.—A multiemployer plan with respect to which the solvency test under subparagraph (C) is met may treat the portion of any experience loss or gain attributable to net investment losses incurred in either or both of the first two plan years ending after August 31, 2008, as an item separate from other experience losses, to be amortized in equal annual installments (until fully amortized) over the period —

(I) beginning with the plan year in which such portion is first recognized in the actuarial value of assets, and

(II) ending with the last plan year in the 30-plan year period beginning with the plan year in which such net investment loss was incurred.

(ii) COORDINATION WITH EXTENSIONS.—If this subparagraph applies for any plan year—

(I) no extension of the amortization period under clause (i) shall be allowed under subsection (d), and

(II) if an extension was granted under subsection (d) for any plan year before the election to have this subparagraph apply to the plan year, such extension shall not result in such amortization period exceeding 30 years.

(iii) NET INVESTMENT LOSSES.—For purposes of this subparagraph—

(I) IN GENERAL.—Net investment losses shall be determined in the manner prescribed by the Secretary of the Treasury on the basis of the difference between actual and expected returns (including any difference attributable to any criminally fraudulent investment arrangement).

(II) CRIMINALLY FRAUDULENT INVESTMENT ARRANGEMENTS.—The determination as to whether an arrangement is a criminally fraudulent investment arrangement shall be made under rules substantially similar to the rules prescribed by the Secretary of the Treasury for purposes of section 165 of the Internal Revenue Code of 1986.

(B) EXPANDED SMOOTHING PERIOD.—

(i) IN GENERAL.—A multiemployer plan with respect to which the solvency test under subparagraph (C) is met may change its asset valuation method in a manner which—

(I) spreads the difference between expected and actual returns for either or both of the first 2 plan years ending after August 31, 2008, over a period of not more than 10 years,

(II) provides that for either or both of the first 2 plan years beginning after August 31, 2008, the value of plan assets at any time shall not be less than 80 percent or greater than 130 percent of the fair market value of such assets at such time, or

(III) makes both changes described in subclauses (I) and (II) to such method.

(ii) ASSET VALUATION METHODS.—If this subparagraph applies for any plan year—

(I) the Secretary of the Treasury shall not treat the asset valuation method of the plan as unreasonable solely because of the changes in such method described in clause (i), and

(II) such changes shall be deemed approved by such Secretary under section 302(d)(1) and section 412(d)(1) of such Code.

(iii) AMORTIZATION OF REDUCTION IN UNFUNDED ACCRUED LIABILITY.—If this subparagraph and subparagraph (A) both apply for any plan year, the plan shall treat any reduction in unfunded accrued liability resulting from the application of this subparagraph as a separate experience amortization base, to be amortized in equal annual installments (until fully amortized) over a period of 30 plan years rather than the period such liability would otherwise be amortized over.

(C) SOLVENCY TEST.—The solvency test under this paragraph is met only if the plan actuary certifies that the plan is projected to have sufficient assets to timely pay expected benefits and anticipated expenditures over the amortization period, taking into account the changes in the funding standard account under this paragraph.

(D) RESTRICTION ON BENEFIT INCREASES.—If subparagraph (A) or (B) apply to a multiemployer plan for any plan year, then, in addition to any other applicable restrictions on benefit increases, a plan amendment increasing benefits may not go into effect during either of the 2 plan years immediately following such plan year unless—

(i) the plan actuary certifies that—

(I) any such increase is paid for out of additional contributions not allocated to the plan immediately before the application of this paragraph to the plan, and

(II) the plan's funded percentage and projected credit balances for such 2 plan years are reasonably expected to be at least as high as such percentage and balances would have been if the benefit increase had not been adopted, or

(ii) the amendment is required as a condition of qualification under part I of subchapter D of chapter 1 of the Internal Revenue Code of 1986 or to comply with other applicable law.

(E) REPORTING.—A plan sponsor of a plan to which this paragraph applies shall—

- (i) give notice of such application to participants and beneficiaries of the plan, and
- (ii) inform the Pension Benefit Guaranty Corporation of such application in such form and manner as the Director of the Pension Benefit Guaranty Corporation may prescribe.

(c) ADDITIONAL RULES.—

(1) DETERMINATIONS TO BE MADE UNDER FUNDING METHOD.—For purposes of this part, normal costs, accrued liability, past service liabilities, and experience gains and losses shall be determined under the funding method used to determine costs under the plan.

(2) VALUATION OF ASSETS.—

(A) IN GENERAL.—For purposes of this part, the value of the plan's assets shall be determined on the basis of any reasonable actuarial method of valuation which takes into account fair market value and which is permitted under regulations prescribed by the Secretary of the Treasury.

(B) ELECTION WITH RESPECT TO BONDS.—The value of a bond or other evidence of indebtedness which is not in default as to principal or interest may, at the election of the plan administrator, be determined on an amortized basis running from initial cost at purchase to par value at maturity or earliest call date. Any election under this subparagraph shall be made at such time and in such manner as the Secretary of the Treasury shall by regulations provide, shall apply to all such evidences of indebtedness, and may be revoked only with the consent of such Secretary.

(3) ACTUARIAL ASSUMPTIONS MUST BE REASONABLE.—For purposes of this section, all costs, liabilities, rates of interest, and other factors under the plan shall be determined on the basis of actuarial assumptions and methods—

(A) each of which is reasonable (taking into account the experience of the plan and reasonable expectations), and

(B) which, in combination, offer the actuary's best estimate of anticipated experience under the plan.

(4) TREATMENT OF CERTAIN CHANGES AS EXPERIENCE GAIN OR LOSS.—For purposes of this section, if—

(A) a change in benefits under the Social Security Act or in other retirement benefits created under Federal or State law, or

(B) a change in the definition of the term "wages" under section 3121 of the Internal Revenue Code of 1986, or a change in the amount of such wages taken into account under regulations prescribed for purposes of section 401(a)(5) of such Code,

results in an increase or decrease in accrued liability under a plan, such increase or decrease shall be treated as an experience loss or gain.

(5) FULL FUNDING.—If, as of the close of a plan year, a plan would (without regard to this paragraph) have an accumulated funding deficiency in excess of the full funding limitation—

(A) the funding standard account shall be credited with the amount of such excess, and

(B) all amounts described in subparagraphs (B), (C), and (D) of subsection (b) (2) and subparagraph (B) of subsection (b)(3) which are required to be amortized shall be considered fully amortized for purposes of such subparagraphs.

(6) FULL-FUNDING LIMITATION.—

(A) IN GENERAL.—For purposes of paragraph (5), the term “full-funding limitation” means the excess (if any) of—

(i) the accrued liability (including normal cost) under the plan (determined under the entry age normal funding method if such accrued liability cannot be directly calculated under the funding method used for the plan), over

(ii) the lesser of—

(I) the fair market value of the plan’s assets,

or

(II) the value of such assets determined under paragraph (2).

(B) MINIMUM AMOUNT.—

(i) IN GENERAL.—In no event shall the full-funding limitation determined under subparagraph (A) be less than the excess (if any) of—

(I) 90 percent of the current liability of the plan (including the expected increase in current liability due to benefits accruing during the plan year), over

(II) the value of the plan’s assets determined under paragraph (2).

(ii) ASSETS.—For purposes of clause (i), assets shall not be reduced by any credit balance in the funding standard account.

(C) FULL FUNDING LIMITATION.—For purposes of this paragraph, unless otherwise provided by the plan, the accrued liability under a multiemployer plan shall not include benefits which are not nonforfeitable under the plan after the termination of the plan (taking into consideration section 411(d)(3) of the Internal Revenue Code of 1986).

(D) CURRENT LIABILITY.—For purposes of this paragraph—

(i) IN GENERAL.—The term “current liability” means all liabilities to employees and their beneficiaries under the plan.

(ii) TREATMENT OF UNPREDICTABLE CONTINGENT EVENT BENEFITS.—For purposes of clause (i), any benefit contingent on an event other than—

(I) age, service, compensation, death, or disability, or

(II) an event which is reasonably and reliably predictable (as determined by the Secretary of the Treasury),

shall not be taken into account until the event on which the benefit is contingent occurs.

(iii) INTEREST RATE USED.—The rate of interest used to determine current liability under this paragraph shall be the rate of interest determined under subparagraph (E).

(iv) MORTALITY TABLES.—

(I) COMMISSIONERS' STANDARD TABLE.—In the case of plan years beginning before the first plan year to which the first tables prescribed under subclause (II) apply, the mortality table used in determining current liability under this paragraph shall be the table prescribed by the Secretary of the Treasury which is based on the prevailing commissioners' standard table (described in section 807(d)(5)(A) of the Internal Revenue Code of 1986) used to determine reserves for group annuity contracts issued on January 1, 1993.

(II) SECRETARIAL AUTHORITY.—The Secretary of the Treasury may by regulation prescribe for plan years beginning after December 31, 1999, mortality tables to be used in determining current liability under this subsection. Such tables shall be based upon the actual experience of pension plans and projected trends in such experience. In prescribing such tables, such Secretary shall take into account results of available independent studies of mortality of individuals covered by pension plans.

(v) SEPARATE MORTALITY TABLES FOR THE DISABLED.—Notwithstanding clause (iv)—

(I) IN GENERAL.—The Secretary of the Treasury shall establish mortality tables which may be used (in lieu of the tables under clause (iv)) to determine current liability under this subsection for individuals who are entitled to benefits under the plan on account of disability. Such Secretary shall establish separate tables for individuals whose disabilities occur in plan years beginning before January 1, 1995, and for individuals whose disabilities occur in plan years beginning on or after such date.

(II) SPECIAL RULE FOR DISABILITIES OCCURRING AFTER 1994.—In the case of disabilities occurring in plan years beginning after December 31, 1994, the tables under subclause (I) shall apply only with respect to individuals described in such subclause who are disabled within the meaning of title II of the Social Security Act and the regulations thereunder.

(vi) PERIODIC REVIEW.—The Secretary of the Treasury shall periodically (at least every 5 years) review any tables in effect under this subparagraph and shall, to the extent such Secretary determines nec-

essary, by regulation update the tables to reflect the actual experience of pension plans and projected trends in such experience.

(E) REQUIRED CHANGE OF INTEREST RATE.—For purposes of determining a plan's current liability for purposes of this paragraph—

(i) IN GENERAL.—If any rate of interest used under the plan under subsection (b)(6) to determine cost is not within the permissible range, the plan shall establish a new rate of interest within the permissible range.

(ii) PERMISSIBLE RANGE.—For purposes of this subparagraph—

(I) IN GENERAL.—Except as provided in subclause (II), the term “permissible range” means a rate of interest which is not more than 5 percent above, and not more than 10 percent below, the weighted average of the rates of interest on 30-year Treasury securities during the 4-year period ending on the last day before the beginning of the plan year.

(II) SECRETARIAL AUTHORITY.—If the Secretary of the Treasury finds that the lowest rate of interest permissible under subclause (I) is unreasonably high, such Secretary may prescribe a lower rate of interest, except that such rate may not be less than 80 percent of the average rate determined under such subclause.

(iii) ASSUMPTIONS.—Notwithstanding paragraph (3)(A), the interest rate used under the plan shall be—

(I) determined without taking into account the experience of the plan and reasonable expectations, but

(II) consistent with the assumptions which reflect the purchase rates which would be used by insurance companies to satisfy the liabilities under the plan.

(7) ANNUAL VALUATION.—

(A) IN GENERAL.—For purposes of this section, a determination of experience gains and losses and a valuation of the plan's liability shall be made not less frequently than once every year, except that such determination shall be made more frequently to the extent required in particular cases under regulations prescribed by the Secretary of the Treasury.

(B) VALUATION DATE.—

(i) CURRENT YEAR.—Except as provided in clause (ii), the valuation referred to in subparagraph (A) shall be made as of a date within the plan year to which the valuation refers or within one month prior to the beginning of such year.

(ii) USE OF PRIOR YEAR VALUATION.—The valuation referred to in subparagraph (A) may be made as of a date within the plan year prior to the year to which

the valuation refers if, as of such date, the value of the assets of the plan are not less than 100 percent of the plan's current liability (as defined in paragraph (6)(D) without regard to clause (iv) thereof).

(iii) ADJUSTMENTS.—Information under clause (ii) shall, in accordance with regulations, be actuarially adjusted to reflect significant differences in participants.

(iv) LIMITATION.—A change in funding method to use a prior year valuation, as provided in clause (ii), may not be made unless as of the valuation date within the prior plan year, the value of the assets of the plan are not less than 125 percent of the plan's current liability (as defined in paragraph (6)(D) without regard to clause (iv) thereof).

(8) TIME WHEN CERTAIN CONTRIBUTIONS DEEMED MADE.—For purposes of this section, any contributions for a plan year made by an employer after the last day of such plan year, but not later than two and one-half months after such day, shall be deemed to have been made on such last day. For purposes of this subparagraph, such two and one-half month period may be extended for not more than six months under regulations prescribed by the Secretary of the Treasury.

(d) EXTENSION OF AMORTIZATION PERIODS FOR MULTIEMPLOYER PLANS.—

(1) AUTOMATIC EXTENSION UPON APPLICATION BY CERTAIN PLANS.—

(A) IN GENERAL.—If the plan sponsor of a multiemployer plan—

(i) submits to the Secretary of the Treasury an application for an extension of the period of years required to amortize any unfunded liability described in any clause of subsection (b)(2)(B) or described in subsection (b)(4), and

(ii) includes with the application a certification by the plan's actuary described in subparagraph (B), the Secretary of the Treasury shall extend the amortization period for the period of time (not in excess of 5 years) specified in the application. Such extension shall be in addition to any extension under paragraph (2).

(B) CRITERIA.—A certification with respect to a multiemployer plan is described in this subparagraph if the plan's actuary certifies that, based on reasonable assumptions—

(i) absent the extension under subparagraph (A), the plan would have an accumulated funding deficiency in the current plan year or any of the 9 succeeding plan years,

(ii) the plan sponsor has adopted a plan to improve the plan's funding status,

(iii) the plan is projected to have sufficient assets to timely pay expected benefits and anticipated expenditures over the amortization period as extended, and

(iv) the notice required under paragraph (3)(A) has been provided.

(C) TERMINATION.—The preceding provisions of this paragraph shall not apply with respect to any application submitted after December 31, 2014.

(2) ALTERNATIVE EXTENSION.—

(A) IN GENERAL.—If the plan sponsor of a multiemployer plan submits to the Secretary of the Treasury an application for an extension of the period of years required to amortize any unfunded liability described in any clause of subsection (b)(2)(B) or described in subsection (b)(4), the Secretary of the Treasury may extend the amortization period for a period of time (not in excess of 10 years reduced by the number of years of any extension under paragraph (1) with respect to such unfunded liability) if the Secretary of the Treasury makes the determination described in subparagraph (B). Such extension shall be in addition to any extension under paragraph (1).

(B) DETERMINATION.—The Secretary of the Treasury may grant an extension under subparagraph (A) if such Secretary determines that—

(i) such extension would carry out the purposes of this Act and would provide adequate protection for participants under the plan and their beneficiaries, and

(ii) the failure to permit such extension would—

(I) result in a substantial risk to the voluntary continuation of the plan, or a substantial curtailment of pension benefit levels or employee compensation, and

(II) be adverse to the interests of plan participants in the aggregate.

(C) ACTION BY SECRETARY OF THE TREASURY.—The Secretary of the Treasury shall act upon any application for an extension under this paragraph within 180 days of the submission of such application. If such Secretary rejects the application for an extension under this paragraph, such Secretary shall provide notice to the plan detailing the specific reasons for the rejection, including references to the criteria set forth above.

(3) ADVANCE NOTICE.—

(A) IN GENERAL.—The Secretary of the Treasury shall, before granting an extension under this subsection, require each applicant to provide evidence satisfactory to such Secretary that the applicant has provided notice of the filing of the application for such extension to each affected party (as defined in section 4001(a)(21)) with respect to the affected plan. Such notice shall include a description of the extent to which the plan is funded for benefits which are guaranteed under title IV and for benefit liabilities.

(B) CONSIDERATION OF RELEVANT INFORMATION.—The Secretary of the Treasury shall consider any relevant information provided by a person to whom notice was given under paragraph (1).

(29 U.S.C. 1084) Enacted amended August 17, 2006, P.L. 109–280, sec. 201(a), 120 Stat. 858.

ADDITIONAL FUNDING RULES FOR MULTIEMPLOYER PLANS IN
ENDANGERED STATUS OR CRITICAL STATUS ¹

SEC. 305. (a) GENERAL RULE.—For purposes of this part, in the case of a multiemployer plan in effect on July 16, 2006—

(1) if the plan is in endangered status—

(A) the plan sponsor shall adopt and implement a funding improvement plan in accordance with the requirements of subsection (c), and

(B) the requirements of subsection (d) shall apply during the funding plan adoption period and the funding improvement period, and

(2) if the plan is in critical status—

(A) the plan sponsor shall adopt and implement a rehabilitation plan in accordance with the requirements of subsection (e), and

(B) the requirements of subsection (f) shall apply during the rehabilitation plan adoption period and the rehabilitation period.

(b) DETERMINATION OF ENDANGERED AND CRITICAL STATUS.—For purposes of this section—

(1) ENDANGERED STATUS.—A multiemployer plan is in endangered status for a plan year if, as determined by the plan actuary under paragraph (3), the plan is not in critical status for the plan year and, as of the beginning of the plan year, either—

(A) the plan's funded percentage for such plan year is less than 80 percent, or

(B) the plan has an accumulated funding deficiency for such plan year, or is projected to have such an accumulated funding deficiency for any of the 6 succeeding plan years, taking into account any extension of amortization periods under section 304(d).

For purposes of this section, a plan shall be treated as in seriously endangered status for a plan year if the plan is described in both subparagraphs (A) and (B).

(2) CRITICAL STATUS.—A multiemployer plan is in critical status for a plan year if, as determined by the plan actuary under paragraph (3), the plan is described in 1 or more of the following subparagraphs as of the beginning of the plan year:

(A) A plan is described in this subparagraph if—

(i) the funded percentage of the plan is less than 65 percent, and

(ii) the sum of—

(I) the fair market value of plan assets, plus

(II) the present value of the reasonably anticipated employer contributions for the current plan year and each of the 6 succeeding plan years, assuming that the terms of all collective bargaining

agreements pursuant to which the plan is maintained for the current plan year continue in effect for succeeding plan years,

is less than the present value of all nonforfeitable benefits projected to be payable under the plan during the current plan year and each of the 6 succeeding plan years (plus administrative expenses for such plan years).

(B) A plan is described in this subparagraph if—

(i) the plan has an accumulated funding deficiency for the current plan year, not taking into account any extension of amortization periods under section 304(d), or

(ii) the plan is projected to have an accumulated funding deficiency for any of the 3 succeeding plan years (4 succeeding plan years if the funded percentage of the plan is 65 percent or less), not taking into account any extension of amortization periods under section 304(d).

(C) A plan is described in this subparagraph if—

(i)(I) the plan's normal cost for the current plan year, plus interest (determined at the rate used for determining costs under the plan) for the current plan year on the amount of unfunded benefit liabilities under the plan as of the last date of the preceding plan year, exceeds

(II) the present value of the reasonably anticipated employer and employee contributions for the current plan year,

(ii) the present value, as of the beginning of the current plan year, of nonforfeitable benefits of inactive participants is greater than the present value of nonforfeitable benefits of active participants, and

(iii) the plan has an accumulated funding deficiency for the current plan year, or is projected to have such a deficiency for any of the 4 succeeding plan years, not taking into account any extension of amortization periods under section 304(d).

(D) A plan is described in this subparagraph if the sum of—

(i) the fair market value of plan assets, plus

(ii) the present value of the reasonably anticipated employer contributions for the current plan year and each of the 4 succeeding plan years, assuming that the terms of all collective bargaining agreements pursuant to which the plan is maintained for the current plan year continue in effect for succeeding plan years,

is less than the present value of all benefits projected to be payable under the plan during the current plan year and each of the 4 succeeding plan years (plus administrative expenses for such plan years).

(3) ANNUAL CERTIFICATION BY PLAN ACTUARY.—

(A) IN GENERAL.—Not later than the 90th day of each plan year of a multiemployer plan, the plan actuary shall

certify to the Secretary of the Treasury and to the plan sponsor—

(i) whether or not the plan is in endangered status for such plan year and whether or not the plan is or will be in critical status for such plan year, and

(ii) in the case of a plan which is in a funding improvement or rehabilitation period, whether or not the plan is making the scheduled progress in meeting the requirements of its funding improvement or rehabilitation plan.

(B) ACTUARIAL PROJECTIONS OF ASSETS AND LIABILITIES.—

(i) IN GENERAL.—In making the determinations and projections under this subsection, the plan actuary shall make projections required for the current and succeeding plan years of the current value of the assets of the plan and the present value of all liabilities to participants and beneficiaries under the plan for the current plan year as of the beginning of such year. The actuary's projections shall be based on reasonable actuarial estimates, assumptions, and methods that, except as provided in clause (iii), offer the actuary's best estimate of anticipated experience under the plan. The projected present value of liabilities as of the beginning of such year shall be determined based on the most recent of either—

(I) the actuarial statement required under section 103(d) with respect to the most recently filed annual report, or

(II) the actuarial valuation for the preceding plan year.

(ii) DETERMINATIONS OF FUTURE CONTRIBUTIONS.—Any actuarial projection of plan assets shall assume—

(I) reasonably anticipated employer contributions for the current and succeeding plan years, assuming that the terms of the one or more collective bargaining agreements pursuant to which the plan is maintained for the current plan year continue in effect for succeeding plan years, or

(II) that employer contributions for the most recent plan year will continue indefinitely, but only if the plan actuary determines there have been no significant demographic changes that would make such assumption unreasonable.

(iii) PROJECTED INDUSTRY ACTIVITY.—Any projection of activity in the industry or industries covered by the plan, including future covered employment and contribution levels, shall be based on information provided by the plan sponsor, which shall act reasonably and in good faith.

(C) PENALTY FOR FAILURE TO SECURE TIMELY ACTUARIAL CERTIFICATION.—Any failure of the plan's actuary to certify the plan's status under this subsection by the date specified in subparagraph (A) shall be treated for purposes

of section 502(c)(2) as a failure or refusal by the plan administrator to file the annual report required to be filed with the Secretary under section 101(b)(1).

(D) NOTICE.—

(i) IN GENERAL.—In any case in which it is certified under subparagraph (A) that a multiemployer plan is or will be in endangered or critical status for a plan year, the plan sponsor shall, not later than 30 days after the date of the certification, provide notification of the endangered or critical status to the participants and beneficiaries, the bargaining parties, the Pension Benefit Guaranty Corporation, and the Secretary.

(ii) PLANS IN CRITICAL STATUS.—If it is certified under subparagraph (A) that a multiemployer plan is or will be in critical status, the plan sponsor shall include in the notice under clause (i) an explanation of the possibility that—

(I) adjustable benefits (as defined in subsection (e)(8)) may be reduced, and

(II) such reductions may apply to participants and beneficiaries whose benefit commencement date is on or after the date such notice is provided for the first plan year in which the plan is in critical status.

(iii) MODEL NOTICE.—The Secretary of the Treasury, in consultation with the Secretary shall prescribe a model notice that a multiemployer plan may use to satisfy the requirements under clause (ii).

(c) FUNDING IMPROVEMENT PLAN MUST BE ADOPTED FOR MULTIEMPLOYER PLANS IN ENDANGERED STATUS.—

(1) IN GENERAL.—In any case in which a multiemployer plan is in endangered status for a plan year, the plan sponsor, in accordance with this subsection—

(A) shall adopt a funding improvement plan not later than 240 days following the required date for the actuarial certification of endangered status under subsection (b)(3)(A), and

(B) within 30 days after the adoption of the funding improvement plan—

(i) shall provide to the bargaining parties 1 or more schedules showing revised benefit structures, revised contribution structures, or both, which, if adopted, may reasonably be expected to enable the multiemployer plan to meet the applicable benchmarks in accordance with the funding improvement plan, including—

(I) one proposal for reductions in the amount of future benefit accruals necessary to achieve the applicable benchmarks, assuming no amendments increasing contributions under the plan (other than amendments increasing contributions necessary to achieve the applicable benchmarks after

amendments have reduced future benefit accruals to the maximum extent permitted by law), and

(II) one proposal for increases in contributions under the plan necessary to achieve the applicable benchmarks, assuming no amendments reducing future benefit accruals under the plan, and

(ii) may, if the plan sponsor deems appropriate, prepare and provide the bargaining parties with additional information relating to contribution rates or benefit reductions, alternative schedules, or other information relevant to achieving the applicable benchmarks in accordance with the funding improvement plan.

For purposes of this section, the term “applicable benchmarks” means the requirements applicable to the multiemployer plan under paragraph (3) (as modified by paragraph (5)).

(2) EXCEPTION FOR YEARS AFTER PROCESS BEGINS.—Paragraph (1) shall not apply to a plan year if such year is in a funding plan adoption period or funding improvement period by reason of the plan being in endangered status for a preceding plan year. For purposes of this section, such preceding plan year shall be the initial determination year with respect to the funding improvement plan to which it relates.

(3) FUNDING IMPROVEMENT PLAN.—For purposes of this section—

(A) IN GENERAL.—A funding improvement plan is a plan which consists of the actions, including options or a range of options to be proposed to the bargaining parties, formulated to provide, based on reasonably anticipated experience and reasonable actuarial assumptions, for the attainment by the plan during the funding improvement period of the following requirements:

(i) INCREASE IN PLAN’S FUNDING PERCENTAGE.—

The plan’s funded percentage as of the close of the funding improvement period equals or exceeds a percentage equal to the sum of—

(I) such percentage as of the beginning of such period, plus

(II) 33 percent of the difference between 100 percent and the percentage under subclause (I).

(ii) AVOIDANCE OF ACCUMULATED FUNDING DEFICIENCIES.—No accumulated funding deficiency for any plan year during the funding improvement period (taking into account any extension of amortization periods under section 304(d)).

(B) SERIOUSLY ENDANGERED PLANS.—In the case of a plan in seriously endangered status, except as provided in paragraph (5), subparagraph (A)(i)(II) shall be applied by substituting “20 percent” for “33 percent”.

(4) FUNDING IMPROVEMENT PERIOD.—For purposes of this section—

(A) IN GENERAL.—The funding improvement period for any funding improvement plan adopted pursuant to this

subsection is the 10-year period beginning on the first day of the first plan year of the multiemployer plan beginning after the earlier of—

(i) the second anniversary of the date of the adoption of the funding improvement plan, or

(ii) the expiration of the collective bargaining agreements in effect on the due date for the actuarial certification of endangered status for the initial determination year under subsection (b)(3)(A) and covering, as of such due date, at least 75 percent of the active participants in such multiemployer plan.

(B) SERIOUSLY ENDANGERED PLANS.—In the case of a plan in seriously endangered status, except as provided in paragraph (5), subparagraph (A) shall be applied by substituting “15-year period” for “10-year period”.

(C) COORDINATION WITH CHANGES IN STATUS.—

(i) PLANS NO LONGER IN ENDANGERED STATUS.—If the plan’s actuary certifies under subsection (b)(3)(A) for a plan year in any funding plan adoption period or funding improvement period that the plan is no longer in endangered status and is not in critical status, the funding plan adoption period or funding improvement period, whichever is applicable, shall end as of the close of the preceding plan year.

(ii) PLANS IN CRITICAL STATUS.—If the plan’s actuary certifies under subsection (b)(3)(A) for a plan year in any funding plan adoption period or funding improvement period that the plan is in critical status, the funding plan adoption period or funding improvement period, whichever is applicable, shall end as of the close of the plan year preceding the first plan year in the rehabilitation period with respect to such status.

(D) PLANS IN ENDANGERED STATUS AT END OF PERIOD.—If the plan’s actuary certifies under subsection (b)(3)(A) for the first plan year following the close of the period described in subparagraph (A) that the plan is in endangered status, the provisions of this subsection and subsection (d) shall be applied as if such first plan year were an initial determination year, except that the plan may not be amended in a manner inconsistent with the funding improvement plan in effect for the preceding plan year until a new funding improvement plan is adopted.

(5) SPECIAL RULES FOR SERIOUSLY ENDANGERED PLANS MORE THAN 70 PERCENT FUNDED.—

(A) IN GENERAL.—If the funded percentage of a plan in seriously endangered status was more than 70 percent as of the beginning of the initial determination year—

(i) paragraphs (3)(B) and (4)(B) shall apply only if the plan’s actuary certifies, within 30 days after the certification under subsection (b)(3)(A) for the initial determination year, that, based on the terms of the plan and the collective bargaining agreements in effect at the time of such certification, the plan is not pro-

jected to meet the requirements of paragraph (3)(A) (without regard to paragraphs (3)(B) and (4)(B)), and

(ii) if there is a certification under clause (i), the plan may, in formulating its funding improvement plan, only take into account the rules of paragraph (3)(B) and (4)(B) for plan years in the funding improvement period beginning on or before the date on which the last of the collective bargaining agreements described in paragraph (4)(A)(ii) expires.

(B) SPECIAL RULE AFTER EXPIRATION OF AGREEMENTS.—Notwithstanding subparagraph (A)(ii), if, for any plan year ending after the date described in subparagraph (A)(ii), the plan actuary certifies (at the time of the annual certification under subsection (b)(3)(A) for such plan year) that, based on the terms of the plan and collective bargaining agreements in effect at the time of that annual certification, the plan is not projected to be able to meet the requirements of paragraph (3)(A) (without regard to paragraphs (3)(B) and (4)(B)), paragraphs (3)(B) and (4)(B) shall continue to apply for such year.

(6) UPDATES TO FUNDING IMPROVEMENT PLAN AND SCHEDULES.—

(A) FUNDING IMPROVEMENT PLAN.—The plan sponsor shall annually update the funding improvement plan and shall file the update with the plan's annual report under section 104.

(B) SCHEDULES.—The plan sponsor shall annually update any schedule of contribution rates provided under this subsection to reflect the experience of the plan.

(C) DURATION OF SCHEDULE.—A schedule of contribution rates provided by the plan sponsor and relied upon by bargaining parties in negotiating a collective bargaining agreement shall remain in effect for the duration of that collective bargaining agreement.

(7) IMPOSITION OF DEFAULT SCHEDULE WHERE FAILURE TO ADOPT FUNDING IMPROVEMENT PLAN.—

(A) IN GENERAL.—If—

(i) a collective bargaining agreement providing for contributions under a multiemployer plan that was in effect at the time the plan entered endangered status expires, and

(ii) after receiving one or more schedules from the plan sponsor under paragraph (1)(B), the bargaining parties with respect to such agreement fail to adopt a contribution schedule with terms consistent with the funding improvement plan and a schedule from the plan sponsor,

the plan sponsor shall implement the schedule described in paragraph (1)(B)(i)(I) beginning on the date specified in subparagraph (B).

(B) DATE OF IMPLEMENTATION.—The date specified in this subparagraph is the date which is 180 days after the date on which the collective bargaining agreement described in subparagraph (A) expires.

(C) FAILURE TO MAKE SCHEDULED CONTRIBUTIONS.—

Any failure to make a contribution under a schedule of contribution rates provided under this paragraph shall be treated as a delinquent contribution under section 515 and shall be enforceable as such.

(8) FUNDING PLAN ADOPTION PERIOD.—For purposes of this section, the term “funding plan adoption period” means the period beginning on the date of the certification under subsection (b)(3)(A) for the initial determination year and ending on the day before the first day of the funding improvement period.

(d) RULES FOR OPERATION OF PLAN DURING ADOPTION AND IMPROVEMENT PERIODS.—

(1) SPECIAL RULES FOR PLAN ADOPTION PERIOD.—During the funding plan adoption period—

(A) the plan sponsor may not accept a collective bargaining agreement or participation agreement with respect to the multiemployer plan that provides for—

(i) a reduction in the level of contributions for any participants,

(ii) a suspension of contributions with respect to any period of service, or

(iii) any new direct or indirect exclusion of younger or newly hired employees from plan participation,

(B) no amendment of the plan which increases the liabilities of the plan by reason of any increase in benefits, any change in the accrual of benefits, or any change in the rate at which benefits become nonforfeitable under the plan may be adopted unless the amendment is required as a condition of qualification under part I of subchapter D of chapter 1 of the Internal Revenue Code of 1986 or to comply with other applicable law, and

(C) in the case of a plan in seriously endangered status, the plan sponsor shall take all reasonable actions which are consistent with the terms of the plan and applicable law and which are expected, based on reasonable assumptions, to achieve—

(i) an increase in the plan’s funded percentage, and

(ii) postponement of an accumulated funding deficiency for at least 1 additional plan year.

Actions under subparagraph (C) include applications for extensions of amortization periods under section 304(d), use of the shortfall funding method in making funding standard account computations, amendments to the plan’s benefit structure, reductions in future benefit accruals, and other reasonable actions consistent with the terms of the plan and applicable law.

(2) COMPLIANCE WITH FUNDING IMPROVEMENT PLAN.—

(A) IN GENERAL.—A plan may not be amended after the date of the adoption of a funding improvement plan so as to be inconsistent with the funding improvement plan.

(B) NO REDUCTION IN CONTRIBUTIONS.—A plan sponsor may not during any funding improvement period accept a collective bargaining agreement or participation agreement with respect to the multiemployer plan that provides for—

- (i) a reduction in the level of contributions for any participants,
- (ii) a suspension of contributions with respect to any period of service, or
- (iii) any new direct or indirect exclusion of younger or newly hired employees from plan participation.

(C) SPECIAL RULES FOR BENEFIT INCREASES.—A plan may not be amended after the date of the adoption of a funding improvement plan so as to increase benefits, including future benefit accruals, unless the plan actuary certifies that the benefit increase is consistent with the funding improvement plan and is paid for out of contributions not required by the funding improvement plan to meet the applicable benchmark in accordance with the schedule contemplated in the funding improvement plan.

(e) REHABILITATION PLAN MUST BE ADOPTED FOR MULTIEMPLOYER PLANS IN CRITICAL STATUS.—

(1) IN GENERAL.—In any case in which a multiemployer plan is in critical status for a plan year, the plan sponsor, in accordance with this subsection—

(A) shall adopt a rehabilitation plan not later than 240 days following the required date for the actuarial certification of critical status under subsection (b)(3)(A), and

(B) within 30 days after the adoption of the rehabilitation plan—

(i) shall provide to the bargaining parties 1 or more schedules showing revised benefit structures, revised contribution structures, or both, which, if adopted, may reasonably be expected to enable the multiemployer plan to emerge from critical status in accordance with the rehabilitation plan, and

(ii) may, if the plan sponsor deems appropriate, prepare and provide the bargaining parties with additional information relating to contribution rates or benefit reductions, alternative schedules, or other information relevant to emerging from critical status in accordance with the rehabilitation plan.

The schedule or schedules described in subparagraph (B)(i) shall reflect reductions in future benefit accruals and adjustable benefits, and increases in contributions, that the plan sponsor determines are reasonably necessary to emerge from critical status. One schedule shall be designated as the default schedule and such schedule shall assume that there are no increases in contributions under the plan other than the increases necessary to emerge from critical status after future benefit accruals and other benefits (other than benefits the reduction or elimination of which are not permitted under section 204(g)) have been reduced to the maximum extent permitted by law.

(2) EXCEPTION FOR YEARS AFTER PROCESS BEGINS.—Paragraph (1) shall not apply to a plan year if such year is in a rehabilitation plan adoption period or rehabilitation period by reason of the plan being in critical status for a preceding plan year. For purposes of this section, such preceding plan year

shall be the initial critical year with respect to the rehabilitation plan to which it relates.

(3) REHABILITATION PLAN.—For purposes of this section—

(A) IN GENERAL.—A rehabilitation plan is a plan which consists of—

(i) actions, including options or a range of options to be proposed to the bargaining parties, formulated, based on reasonably anticipated experience and reasonable actuarial assumptions, to enable the plan to cease to be in critical status by the end of the rehabilitation period and may include reductions in plan expenditures (including plan mergers and consolidations), reductions in future benefit accruals or increases in contributions, if agreed to by the bargaining parties, or any combination of such actions, or

(ii) if the plan sponsor determines that, based on reasonable actuarial assumptions and upon exhaustion of all reasonable measures, the plan can not reasonably be expected to emerge from critical status by the end of the rehabilitation period, reasonable measures to emerge from critical status at a later time or to forestall possible insolvency (within the meaning of section 4245).

A rehabilitation plan must provide annual standards for meeting the requirements of such rehabilitation plan. Such plan shall also include the schedules required to be provided under paragraph (1)(B)(i) and if clause (ii) applies, shall set forth the alternatives considered, explain why the plan is not reasonably expected to emerge from critical status by the end of the rehabilitation period, and specify when, if ever, the plan is expected to emerge from critical status in accordance with the rehabilitation plan.

(B) UPDATES TO REHABILITATION PLAN AND SCHEDULES.—

(i) REHABILITATION PLAN.—The plan sponsor shall annually update the rehabilitation plan and shall file the update with the plan's annual report under section 104.

(ii) SCHEDULES.—The plan sponsor shall annually update any schedule of contribution rates provided under this subsection to reflect the experience of the plan.

(iii) DURATION OF SCHEDULE.—A schedule of contribution rates provided by the plan sponsor and relied upon by bargaining parties in negotiating a collective bargaining agreement shall remain in effect for the duration of that collective bargaining agreement.

(C) IMPOSITION OF DEFAULT SCHEDULE WHERE FAILURE TO ADOPT REHABILITATION PLAN.—

(i) IN GENERAL.—If—

(I) a collective bargaining agreement providing for contributions under a multiemployer plan that was in effect at the time the plan entered critical status expires, and

(II) after receiving one or more schedules from the plan sponsor under paragraph (1)(B), the bargaining parties with respect to such agreement fail to adopt a to adopt a¹ contribution schedule with terms consistent with the rehabilitation plan and a schedule from the plan sponsor under paragraph (1)(B)(i),

the plan sponsor shall implement the default schedule described in the last sentence of paragraph (1) beginning on the date specified in clause (ii).

(ii) DATE OF IMPLEMENTATION.—The date specified in this clause is the date which is 180 days after the date on which the collective bargaining agreement described in clause (i) expires.

(iii) FAILURE TO MAKE SCHEDULED CONTRIBUTIONS.—Any failure to make a contribution under a schedule of contribution rates provided under this subsection shall be treated as a delinquent contribution under section 515 and shall be enforceable as such.

(4) REHABILITATION PERIOD.—For purposes of this section—

(A) IN GENERAL.—The rehabilitation period for a plan in critical status is the 10-year period beginning on the first day of the first plan year of the multiemployer plan following the earlier of—

(i) the second anniversary of the date of the adoption of the rehabilitation plan, or

(ii) the expiration of the collective bargaining agreements in effect on the due date for the actuarial certification of critical status for the initial critical year under subsection (a)(1) and covering, as of such date at least 75 percent of the active participants in such multiemployer plan.

If a plan emerges from critical status as provided under subparagraph (B) before the end of such 10-year period, the rehabilitation period shall end with the plan year preceding the plan year for which the determination under subparagraph (B) is made.

(B) EMERGENCE.—A plan in critical status shall remain in such status until a plan year for which the plan actuary certifies, in accordance with subsection (b)(3)(A), that the plan is not projected to have an accumulated funding deficiency for the plan year or any of the 9 succeeding plan years, without regard to the use of the shortfall method but taking into account any extension of amortization periods under section 304(d).

(5) REHABILITATION PLAN ADOPTION PERIOD.—For purposes of this section, the term “rehabilitation plan adoption period” means the period beginning on the date of the certification under subsection (b)(3)(A) for the initial critical year and ending on the day before the first day of the rehabilitation period.

¹ So in law. See amendment made by section 102(b)(1)(E)(i)(I) of Public Law 110–458.

(6) LIMITATION ON REDUCTION IN RATES OF FUTURE ACCRUALS.—Any reduction in the rate of future accruals under the default schedule described in the last sentence of paragraph (1) shall not reduce the rate of future accruals below—

(A) a monthly benefit (payable as a single life annuity commencing at the participant's normal retirement age) equal to 1 percent of the contributions required to be made with respect to a participant, or the equivalent standard accrual rate for a participant or group of participants under the collective bargaining agreements in effect as of the first day of the initial critical year, or

(B) if lower, the accrual rate under the plan on such first day.

The equivalent standard accrual rate shall be determined by the plan sponsor based on the standard or average contribution base units which the plan sponsor determines to be representative for active participants and such other factors as the plan sponsor determines to be relevant. Nothing in this paragraph shall be construed as limiting the ability of the plan sponsor to prepare and provide the bargaining parties with alternative schedules to the default schedule that establish lower or higher accrual and contribution rates than the rates otherwise described in this paragraph.

(7) AUTOMATIC EMPLOYER SURCHARGE.—

(A) IMPOSITION OF SURCHARGE.—Each employer otherwise obligated to make contributions for the initial critical year shall be obligated to pay to the plan for such year a surcharge equal to 5 percent of the contributions otherwise required under the applicable collective bargaining agreement (or other agreement pursuant to which the employer contributes). For each succeeding plan year in which the plan is in critical status for a consecutive period of years beginning with the initial critical year, the surcharge shall be 10 percent of the contributions otherwise so required.

(B) ENFORCEMENT OF SURCHARGE.—The surcharges under subparagraph (A) shall be due and payable on the same schedule as the contributions on which the surcharges are based. Any failure to make a surcharge payment shall be treated as a delinquent contribution under section 515 and shall be enforceable as such.

(C) SURCHARGE TO TERMINATE UPON COLLECTIVE BARGAINING AGREEMENT RENEGOTIATION.—The surcharge under this paragraph shall cease to be effective with respect to employees covered by a collective bargaining agreement (or other agreement pursuant to which the employer contributes), beginning on the effective date of a collective bargaining agreement (or other such agreement) that includes terms consistent with a schedule presented by the plan sponsor under paragraph (1)(B)(i), as modified under subparagraph (B) of paragraph (3).

(D) SURCHARGE NOT TO APPLY UNTIL EMPLOYER RECEIVES NOTICE.—The surcharge under this paragraph shall not apply to an employer until 30 days after the employer

has been notified by the plan sponsor that the plan is in critical status and that the surcharge is in effect.

(E) SURCHARGE NOT TO GENERATE INCREASED BENEFIT ACCRUALS.—Notwithstanding any provision of a plan to the contrary, the amount of any surcharge under this paragraph shall not be the basis for any benefit accrual under the plan.

(8) BENEFIT ADJUSTMENTS.—

(A) ADJUSTABLE BENEFITS.—

(i) IN GENERAL.—Notwithstanding section 204(g), the plan sponsor shall, subject to the notice requirements in subparagraph (C), make any reductions to adjustable benefits which the plan sponsor deems appropriate, based upon the outcome of collective bargaining over the schedule or schedules provided under paragraph (1)(B)(i).

(ii) EXCEPTION FOR RETIREES.—Except in the case of adjustable benefits described in clause (iv)(III), the plan sponsor of a plan in critical status shall not reduce adjustable benefits of any participant or beneficiary whose benefit commencement date is before the date on which the plan provides notice to the participant or beneficiary under subsection (b)(3)(D) for the initial critical year.

(iii) PLAN SPONSOR FLEXIBILITY.—The plan sponsor shall include in the schedules provided to the bargaining parties an allowance for funding the benefits of participants with respect to whom contributions are not currently required to be made, and shall reduce their benefits to the extent permitted under this title and considered appropriate by the plan sponsor based on the plan's then current overall funding status.

(iv) ADJUSTABLE BENEFIT DEFINED.—For purposes of this paragraph, the term “adjustable benefit” means—

(I) benefits, rights, and features under the plan, including post-retirement death benefits, 60-month guarantees, disability benefits not yet in pay status, and similar benefits,

(II) any early retirement benefit or retirement-type subsidy (within the meaning of section 204(g)(2)(A)) and any benefit payment option (other than the qualified joint and survivor annuity), and

(III) benefit increases that would not be eligible for a guarantee under section 4022A on the first day of initial critical year because the increases were adopted (or, if later, took effect) less than 60 months before such first day.

(B) NORMAL RETIREMENT BENEFITS PROTECTED.—Except as provided in subparagraph (A)(iv)(III), nothing in this paragraph shall be construed to permit a plan to reduce the level of a participant's accrued benefit payable at normal retirement age.

(C) NOTICE REQUIREMENTS.—

(i) IN GENERAL.—No reduction may be made to adjustable benefits under subparagraph (A) unless notice of such reduction has been given at least 30 days before the general effective date of such reduction for all participants and beneficiaries to—

(I) plan participants and beneficiaries,

(II) each employer who has an obligation to contribute (within the meaning of section 4212(a)) under the plan, and

(III) each employee organization which, for purposes of collective bargaining, represents plan participants employed by such an employer.

(ii) CONTENT OF NOTICE.—The notice under clause (i) shall contain—

(I) sufficient information to enable participants and beneficiaries to understand the effect of any reduction on their benefits, including an estimate (on an annual or monthly basis) of any affected adjustable benefit that a participant or beneficiary would otherwise have been eligible for as of the general effective date described in clause (i), and

(II) information as to the rights and remedies of plan participants and beneficiaries as well as how to contact the Department of Labor for further information and assistance where appropriate.

(iii) FORM AND MANNER.—Any notice under clause (i)—

(I) shall be provided in a form and manner prescribed in regulations of the Secretary of the Treasury, in consultation with the Secretary,

(II) shall be written in a manner so as to be understood by the average plan participant, and

(III) may be provided in written, electronic, or other appropriate form to the extent such form is reasonably accessible to persons to whom the notice is required to be provided.

The Secretary of the Treasury shall in the regulations prescribed under subclause (I) establish a model notice that a plan sponsor may use to meet the requirements of this subparagraph.

(9) ADJUSTMENTS DISREGARDED IN WITHDRAWAL LIABILITY DETERMINATION.—

(A) BENEFIT REDUCTIONS.—Any benefit reductions under this subsection shall be disregarded in determining a plan's unfunded vested benefits for purposes of determining an employer's withdrawal liability under section 4201.

(B) SURCHARGES.—Any surcharges under paragraph (7) shall be disregarded in determining the allocation of unfunded vested benefits to an employer under section 4211, except for purposes of determining the unfunded

vested benefits attributable to an employer under section 4211(c)(4) or a comparable method approved under section 4211(c)(5).

(C) SIMPLIFIED CALCULATIONS.—The Pension Benefit Guaranty Corporation shall prescribe simplified methods for the application of this paragraph in determining withdrawal liability.

(f) RULES FOR OPERATION OF PLAN DURING ADOPTION AND REHABILITATION PERIOD.—

(1) COMPLIANCE WITH REHABILITATION PLAN.—

(A) IN GENERAL.—A plan may not be amended after the date of the adoption of a rehabilitation plan under subsection (e) so as to be inconsistent with the rehabilitation plan.

(B) SPECIAL RULES FOR BENEFIT INCREASES.—A plan may not be amended after the date of the adoption of a rehabilitation plan under subsection (e) so as to increase benefits, including future benefit accruals, unless the plan actuary certifies that such increase is paid for out of additional contributions not contemplated by the rehabilitation plan, and, after taking into account the benefit increase, the multiemployer plan still is reasonably expected to emerge from critical status by the end of the rehabilitation period on the schedule contemplated in the rehabilitation plan.

(2) RESTRICTION ON LUMP SUMS AND SIMILAR BENEFITS.—

(A) IN GENERAL.—Effective on the date the notice of certification of the plan's critical status for the initial critical year under subsection (b)(3)(D) is sent, and notwithstanding section 204(g), the plan shall not pay—

(i) any payment, in excess of the monthly amount paid under a single life annuity (plus any social security supplements described in the last sentence of section 204(b)(1)(G)), to a participant or beneficiary whose annuity starting date (as defined in section 205(h)(2)) occurs after the date such notice is sent,

(ii) any payment for the purchase of an irrevocable commitment from an insurer to pay benefits, and

(iii) any other payment specified by the Secretary of the Treasury by regulations.

(B) EXCEPTION.—Subparagraph (A) shall not apply to a benefit which under section 203(e) may be immediately distributed without the consent of the participant or to any makeup payment in the case of a retroactive annuity starting date or any similar payment of benefits owed with respect to a prior period.

(3) ADJUSTMENTS DISREGARDED IN WITHDRAWAL LIABILITY DETERMINATION.—Any benefit reductions under this subsection shall be disregarded in determining a plan's unfunded vested benefits for purposes of determining an employer's withdrawal liability under section 4201.

(4) SPECIAL RULES FOR PLAN ADOPTION PERIOD.—During the rehabilitation plan adoption period—

(A) the plan sponsor may not accept a collective bargaining agreement or participation agreement with respect to the multiemployer plan that provides for—

- (i) a reduction in the level of contributions for any participants,
- (ii) a suspension of contributions with respect to any period of service, or
- (iii) any new direct or indirect exclusion of younger or newly hired employees from plan participation, and

(B) no amendment of the plan which increases the liabilities of the plan by reason of any increase in benefits, any change in the accrual of benefits, or any change in the rate at which benefits become nonforfeitable under the plan may be adopted unless the amendment is required as a condition of qualification under part I of subchapter D of chapter 1 of the Internal Revenue Code of 1986 or to comply with other applicable law.

(g) EXPEDITED RESOLUTION OF PLAN SPONSOR DECISIONS.—If, within 60 days of the due date for adoption of a funding improvement plan under subsection (c) or a rehabilitation plan under subsection (e), the plan sponsor of a plan in endangered status or a plan in critical status has not agreed on a funding improvement plan or rehabilitation plan, then any member of the board or group that constitutes the plan sponsor may require that the plan sponsor enter into an expedited dispute resolution procedure for the development and adoption of a funding improvement plan or rehabilitation plan.

(h) NONBARGAINED PARTICIPATION.—

(1) BOTH BARGAINED AND NONBARGAINED EMPLOYEE-PARTICIPANTS.—In the case of an employer that contributes to a multiemployer plan with respect to both employees who are covered by one or more collective bargaining agreements and employees who are not so covered, if the plan is in endangered status or in critical status, benefits of and contributions for the nonbargained employees, including surcharges on those contributions, shall be determined as if those nonbargained employees were covered under the first to expire of the employer's collective bargaining agreements in effect when the plan entered endangered or critical status.

(2) NONBARGAINED EMPLOYEES ONLY.—In the case of an employer that contributes to a multiemployer plan only with respect to employees who are not covered by a collective bargaining agreement, this section shall be applied as if the employer were the bargaining party, and its participation agreement with the plan were a collective bargaining agreement with a term ending on the first day of the plan year beginning after the employer is provided the schedule or schedules described in subsections (c) and (e).

(i) DEFINITIONS; ACTUARIAL METHOD.—For purposes of this section—

(1) BARGAINING PARTY.—The term “bargaining party” means—

- (A)(i) except as provided in clause (ii), an employer who has an obligation to contribute under the plan; or

PART 4—FIDUCIARY RESPONSIBILITY

COVERAGE

SEC. 401. [1101] (a) This part shall apply to any employee benefit plan described in section 4(a) (and not exempted under section 4(b)), other than—

(1) a plan which is unfunded and is maintained by an employer primarily for the purpose of providing deferred compensation for a select group of management or highly compensated employees; or

(2) any agreement described in section 736 of the Internal Revenue Code of 1986, which provides payments to a retired partner or deceased partner or a deceased partner's successor in interest.

(b) For purposes of this part:

(1) In the case of a plan which invests in any security issued by an investment company registered under the Investment Company Act of 1940 [(15 U.S.C. 80a-1 et seq.)], the assets of such plan shall be deemed to include such security but shall not, solely by reason of such investment, be deemed to include any assets of such investment company.

(2) In the case of a plan to which a guaranteed benefit policy is issued by an insurer, the assets of such plan shall be deemed to include such policy, but shall not, solely by reason of the issuance of such policy, be deemed to include any assets of such insurer. For purposes of this paragraph:

(A) The term "insurer" means an insurance company, insurance service, or insurance organization, qualified to do business in a State.

(B) The term "guaranteed benefit policy" means an insurance policy or contract to the extent that such policy or contract provides for benefits the amount of which is guaranteed by the insurer. Such term includes any surplus in a separate account, but excludes any other portion of a separate account.

(c)(1)(A) Not later than June 30, 1997, the Secretary shall issue proposed regulations to provide guidance for the purpose of determining, in cases where an insurer issues 1 or more policies to or for the benefit of an employee benefit plan (and such policies are supported by assets of such insurer's general account), which assets held by the insurer (other than plan assets held in its separate accounts) constitute assets of the plan for purposes of this part and section 4975 of the Internal Revenue Code of 1986 and to provide guidance with respect to the application of this title to the general account assets of insurers.

(B) The proposed regulations under subparagraph (A) shall be subject to public notice and comment until September 30, 1997.

(C) The Secretary shall issue final regulations providing the guidance described in subparagraph (A) not later than December 31, 1997.

(D) Such regulations shall only apply with respect to policies which are issued by an insurer on or before December 31, 1998, to or for the benefit of an employee benefit plan which is supported by assets of such insurer's general account. With respect to policies issued on or before December 31, 1998, such regulations shall take effect at the end of the 18-month period following the date on which such regulations become final.

(2) The Secretary shall ensure that the regulations issued under paragraph (1)—

(A) are administratively feasible, and

(B) protect the interests and rights of the plan and of its participants and beneficiaries (including meeting the requirements of paragraph (3)).

(3) The regulations prescribed by the Secretary pursuant to paragraph (1) shall require, in connection with any policy issued by an insurer to or for the benefit of an employee benefit plan to the extent that the policy is not a guaranteed benefit policy (as defined in subsection (b)(2)(B))—

(A) that a plan fiduciary totally independent of the insurer authorize the purchase of such policy (unless such purchase is a transaction exempt under section 408(b)(5)),

(B) that the insurer describe (in such form and manner as shall be prescribed in such regulations), in annual reports and in policies issued to the policyholder after the date on which such regulations are issued in final form pursuant to paragraph (1)(C)—

(i) a description of the method by which any income and expenses of the insurer's general account are allocated to the policy during the term of the policy and upon the termination of the policy, and

(ii) for each report, the actual return to the plan under the policy and such other financial information as the Secretary may deem appropriate for the period covered by each such annual report,

(C) that the insurer disclose to the plan fiduciary the extent to which alternative arrangements supported by assets of separate accounts of the insurer (which generally hold plan assets) are available, whether there is a right under the policy to transfer funds to a separate account and the terms governing any such right, and the extent to which support by assets of the insurer's general account and support by assets of separate accounts of the insurer might pose differing risks to the plan, and

(D) that the insurer manage those assets of the insurer which are assets of such insurer's general account (irrespective of whether any such assets are plan assets) with the care, skill, prudence, and diligence under the circumstances then prevailing that a prudent man acting in a like capacity and familiar with such matters would use in the conduct of an enterprise of a like character and with like aims, taking into account all obligations supported by such enterprise.

(4) Compliance by the insurer with all requirements of the regulations issued by the Secretary pursuant to paragraph (1) shall be deemed compliance by such insurer with sections 404, 406, and 407 with respect to those assets of the insurer's general account which support a policy described in paragraph (3).

(5)(A) Subject to subparagraph (B), any regulations issued under paragraph (1) shall not take effect before the date on which such regulations become final.

(B) No person shall be subject to liability under this part or section 4975 of the Internal Revenue Code of 1986 for conduct which occurred before the date which is 18 months following the date described in subparagraph (A) on the basis of a claim that the assets of an insurer (other than plan assets held in a separate account) constitute assets of the plan, except—

(i) as otherwise provided by the Secretary in regulations intended to prevent avoidance of the regulations issued under paragraph (1), or

(ii) as provided in an action brought by the Secretary pursuant to paragraph (2) or (5) of section 502(a) for a breach of fiduciary responsibilities which would also constitute a violation of Federal or State criminal law.

The Secretary shall bring a cause of action described in clause (ii) if a participant, beneficiary, or fiduciary demonstrates to the satisfaction of the Secretary that a breach described in clause (ii) has occurred.

(6) Nothing in this subsection shall preclude the application of any Federal criminal law.

(7) For purposes of this subsection, the term 'policy' includes a contract.

(3)(A) In the case of a plan the assets of which are held in more than one trust, a trustee shall not be liable under paragraph (1) except with respect to an act or omission of a trustee of a trust of which he is a trustee.

(B) No trustee shall be liable under this subsection for following instructions referred to in section 403(a)(1).

(c)(1) The instrument under which a plan is maintained may expressly provide for procedures (A) for allocating fiduciary responsibilities (other than trustee responsibilities) among named fiduciaries, and (B) for named fiduciaries to designate persons other than named fiduciaries to carry out fiduciary responsibilities (other than trustee responsibilities) under the plan.

(2) If a plan expressly provides for a procedure described in paragraph (1), and pursuant to such procedure any fiduciary responsibility of a named fiduciary is allocated to any person, or a person is designated to carry out any such responsibility, then such named fiduciary shall not be liable for an act or omission of such person in carrying out such responsibility except to the extent that—

(A) the named fiduciary violated section 404(a)(1)—

- (i) with respect to such allocation or designation,
- (ii) with respect to the establishment or implementation of the procedure under paragraph (1), or
- (iii) in continuing the allocation or designation; or

(B) the named fiduciary would otherwise be liable in accordance with subsection (a).

(3) For purposes of this subsection, the term “trustee responsibility” means any responsibility provided in the plan’s trust instrument (if any) to manage or control the assets of the plan, other than a power under the trust instrument of a named fiduciary to appoint an investment manager in accordance with section 402(c)(3).

(d)(1) If an investment manager or managers have been appointed under section 402(c)(3), then, notwithstanding subsections (a)(2) and (3) and subsection (b), no trustee shall be liable for the acts or omissions of such investment manager or managers, or be under an obligation to invest or otherwise manage any asset of the plan which is subject to the management of such investment manager.

(2) Nothing in this subsection shall relieve any trustee of any liability under this part for any act of such trustee.

 - (1) deal with the assets of the plan in his own interest or for his own account,
 - (2) in his individual or in any other capacity act in any transaction involving the plan on behalf of a party (or represent a party) whose interests are adverse to the interests of the plan or the interests of its participants or beneficiaries, or
 - (3) receive any consideration for his own personal account from any party dealing with such plan in connection with a transaction involving the assets of the plan.
- (c) A transfer of real or personal property by a party in interest to a plan shall be treated as a sale or exchange if the property is subject to a mortgage or similar lien which the plan assumes or if it is subject to a mortgage or similar lien which a party-in-interest placed on the property within the 10-year period ending on the date of the transfer.

This subparagraph shall not apply to a plan after the earliest date after December 31, 1974, on which it complies with such regulations.

(B) Not later than December 31, 1976, the Secretary shall prescribe regulations which shall have the effect of requiring that a plan divest itself of 50 percent of the holdings of employer securities and employer real property which the plan would be required to divest before January 1, 1985, under paragraph (2) or subsection (c) (whichever is applicable).

plan on January 1, 1975, or from the exercise of rights derived from such ownership, the value of such security held after January 1, 1975, shall be based on the value as of January 1, 1975, of the security from which ownership was derived. The Secretary shall prescribe regulations to carry out this paragraph.

(3) An election under this paragraph may not be made after December 31, 1975. Such an election shall be made in accordance with regulations prescribed by the Secretary, and shall be irrevocable. A plan may make an election under this paragraph only if on January 1, 1975, the plan holds no employer real property. After such election and before January 1, 1985^{407—4} the plan may not acquire any employer real property.

(d) For purposes of this section—

(1) The term “employer security” means a security issued by an employer of employees covered by the plan, or by an affiliate of such employer. A contract to which section 408(b)(5) applies shall not be treated as a security for purposes of this section.

(2) The term “employer real property” means real property (and related personal property) which is leased to an employer of employees covered by the plan, or to an affiliate of such employer. For purposes of determining the time at which a plan acquires employer real property for purposes of this section, such property shall be deemed to be acquired by the plan on the date on which the plan acquires the property or on the date on which the lease to the employer (or affiliate) is entered into, whichever is later.

(3)(A) The term “eligible individual account plan” means an individual account plan which is (i) a profit-sharing, stock bonus, thrift, or savings plan; (ii) an employee stock ownership plan; or (iii) a money purchase plan which was in existence on the date of enactment of this Act [September 2, 1974] and which on such date invested primarily in qualifying employer securities. Such term excludes an individual retirement account or annuity described in section 408 of the Internal Revenue Code of 1986.

(B) Notwithstanding subparagraph (A), a plan shall be treated as an eligible individual account plan with respect to the acquisition or holding of qualifying employer real property or qualifying employer securities only if such plan explicitly provides for acquisition and holding of qualifying employer securities or qualifying employer real property (as the case may be). In the case of a plan in existence on the date of enactment of this Act [September 2, 1974], this subparagraph shall not take effect until January 1, 1976.

(C) The term “eligible individual account plan” does not include any individual account plan the benefits of which are taken into account in determining the benefits payable to a participant under any defined benefit plan.

(4) The term “qualifying employer real property” means parcels of employer real property—

^{407—4} See note 407–2.

(A) if a substantial number of the parcels are dispersed geographically;

(B) if each parcel of real property and the improvements thereon are suitable (or adaptable without excessive cost) for more than one use;

(C) even if all of such real property is leased to one lessee (which may be an employer, or an affiliate of an employer); and

(D) if the acquisition and retention of such property comply with the provisions of this part (other than section 404(a)(1)(B) to the extent it requires diversification, and sections 404(a)(1)(C), 406, and subsection (a) of this section).

(5) The term “qualifying employer security” means an employer security which is—

(A) stock,

(B) a marketable obligation (as defined in subsection (e)), or

(C) an interest in a publicly traded partnership (as defined in section 7704(b) of the Internal Revenue Code of 1986), but only if such partnership is an existing partnership as defined in section 10211(c)(2)(A) of the Revenue Act of 1987 (Public Law 100–203). [26 U.S.C. 7704 note; 101 Stat. 1330–405].

After December 17, 1987, in the case of a plan other than an eligible individual account plan, an employer security described in subparagraph (A) or (C) shall be considered a qualifying employer security only if such employer security satisfies the requirements of subsection (f)(1).

(6) The term “employee stock ownership plan” means an individual account plan—

(A) which is a stock bonus plan which is qualified, or a stock bonus plan and money purchase plan both of which are qualified, under section 401 of the Internal Revenue Code of 1986, and which is designed to invest primarily in qualifying employer securities, and

(B) which meets such other requirements as the Secretary of the Treasury may prescribe by regulation.

(7) A corporation is an affiliate of an employer if it is a member of any controlled group of corporations (as defined in section 1563(a) of the Internal Revenue Code of 1986, except that “applicable percentage” shall be substituted for “80 percent” wherever the latter percentage appears in such section) of which the employer who maintains the plan is a member. For purposes of the preceding sentence, the term “applicable percentage” means 50 percent, or such lower percentage as the Secretary may prescribe by regulation. A person other than a corporation shall be treated as an affiliate of an employer to the extent provided in regulations of the Secretary. An employer which is a person other than a corporation shall be treated as affiliated with another person to the extent provided by regulations of the Secretary. Regulations under this paragraph shall be prescribed only after consultation and coordination with the Secretary of the Treasury.

(8) The Secretary may prescribe regulations specifying the extent to which conversions, splits, the exercise of rights, and similar transactions are not treated as acquisitions.

(9) For purposes of this section, an arrangement which consists of a defined benefit plan and an individual account plan shall be treated as 1 plan if the benefits of such individual account plan are taken into account in determining the benefits payable under such defined benefit plan.

(e) For purposes of subsection (d)(5), the term “marketable obligation” means a bond, debenture, note, or certificate, or other evidence of indebtedness (hereinafter in this subsection referred to as “obligation”) if—

(1) such obligation is acquired—

(A) on the market, either (i) at the price of the obligation prevailing on a national securities exchange which is registered with the Securities and Exchange Commission, or (ii) if the obligation is not traded on such a national securities exchange, at a price not less favorable to the plan than the offering price for the obligation as established by current bid and asked prices quoted by persons independent of the issuer;

(B) from an underwriter, at a price (i) not in excess of the public offering price for the obligation as set forth in a prospectus or offering circular filed with the Securities and Exchange Commission, and (ii) at which a substantial portion of the same issue is acquired by persons independent of the issuer; or

(C) directly from the issuer, at a price not less favorable to the plan than the price paid currently for a substantial portion of the same issue by persons independent of the issuer;

(2) immediately following acquisition of such obligation—

(A) not more than 25 percent of the aggregate amount of obligations issued in such issue and outstanding at the time of acquisition is held by the plan, and

(B) at least 50 percent of the aggregate amount referred to in subparagraph (A) is held by persons independent of the issuer; and

(3) immediately following acquisition of the obligation, not more than 25 percent of the assets of the plan is invested in obligations of the employer or an affiliate of the employer.

(f)(1) Stock satisfies the requirements of this paragraph if, immediately following the acquisition of such stock—

(A) no more than 25 percent of the aggregate amount of stock of the same class issued and outstanding at the time of acquisition is held by the plan, and

(B) at least 50 percent of the aggregate amount referred to in subparagraph (A) is held by persons independent of the issuer.

(2) Until January 1, 1993, a plan shall not be treated as violating subsection (a) solely by holding stock which fails to satisfy the requirements of paragraph (1) if such stock—

(A) has been so held since December 17, 1987, or

(B) was acquired after December 17, 1987, pursuant to a legally binding contract in effect on December 17, 1987, and has been so held at all times after the acquisition.

EXEMPTIONS FROM PROHIBITED TRANSACTIONS

SEC. 408. [1108] (a) The Secretary shall establish an exemption procedure for purposes of this subsection. Pursuant to such procedure, he may grant a conditional or unconditional exemption of any fiduciary or transaction, or class of fiduciaries or transactions, from all or part of the restrictions imposed by sections 406 and 407(a). Action under this subsection may be taken only after consultation and coordination with the Secretary of the Treasury. An exemption granted under this section shall not relieve a fiduciary from any other applicable provision of this Act. The Secretary may not grant an exemption under this subsection unless he finds that such exemption is—

- (1) administratively feasible,
- (2) in the interests of the plan and of its participants and beneficiaries, and
- (3) protective of the rights of participants and beneficiaries of such plan.

Before granting an exemption under this subsection from section 406(a) or 407(a), the Secretary shall publish notice in the Federal Register of the pendency of the exemption, shall require that adequate notice be given to interested persons, and shall afford interested persons opportunity to present views. The Secretary may not grant an exemption under this subsection from section 406(b) unless he affords an opportunity for a hearing and makes a determination on the record with respect to the findings required by paragraphs (1), (2), and (3) of this subsection.

(b) The prohibitions provided in section 406 shall not apply to any of the following transactions:

- (1) Any loans made by the plan to parties in interest who are participants or beneficiaries of the plan if such loans (A) are available to all such participants and beneficiaries on a reasonably equivalent basis, (B) are not made available to highly compensated employees (within the meaning of section 414(q) of the Internal Revenue Code of 1986) in an amount greater than the amount made available to other employees, (C) are made in accordance with specific provisions regarding such loans set forth in the plan, (D) bear a reasonable rate of interest, and (E) are adequately secured. A loan made by a plan shall not fail to meet the requirements of the preceding sentence by reason of a loan repayment suspension described under section 414(u)(4) of the Internal Revenue Code of 1986.

- (2) Contracting or making reasonable arrangements with a party in interest for office space, or legal, accounting, or other

services necessary for the establishment or operation of the plan, if no more than reasonable compensation is paid therefor.

(3) A loan to an employee stock ownership plan (as defined in section 407(d)(6)), if—

(A) such loan is primarily for the benefit of participants and beneficiaries of the plan, and

(B) such loan is at an interest rate which is not in excess of a reasonable rate.

If the plan gives collateral to a party in interest for such loan, such collateral may consist only of qualifying employer securities (as defined in section 407(d)(5)).

(4) The investment of all or part of a plan's assets in deposits which bear a reasonable interest rate in a bank or similar financial institution supervised by the United States or a State, if such bank or other institution is a fiduciary of such plan and if—

(A) the plan covers only employees of such bank or other institution and employees of affiliates of such bank or other institution, or

(B) such investment is expressly authorized by a provision of the plan or by a fiduciary (other than such bank or institution or affiliate thereof) who is expressly empowered by the plan to so instruct the trustee with respect to such investment.

(5) Any contract for life insurance, health insurance, or annuities with one or more insurers which are qualified to do business in a State, if the plan pays no more than adequate consideration, and if each such insurer or insurers is—

(A) the employer maintaining the plan, or

(B) a party in interest which is wholly owned (directly or indirectly) by the employer maintaining the plan, or by any person which is a party in interest with respect to the plan, but only if the total premiums and annuity considerations written by such insurers for life insurance, health insurance, or annuities for all plans (and their employers) with respect to which such insurers are parties in interest (not including premiums or annuity considerations written by the employer maintaining the plan) do not exceed 5 percent of the total premiums and annuity considerations written for all lines of insurance in that year by such insurers (not including premiums or annuity considerations written by the employer maintaining the plan).

(6) The providing of any ancillary service by a bank or similar financial institution supervised by the United States or a State, if such bank or other institution is a fiduciary of such plan, and if—

(A) such bank or similar financial institution has adopted adequate internal safeguards which assure that the providing of such ancillary service is consistent with sound banking and financial practice, as determined by Federal or State supervisory authority, and

(B) the extent to which such ancillary service is provided is subject to specific guidelines issued by such bank or similar financial institution (as determined by the Sec-

retary after consultation with Federal and State supervisory authority), and adherence to such guidelines would reasonably preclude such bank or similar financial institution from providing such ancillary service (i) in an excessive or unreasonable manner, and (ii) in a manner that would be inconsistent with the best interests of participants and beneficiaries of employee benefit plans.

Such ancillary services shall not be provided at more than reasonable compensation.

(7) The exercise of a privilege to convert securities, to the extent provided in regulations of the Secretary, but only if the plan receives no less than adequate consideration pursuant to such conversion.

(8) Any transaction between a plan and (i) a common or collective trust fund or pooled investment fund maintained by a party in interest which is a bank or trust company supervised by a State or Federal agency or (ii) a pooled investment fund of an insurance company qualified to do business in a State, if—

(A) the transaction is a sale or purchase of an interest in the fund,

(B) the bank, trust company, or insurance company receives not more than reasonable compensation, and

(C) such transaction is expressly permitted by the instrument under which the plan is maintained, or by a fiduciary (other than the bank, trust company, or insurance company, or an affiliate thereof) who has authority to manage and control the assets of the plan.

(9) The making by a fiduciary of a distribution of the assets of the plan in accordance with the terms of the plan if such assets are distributed in the same manner as provided under section 4044 of this Act (relating to allocation of assets).

(10) Any transaction required or permitted under part 1 of subtitle E of title IV.

(11) A merger of multiemployer plans, or the transfer of assets or liabilities between multiemployer plans, determined by the Pension Benefit Guaranty Corporation to meet the requirements of section 4231.

(12) The sale by a plan to a party in interest on or after December 18, 1987, of any stock, if—

(A) the requirements of paragraphs (1) and (2) of subsection (e) are met with respect to such stock,

(B) on the later of the date on which the stock was acquired by the plan, or January 1, 1975, such stock constituted a qualifying employer security (as defined in section 407(d)(5) as then in effect), and

(C) such stock does not constitute a qualifying employer security (as defined in section 407(d)(5) as in effect at the time of the sale).

(13) Any transfer made before January 1, 2014, of excess pension assets from a defined benefit plan to a retiree health account in a qualified transfer permitted under section 420 of the Internal Revenue Code of 1986 (as in effect on the date of the enactment of the American Jobs Creation Act of 2004).

(14) Any transaction in connection with the provision of investment advice described in section 3(21)(A)(ii) to a participant or beneficiary of an individual account plan that permits such participant or beneficiary to direct the investment of assets in their individual account, if—

(A) the transaction is—

(i) the provision of the investment advice to the participant or beneficiary of the plan with respect to a security or other property available as an investment under the plan,

(ii) the acquisition, holding, or sale of a security or other property available as an investment under the plan pursuant to the investment advice, or

(iii) the direct or indirect receipt of fees or other compensation by the fiduciary adviser or an affiliate thereof (or any employee, agent, or registered representative of the fiduciary adviser or affiliate) in connection with the provision of the advice or in connection with an acquisition, holding, or sale of a security or other property available as an investment under the plan pursuant to the investment advice; and

(B) the requirements of subsection (g) are met.

(15)(A) Any transaction involving the purchase or sale of securities, or other property (as determined by the Secretary), between a plan and a party in interest (other than a fiduciary described in section 3(21)(A)) with respect to a plan if—

(i) the transaction involves a block trade,

(ii) at the time of the transaction, the interest of the plan (together with the interests of any other plans maintained by the same plan sponsor), does not exceed 10 percent of the aggregate size of the block trade,

(iii) the terms of the transaction, including the price, are at least as favorable to the plan as an arm's length transaction, and

(iv) the compensation associated with the purchase and sale is not greater than the compensation associated with an arm's length transaction with an unrelated party.

(B) For purposes of this paragraph, the term "block trade" means any trade of at least 10,000 shares or with a market value of at least \$200,000 which will be allocated across two or more unrelated client accounts of a fiduciary.

(16) Any transaction involving the purchase or sale of securities, or other property (as determined by the Secretary), between a plan and a party in interest if—

(A) the transaction is executed through an electronic communication network, alternative trading system, or similar execution system or trading venue subject to regulation and oversight by—

(i) the applicable Federal regulating entity, or

(ii) such foreign regulatory entity as the Secretary may determine by regulation,

(B) either—

(i) the transaction is effected pursuant to rules designed to match purchases and sales at the best price

available through the execution system in accordance with applicable rules of the Securities and Exchange Commission or other relevant governmental authority, or

(ii) neither the execution system nor the parties to the transaction take into account the identity of the parties in the execution of trades,

(C) the price and compensation associated with the purchase and sale are not greater than the price and compensation associated with an arm's length transaction with an unrelated party,

(D) if the party in interest has an ownership interest in the system or venue described in subparagraph (A), the system or venue has been authorized by the plan sponsor or other independent fiduciary for transactions described in this paragraph, and

(E) not less than 30 days prior to the initial transaction described in this paragraph executed through any system or venue described in subparagraph (A), a plan fiduciary is provided written or electronic notice of the execution of such transaction through such system or venue.

(17)(A) Transactions described in subparagraphs (A), (B), and (D) of section 406(a)(1) between a plan and a person that is a party in interest other than a fiduciary (or an affiliate) who has or exercises any discretionary authority or control with respect to the investment of the plan assets involved in the transaction or renders investment advice (within the meaning of section 3(21)(A)(ii)) with respect to those assets, solely by reason of providing services to the plan or solely by reason of a relationship to such a service provider described in subparagraph (F), (G), (H), or (I) of section 3(14), or both, but only if in connection with such transaction the plan receives no less, nor pays no more, than adequate consideration.

(B) For purposes of this paragraph, the term "adequate consideration" means—

(i) in the case of a security for which there is a generally recognized market—

(I) the price of the security prevailing on a national securities exchange which is registered under section 6 of the Securities Exchange Act of 1934, taking into account factors such as the size of the transaction and marketability of the security, or

(II) if the security is not traded on such a national securities exchange, a price not less favorable to the plan than the offering price for the security as established by the current bid and asked prices quoted by persons independent of the issuer and of the party in interest, taking into account factors such as the size of the transaction and marketability of the security, and

(ii) in the case of an asset other than a security for which there is a generally recognized market, the fair market value of the asset as determined in good

faith by a fiduciary or fiduciaries in accordance with regulations prescribed by the Secretary.

(18) FOREIGN EXCHANGE TRANSACTIONS.—Any foreign exchange transactions, between a bank or broker-dealer (or any affiliate of either), and a plan (as defined in section 3(3)) with respect to which such bank or broker-dealer (or affiliate) is a trustee, custodian, fiduciary, or other party in interest, if—

(D) a fiduciary (other than the investment manager engaging in the cross-trades or any affiliate) for each plan participating in the transaction authorizes in advance of any cross-trades (in a document that is separate from any other written agreement of the parties) the investment manager to engage in cross trades at the investment manager's discretion, after such fiduciary has received disclo-

(E) For purposes of this paragraph—

(2) receiving any reasonable compensation for services rendered, or for the reimbursement of expenses properly and actually incurred, in the performance of his duties with the plan; except that no person so serving who already receives full time pay from an employer or an association of employers, whose employees are participants in the plan, or from an employee organization whose members are participants in such plan shall receive compensation from such plan, except for reimbursement of expenses properly and actually incurred; or

(3) serving as a fiduciary in addition to being an officer, employee, agent, or other representative of a party in interest.

(d)(1) Section 407(b) and subsections (b), (c), and (e) of this section shall not apply to a transaction in which a plan directly or indirectly—

(1) if such acquisition, sale, or lease is for adequate consideration (or in the case of a marketable obligation, at a price not less favorable to the plan than the price determined under section 407(e)(1)),

(2) if no commission is charged with respect thereto, and

(3) if—

(A) the plan is an eligible individual account plan (as defined in section 407(d)(3)), or

(B) in the case of an acquisition or lease of qualifying employer real property by a plan which is not an eligible individual account plan, or of an acquisition of qualifying employer securities by such a plan, the lease or acquisition is not prohibited by section 407(a).

(f) Section 406(b)(2) shall not apply to any merger or transfer described in subsection (b)(11).

(g) PROVISION OF INVESTMENT ADVICE TO PARTICIPANT AND BENEFICIARIES.—

(2) ELIGIBLE INVESTMENT ADVICE ARRANGEMENT.—For purposes of this subsection, the term “eligible investment advice arrangement” means an arrangement—

(A) which either—

(i) provides that any fees (including any commission or other compensation) received by the fiduciary adviser for investment advice or with respect to the sale, holding, or acquisition of any security or other property for purposes of investment of plan assets do not vary depending on the basis of any investment option selected, or

(ii) uses a computer model under an investment advice program meeting the requirements of paragraph (3) in connection with the provision of investment advice by a fiduciary adviser to a participant or beneficiary, and

(B) with respect to which the requirements of paragraph (4), (5), (6), (7), (8), and (9) are met.

(3) INVESTMENT ADVICE PROGRAM USING COMPUTER MODEL.—

a person with a material affiliation or contractual relationship with the fiduciary adviser, and

(i) the only investment advice provided under the program is the advice generated by the computer model described in subparagraph (B), and

(ii) any transaction described in subsection (b)(14)(A)(ii) occurs solely at the direction of the participant or beneficiary.

Nothing in the preceding sentence shall preclude the participant or beneficiary from requesting investment advice other than that described in subparagraph (A), but only if such request has not been solicited by any person connected with carrying out the arrangement.

(4) EXPRESS AUTHORIZATION BY SEPARATE FIDUCIARY.—The requirements of this paragraph are met with respect to an arrangement if the arrangement is expressly authorized by a plan fiduciary other than the person offering the investment advice program, any person providing investment options under the plan, or any affiliate of either.

(B) following completion of the annual audit, issues a written report to the fiduciary who authorized use of the arrangement which presents its specific findings regarding compliance of the arrangement with the requirements of this subsection.

For purposes of this paragraph, an auditor is considered independent if it is not related to the person offering the arrangement to the plan and is not related to any person providing investment options under the plan.

(6) DISCLOSURE.—The requirements of this paragraph are met if—

(A) the fiduciary adviser provides to a participant or a beneficiary before the initial provision of the investment advice with regard to any security or other property offered as an investment option, a written notification (which may consist of notification by means of electronic communication)—

(8) STANDARDS FOR PRESENTATION OF INFORMATION.—

(A) IN GENERAL.—The requirements of this paragraph are met if the notification required to be provided to participants and beneficiaries under paragraph (6)(A) is written in a clear and conspicuous manner and in a manner calculated to be understood by the average plan participant and is sufficiently accurate and comprehensive to reasonably apprise such participants and beneficiaries of the information required to be provided in the notification.

(B) MODEL FORM FOR DISCLOSURE OF FEES AND OTHER COMPENSATION.—The Secretary shall issue a model form for the disclosure of fees and other compensation required in paragraph (6)(A)(iii) which meets the requirements of subparagraph (A).

A transaction prohibited under section 406 shall not be considered to have occurred solely because the records are lost or destroyed prior to the end of the 6-year period due to circumstances beyond the control of the fiduciary adviser.

(10) EXEMPTION FOR PLAN SPONSOR AND CERTAIN OTHER FIDUCIARIES.—

(A) IN GENERAL.—Subject to subparagraph (B), a plan sponsor or other person who is a fiduciary (other than a fiduciary adviser) shall not be treated as failing to meet the requirements of this part solely by reason of the provision of investment advice referred to in section 3(21)(A)(ii) (or solely by reason of contracting for or otherwise arranging for the provision of the advice), if—

(i) the advice is provided by a fiduciary adviser pursuant to an eligible investment advice arrangement between the plan sponsor or other fiduciary and the fiduciary adviser for the provision by the fiduciary adviser of investment advice referred to in such section,

(ii) the terms of the eligible investment advice arrangement require compliance by the fiduciary adviser with the requirements of this subsection, and

(iii) the terms of the eligible investment advice arrangement include a written acknowledgment by the fiduciary adviser that the fiduciary adviser is a fiduciary of the plan with respect to the provision of the advice.

(B) CONTINUED DUTY OF PRUDENT SELECTION OF ADVISER AND PERIODIC REVIEW.—Nothing in subparagraph (A) shall be construed to exempt a plan sponsor or other person who is a fiduciary from any requirement of this part for the prudent selection and periodic review of a fiduciary adviser with whom the plan sponsor or other person enters into an eligible investment advice arrangement for the provision of investment advice referred to in section 3(21)(A)(ii). The plan sponsor or other person who is a fiduciary has no duty under this part to monitor the specific investment advice given by the fiduciary adviser to any particular recipient of the advice.

(C) AVAILABILITY OF PLAN ASSETS FOR PAYMENT FOR ADVICE.—Nothing in this part shall be construed to preclude the use of plan assets to pay for reasonable expenses in providing investment advice referred to in section 3(21)(A)(ii).

(d) Whenever any person—

(1) by operation of this section, has been barred from office or other position in an employee benefit plan as a result of a conviction, and

(2) has filed an appeal of that conviction, any salary which would be otherwise due such person by virtue of such office or position, shall be placed in escrow by the individual or organization responsible for payment of such salary. Payment of such salary into escrow shall continue for the duration of the appeal or for the period of time during which such salary would be otherwise due, whichever period is shorter. Upon the final reversal of such person’s conviction on appeal, the amounts in escrow shall be paid to such person. Upon the final sustaining of that person’s conviction on appeal, the amounts in escrow shall be returned to the individual or organization responsible for payments of those amounts. Upon final reversal of such person’s conviction, such person shall no longer be barred by this statute from assuming any position from which such person was previously barred.

BONDING

SEC. 412. [1112] (a) Every fiduciary of an employee benefit plan and every person who handles funds or other property of such a plan (hereafter in this section referred to as “plan official”) shall be bonded as provided in this section; except that—

(1) where such plan is one under which the only assets from which benefits are paid are the general assets of a union or of an employer, the administrator, officers, and employees of such plan shall be exempt from the bonding requirements of this section,

(2) no bond shall be required of any entity which is registered as a broker or a dealer under section 15(b) of the Securities Exchange Act of 1934 (15 U.S.C. 78o(b)) if the broker or dealer is subject to the fidelity bond requirements of a self-regulatory organization (within the meaning of section 3(a)(26) of such Act (15 U.S.C. 78c(a)(26))).

(3) no bond shall be required of a fiduciary (or of any director, officer, or employee of such fiduciary) if such fiduciary—

(A) is a corporation organized and doing business under the laws of the United States or of any State;

(B) is authorized under such laws to exercise trust powers or to conduct an insurance business;

(C) is subject to supervision or examination by Federal or State authority; and

(D) has at all times a combined capital and surplus in excess of such a minimum amount as may be established by regulations issued by the Secretary, which amount shall be at least \$1,000,000. Paragraph (2) shall apply to a bank or other financial institution which is authorized to exercise trust powers and the deposits of which are not insured by the Federal Deposit Insurance Corporation, only if such bank or institution meets bonding or similar requirements under State law which the Secretary determines are at least equivalent to those imposed on banks by Federal law.

The amount of such bond shall be fixed at the beginning of each fiscal year of the plan. Such amount shall be not less than 10 per centum of the amount of funds handled. In no case shall such bond be less than \$1,000 nor more than \$500,000, except that the Secretary, after due notice and opportunity for hearing to all interested parties, and after consideration of the record, may prescribe an amount in excess of \$500,000, subject to the 10 per centum limitation of the preceding sentence. For purposes of fixing the amount of such bond, the amount of funds handled shall be determined by the funds handled by the person, group, or class to be covered by such bond and by their predecessor or predecessors, if any, during the preceding reporting year, or if the plan has no preceding reporting year, the amount of funds to be handled during the current reporting year by such person, group, or class, estimated as provided in regulations of the Secretary. Such bond shall provide protection to the plan against loss by reason of acts of fraud or dishonesty on the part of the plan official, directly or through connivance with others. Any bond shall have as surety thereon a corporate surety company which is an acceptable surety on Federal bonds under authority granted by the Secretary of the Treasury pursuant to sections 6 through 13 of title 6, United States Code [sections 9304 through 9308 of title 31, United States Code].^{412—1} Any bond shall be in a form or of a type approved by the Secretary, including individual bonds or schedule or blanket forms of bonds which cover a group or class. In the case of a plan that holds employer securities (within the meaning of section 407(d)(1)), this subsection shall be applied by substituting ‘\$1,000,000’ for ‘\$500,000’ each place it appears.

(b) It shall be unlawful for any plan official to whom subsection (a) applies, to receive, handle, disburse, or otherwise exercise custody or control of any of the funds or other property of any employee benefit plan, without being bonded as required by subsection (a) and it shall be unlawful for any plan official of such plan, or any other person having authority to direct the performance of such functions, to permit such functions, or any of them, to be performed by any plan official, with respect to whom the requirements of subsection (a) have not been met.

^{412—1} The provisions previously codified to sections 6 through 13 of title 6, United States Code, were repealed and replaced by sections 9304 through 9308 of title 31, United States Code, on September 13, 1982, by P.L. 97–258, sec. 5(b), 96 Stat. 1068. See also P.L. 97–258, sec. 4(b), 96 Stat. 1067.

(c) It shall be unlawful for any person to procure any bond required by subsection (a) from any surety or other company or through any agent or broker in whose business operations such plan or any party in interest in such plan has any control or significant financial interest, direct or indirect.

(d) Nothing in any other provision of law shall require any person, required to be bonded as provided in subsection (a) because he handles funds or other property of an employee benefit plan, to be bonded insofar as the handling by such person of the funds or other property of such plan is concerned.

(e) The Secretary shall prescribe such regulations as may be necessary to carry out the provisions of this section including exempting a plan from the requirements of this section where he finds that (1) other bonding arrangements or (2) the overall financial condition of the plan would be adequate to protect the interests of the beneficiaries and participants. When, in the opinion of the Secretary, the administrator of a plan offers adequate evidence of the financial responsibility of the plan, or that other bonding arrangements would provide adequate protection of the beneficiaries and participants, he may exempt such plan from the requirements of this section.

LIMITATION OF ACTIONS

SEC. 413. **[1113]** No action may be commenced under this title with respect to a fiduciary's breach of any responsibility, duty, or obligation under this part, or with respect to a violation of this part, after the earlier of—

(1) six years after (A) the date of the last action which constituted a part of the breach or violation, or (B) in the case of an omission the latest date on which the fiduciary could have cured the breach or violation, or

(2) three years after the earliest date on which the plaintiff had actual knowledge of the breach or violation; except that in the case of fraud or concealment, such action may be commenced not later than six years after the date of discovery of such breach or violation.

date of enactment of this Act [September 2, 1974] if he determines such postponement is (A) necessary to amend the instrument establishing the plan under which the plan is maintained and (B) not adverse to the interest of participants and beneficiaries.

(3) This part shall take effect on the date of enactment of this Act [September 2, 1974], with respect to a plan which terminates after June 30, 1974, and before January 1, 1975, and to which at the time of termination section 4021 applies.

(c) Sections 406 and 407(a) (relating to prohibited transactions) shall not apply—

(1) until June 30, 1984, to a loan of money or other extension of credit between a plan and a party in interest under a binding contract in effect on July 1, 1974 (or pursuant to renewals of such a contract), if such loan or other extension of credit remains at least as favorable to the plan as an arm's-length transaction with an unrelated party would be, and if the execution of the contract, the making of the loan, or the extension of credit was not, at the time of such execution, making, or extension, a prohibited transaction (within the meaning of section 503(b) of the Internal Revenue Code of 1954 or the corresponding provisions of prior law);

(2) until June 30, 1984, to a lease or joint use of property involving the plan and a party in interest pursuant to a binding contract in effect on July 1, 1974 (or pursuant to renewals of such a contract), if such lease or joint use remains at least as favorable to the plan as an arm's-length transaction with an unrelated party would be and if the execution of the contract was not, at the time of such execution, a prohibited transaction (within the meaning of section 503(b) of the Internal Revenue Code of 1986 or the corresponding provisions of prior law);

(3) until June 30, 1984, to the sale, exchange or other disposition of property described in paragraph (2) between a plan and a party in interest if—

(A) in the case of a sale, exchange, or other disposition of the property by the plan to the party in interest, the plan receives an amount which is not less than the fair market value of the property at the time of such disposition; and

(B) in the case of the acquisition of the property by the plan, the plan pays an amount which is not in excess of the fair market value of the property at the time of such acquisition;

(4) Until June 30, 1977, to the provision of services, to which paragraphs (1), (2), and (3) do not apply between a plan and a party in interest—

(A) under a binding contract in effect on July 1, 1974 (or pursuant to renewals of such contract), or

(B) if the party in interest ordinarily and customarily furnished such services on June 30, 1974, if such provision of services remains at least as favorable to the plan as an arm's-length transaction with an unrelated party would be and if such provision of services was not, at the time of such provision, a prohibited transaction (within the mean-

- ing of section 503(b) of the Internal Revenue Code of 1954) or the corresponding provisions of prior law; or
- (5) the sale, exchange, or other disposition of property which is owned by a plan on June 30, 1974, and all times thereafter, to a party in interest, if such plan is required to dispose of such property in order to comply with the provisions of section 407(a) (relating to the prohibition against holding excess employer securities and employer real property), and if the plan receives not less than adequate consideration.
- (d) Any election, or failure to elect, by a disqualified person under section 2003(c)(1)(B) of this Act shall be treated for purposes of this part (but not for purposes of section 514) as an act or omission occurring before the effective date of this part.

(29 U.S.C. 1131) Enacted September 2, 1974, P.L. 93-406, title I, sec. 501, 88 Stat. 891.

CIVIL ENFORCEMENT

SEC. 502. [1132] (a) A civil action may be brought—

- (1) by a participant or beneficiary—
 - (A) for the relief provided for in subsection (c) of this section, or
 - (B) to recover benefits due to him under the terms of his plan, to enforce his rights under the terms of the plan, or to clarify his rights to future benefits under the terms of the plan;
- (2) by the Secretary, or by a participant, beneficiary or fiduciary for appropriate relief under section 409;
- (3) by a participant, beneficiary, or fiduciary (A) to enjoin any act or practice which violates any provision of this title or the terms of the plan, or (B) to obtain other appropriate equitable relief (i) to redress such violations or (ii) to enforce any provisions of this title or the terms of the plan;
- (4) by the Secretary, or by a participant, or beneficiary for appropriate relief in the case of a violation of 105(c);

(5) except as otherwise provided in subsection (b), by the Secretary (A) to enjoin any act or practice which violates any provision of this title, or (B) to obtain other appropriate equitable relief (i) to redress such violation or (ii) to enforce any provision of this title;

(6) by the Secretary to collect any civil penalty under paragraph (2), (4), (5), (6), (7), (8), or (9)¹ of subsection (c) or under subsection (i) or (l);

(7) by a State to enforce compliance with a qualified medical child support order (as defined in section 609(a)(2)(A));

(8) by the Secretary, or by an employer or other person referred to in section 101(f)(1), (A) to enjoin any act or practice which violates subsection (f) of section 101, or (B) to obtain appropriate equitable relief (i) to redress such violation or (ii) to enforce such subsection;

(9) in the event that the purchase of an insurance contract or insurance annuity in connection with termination of an individual's status as a participant covered under a pension plan with respect to all or any portion of the participant's pension benefit under such plan constitutes a violation of part 4 of this title or the terms of the plan, by the Secretary, by any individual who was a participant or beneficiary at the time of the alleged violation, or by a fiduciary, to obtain appropriate relief, including the posting of security if necessary, to assure receipt by the participant or beneficiary of the amounts provided or to be provided by such insurance contract or annuity, plus reasonable prejudgment interest on such amounts; or

(10) in the case of a multiemployer plan that has been certified by the actuary to be in endangered or critical status under section 305, if the plan sponsor—

(A) has not adopted a funding improvement or rehabilitation plan under that section by the deadline established in such section, or

(B) fails to update or comply with the terms of the funding improvement or rehabilitation plan in accordance with the requirements of such section,

by an employer that has an obligation to contribute with respect to the multiemployer plan or an employee organization that represents active participants in the multiemployer plan, for an order compelling the plan sponsor to adopt a funding improvement or rehabilitation plan or to update or comply with the terms of the funding improvement or rehabilitation plan in accordance with the requirements of such section and the funding improvement or rehabilitation plan.

(b)(1) In the case of a plan which is qualified under section 401(a), 403(a), or 405(a) of the Internal Revenue Code of 1986 (or with respect to which an application to so qualify has been filed and has not been finally determined) the Secretary may exercise his authority under subsection (a)(5) with respect to a violation of, or the enforcement of, parts 2 and 3 of this subtitle (relating to participation, vesting, and funding), only if—

¹The amendment by section 311(b)(1)(E)(i) of Public Law 111-3 to strike “or (8)” and insert “(8), or (9)” was not carried out because the text to be struck does not appear. See amendment made by section 101(e)(1) of Public Law 110-233 (122 Stat. 886).

(A) requested by the Secretary of the Treasury, or
(B) one or more participants, beneficiaries, or fiduciaries, of such plan request in writing (in such manner as the Secretary shall prescribe by regulation) that he exercise such authority on their behalf. In the case of such a request under this paragraph he may exercise such authority only if he determines that such violation affects, or such enforcement is necessary to protect, claims of participants or beneficiaries to benefits under the plan.

(2) The Secretary shall not initiate an action to enforce section 515.

(3) Except as provided in subsections (c)(9) and (a)(6) (with respect to collecting civil penalties under subsection (c)(9)), the Secretary is not authorized to enforce under this part any requirement of part 7 against a health insurance issuer offering health insurance coverage in connection with a group health plan (as defined in section 706(a)(1)). Nothing in this paragraph shall affect the authority of the Secretary to issue regulations to carry out such part.

(c)(1) Any administrator (A) who fails to meet the requirements of paragraph (1) or (4) of section 606, section 101(e)(1), section 101(f), or section 105(a) with respect to a participant or beneficiary, or (B) who fails or refuses to comply with a request for any information which such administrator is required by this title to furnish to a participant or beneficiary (unless such failure or refusal results from matters reasonably beyond the control of the administrator) by mailing the material requested to the last known address of the requesting participant or beneficiary within 30 days after such request may in the court's discretion be personally liable to such participant or beneficiary in the amount of up to \$100 a day from the date of such failure or refusal, and the court may in its discretion order such other relief as it deems proper. For purposes of this paragraph, each violation described in subparagraph (A) with respect to any single participant, and each violation described in subparagraph (B) with respect to any single participant or beneficiary, shall be treated as a separate violation.

(2) The Secretary may assess a civil penalty against any plan administrator of up to \$1,000 a day from the date of such plan administrator's failure or refusal to file the annual report required to be filed with the Secretary under section 101(b)(1). For purposes of this paragraph, an annual report that has been rejected under section 104(a)(4) for failure to provide material information shall not be treated as having been filed with the Secretary.

(3) Any employer maintaining a plan who fails to meet the notice requirement of section 101(d) with respect to any participant or beneficiary or who fails to meet the requirements of section 101(e)(2) with respect to any person or who fails to meet the requirements of section 302(d)(12)(E) with respect to any person may in the court's discretion be liable to such participant or beneficiary or to such person in the amount of up to \$100 a day from the date of such failure, and the court may in its discretion order such other relief as it deems proper.

(4) The Secretary may assess a civil penalty of not more than \$1,000 a day for each violation by any person of subsection (j), (k), or (l) of section 101 or section 514(e)(3).

(5) The Secretary may assess a civil penalty against any person of up to \$1,000 a day from the date of the person's failure or refusal to file the information required to be filed by such person with the Secretary under regulations prescribed pursuant to section 101(g).

(6) If, within 30 days of a request by the Secretary to a plan administrator for documents under section 104(a)(6), the plan administrator fails to furnish the material requested to the Secretary, the Secretary may assess a civil penalty against the plan administrator of up to \$100 a day from the date of such failure (but in no event in excess of \$1,000 per request). No penalty shall be imposed under this paragraph for any failure resulting from matters reasonably beyond the control of the plan administrator.

(7) The Secretary may assess a civil penalty against a plan administrator of up to \$100 a day from the date of the plan administrator's failure or refusal to provide notice to participants and beneficiaries in accordance with subsection (i) or (m) of section 101. For purposes of this paragraph, each violation with respect to any single participant or beneficiary shall be treated as a separate violation.

(8) The Secretary may assess against any plan sponsor of a multiemployer plan a civil penalty of not more than \$1,100 per day—

(A) for each violation by such sponsor of the requirement under section 305 to adopt by the deadline established in that section a funding improvement plan or rehabilitation plan with respect to a multiemployer plan which is in endangered or critical status, or

(B) in the case of a plan in endangered status which is not in seriously endangered status, for failure by the plan to meet the applicable benchmarks under section 305 by the end of the funding improvement period with respect to the plan.

(9)(A) The Secretary may assess a civil penalty against any employer of up to \$100 a day from the date of the employer's failure to meet the notice requirement of section 701(f)(3)(B)(i)(I). For purposes of this subparagraph, each violation with respect to any single employee shall be treated as a separate violation.

(B) The Secretary may assess a civil penalty against any plan administrator of up to \$100 a day from the date of the plan administrator's failure to timely provide to any State the information required to be disclosed under section 701(f)(3)(B)(ii). For purposes of this subparagraph, each violation with respect to any single participant or beneficiary shall be treated as a separate violation.

(10)¹ SECRETARIAL ENFORCEMENT AUTHORITY RELATING TO USE OF GENETIC INFORMATION.—

(A) GENERAL RULE.—The Secretary may impose a penalty against any plan sponsor of a group health plan, or any health insurance issuer offering health insurance coverage in connection with the plan, for any failure by such sponsor or issuer to meet the requirements of subsection

¹So in law. There are two paragraph (10)s'. See amendment made by section 311(b)(1)(E)(ii) of Public Law 111-3 (123 Stat. 70). Such amendment probably should have redesignated paragraphs (9) and (10) as paragraphs (10) and (11), respectively.

(a)(1)(F), (b)(3), (c), or (d) of section 702 or section 701 or 702(b)(1) with respect to genetic information, in connection with the plan.

(B) AMOUNT.—

(i) IN GENERAL.—The amount of the penalty imposed by subparagraph (A) shall be \$100 for each day in the noncompliance period with respect to each participant or beneficiary to whom such failure relates.

(ii) NONCOMPLIANCE PERIOD.—For purposes of this paragraph, the term “noncompliance period” means, with respect to any failure, the period—

(I) beginning on the date such failure first occurs; and

(II) ending on the date the failure is corrected.

(C) MINIMUM PENALTIES WHERE FAILURE DISCOVERED.—Notwithstanding clauses (i) and (ii) of subparagraph (D):

(i) IN GENERAL.—In the case of 1 or more failures with respect to a participant or beneficiary—

(I) which are not corrected before the date on which the plan receives a notice from the Secretary of such violation; and

(II) which occurred or continued during the period involved;

the amount of penalty imposed by subparagraph (A) by reason of such failures with respect to such participant or beneficiary shall not be less than \$2,500.

(ii) HIGHER MINIMUM PENALTY WHERE VIOLATIONS ARE MORE THAN DE MINIMIS.—To the extent violations for which any person is liable under this paragraph for any year are more than de minimis, clause (i) shall be applied by substituting “\$15,000” for “\$2,500” with respect to such person.

(D) LIMITATIONS.—

(i) PENALTY NOT TO APPLY WHERE FAILURE NOT DISCOVERED EXERCISING REASONABLE DILIGENCE.—No penalty shall be imposed by subparagraph (A) on any failure during any period for which it is established to the satisfaction of the Secretary that the person otherwise liable for such penalty did not know, and exercising reasonable diligence would not have known, that such failure existed.

(ii) PENALTY NOT TO APPLY TO FAILURES CORRECTED WITHIN CERTAIN PERIODS.—No penalty shall be imposed by subparagraph (A) on any failure if—

(I) such failure was due to reasonable cause and not to willful neglect; and

(II) such failure is corrected during the 30-day period beginning on the first date the person otherwise liable for such penalty knew, or exercising reasonable diligence would have known, that such failure existed.

(iii) OVERALL LIMITATION FOR UNINTENTIONAL FAILURES.—In the case of failures which are due to

reasonable cause and not to willful neglect, the penalty imposed by subparagraph (A) for failures shall not exceed the amount equal to the lesser of—

(I) 10 percent of the aggregate amount paid or incurred by the plan sponsor (or predecessor plan sponsor) during the preceding taxable year for group health plans; or

(II) \$500,000.

(E) WAIVER BY SECRETARY.—In the case of a failure which is due to reasonable cause and not to willful neglect, the Secretary may waive part or all of the penalty imposed by subparagraph (A) to the extent that the payment of such penalty would be excessive relative to the failure involved.

(F) DEFINITIONS.—Terms used in this paragraph which are defined in section 733 shall have the meanings provided such terms in such section.

(10)¹ The Secretary and the Secretary of Health and Human Services shall maintain such ongoing consultation as may be necessary and appropriate to coordinate enforcement under this subsection with enforcement under section 1144(c)(8) of the Social Security Act.

(d)(1) An employee benefit plan may sue or be sued under this title as an entity. Service of summons, subpoena, or other legal process of a court upon a trustee or an administrator of an employee benefit plan in his capacity as such shall constitute service upon the employee benefit plan. In a case where a plan has not designated in the summary plan description of the plan an individual as agent for the service of legal process, service upon the Secretary shall constitute such service. The Secretary, not later than 15 days after receipt of service under the preceding sentence, shall notify the administrator or any trustee of the plan of receipt of such service.

(2) Any money judgment under this title against an employee benefit plan shall be enforceable only against the plan as an entity and shall not be enforceable against any other person unless liability against such person is established in his individual capacity under this title.

(e)(1) Except for actions under subsection (a)(1)(B) of this section, the district courts of the United States shall have exclusive jurisdiction of civil actions under this title brought by the Secretary or by a participant, beneficiary, fiduciary, or any person referred to in section 101(f)(1). State courts of competent jurisdiction and district courts of the United States shall have concurrent jurisdiction of actions under paragraphs (1)(B) and (7) of subsection (a) of this section.

(2) Where an action under this title is brought in a district court of the United States, it may be brought in the district where the plan is administered, where the breach took place, or where a defendant resides or may be found, and process may be served in any other district where a defendant resides or may be found.

(f) The district courts of the United States shall have jurisdiction, without respect to the amount in controversy or the citizen-

ship of the parties, to grant the relief provided for in subsection (a) of this section in any action.

(g)(1) In any action under this title (other than an action described in paragraph (2)) by a participant, beneficiary, or fiduciary, the court in its discretion may allow a reasonable attorney's fee and costs of action to either party.

(2) In any action under this title by a fiduciary for or on behalf of a plan to enforce section 515 in which a judgment in favor of the plan is awarded, the court shall award the plan—

- (A) the unpaid contributions,
- (B) interest on the unpaid contributions,
- (C) an amount equal to the greater of—
 - (i) interest on the unpaid contributions, or
 - (ii) liquidated damages provided for under the plan in an amount not in excess of 20 percent (or such higher percentage as may be permitted under Federal or State law) of the amount determined by the court under subparagraph (A),
- (D) reasonable attorney's fees and costs of the action, to be paid by the defendant, and
- (E) such other legal or equitable relief as the court deems appropriate.

For purposes of this paragraph, interest on unpaid contributions shall be determined by using the rate provided under the plan, or, if none, the rate prescribed under section 6621 of the Internal Revenue Code of 1986.

(h) A copy of the complaint in any action under this title by a participant, beneficiary, or fiduciary (other than an action brought by one or more participants or beneficiaries under subsection (a)(1)(B) which is solely for the purpose of recovering benefits due such participants under the terms of the plan) shall be served upon the Secretary and the Secretary of the Treasury by certified mail. Either Secretary shall have the right in his discretion to intervene in any action, except that the Secretary of the Treasury may not intervene in any action under part 4 of this subtitle. If the Secretary brings an action under subsection (a) on behalf of a participant or beneficiary, he shall notify the Secretary of the Treasury.

(i) In the case of a transaction prohibited by section 406 by a party in interest with respect to a plan to which this part applies, the Secretary may assess a civil penalty against such party in interest. The amount of such penalty may not exceed 5 percent of the amount involved in each such transaction (as defined in section 4975(f)(4) of the Internal Revenue Code of 1986) for each year or part thereof during which the prohibited transaction continues, except that, if the transaction is not corrected (in such manner as the Secretary shall prescribe in regulations which shall be consistent with section 4975(f)(5) of such Code) within 90 days after notice from the Secretary (or such longer period as the Secretary may permit), such penalty may be in an amount not more than 100 percent of the amount involved. This subsection shall not apply to a transaction with respect to a plan described in section 4975(e)(1) of such Code.

(j) In all civil actions under this title, attorneys appointed by the Secretary may represent the Secretary (except as provided in section 518(a) of title 28, United States Code), but all such litigation shall be subject to the direction and control of the Attorney General.

(3) The Secretary may, in the Secretary’s sole discretion, waive or reduce the penalty under paragraph (1) if the Secretary determines in writing that—

(A) the fiduciary or other person acted reasonably and in good faith, or

(B) it is reasonable to expect that the fiduciary or other person will not be able to restore all losses to the plan (or to provide the relief ordered pursuant to subsection (a)(9)) without severe financial hardship unless such waiver or reduction is granted.

(4) The penalty imposed on a fiduciary or other person under this subsection with respect to any transaction shall be reduced by the amount of any penalty or tax imposed on such fiduciary or other person with respect to such transaction under subsection (i) of this section and section 4975 of the Internal Revenue Code of 1986.

(m) In the case of a distribution to a pension plan participant or beneficiary in violation of section 206(e) by a plan fiduciary, the Secretary shall assess a penalty against such fiduciary in an amount equal to the value of the distribution. EFFECT ON OTHER LAWS

SEC. 514. [1144] (a) Except as provided in subsection (b) of this section, the provisions of this title and title IV shall supersede any and all State laws insofar as they may now or hereafter relate to any employee benefit plan described in section 4(a) and not exempt under section 4(b). This section shall take effect on January 1, 1975.

(b)(1) This section shall not apply with respect to any cause of action which arose, or any act or omission which occurred, before January 1, 1975.

(2)(A) Except as provided in subparagraph (B), nothing in this title shall be construed to exempt or relieve any person from any law of any State which regulates insurance, banking, or securities.

(B) Neither an employee benefit plan described in section 4(a), which is not exempt under section 4(b) (other than a plan established primarily for the purpose of providing death benefits), nor any trust established under such a plan, shall be deemed to be an insurance company or other insurer, bank, trust company, or investment company or to be engaged in the business of insurance or banking for purposes of any law of any State purporting to regulate insurance companies, insurance contracts, banks, trust companies, or investment companies.

(3) Nothing in this section shall be construed to prohibit use by the Secretary of services or facilities of a State agency as permitted under section 506 of this Act.

(4) Subsection (a) shall not apply to any generally applicable criminal law of a State.

(5)(A) Except as provided in subparagraph (B), subsection (a) shall not apply to the Hawaii Prepaid Health Care Act (Haw. Rev. Stat. §§393-1 through 393-51).

(B) Nothing in subparagraph (A) shall be construed to exempt from subsection (a)—

(i) any State tax law relating to employee benefit plans, or

(ii) any amendment of the Hawaii Prepaid Health Care Act enacted after September 2, 1974, to the extent it provides for more than the effective administration of such Act as in effect on such date.

(C) Notwithstanding subparagraph (A), parts 1 and 4 of this subtitle, and the preceding sections of this part to the extent they govern matters which are governed by the provisions of such parts 1 and 4, shall supersede the Hawaii Prepaid Health Care Act (as

in effect on or after the date of the enactment of this paragraph [January 14, 1983]), but the Secretary may enter into cooperative arrangements under this paragraph and section 506 with officials of the State of Hawaii to assist them in effectuating the policies of provisions of such Act which are superseded by such parts 1 and 4 and the preceding sections of this part.

(6)(A) Notwithstanding any other provision of this section—

(i) in the case of an employee welfare benefit plan which is a multiple employer welfare arrangement and is fully insured (or which is a multiple employer welfare arrangement subject to an exemption under subparagraph (B)), any law of any State which regulates insurance may apply to such arrangement to the extent that such law provides—

(I) standards, requiring the maintenance of specified levels of reserves and specified levels of contributions, which any such plan, or any trust established under such a plan, must meet in order to be considered under such law able to pay benefits in full when due, and

(II) provisions to enforce such standards, and

(ii) in the case of any other employee welfare benefit plan which is a multiple employer welfare arrangement, in addition to this title, any law of any State which regulates insurance may apply to the extent not inconsistent with the preceding sections of this title.

(B) The Secretary may, under regulations which may be prescribed by the Secretary, exempt from subparagraph (A)(ii), individually or by class, multiple employer welfare arrangements which are not fully insured. Any such exemption may be granted with respect to any arrangement or class of arrangements only if such arrangement or each arrangement which is a member of such class meets the requirements of section 3(1) and section 4 necessary to be considered an employee welfare benefit plan to which this title applies.

(C) Nothing in subparagraph (A) shall affect the manner or extent to which the provisions of this title apply to an employee welfare benefit plan which is not a multiple employer welfare arrangement and which is a plan, fund, or program participating in, subscribing to, or otherwise using a multiple employer welfare arrangement to fund or administer benefits to such plan's participants and beneficiaries.

(D) For purposes of this paragraph, a multiple employer welfare arrangement shall be considered fully insured only if the terms of the arrangement provide for benefits the amount of all of which the Secretary determines are guaranteed under a contract, or policy of insurance, issued by an insurance company, insurance service, or insurance organization, qualified to conduct business in a State.

(7) Subsection (a) shall not apply to qualified domestic relations orders (within the meaning of section 206(d)(3)(B)(i)), qualified medical child support orders (within the meaning of section 609(a)(2)(A)), and the provisions of law referred to in section 609(a)(2)(B)(ii) to the extent they apply to qualified medical child support orders.

(8) Subsection (a) of this section shall not be construed to preclude any State cause of action—

(A) with respect to which the State exercises its acquired rights under section 609(b)(3) with respect to a group health plan (as defined in section 607(1)), or

(B) for recoupment of payment with respect to items or services pursuant to a State plan for medical assistance approved under title XIX of the Social Security Act which would not have been payable if such acquired rights had been executed before payment with respect to such items or services by the group health plan.

(9)¹ For additional provisions relating to group health plans, see section 731².

(c) For purposes of this section:

(1) The term “State law” includes all laws, decisions, rules, regulations, or other State action having the effect of law, of any State. A law of the United States applicable only to the District of Columbia shall be treated as a State law rather than a law of the United States.

(2) The term “State” includes a State, any political subdivisions thereof, or any agency or instrumentality of either, which purports to regulate, directly or indirectly, the terms and conditions of employee benefit plans covered by this title.

(d) Nothing in this title shall be construed to alter, amend, modify, invalidate, impair, or supersede any law of the United States (except as provided in sections 111 and 507(b)) or any rule or regulation issued under any such law.

(e)(1) Notwithstanding any other provision of this section, this title shall supersede any law of a State which would directly or indirectly prohibit or restrict the inclusion in any plan of an automatic contribution arrangement. The Secretary may prescribe regulations which would establish minimum standards that such an arrangement would be required to satisfy in order for this subsection to apply in the case of such arrangement.

(2) For purposes of this subsection, the term “automatic contribution arrangement” means an arrangement—

(A) under which a participant may elect to have the plan sponsor make payments as contributions under the plan on behalf of the participant, or to the participant directly in cash,

(B) under which a participant is treated as having elected to have the plan sponsor make such contributions in an amount equal to a uniform percentage of compensation provided under the plan until the participant specifically elects not to have such contributions made (or specifically elects to have such contributions made at a different percentage), and

(B) ESTABLISHMENT OF PROCEDURES FOR DETERMINING QUALIFIED STATUS OF ORDERS.—Each group health plan shall establish reasonable procedures to determine whether medical child support orders are qualified medical child support orders and to administer the provision of benefits under such qualified orders. Such procedures—

(ii) ENROLLMENT OF CHILD IN PLAN.—In any case in which an appropriately completed National Medical Support Notice is issued in the case of a child of a participant under a group health plan who is a noncustodial parent of the child, and the Notice is deemed under clause (i) to be a qualified medical child support order, the plan administrator, within 40 business days after the date of the Notice, shall—

(I) notify the State agency issuing the Notice with respect to such child whether coverage of the child is available under the terms of the plan and, if so, whether such child is covered under the plan and either the effective date of the coverage or, if necessary, any steps to be taken by the custodial parent (or by the official of a State or political subdivision thereof substituted for the name of such child pursuant to paragraph (3)(A)) to effectuate the coverage; and

(II) provide to the custodial parent (or such substituted official) a description of the coverage available and any forms or documents necessary to effectuate such coverage.

(iii) RULE OF CONSTRUCTION.—Nothing in this subparagraph shall be construed as requiring a group

health plan, upon receipt of a National Medical Support Notice, to provide benefits under the plan (or eligibility for such benefits) in addition to benefits (or eligibility for benefits) provided under the terms of the plan as of immediately before receipt of such Notice.

(6) ACTIONS TAKEN BY FIDUCIARIES.—If a plan fiduciary acts in accordance with part 4 of this subtitle in treating a medical child support order as being (or not being) a qualified medical child support order, then the plan's obligation to the participant and each alternate recipient shall be discharged to the extent of any payment made pursuant to such act of the fiduciary.

(8) DIRECT PROVISION OF BENEFITS PROVIDED TO ALTERNATE RECIPIENTS.—Any payment for benefits made by a group health plan pursuant to a medical child support order in reimbursement for expenses paid by an alternate recipient or an alternate recipient's custodial parent or legal guardian shall be made to the alternate recipient or the alternate recipient's custodial parent or legal guardian.

(9) PAYMENT TO STATE OFFICIAL TREATED AS SATISFACTION OF PLAN'S OBLIGATION TO MAKE PAYMENT TO ALTERNATE RECIPIENT.—Payment of benefits by a group health plan to an official of a State or a political subdivision thereof whose name and address have been substituted for the address of an alternate recipient in a qualified medical child support order, pursuant to paragraph (3)(A), shall be treated, for purposes of this title, as payment of benefits to the alternate recipient.

(2) ENROLLMENT AND PROVISION OF BENEFITS WITHOUT REGARD TO MEDICAID ELIGIBILITY.—A group health plan shall provide that, in enrolling an individual as a participant or beneficiary or in determining or making any payments for benefits

of an individual as a participant or beneficiary, the fact that the individual is eligible for or is provided medical assistance under a State plan for medical assistance approved under title XIX of the Social Security Act will not be taken into account.

(3) ACQUISITION BY STATES OF RIGHTS OF THIRD PARTIES.—

A group health plan shall provide that, to the extent that payment has been made under a State plan for medical assistance approved under title XIX of the Social Security Act in any case in which a group health plan has a legal liability to make payment for items or services constituting such assistance, payment for benefits under the plan will be made in accordance with any State law which provides that the State has acquired the rights with respect to a participant to such payment for such items or services.

(c) GROUP HEALTH PLAN COVERAGE OF DEPENDENT CHILDREN IN CASES OF ADOPTION.—

(1) COVERAGE EFFECTIVE UPON PLACEMENT FOR ADOPTION.—In any case in which a group health plan provides coverage for dependent children of participants or beneficiaries, such plan shall provide benefits to dependent children placed with participants or beneficiaries for adoption under the same terms and conditions as apply in the case of dependent children who are natural children of participants or beneficiaries under the plan, irrespective of whether the adoption has become final.

(2) RESTRICTIONS BASED ON PREEXISTING CONDITIONS AT TIME OF PLACEMENT FOR ADOPTION PROHIBITED.—A group health plan may not restrict coverage under the plan of any dependent child adopted by a participant or beneficiary, or placed with a participant or beneficiary for adoption, solely on the basis of a preexisting condition of such child at the time that such child would otherwise become eligible for coverage under the plan, if the adoption or placement for adoption occurs while the participant or beneficiary is eligible for coverage under the plan.

(3) DEFINITIONS.—For purposes of this subsection—

(A) CHILD.—The term “child” means, in connection with any adoption, or placement for adoption, of the child, an individual who has not attained age 18 as of the date of such adoption or placement for adoption.

(B) PLACEMENT FOR ADOPTION.—The term “placement”, or being “placed”, for adoption, in connection with any placement for adoption of a child with any person, means the assumption and retention by such person of a legal obligation for total or partial support of such child in anticipation of adoption of such child. (B) a special enrollment period under subsection (f).

(4) **WAITING PERIOD.**—The term “waiting period” means, with respect to a group health plan and an individual who is a potential participant or beneficiary in the plan, the period that must pass with respect to the individual before the individual is eligible to be covered for benefits under the terms of the plan.

(c) **RULES RELATING TO CREDITING PREVIOUS COVERAGE.**—

(1) **CREDITABLE COVERAGE DEFINED.**—For purposes of this part, the term “creditable coverage” means, with respect to an individual, coverage of the individual under any of the following:

(A) A group health plan.

(B) Health insurance coverage.

(C) Part A or part B of title XVIII of the Social Security Act.

(D) Title XIX of the Social Security Act, other than coverage consisting solely of benefits under section 1928.

Such term does not include coverage consisting solely of coverage of excepted benefits (as defined in section 733(c)).

(2) **NOT COUNTING PERIODS BEFORE SIGNIFICANT BREAKS IN COVERAGE.**—

(A) **IN GENERAL.**—A period of creditable coverage shall not be counted, with respect to enrollment of an individual under a group health plan, if, after such period and before the enrollment date, there was a 63-day period during all of which the individual was not covered under any creditable coverage.

(B) **WAITING PERIOD NOT TREATED AS A BREAK IN COVERAGE.**—For purposes of subparagraph (A) and subsection (d)(4), any period that an individual is in a waiting period for any coverage under a group health plan (or for group health insurance coverage) or is in an affiliation period (as defined in subsection (g)(2)) shall not be taken into account

in determining the continuous period under subparagraph (A).

(C) TAA-ELIGIBLE INDIVIDUALS.—In the case of plan years beginning before January 1, 2011—

(i) TAA PRE-CERTIFICATION PERIOD RULE.—In the case of a TAA-eligible individual, the period beginning on the date the individual has a TAA-related loss of coverage and ending on the date that is 7 days after the date of the issuance by the Secretary (or by any person or entity designated by the Secretary) of a qualified health insurance costs credit eligibility certificate for such individual for purposes of section 7527 of the Internal Revenue Code of 1986 shall not be taken into account in determining the continuous period under subparagraph (A).

(ii) DEFINITIONS.—The terms “TAA-eligible individual” and “TAA-related loss of coverage” have the meanings given such terms in section 605(b)(4).

(3) METHOD OF CREDITING COVERAGE.—

(A) STANDARD METHOD.—Except as otherwise provided under subparagraph (B), for purposes of applying subsection (a)(3), a group health plan, and a health insurance issuer offering group health insurance coverage, shall count a period of creditable coverage without regard to the specific benefits covered during the period.

(B) ELECTION OF ALTERNATIVE METHOD.—A group health plan, or a health insurance issuer offering group health insurance coverage, may elect to apply subsection (a)(3) based on coverage of benefits within each of several classes or categories of benefits specified in regulations rather than as provided under subparagraph (A). Such election shall be made on a uniform basis for all participants and beneficiaries. Under such election a group health plan or issuer shall count a period of creditable coverage with respect to any class or category of benefits if any level of benefits is covered within such class or category.

(C) PLAN NOTICE.—In the case of an election with respect to a group health plan under subparagraph (B) (whether or not health insurance coverage is provided in connection with such plan), the plan shall—

(i) prominently state in any disclosure statements concerning the plan, and state to each enrollee at the time of enrollment under the plan, that the plan has made such election, and

(ii) include in such statements a description of the effect of this election.

(4) ESTABLISHMENT OF PERIOD.—Periods of creditable coverage with respect to an individual shall be established through presentation of certifications described in subsection (e) or in such other manner as may be specified in regulations.

(d) EXCEPTIONS.—

(1) EXCLUSION NOT APPLICABLE TO CERTAIN NEWBORNS.—Subject to paragraph (4), a group health plan, and a health in-

surance issuer offering group health insurance coverage, may not impose any preexisting condition exclusion in the case of an individual who, as of the last day of the 30-day period beginning with the date of birth, is covered under creditable coverage.

(2) EXCLUSION NOT APPLICABLE TO CERTAIN ADOPTED CHILDREN.—Subject to paragraph (4), a group health plan, and a health insurance issuer offering group health insurance coverage, may not impose any preexisting condition exclusion in the case of a child who is adopted or placed for adoption before attaining 18 years of age and who, as of the last day of the 30-day period beginning on the date of the adoption or placement for adoption, is covered under creditable coverage. The previous sentence shall not apply to coverage before the date of such adoption or placement for adoption.

(3) EXCLUSION NOT APPLICABLE TO PREGNANCY.—A group health plan, and health insurance issuer offering group health insurance coverage, may not impose any preexisting condition exclusion relating to pregnancy as a preexisting condition.

(4) LOSS IF BREAK IN COVERAGE.—Paragraphs (1) and (2) shall no longer apply to an individual after the end of the first 63-day period during all of which the individual was not covered under any creditable coverage.

(e) CERTIFICATIONS AND DISCLOSURE OF COVERAGE.—

(1) REQUIREMENT FOR CERTIFICATION OF PERIOD OF CREDITABLE COVERAGE.—

(A) IN GENERAL.—A group health plan, and a health insurance issuer offering group health insurance coverage, shall provide the certification described in subparagraph (B)—

(i) at the time an individual ceases to be covered under the plan or otherwise becomes covered under a COBRA continuation provision,

(ii) in the case of an individual becoming covered under such a provision, at the time the individual ceases to be covered under such provision, and

(iii) on the request on behalf of an individual made not later than 24 months after the date of cessation of the coverage described in clause (i) or (ii), whichever is later.

The certification under clause (i) may be provided, to the extent practicable, at a time consistent with notices required under any applicable COBRA continuation provision.

(B) CERTIFICATION.—The certification described in this subparagraph is a written certification of—

(i) the period of creditable coverage of the individual under such plan and the coverage (if any) under such COBRA continuation provision, and

(ii) the waiting period (if any) (and affiliation period, if applicable) imposed with respect to the individual for any coverage under such plan.

(C) ISSUER COMPLIANCE.—To the extent that medical care under a group health plan consists of group health in-

insurance coverage, the plan is deemed to have satisfied the certification requirement under this paragraph if the health insurance issuer offering the coverage provides for such certification in accordance with this paragraph.

(2) DISCLOSURE OF INFORMATION ON PREVIOUS BENEFITS.—In the case of an election described in subsection (c)(3)(B) by a group health plan or health insurance issuer, if the plan or issuer enrolls an individual for coverage under the plan and the individual provides a certification of coverage of the individual under paragraph (1)—

(A) upon request of such plan or issuer, the entity which issued the certification provided by the individual shall promptly disclose to such requesting plan or issuer information on coverage of classes and categories of health benefits available under such entity's plan or coverage, and

(B) such entity may charge the requesting plan or issuer for the reasonable cost of disclosing such information.

(3) REGULATIONS.—The Secretary shall establish rules to prevent an entity's failure to provide information under paragraph (1) or (2) with respect to previous coverage of an individual from adversely affecting any subsequent coverage of the individual under another group health plan or health insurance coverage.

(f) SPECIAL ENROLLMENT PERIODS.—

(1) INDIVIDUALS LOSING OTHER COVERAGE.—A group health plan, and a health insurance issuer offering group health insurance coverage in connection with a group health plan, shall permit an employee who is eligible, but not enrolled, for coverage under the terms of the plan (or a dependent of such an employee if the dependent is eligible, but not enrolled, for coverage under such terms) to enroll for coverage under the terms of the plan if each of the following conditions is met:

(A) The employee or dependent was covered under a group health plan or had health insurance coverage at the time coverage was previously offered to the employee or dependent.

(B) The employee stated in writing at such time that coverage under a group health plan or health insurance coverage was the reason for declining enrollment, but only if the plan sponsor or issuer (if applicable) required such a statement at such time and provided the employee with notice of such requirement (and the consequences of such requirement) at such time.

(C) The employee's or dependent's coverage described in subparagraph (A)—

(i) was under a COBRA continuation provision and the coverage under such provision was exhausted; or

(ii) was not under such a provision and either the coverage was terminated as a result of loss of eligibility for the coverage (including as a result of legal separation, divorce, death, termination of employment,

or reduction in the number of hours of employment) or employer contributions toward such coverage were terminated.

(D) Under the terms of the plan, the employee requests such enrollment not later than 30 days after the date of exhaustion of coverage described in subparagraph (C)(i) or termination of coverage or employer contribution described in subparagraph (C)(ii).

(2) FOR DEPENDENT BENEFICIARIES.—

(A) IN GENERAL.—If—

(i) a group health plan makes coverage available with respect to a dependent of an individual,

(ii) the individual is a participant under the plan (or has met any waiting period applicable to becoming a participant under the plan and is eligible to be enrolled under the plan but for a failure to enroll during a previous enrollment period), and

(iii) a person becomes such a dependent of the individual through marriage, birth, or adoption or placement for adoption,

the group health plan shall provide for a dependent special enrollment period described in subparagraph (B) during which the person (or, if not otherwise enrolled, the individual) may be enrolled under the plan as a dependent of the individual, and in the case of the birth or adoption of a child, the spouse of the individual may be enrolled as a dependent of the individual if such spouse is otherwise eligible for coverage.

(B) DEPENDENT SPECIAL ENROLLMENT PERIOD.—A dependent special enrollment period under this subparagraph shall be a period of not less than 30 days and shall begin on the later of—

(i) the date dependent coverage is made available, or

(ii) the date of the marriage, birth, or adoption or placement for adoption (as the case may be) described in subparagraph (A)(iii).

(C) NO WAITING PERIOD.—If an individual seeks to enroll a dependent during the first 30 days of such a dependent special enrollment period, the coverage of the dependent shall become effective—

(i) in the case of marriage, not later than the first day of the first month beginning after the date the completed request for enrollment is received;

(ii) in the case of a dependent's birth, as of the date of such birth; or

(iii) in the case of a dependent's adoption or placement for adoption, the date of such adoption or placement for adoption.

(3) SPECIAL RULES FOR APPLICATION IN CASE OF MEDICAID AND CHIP.—

(A) IN GENERAL.—A group health plan, and a health insurance issuer offering group health insurance coverage in connection with a group health plan, shall permit an

employee who is eligible, but not enrolled, for coverage under the terms of the plan (or a dependent of such an employee if the dependent is eligible, but not enrolled, for coverage under such terms) to enroll for coverage under the terms of the plan if either of the following conditions is met:

(i) **TERMINATION OF MEDICAID OR CHIP COVERAGE.**—The employee or dependent is covered under a Medicaid plan under title XIX of the Social Security Act or under a State child health plan under title XXI of such Act and coverage of the employee or dependent under such a plan is terminated as a result of loss of eligibility for such coverage and the employee requests coverage under the group health plan (or health insurance coverage) not later than 60 days after the date of termination of such coverage.

(ii) **ELIGIBILITY FOR EMPLOYMENT ASSISTANCE UNDER MEDICAID OR CHIP.**—The employee or dependent becomes eligible for assistance, with respect to coverage under the group health plan or health insurance coverage, under such Medicaid plan or State child health plan (including under any waiver or demonstration project conducted under or in relation to such a plan), if the employee requests coverage under the group health plan or health insurance coverage not later than 60 days after the date the employee or dependent is determined to be eligible for such assistance.

(B) **COORDINATION WITH MEDICAID AND CHIP.**—

(i) **OUTREACH TO EMPLOYEES REGARDING AVAILABILITY OF MEDICAID AND CHIP COVERAGE.**—

(I) **IN GENERAL.**—Each employer that maintains a group health plan in a State that provides medical assistance under a State Medicaid plan under title XIX of the Social Security Act, or child health assistance under a State child health plan under title XXI of such Act, in the form of premium assistance for the purchase of coverage under a group health plan, shall provide to each employee a written notice informing the employee of potential opportunities then currently available in the State in which the employee resides for premium assistance under such plans for health coverage of the employee or the employee's dependents.

(II) **MODEL NOTICE.**—Not later than 1 year after the date of enactment of the Children's Health Insurance Program Reauthorization Act of 2009, the Secretary and the Secretary of Health and Human Services, in consultation with Directors of State Medicaid agencies under title XIX of the Social Security Act and Directors of State CHIP agencies under title XXI of such Act, shall jointly develop national and State-specific model

notices for purposes of subparagraph (A). The Secretary shall provide employers with such model notices so as to enable employers to timely comply with the requirements of subparagraph (A). Such model notices shall include information regarding how an employee may contact the State in which the employee resides for additional information regarding potential opportunities for such premium assistance, including how to apply for such assistance.

(III) OPTION TO PROVIDE CONCURRENT WITH PROVISION OF PLAN MATERIALS TO EMPLOYEE.—An employer may provide the model notice applicable to the State in which an employee resides concurrent with the furnishing of materials notifying the employee of health plan eligibility, concurrent with materials provided to the employee in connection with an open season or election process conducted under the plan, or concurrent with the furnishing of the summary plan description as provided in section 104(b).

(ii) DISCLOSURE ABOUT GROUP HEALTH PLAN BENEFITS TO STATES FOR MEDICAID AND CHIP ELIGIBLE INDIVIDUALS.—In the case of a participant or beneficiary of a group health plan who is covered under a Medicaid plan of a State under title XIX of the Social Security Act or under a State child health plan under title XXI of such Act, the plan administrator of the group health plan shall disclose to the State, upon request, information about the benefits available under the group health plan in sufficient specificity, as determined under regulations of the Secretary of Health and Human Services in consultation with the Secretary that require use of the model coverage coordination disclosure form developed under section 311(b)(1)(C) of the Children's Health Insurance Program Reauthorization Act of 2009, so as to permit the State to make a determination (under paragraph (2)(B), (3), or (10) of section 2105(c) of the Social Security Act or otherwise) concerning the cost-effectiveness of the State providing medical or child health assistance through premium assistance for the purchase of coverage under such group health plan and in order for the State to provide supplemental benefits required under paragraph (10)(E) of such section or other authority.

(g) USE OF AFFILIATION PERIOD BY HMOs AS ALTERNATIVE TO PREEXISTING CONDITION EXCLUSION.—

(1) IN GENERAL.—In the case of a group health plan that offers medical care through health insurance coverage offered by a health maintenance organization, the plan may provide for an affiliation period with respect to coverage through the organization only if—

(A) no preexisting condition exclusion is imposed with respect to coverage through the organization,

(B) the period is applied uniformly without regard to any health status-related factors, and

(C) such period does not exceed 2 months (or 3 months in the case of a late enrollee).

(2) AFFILIATION PERIOD.—

(A) DEFINED.—For purposes of this part, the term “affiliation period” means a period which, under the terms of the health insurance coverage offered by the health maintenance organization, must expire before the health insurance coverage becomes effective. The organization is not required to provide health care services or benefits during such period and no premium shall be charged to the participant or beneficiary for any coverage during the period.

(B) BEGINNING.—Such period shall begin on the enrollment date.

(C) RUNS CONCURRENTLY WITH WAITING PERIODS.—An affiliation period under a plan shall run concurrently with any waiting period under the plan.

(3) ALTERNATIVE METHODS.—A health maintenance organization described in paragraph (1) may use alternative methods, from those described in such paragraph, to address adverse selection as approved by the State insurance commissioner or official or officials designated by the State to enforce the requirements of part A of title XXVII of the Public Health Service Act for the State involved with respect to such issuer.

SEC. 702. [1182] PROHIBITING DISCRIMINATION AGAINST INDIVIDUAL PARTICIPANTS AND BENEFICIARIES BASED ON HEALTH STATUS.

(a) IN ELIGIBILITY TO ENROLL.—

(1) IN GENERAL.—Subject to paragraph (2), a group health plan, and a health insurance issuer offering group health insurance coverage in connection with a group health plan, may not establish rules for eligibility (including continued eligibility) of any individual to enroll under the terms of the plan based on any of the following health status-related factors in relation to the individual or a dependent of the individual:

(A) Health status.

(B) Medical condition (including both physical and mental illnesses).

(C) Claims experience.

(D) Receipt of health care.

(E) Medical history.

(F) Genetic information.

(G) Evidence of insurability (including conditions arising out of acts of domestic violence).

(H) Disability.

(2) NO APPLICATION TO BENEFITS OR EXCLUSIONS.—To the extent consistent with section 701, paragraph (1) shall not be construed—

(A) to require a group health plan, or group health insurance coverage, to provide particular benefits other than

those provided under the terms of such plan or coverage, or

(B) to prevent such a plan or coverage from establishing limitations or restrictions on the amount, level, extent, or nature of the benefits or coverage for similarly situated individuals enrolled in the plan or coverage.

(3) CONSTRUCTION.—For purposes of paragraph (1), rules for eligibility to enroll under a plan include rules defining any applicable waiting periods for such enrollment.

(b) IN PREMIUM CONTRIBUTIONS.—

(1) IN GENERAL.—A group health plan, and a health insurance issuer offering health insurance coverage in connection with a group health plan, may not require any individual (as a condition of enrollment or continued enrollment under the plan) to pay a premium or contribution which is greater than such premium or contribution for a similarly situated individual enrolled in the plan on the basis of any health status-related factor in relation to the individual or to an individual enrolled under the plan as a dependent of the individual.

(2) CONSTRUCTION.—Nothing in paragraph (1) shall be construed—

(A) to restrict the amount that an employer may be charged for coverage under a group health plan except as provided in paragraph (3); or

(B) to prevent a group health plan, and a health insurance issuer offering group health insurance coverage, from establishing premium discounts or rebates or modifying otherwise applicable copayments or deductibles in return for adherence to programs of health promotion and disease prevention.

(3) NO GROUP-BASED DISCRIMINATION ON BASIS OF GENETIC INFORMATION.—

(A) IN GENERAL.—For purposes of this section, a group health plan, and a health insurance issuer offering group health insurance coverage in connection with a group health plan, may not adjust premium or contribution amounts for the group covered under such plan on the basis of genetic information.

(B) RULE OF CONSTRUCTION.—Nothing in subparagraph (A) or in paragraphs (1) and (2) of subsection (d) shall be construed to limit the ability of a health insurance issuer offering health insurance coverage in connection with a group health plan to increase the premium for an employer based on the manifestation of a disease or disorder of an individual who is enrolled in the plan. In such case, the manifestation of a disease or disorder in one individual cannot also be used as genetic information about other group members and to further increase the premium for the employer.

(c) GENETIC TESTING.—

(1) LIMITATION ON REQUESTING OR REQUIRING GENETIC TESTING.—A group health plan, and a health insurance issuer offering health insurance coverage in connection with a group

health plan, shall not request or require an individual or a family member of such individual to undergo a genetic test.

(2) RULE OF CONSTRUCTION.—Paragraph (1) shall not be construed to limit the authority of a health care professional who is providing health care services to an individual to request that such individual undergo a genetic test.

(3) RULE OF CONSTRUCTION REGARDING PAYMENT.—

(A) IN GENERAL.—Nothing in paragraph (1) shall be construed to preclude a group health plan, or a health insurance issuer offering health insurance coverage in connection with a group health plan, from obtaining and using the results of a genetic test in making a determination regarding payment (as such term is defined for the purposes of applying the regulations promulgated by the Secretary of Health and Human Services under part C of title XI of the Social Security Act and section 264 of the Health Insurance Portability and Accountability Act of 1996, as may be revised from time to time) consistent with subsection (a).

(B) LIMITATION.—For purposes of subparagraph (A), a group health plan, or a health insurance issuer offering health insurance coverage in connection with a group health plan, may request only the minimum amount of information necessary to accomplish the intended purpose.

(4) RESEARCH EXCEPTION.—Notwithstanding paragraph (1), a group health plan, or a health insurance issuer offering health insurance coverage in connection with a group health plan, may request, but not require, that a participant or beneficiary undergo a genetic test if each of the following conditions is met:

(A) The request is made, in writing, pursuant to research that complies with part 46 of title 45, Code of Federal Regulations, or equivalent Federal regulations, and any applicable State or local law or regulations for the protection of human subjects in research.

(B) The plan or issuer clearly indicates to each participant or beneficiary, or in the case of a minor child, to the legal guardian of such beneficiary, to whom the request is made that—

(i) compliance with the request is voluntary; and

(ii) non-compliance will have no effect on enrollment status or premium or contribution amounts.

(C) No genetic information collected or acquired under this paragraph shall be used for underwriting purposes.

(D) The plan or issuer notifies the Secretary in writing that the plan or issuer is conducting activities pursuant to the exception provided for under this paragraph, including a description of the activities conducted.

(E) The plan or issuer complies with such other conditions as the Secretary may by regulation require for activities conducted under this paragraph.

(d) PROHIBITION ON COLLECTION OF GENETIC INFORMATION.—

(1) IN GENERAL.—A group health plan, and a health insurance issuer offering health insurance coverage in connection

with a group health plan, shall not request, require, or purchase genetic information for underwriting purposes (as defined in section 733).

(2) PROHIBITION ON COLLECTION OF GENETIC INFORMATION PRIOR TO ENROLLMENT.—A group health plan, and a health insurance issuer offering health insurance coverage in connection with a group health plan, shall not request, require, or purchase genetic information with respect to any individual prior to such individual's enrollment under the plan or coverage in connection with such enrollment.

(3) INCIDENTAL COLLECTION.—If a group health plan, or a health insurance issuer offering health insurance coverage in connection with a group health plan, obtains genetic information incidental to the requesting, requiring, or purchasing of other information concerning any individual, such request, requirement, or purchase shall not be considered a violation of paragraph (2) if such request, requirement, or purchase is not in violation of paragraph (1).

(e) APPLICATION TO ALL PLANS.—The provisions of subsections (a)(1)(F), (b)(3), (c), and (d), and subsection (b)(1) and section 701 with respect to genetic information, shall apply to group health plans and health insurance issuers without regard to section 732(a).

(f) GENETIC INFORMATION OF A FETUS OR EMBRYO.—Any reference in this part to genetic information concerning an individual or family member of an individual shall—

(1) with respect to such an individual or family member of an individual who is a pregnant woman, include genetic information of any fetus carried by such pregnant woman; and

(2) with respect to an individual or family member utilizing an assisted reproductive technology, include genetic information of any embryo legally held by the individual or family member.

SEC. 703. [1183] GUARANTEED RENEWABILITY IN MULTIEMPLOYER PLANS AND MULTIPLE EMPLOYER WELFARE ARRANGEMENTS.

A group health plan which is a multiemployer plan or which is a multiple employer welfare arrangement may not deny an employer whose employees are covered under such a plan continued access to the same or different coverage under the terms of such a plan, other than—

- (1) for nonpayment of contributions;
- (2) for fraud or other intentional misrepresentation of material fact by the employer;
- (3) for noncompliance with material plan provisions;
- (4) because the plan is ceasing to offer any coverage in a geographic area;
- (5) in the case of a plan that offers benefits through a network plan, there is no longer any individual enrolled through the employer who lives, resides, or works in the service area of the network plan and the plan applies this paragraph uniformly without regard to the claims experience of employers or

any health status-related factor in relation to such individuals or their dependents; and

(6) for failure to meet the terms of an applicable collective bargaining agreement, to renew a collective bargaining or other agreement requiring or authorizing contributions to the plan, or to employ employees covered by such an agreement.

SUBPART B—OTHER REQUIREMENTS

SEC. 711. [1185] STANDARDS RELATING TO BENEFITS FOR MOTHERS AND NEWBORNS.

(a) REQUIREMENTS FOR MINIMUM HOSPITAL STAY FOLLOWING BIRTH.—

(1) IN GENERAL.—A group health plan, and a health insurance issuer offering group health insurance coverage, may not—

(A) except as provided in paragraph (2)—

(i) restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child, following a normal vaginal delivery, to less than 48 hours, or

(ii) restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child, following a cesarean section, to less than 96 hours; or

(B) require that a provider obtain authorization from the plan or the issuer for prescribing any length of stay required under subparagraph (A) (without regard to paragraph (2)).

(2) EXCEPTION.—Paragraph (1)(A) shall not apply in connection with any group health plan or health insurance issuer in any case in which the decision to discharge the mother or her newborn child prior to the expiration of the minimum length of stay otherwise required under paragraph (1)(A) is made by an attending provider in consultation with the mother.

(b) PROHIBITIONS.—A group health plan, and a health insurance issuer offering group health insurance coverage in connection with a group health plan, may not—

(1) deny to the mother or her newborn child eligibility, or continued eligibility, to enroll or to renew coverage under the terms of the plan, solely for the purpose of avoiding the requirements of this section;

(2) provide monetary payments or rebates to mothers to encourage such mothers to accept less than the minimum protections available under this section;

(3) penalize or otherwise reduce or limit the reimbursement of an attending provider because such provider provided care to an individual participant or beneficiary in accordance with this section;

(4) provide incentives (monetary or otherwise) to an attending provider to induce such provider to provide care to an

individual participant or beneficiary in a manner inconsistent with this section; or

(5) subject to subsection (c)(3), restrict benefits for any portion of a period within a hospital length of stay required under subsection (a) in a manner which is less favorable than the benefits provided for any preceding portion of such stay.

(c) RULES OF CONSTRUCTION.—

(1) Nothing in this section shall be construed to require a mother who is a participant or beneficiary—

(A) to give birth in a hospital; or

(B) to stay in the hospital for a fixed period of time following the birth of her child.

(2) This section shall not apply with respect to any group health plan, or any group health insurance coverage offered by a health insurance issuer, which does not provide benefits for hospital lengths of stay in connection with childbirth for a mother or her newborn child.

(3) Nothing in this section shall be construed as preventing a group health plan or issuer from imposing deductibles, coinsurance, or other cost-sharing in relation to benefits for hospital lengths of stay in connection with childbirth for a mother or newborn child under the plan (or under health insurance coverage offered in connection with a group health plan), except that such coinsurance or other cost-sharing for any portion of a period within a hospital length of stay required under subsection (a) may not be greater than such coinsurance or cost-sharing for any preceding portion of such stay.

(d) NOTICE UNDER GROUP HEALTH PLAN.—The imposition of the requirements of this section shall be treated as a material modification in the terms of the plan described in section 102(a)(1), for purposes of assuring notice of such requirements under the plan; except that the summary description required to be provided under the last sentence of section 104(b)(1) with respect to such modification shall be provided by not later than 60 days after the first day of the first plan year in which such requirements apply.

(e) LEVEL AND TYPE OF REIMBURSEMENTS.—Nothing in this section shall be construed to prevent a group health plan or a health insurance issuer offering group health insurance coverage from negotiating the level and type of reimbursement with a provider for care provided in accordance with this section.

(f) PREEMPTION; EXCEPTION FOR HEALTH INSURANCE COVERAGE IN CERTAIN STATES.—

(1) IN GENERAL.—The requirements of this section shall not apply with respect to health insurance coverage if there is a State law (as defined in section 731(d)(1)) for a State that regulates such coverage that is described in any of the following subparagraphs:

(A) Such State law requires such coverage to provide for at least a 48-hour hospital length of stay following a normal vaginal delivery and at least a 96-hour hospital length of stay following a cesarean section.

(B) Such State law requires such coverage to provide for maternity and pediatric care in accordance with guidelines established by the American College of Obstetricians

and Gynecologists, the American Academy of Pediatrics, or other established professional medical associations.

(C) Such State law requires, in connection with such coverage for maternity care, that the hospital length of stay for such care is left to the decision of (or required to be made by) the attending provider in consultation with the mother.

(2) CONSTRUCTION.—Section 731(a)(1) shall not be construed as superseding a State law described in paragraph (1).

SEC. 712. [1185a] PARITY IN MENTAL HEALTH AND SUBSTANCE USE DISORDER BENEFITS.

(a) IN GENERAL.—

(1) AGGREGATE LIFETIME LIMITS.—In the case of a group health plan (or health insurance coverage offered in connection with such a plan) that provides both medical and surgical benefits and mental health or substance use disorder benefits—

(A) NO LIFETIME LIMIT.—If the plan or coverage does not include an aggregate lifetime limit on substantially all medical and surgical benefits, the plan or coverage may not impose any aggregate lifetime limit on mental health or substance use disorder benefits.

(B) LIFETIME LIMIT.—If the plan or coverage includes an aggregate lifetime limit on substantially all medical and surgical benefits (in this paragraph referred to as the ‘applicable lifetime limit’), the plan or coverage shall either—

(i) apply the applicable lifetime limit both to the medical and surgical benefits to which it otherwise would apply and to mental health and substance use disorder benefits and not distinguish in the application of such limit between such medical and surgical benefits and mental health and substance use disorder benefits; or

(ii) not include any aggregate lifetime limit on mental health or substance use disorder benefits that is less than the applicable lifetime limit.

(C) RULE IN CASE OF DIFFERENT LIMITS.—In the case of a plan or coverage that is not described in subparagraph (A) or (B) and that includes no or different aggregate lifetime limits on different categories of medical and surgical benefits, the Secretary shall establish rules under which subparagraph (B) is applied to such plan or coverage with respect to mental health and substance use disorder benefits by substituting for the applicable lifetime limit an average aggregate lifetime limit that is computed taking into account the weighted average of the aggregate lifetime limits applicable to such categories.

(2) ANNUAL LIMITS.—In the case of a group health plan (or health insurance coverage offered in connection with such a plan) that provides both medical and surgical benefits and mental health or substance use disorder benefits—

(A) NO ANNUAL LIMIT.—If the plan or coverage does not include an annual limit on substantially all medical and surgical benefits, the plan or coverage may not impose

any annual limit on mental health or substance use disorder benefits.

(B) ANNUAL LIMIT.—If the plan or coverage includes an annual limit on substantially all medical and surgical benefits (in this paragraph referred to as the ‘applicable annual limit’), the plan or coverage shall either—

(i) apply the applicable annual limit both to medical and surgical benefits to which it otherwise would apply and to mental health and substance use disorder benefits and not distinguish in the application of such limit between such medical and surgical benefits and mental health and substance use disorder benefits; or

(ii) not include any annual limit on mental health or substance use disorder benefits that is less than the applicable annual limit.

(C) RULE IN CASE OF DIFFERENT LIMITS.—In the case of a plan or coverage that is not described in subparagraph (A) or (B) and that includes no or different annual limits on different categories of medical and surgical benefits, the Secretary shall establish rules under which subparagraph (B) is applied to such plan or coverage with respect to mental health and substance use disorder benefits by substituting for the applicable annual limit an average annual limit that is computed taking into account the weighted average of the annual limits applicable to such categories.

(3) FINANCIAL REQUIREMENTS AND TREATMENT LIMITATIONS.—

(A) IN GENERAL.—In the case of a group health plan (or health insurance coverage offered in connection with such a plan) that provides both medical and surgical benefits and mental health or substance use disorder benefits, such plan or coverage shall ensure that—

(iii) **TREATMENT LIMITATION.**—The term “treatment limitation” includes limits on the frequency of treatment, number of visits, days of coverage, or other similar limits on the scope or duration of treatment.

(4) **AVAILABILITY OF PLAN INFORMATION.**—The criteria for medical necessity determinations made under the plan with respect to mental health or substance use disorder benefits (or the health insurance coverage offered in connection with the plan with respect to such benefits) shall be made available by the plan administrator (or the health insurance issuer offering such coverage) in accordance with regulations to any current or potential participant, beneficiary, or contracting provider upon request. The reason for any denial under the plan (or coverage) of reimbursement or payment for services with respect to mental health or substance use disorder benefits in the case of any participant or beneficiary shall, on request or as otherwise required, be made available by the plan administrator (or the health insurance issuer offering such coverage) to the participant or beneficiary in accordance with regulations.

(ii) EMPLOYERS NOT IN EXISTENCE IN PRECEDING YEAR.—In the case of an employer which was not in existence throughout the preceding calendar year, the determination of whether such employer is a small employer shall be based on the average number of employees that it is reasonably expected such employer will employ on business days in the current calendar year.

(iii) PREDECESSORS.—Any reference in this paragraph to an employer shall include a reference to any predecessor of such employer.

(2) COST EXEMPTION.—

(A) IN GENERAL.—With respect to a group health plan (or health insurance coverage offered in connection with such a plan), if the application of this section to such plan (or coverage) results in an increase for the plan year involved of the actual total costs of coverage with respect to medical and surgical benefits and mental health and substance use disorder benefits under the plan (as determined and certified under subparagraph (C)) by an amount that exceeds the applicable percentage described in subparagraph (B) of the actual total plan costs, the provisions of this section shall not apply to such plan (or coverage) during the following plan year, and such exemption shall apply to the plan (or coverage) for 1 plan year. An employer may elect to continue to apply mental health and substance use disorder parity pursuant to this section with respect to the group health plan (or coverage) involved regardless of any increase in total costs.

(ii) 1 percent in the case of each subsequent plan year.

(C) DETERMINATIONS BY ACTUARIES.—Determinations as to increases in actual costs under a plan (or coverage) for purposes of this section shall be made and certified by a qualified and licensed actuary who is a member in good standing of the American Academy of Actuaries. All such determinations shall be in a written report prepared by the actuary. The report, and all underlying documentation relied upon by the actuary, shall be maintained by the group health plan or health insurance issuer for a period

(F) AUDITS BY APPROPRIATE AGENCIES.—To determine compliance with this paragraph, the Secretary may audit the books and records of a group health plan or health insurance issuer relating to an exemption, including any actuarial reports prepared pursuant to subparagraph (C), during the 6 year period following the notification of such exemption under subparagraph (E). A State agency receiving a notification under subparagraph (E) may also con-

duct such an audit with respect to an exemption covered by such notification.

PROCEDURES IN CONNECTION WITH THE ISSUANCE OF CERTAIN DETERMINATION LETTERS BY THE SECRETARY OF THE TREASURY

SEC. 3001. [1201] (a) Before issuing an advance determination of whether a pension, profit-sharing, or stock bonus plan, a trust which is a part of such a plan, or an annuity or bond purchase plan meets the requirements of part I of subchapter D of chapter 1 of the Internal Revenue Code of 1986, the Secretary of the Treasury shall require the person applying for the determination to provide, in addition to any material and information necessary for such determination, such other material and information as may reasonably be made available at the time such application is made as the Secretary of Labor may require under title I of this Act for the administration of that title. The Secretary of the Treasury shall also require that the applicant provide evidence satisfactory to the Secretary that the applicant has notified each employee who qualifies as an interested party (within the meaning of regulations prescribed under section 7476(b)(1) of such Code (relating to declaratory judgements in connection with the qualification of certain retirement plans)) of the application for a determination.

(b)(1) Whenever an application is made to the Secretary of the Treasury for a determination of whether a pension, profit-sharing, or stock bonus plan, a trust which is a part of such a plan, or an annuity or bond purchase plan meets the requirements of part I of subchapter D of chapter 1 of the Internal Revenue Code of 1986, the Secretary shall upon request afford an opportunity to comment on the application at any time within 45 days after receipt thereof to—

(B) 10 percent of the employees

who qualify as interested parties within the meaning of the regulations referred to in subsection (a). Upon receiving such a request, the Secretary of Labor shall furnish a copy of the request to the Secretary of the Treasury within 5 days (excluding Saturdays, Sundays, and legal public holidays (as set forth in section 6103 of title 5, United States Code)).

(3) Upon receiving such a request from the Secretary of Labor, the Secretary of the Treasury shall furnish to the Secretary of Labor such information held by the Secretary of the Treasury relating to the application as the Secretary of Labor may request.

(4) The Secretary of Labor shall, within 30 days after receiving a request from the Pension Benefit Guaranty Corporation or from the necessary number of employees who qualify as interested parties, notify the Secretary of the Treasury, the Pension Benefit Guaranty Corporation, and such employees with respect to whether he is going to comment on the application to which the request relates and with respect to any matters raised in such request on which he is not going to comment. If the Secretary of Labor indicates in the notice required under the preceding sentence that he is not going to comment on all or part of the matters raised in such request, the Secretary of the Treasury shall afford the corporation^{3001—2}, and such employees, an opportunity to comment on the application with respect to any matter on which the Secretary of Labor has declined to comment.

(c) The Pension Benefit Guaranty Corporation and, upon petition of a group of employees referred to in subsection (b)(2), the Secretary of Labor, may intervene in any action brought for declaratory judgment under section 7476 of the Internal Revenue Code of 1986 in accordance with the provisions of such section. The Pension Benefit Guaranty Corporation is permitted to bring an action under such section 7476 under such rules as may be prescribed by the United States Tax Court.

determination of the Secretary of the Treasury as prima facie evidence of initial compliance by the plan with the standards of parts 2, 3, and 4 of subtitle B of title I of this Act. The determination of the Secretary of the Treasury shall not be prima facie evidence on issues relating solely to part 4 of subtitle B of title I. If an application for such a determination is withdrawn, or if the Secretary of the Treasury issues a determination that the plan or trust does not meet the requirements of such part I, the Secretary shall notify the Secretary of Labor of the withdrawal or determination.

(e) This section does not apply with respect to an application for any plan received by the Secretary of the Treasury before the date on which section 410 of the Internal Revenue Code of 1986 applies to the plan, or on which such section will apply if the plan is determined by the Secretary to be a qualified plan.

PROCEDURES WITH RESPECT TO CONTINUED COMPLIANCE WITH REQUIREMENTS RELATING TO PARTICIPATION, VESTING, AND FUNDING STANDARDS

SEC. 3002. [1202] (a) In carrying out the provisions of part I of subchapter D of chapter 1 of the Internal Revenue Code of 1986 with respect to whether a plan or a trust meets the requirements of section 410(a) or 411 of such Code (relating to minimum participation standards and minimum vesting standards, respectively), the Secretary of the Treasury shall notify the Secretary of Labor when the Secretary of the Treasury issues a preliminary notice of intent to disqualify related to the plan or trust or, if earlier, at the time of commencing any proceeding to determine whether the plan or trust satisfies such requirements. Unless the Secretary of the Treasury finds that the collection of a tax imposed under the Internal Revenue Code of 1986 is in jeopardy, the Secretary of the Treasury shall not issue a determination that the plan or trust does not satisfy the requirements of such section until the expiration of a period of 60 days after the date on which he notifies the Secretary of Labor of such review. The Secretary of the Treasury, in his discretion, may extend the 60-day period referred to in the preceding sentence if he determines that such an extension would enable the Secretary of Labor to obtain compliance with such requirements by the plan within the extension period. Except as otherwise provided in this Act, the Secretary of Labor shall not generally apply part 2 of title I of this Act to any plan or trust subject to sections 410(a) and 411 of such Code, but shall refer alleged general violations of the vesting or participation standards to the Secretary of the Treasury. (The preceding sentence shall not apply to matters relating to individuals benefits.)

(b) Unless the Secretary of the Treasury finds that the collection of a tax is in jeopardy, in carrying out the provisions of section 4971 of the Internal Revenue Code of 1986 (relating to taxes on the failure to meet minimum funding standards), the Secretary of the Treasury shall notify the Secretary of Labor before sending a notice of deficiency with respect to any tax imposed under that section on

an employer, and, in accordance with the provisions of subsection (d) of that section, afford the Secretary of Labor an opportunity to comment on the imposition of the tax in the case. The Secretary of the Treasury may waive the imposition of the tax imposed under section 4971(b) of such Code in appropriate cases. Upon receiving a written request from the Secretary of Labor or from the Pension Benefit Guaranty Corporation, the Secretary of the Treasury shall cause an investigation to be commenced expeditiously with respect to whether the tax imposed under section 4971 of such Code should be applied with respect to any employer to which the request relates. The Secretary of the Treasury and the Secretary of Labor shall consult with each other from time to time with respect to the provisions of section 412 of the Internal Revenue Code of 1986 (relating to minimum funding standards) and with respect to the funding standards applicable under title I of this Act in order to coordinate the rules applicable under such standards.

(c) Regulations prescribed by the Secretary of the Treasury under sections 410(a), 411, and 412 of the Internal Revenue Code of 1986 (relating to minimum participation standards, minimum vesting standards, and minimum funding standards, respectively) shall also apply to the minimum participation, vesting, and funding standards set forth in parts 2 and 3 of subtitle B of title I of this Act. Except as otherwise expressly provided in this chapter, the Secretary of Labor shall not prescribe other regulations under such parts, or apply the regulations prescribed by the Secretary of the Treasury under sections 410(a), 411, 412 of the Internal Revenue Code of 1986 and applicable to the minimum participation, vesting, and funding standards under such parts in a manner inconsistent with the way such regulations apply under sections 410(a), 411, and 412 of such Code.

(d) The Secretary of Labor and the Pension Benefit Guaranty Corporation, before filing briefs in any case involving the construction or application of minimum participation standards, minimum vesting standards, or minimum funding standards under title I of this Act, shall afford the Secretary of the Treasury a reasonable opportunity to review any such brief. The Secretary of the Treasury shall have the right to intervene in any such case.

(e) The Secretary of the Treasury shall consult with the Pension Benefit Guaranty Corporation with respect to any proposed or final regulation authorized by subpart C of part I of subchapter D of chapter 1 of the Internal Revenue Code of 1986, or by sections 4241 through 4245 of this Act, before publishing any such proposed or final regulation.

(29 U.S.C. 1202) Enacted September 2, 1974, P.L. 93-406, title III, sec. 3002, 88 Stat. 996; amended September 26, 1980, P.L. 96-364, title IV, sec. 402(b)(3), 94 Stat. 1299; amended December 22, 1986, P.L. 99-514, sec. 2, 100 Stat. 2095; amended December 19, 1989, P.L. 101-239, title VII, sec. 7891(a)(1), 103 Stat. 2445.

PROCEDURES IN CONNECTION WITH PROHIBITED TRANSACTIONS

SEC. 3003. [1203] (a) Unless the Secretary of the Treasury finds that the collection of a tax is in jeopardy, in carrying out the provisions of section 4975 of the Internal Revenue Code of 1986 (relating to tax on prohibited transactions) the Secretary of the Treasury shall, in accordance with the provisions of subsection (h) of

such section, notify the Secretary of Labor before sending a notice of deficiency with respect to the tax imposed by subsection (a) or (b) of such section, and, in accordance with the provisions of subsection (h) of such section, afford the Secretary an opportunity to comment on the imposition of the tax in any case. The Secretary of the Treasury shall have authority to waive the imposition of the tax imposed under section 4975(b) in appropriate cases. Upon receiving a written request from the Secretary of Labor or from the Pension Benefit Guaranty Corporation, the Secretary of the Treasury shall cause an investigation to be carried out with respect to whether the tax imposed by section 4975 of such Code should be applied to any person referred to in the request.

(b) The Secretary of the Treasury and the Secretary of Labor shall consult with each other from time to time with respect to the provisions of section 4975 of the Internal Revenue Code of 1986 (relating to tax on prohibited transactions) and with respect to the provisions of title I of this Act relating to prohibited transactions and exemptions therefrom in order to coordinate the rules applicable under such standards.

(c) Whenever the Secretary of Labor obtains information indicating that a party-in-interest or disqualified person is violating section 406 of this Act, he shall transmit such information to the Secretary of the Treasury.

[1204] (a) Whenever in this Act or in any provision of law amended by this Act the Secretary of the Treasury and the Secretary of Labor are required to carry out provisions relating to the same subject matter (as determined by them) they shall consult with each other and shall develop rules, regulations, practices, and forms which, to the extent appropriate for the efficient administration of such provisions, are designed to reduce duplication of effort, duplication of reporting, conflicting or overlapping requirements, and the burden of compliance with such provisions by plan administrators, employers, and participants and beneficiaries.

(b) In order to avoid unnecessary expense and duplication of functions among Government agencies, the Secretary of the Treasury and the Secretary of Labor may make such arrangements or agreements for cooperation or mutual assistance in the performance of their functions under this Act, and the functions of any such agencies as they find to be practicable and consistent with law. The Secretary of the Treasury and the Secretary of Labor may utilize, on a reimbursable or other basis, the facilities or services, of any department, agency, or establishment of the United States or of any State or political subdivision of a State, including the services, of any of its employees, with the lawful consent of such department, agency, or establishment; and each department, agency, or establishment of the United States is authorized and directed to cooperate with the Secretary of the Treasury and the Secretary of Labor and, to the extent permitted by law, to provide such infor-

The Attorney General or his representative shall receive from the Secretary of the Treasury and the Secretary of Labor for appropriate action such evidence developed in the performance of their functions under this Act as may be found to warrant consideration for criminal prosecution under the provisions of this title or other Federal law.

PROTECTION FOR EMPLOYEES UNDER FEDERAL PROCUREMENT,
CONSTRUCTION, AND RESEARCH CONTRACTS AND GRANTS

SEC. 3032. [1232] (a) The Secretary of Labor shall, during the 2-year period beginning on the date of the enactment of this Act [September 2, 1974], conduct a full and complete study and investigation of the steps necessary to be taken to insure that professional, scientific, and technical personnel and others working in associated occupations employed under Federal procurement, construction, or research contracts or grants will, to the extent feasible, be protected against forfeitures of pension or retirement rights or benefits, otherwise provided, as a consequence of job transfers or loss of employment resulting from terminations or modifications of Federal contracts, grants, or procurement policies. The Secretary of Labor shall report the results of his study and investigation to the Congress within 2 years after the date of the enactment of this Act [September 2, 1974]. The Secretary of Labor is authorized, to the extent provided by law, to obtain the services of private research institutions and such other persons by contract or other arrangement as he determines necessary in carrying out the provisions of this section.

(b) In the course of conducting the study and investigation described in subsection (a), and in developing the regulations referred to in subsection (c), the Secretary of Labor shall consult—

(1) with appropriate professional societies, business organizations, and labor organizations, and

(2) with the heads of interested Federal departments and agencies.

(c) Within 1 year after the date on which he submits his report to the Congress under subsection (a), the Secretary of Labor shall, if he determines it to be feasible, develop regulations, which will provide the protection of pension and retirement rights and benefits referred to in subsection (a).

(d)(1) Any regulations developed pursuant to subsection (c) shall take effect if, and only if—

(A) the Secretary of Labor, not later than the day which is 3 years after the date of the enactment of this Act [September 2, 1974], delivers a copy of such regulations to the House of Representatives and a copy to the Senate, and

(B) before the close of the 120-day period which begins on the day on which the copies of such regulations are delivered to the House of Representatives and to the Senate, neither the House of Representatives nor the Senate adopts, by an affirmative vote of a majority of those present and voting in that House, a resolution of disapproval.

(2) For purposes of this subsection, the term “resolution of disapproval” means only a resolution of either House of Congress, the matter after the resolving clause of which is as follows: “That the _____ does not favor the taking effect of the regulations transmitted to the Congress by the Secretary of Labor on _____”, the first blank space therein being filled with the name of the resolving House and the second blank space therein being filled with the day and year.

(3) A resolution of disapproval in the House of Representatives shall be referred to the Committee on Education and Labor. A resolution of disapproval in the Senate shall be referred to the Committee on Labor and Public Welfare^{3032—1}.

(4)(A) If the committee to which a resolution of disapproval has been referred has not reported it at the end of 7 calendar days after its introduction, it is in order to move either to discharge the committee from further consideration of the resolution or to discharge the committee from further consideration of any other resolution of disapproval which has been referred to the committee.

(B) A motion to discharge may be made only by an individual favoring the resolution, is highly privileged (except that it may not be made after the committee has reported a resolution of disapproval), and debate thereon shall be limited to not more than 1 hour, to be divided equally between those favoring and those opposing the resolution. An amendment to the motion is not in order, and it is not in order to move to reconsider the vote by which the motion is agreed to or disagreed to.

(C) If the motion to discharge is agreed to or disagreed to, the motion may not be renewed, nor may another motion to discharge the committee be made with respect to any other resolution of disapproval.

(5)(A) When the committee has reported, or has been discharged from further consideration of, a resolution of disapproval, it is at any time thereafter in order (even though a previous motion to the same effect has been disagreed to) to move to proceed to the consideration of the resolution. The motion is highly privileged and is not debatable. An amendment to the motion is not in order, and it is not in order to move to reconsider the vote by which the motion is agreed to or disagreed to.

(B) Debate on the resolution of disapproval shall be limited to not more than 10 hours, which shall be divided equally between those favoring and those opposing the resolution. A motion further to limit debate is not debatable. An amendment to, or motion to recommit, the resolution is not in order, and it is not in order to move to reconsider the vote by which the resolution is agreed to or disagreed to.

(6)(A) Motions to postpone, made with respect to the discharge from committee or the consideration of a resolution of disapproval, and motions to proceed to the consideration of other business, shall be decided without debate.

(B) Appeals from the decisions of the Chair relating to the application of the rules of the House of Representatives or the Senate, as the case may be, to the procedure relating to any resolution of disapproval shall be decided without debate.

(7) Whenever the Secretary of Labor transmits copies of the regulations to the Congress, a copy of such regulations shall be delivered to each House of Congress on the same day and shall be delivered to the Clerk of the House of Representatives if the House is not in session and to the Secretary of the Senate if the Senate is not in session.

^{3032—1} So in original. The committee is currently named the Committee on Labor and Human Resources.

(8) The 120 day period referred to in paragraph (1) shall be computed by excluding—

(A) the days on which either House is not in session because of an adjournment of more than 3 days to a day certain or an adjournment of the Congress sine die, and

(B) any Saturday and Sunday, not excluded under subparagraph (A), when either House is not in session.

(9) This subsection is enacted by the Congress—

(A) as an exercise of the rulemaking power of the House of Representatives and the Senate, respectively, and as such they are deemed a part of the rules of each House, respectively, but applicable only with respect to the procedure to be followed in that House in the case of resolutions of disapproval described in paragraph (2); and they supersede other rules only to the extent that they are inconsistent therewith; and

(B) with full recognition of the constitutional right of either House to change the rules (so far as relating to the procedures of that House) at any time, in the same manner and to the same extent as in the case of any other rule of that House.

- (A) for making such payments as the corporation determines are necessary to pay benefits guaranteed under section 4022 or 4022A^{4005—1},

- (C) to repay to the Secretary of the Treasury such sums as may be borrowed (together with interest thereon) under subsection (c),
- (D) to pay the operational and administrative expenses of the corporation, including reimbursement of the expenses incurred by the Department of the Treasury in maintaining the funds, and the Comptroller General in auditing the corporation, and

(3) Whenever the corporation determines that the moneys of any fund are in excess of current needs, it may request the investment of such amounts as it determines advisable by the Secretary of the Treasury in obligations issued or guaranteed by the United States but, until all borrowings under subsection (c) have been repaid, the obligations in which such excess moneys are invested may not yield a rate of return in excess of the rate of interest payable on such borrowings.

(c) The corporation is authorized to issue to the Secretary of the Treasury notes or other obligations in an aggregate amount of not to exceed \$100,000,000, in such forms and denominations, bearing such maturities, and subject to such terms and conditions as may be prescribed by the Secretary of the Treasury. Such notes or other obligations shall bear interest at a rate determined by the Secretary of the Treasury, taking into consideration the current average market yield on outstanding marketable obligations of the United States of comparable maturities during the month preceding the issuance of such notes or other obligations of the corporation. The Secretary of the Treasury is authorized and directed to purchase any notes or other obligations issued by the corporation under this subsection, and for that purpose he is authorized to use as a public debt transaction the proceeds from the sale of any securities issued under the Second Liberty Bond Act, as amended, [chapter 31 of title 31, United States Code]^{4005—2} and the purposes for which securities may be issued under that Act [such chapter], as amended, are extended to include any purchase of such notes and obligations. The Secretary of the Treasury may at any time sell any of the notes or other obligations acquired by him under this subsection. All redemptions, purchases, and sales by the Secretary of the Treasury of such notes or other obligations shall be treated as public debt transactions of the United States.

(d)(1) A fifth fund shall be established for the reimbursement of uncollectible withdrawal liability under section 4222, and shall be credited with the appropriate—

(2) The corporation may invest amounts of the fund in such obligations as the corporation considers appropriate.

(e)(1) A sixth fund shall be established for the supplemental benefit guarantee program provided under section 4022A(g)(2).

(2) Such fund shall be credited with the appropriate—

(3) The corporation may invest amounts of the fund in such obligations as the corporation considers appropriate.

(f)(1) A seventh fund shall be established and credited with—

(A) premiums, penalties, and interest charges collected under section 4006(a)(3)(A)(i) (not described in subparagraph (B)) to the extent attributable to the amount of the premium in excess of \$8.50,

(B) premiums, penalties, and interest charges collected under section 4006(a)(3)(E), and

(A) administrative costs of the corporation, or

(B) benefits under any plan which was terminated before October 1, 1988,

unless no other amounts are available for such payment.

(3) The corporation may invest amounts of the fund in such obligations as the corporation considers appropriate.

(g)(1) Amounts in any fund established under this section may be used only for the purposes for which such fund was established and may not be used to make loans to (or on behalf of) any other fund or to finance any other activity of the corporation.

PREMIUM RATES

SEC. 4006. [1306] (a)(1) The corporation shall prescribe such schedules of premium rates and bases for the application of those rates as may be necessary to provide sufficient revenue to the fund for the corporation to carry out its functions under this title. The premium rates charged by the corporation for any period shall be

uniform for all plans, other than multiemployer plans, insured by the corporation with respect to basic benefits guaranteed by it under section 4022, and shall be uniform for all multiemployer plans with respect to basic benefits guaranteed by it under section 4022A.

(2) The corporation shall maintain separate schedules of premium rates, and bases for the application of those rates, for—

(A) basic benefits guaranteed by it under section 4022 for single-employer plans,

(B) basic benefits guaranteed by it under section 4022A for multiemployer plans,

(C) nonbasic benefits guaranteed by it under section 4022 for single-employer plans,

(D) nonbasic benefits guaranteed by it under section 4022A for multiemployer plans, and

(E) reimbursements of uncollectible withdrawal liability under section 4222.

The corporation may revise such schedules whenever it determines that revised schedules are necessary. Except as provided in section 4022A(f), in order to place a revised schedule described in subparagraph (A) or (B) in effect, the corporation shall proceed in accordance with subsection (b)(1), and such schedule shall apply only to plan years beginning more than 30 days after the date on which a joint resolution approving such revised schedule is enacted.

(3)(A) Except as provided in subparagraph (C), the annual premium rate payable to the corporation by all plans for basic benefits guaranteed under this title is—

(i) in the case of a single-employer plan, for plan years beginning after December 31, 2005, an amount equal to the sum of \$30 plus the additional premium (if any) determined under subparagraph (E) for each individual who is a participant in such plan during the plan year;

(ii) in the case of a multiemployer plan, for the plan year within which the date of enactment of the Multiemployer Pension Plan Amendments Act of 1980 [September 26, 1980] falls, an amount for each individual who is a participant in such plan for such plan year equal to the sum of—

(I) 50 cents, multiplied by a fraction the numerator of which is the number of months in such year ending on or before such date and the denominator of which is 12, and

(II) \$1.00, multiplied by a fraction equal to 1 minus the fraction determined under clause (i),

(iii) in the case of a multiemployer plan, for plan years beginning after the date of enactment of the Multiemployer Pension Plan Amendments Act of 1980 [September 26, 1980], and before January 1, 2006, an amount equal to—

(I) \$1.40 for each participant, for the first, second, third, and fourth plan years,

(II) \$1.80 for each participant, for the fifth and sixth plan years,

(III) \$2.20 for each participant, for the seventh and eighth plan years, and

(IV) \$2.60 for each participant, for the ninth plan year, and for each succeeding plan year, or

(iv) in the case of a multiemployer plan, for plan years beginning after December 31, 2005, \$8.00 for each individual who is a participant in such plan during the applicable plan year.

(B) The corporation may prescribe by regulation the extent to which the rate described in subparagraph (A)(i) applies more than once for any plan year to an individual participating in more than one plan maintained by the same employer, and the corporation may prescribe regulations under which the rate described in clause (iii) or (iv) of subparagraph (A) will not apply to the same participant in any multiemployer plan more than once for any plan year.

(C)(i) If the sum of—

(I) the amounts in any fund for basic benefits guaranteed for multiemployer plans, and

(II) the value of any assets held by the corporation for payment of basic benefits guaranteed for multiemployer plans, is for any calendar year less than 2 times the amount of basic benefits guaranteed by the corporation under this title for multiemployer plans which were paid out of any such fund or assets during the preceding calendar year, the annual premium rates under subparagraph (A) shall be increased to the next highest premium level necessary to insure that such sum will be at least 2 times greater than such amount during the following calendar year.

(ii) If the board of directors of the corporation determines that an increase in the premium rates under subparagraph (A) is necessary to provide assistance to plans which are receiving assistance under section 4261 and to plans the board finds are reasonably likely to require such assistance, the board may order such increase in the premium rates.

(iii) The maximum annual premium rate which may be established under this subparagraph is \$2.60 for each participant.

(iv) The provisions of this subparagraph shall not apply if the annual premium rate is increased to a level in excess of \$2.60 per participant under any other provisions of this title.

(D)(i) Not later than 120 days before the date on which an increase under subparagraph (C)(ii) is to become effective, the corporation shall publish in the Federal Register a notice of the determination described in subparagraph (C)(ii), the basis for the determination, the amount of the increase in the premium, and the anticipated increase in premium income that would result from the increase in the premium rate. The notice shall invite public comment, and shall provide for a public hearing if one is requested. Any such hearing shall be commenced not later than 60 days before the date on which the increase is to become effective.

(ii) The board of directors shall review the hearing record established under clause (i) and shall, not later than 30 days before the date on which the increase is to become effective, determine (after consideration of the comments received) whether the amount of the increase should be changed and shall publish its determination in the Federal Register.

(E)(i) Except as provided in subparagraph (H), the additional premium determined under this subparagraph with respect to any plan for any plan year shall be an amount equal to the amount determined under clause (ii) divided by the number of participants in such plan as of the close of the preceding plan year.

(ii) The amount determined under this clause for any plan year shall be an amount equal to \$9.00 for each \$1,000 (or fraction thereof) of unfunded vested benefits under the plan as of the close of the preceding plan year.

(iii)¹ For purposes of clause (ii)—

(I) Except as provided in subclause (II) or (III), the term “unfunded vested benefits” means the amount which would be the unfunded current liability (within the meaning of section 302(d)(8)(A)) if only vested benefits were taken into account.

(II) The interest rate used in valuing vested benefits for purposes of subclause (I) shall be equal to the applicable percentage of the annual yield on 30-year Treasury securities for the month preceding the month in which the plan year begins. For purposes of this subclause, the applicable percentage is 80 percent for plan years beginning before July 1, 1997, 85 percent for plan years beginning after June 30, 1997, and before the 1st plan year to which the first tables prescribed under section 302(d)(7)(C)(ii)(II) apply, and 100 percent for such 1st plan year and subsequent plan years.

(III)^{4006—1} In the case of any plan year for which the applicable percentage under subclause (II) is 100 percent, the value of the plan’s assets used in determining unfunded current liability under subclause (I) shall be their fair market value.

(IV)^{4006—2} In the case of plan years beginning after December 31, 2001, and before January 1, 2004, subclause (II) shall be applied by substituting “100 percent” for “85 percent”. Subclause (III) shall be applied for such years without regard to the preceding sentence. Any reference to this clause or this subparagraph by any other sections or subsections (other than sections 4005, 4010, 4011, and 4043) shall be treated as a reference to this clause or this subparagraph without regard to this subclause.

(V) In the case of plan years beginning after December 31, 2003, and before January 1, 2008, the annual yield taken into account under subclause (II) shall be the annual rate of interest determined by the Secretary of the Treasury on amounts

¹ Clauses (iii) and (iv) are amended by section 401(a)(1) of Public Law 109–280 (120 Stat. 922) to read as follows:

“(iii) For purposes of clause (ii), the term ‘unfunded vested benefits’ means, for a plan year, the excess (if any) of—

“(I) the funding target of the plan as determined under section 303(d) for the plan year by only taking into account vested benefits and by using the interest rate described in clause (iv), over

“(II) the fair market value of plan assets for the plan year which are held by the plan on the valuation date.

“(iv) The interest rate used in valuing benefits for purposes of subclause (I) of clause (iii) shall be equal to the first, second, or third segment rate for the month preceding the month in which the plan year begins, which would be determined under section 303(h)(2)(C) if section 303(h)(2)(D) were applied by using the monthly yields for the month preceding the month in which the plan year begins on investment grade corporate bonds with varying maturities and in the top 3 quality levels rather than the average of such yields for a 24-month period.

The amendment made by paragraph (1) of such law “shall apply with respect to plan years beginning after 2007”. Section 301(a)(3) (120 Stat. 919) provides for an amendment to subclause (V) of clause (iii) by striking “2006” and inserting “2008”.

invested conservatively in long-term investment grade corporate bonds for the month preceding the month in which the plan year begins. For purposes of the preceding sentence, the Secretary of the Treasury shall determine such rate of interest on the basis of 2 or more indices that are selected periodically by the Secretary of the Treasury and that are in the top 3 quality levels available. The Secretary of the Treasury shall make the permissible range, and the indices and methodology used to determine the rate, publicly available.

(iv) No premium shall be determined under this subparagraph for any plan year if, as of the close of the preceding plan year, contributions to the plan for the preceding plan year were not less than the full funding limitation for the preceding plan year under section 412(c)(7) of the Internal Revenue Code of 1986.

(F) For each plan year beginning in a calendar year after 2006, there shall be substituted for the premium rate specified in clause (i) of subparagraph (A) an amount equal to the greater of—

(i) the product derived by multiplying the premium rate specified in clause (i) of subparagraph (A) by the ratio of—

(I) the national average wage index (as defined in section 209(k)(1) of the Social Security Act) for the first of the 2 calendar years preceding the calendar year in which such plan year begins, to

(II) the national average wage index (as so defined) for 2004; and

(ii) the premium rate in effect under clause (i) of subparagraph (A) for plan years beginning in the preceding calendar year.

If the amount determined under this subparagraph is not a multiple of \$1, such product shall be rounded to the nearest multiple of \$1.

(G) For each plan year beginning in a calendar year after 2006, there shall be substituted for the premium rate specified in clause (iv) of subparagraph (A) an amount equal to the greater of—

(i) the product derived by multiplying the premium rate specified in clause (iv) of subparagraph (A) by the ratio of—

(I) the national average wage index (as defined in section 209(k)(1) of the Social Security Act) for the first of the 2 calendar years preceding the calendar year in which such plan year begins, to

(II) the national average wage index (as so defined) for 2004; and

(ii) the premium rate in effect under clause (iv) of subparagraph (A) for plan years beginning in the preceding calendar year.

If the amount determined under this subparagraph is not a multiple of \$1, such product shall be rounded to the nearest multiple of \$1.

(H)(i) In the case of an employer who has 25 or fewer employees on the first day of the plan year, the additional premium determined under subparagraph (E) for each participant shall not exceed \$5 multiplied by the number of participants in the plan as of the close of the preceding plan year.

(ii) For purposes of clause (i), whether an employer has 25 or fewer employees on the first day of the plan year is determined by taking into consideration all of the employees of all members of the contributing sponsor's controlled group. In the case of a plan maintained by two or more contributing sponsors, the employees of all contributing sponsors and their controlled groups shall be aggregated for purposes of determining whether the 25-or-fewer-employees limitation has been satisfied.

(4) The corporation may prescribe, subject to the enactment of a joint resolution in accordance with this section or section 4022A(f), alternative schedules of premium rates, and bases for the application of those rates, for basic benefits guaranteed by it under sections 4022 and 4022A based, in whole or in part, on the risks insured by the corporation in each plan.

(5)(A) In carrying out its authority under paragraph (1) to establish schedules of premium rates, and bases for the application of those rates, for nonbasic benefits guaranteed under sections 4022 and 4022A the premium rates charged by the corporation for any period for nonbasic benefits guaranteed shall—

- (i) be uniform by category of nonbasic benefits guaranteed,
- (ii) be based on the risks insured in each category, and
- (iii) reflect the experience of the corporation (including experience which may be reasonably anticipated) in guaranteeing such benefits.

(B) Notwithstanding subparagraph (A), premium rates charged to any multiemployer plan by the corporation for any period for supplemental guarantees under section 4022A(g)(2) may reflect any reasonable considerations which the corporation determines to be appropriate.

(6)(A) In carrying out its authority under paragraph (1) to establish premium rates and bases for basic benefits guaranteed under section 4022 with respect to single-employer plans, the corporation shall establish such rates and bases in coverage schedules in accordance with the provisions of this paragraph.

(B) The corporation may establish annual premiums for single-employer plans composed of the sum of—

- (i) a charge based on a rate applicable to the excess, if any, of the present value of the basic benefits of the plan which are guaranteed over the value of the assets of the plan, not in excess of 0.1 percent, and
- (ii) an additional charge based on a rate applicable to the present value of the basic benefits of the plan which are guaranteed.

The rate for the additional charge referred to in clause (ii) shall be set by the corporation for every year at a level which the corporation estimates will yield total revenue approximately equal to the total revenue to be derived by the corporation from the charges referred to in clause (i) of this subparagraph.

(C) The corporation may establish annual premiums for single-employer plans based on—

- (i) the number of participants in a plan, but such premium rates shall not exceed the rates described in paragraph (3),

(ii) unfunded basic benefits guaranteed under this title, but such premium rates shall not exceed the limitations applicable to charges referred to in subparagraph (B)(i), or

(iii) total guaranteed basic benefits, but such premium rates shall not exceed the rates for additional charges referred to in subparagraph (B)(ii).

If the corporation uses two or more of the rate bases described in this subparagraph, the premium rates shall be designed to produce approximately equal amounts of aggregate premium revenue from each of the rate bases used.

(D) For purposes of this paragraph, the corporation shall by regulation define the terms “value of assets” and “present value of the benefits of the plan which are guaranteed” in a manner consistent with the purposes of this title and the provisions of this section.

(7) PREMIUM RATE FOR CERTAIN TERMINATED SINGLE-EMPLOYER PLANS.—

(A) IN GENERAL.—If there is a termination of a single-employer plan under clause (ii) or (iii) of section 4041(c)(2)(B) or section 4042, there shall be payable to the corporation, with respect to each applicable 12-month period, a premium at a rate equal to \$1,250 multiplied by the number of individuals who were participants in the plan immediately before the termination date. Such premium shall be in addition to any other premium under this section.

(B) SPECIAL RULE FOR PLANS TERMINATED IN BANKRUPTCY REORGANIZATION.—In the case of a single-employer plan terminated under section 4041(c)(2)(B)(ii) or under section 4042 during pendency of any bankruptcy reorganization proceeding under chapter 11 of title 11, United States Code, or under any similar law of a State or a political subdivision of a State (or a case described in section 4041(c)(2)(B)(i) filed by or against such person has been converted, as of such date, to such a case in which reorganization is sought), subparagraph (A) shall not apply to such plan until the date of the discharge or dismissal of such person in such case.

(C) APPLICABLE 12-MONTH PERIOD.—For purposes of subparagraph (A)—

(i) IN GENERAL.—The term “applicable 12-month period” means—

(I) the 12-month period beginning with the first month following the month in which the termination date occurs, and

(II) each of the first two 12-month periods immediately following the period described in subclause (I).

(ii) PLANS TERMINATED IN BANKRUPTCY REORGANIZATION.—In any case in which the requirements of subparagraph (B) are met in connection with the termination of the plan with respect to 1 or more persons described in such subparagraph, the 12-month period described in clause (i)(I) shall be the 12-month period beginning with the first month following the month which includes the earliest date as of which each such person is discharged or

dismissed in the case described in such clause in connection with such person.

(D) COORDINATION WITH SECTION 4007.—

(i) Notwithstanding section 4007—

(I) premiums under this paragraph shall be due within 30 days after the beginning of any applicable 12-month period, and

(II) the designated payor shall be the person who is the contributing sponsor as of immediately before the termination date.

(ii) The fifth sentence of section 4007(a) shall not apply in connection with premiums determined under this paragraph.

(E) TERMINATION.—Subparagraph (A) shall not apply with respect to any plan terminated after December 31, 2010.

(b)(1) In order to place a revised schedule (other than a schedule described in subsection (a)(2)(C), (D), or (E)) in effect, the corporation shall transmit the proposed schedule, its proposed effective date, and the reasons for its proposal to the Committee on Ways and Means and the Committee on Education and Labor of the House of Representatives, and to the Committee on Finance and the Committee on Labor and Human Resources of the Senate.

(2) The succeeding paragraphs of this subsection are enacted by Congress as an exercise of the rulemaking power of the Senate and the House of Representatives, respectively, and as such they shall be deemed a part of the rules of each House, respectively, but applicable only with respect to the procedure to be followed in that House in the case of resolutions described in paragraph (3). They shall supersede other rules only to the extent that they are inconsistent therewith. They are enacted with full recognition of the constitutional right of either House to change the rules (so far as relating to the procedure of that House) at any time, in the same manner and to the same extent as in the case of any rule of that House.

(3) For the purpose of the succeeding paragraphs of this subsection, “resolution” means only a joint resolution, the matter after the resolving clause of which is as follows: “The proposed revised schedule transmitted to Congress by the Pension Benefit Guaranty Corporation on _____ is hereby approved.”, the blank space therein being filled with the date on which the corporation’s message proposing the rate was delivered.

(4) A resolution shall be referred to the Committee on Ways and Means and the Committee on Education and Labor of the House of Representatives and to the Committee on Finance and the Committee on Labor and Human Resources of the Senate.

(5) If a committee to which has been referred a resolution has not reported it before the expiration of 10 calendar days after its introduction, it shall then (but not before) be in order to move to discharge the committee from further consideration of that resolution, or to discharge the committee from further consideration of any other resolution with respect to the proposed adjustment which has been referred to the committee. The motion to discharge may be made only by a person favoring the resolution, shall be highly privileged (except that it may not be made after the committee has reported a resolution with respect to the same proposed rate), and

debate thereon shall be limited to not more than 1 hour, to be divided equally between those favoring and those opposing the resolution. An amendment to the motion is not in order, and it is not in order to move to reconsider the vote by which the motion is agreed to or disagreed to. If the motion to discharge is agreed to or disagreed to, the motion may not be renewed, nor may another motion to discharge the committee be made with respect to any other resolution with respect to the same proposed rate.

(6) When a committee has reported, or has been discharged from further consideration of a resolution, it is at any time thereafter in order (even though a previous motion to the same effect has been disagreed to) to move to proceed to the consideration of the resolution. The motion is highly privileged and is not debatable. An amendment to the motion is not in order, and it is not in order to move to reconsider the vote by which the motion is agreed to or disagreed to. Debate on the resolution shall be limited to not more than 10 hours, which shall be divided equally between those favoring and those opposing the resolution. A motion further to limit debate is not debatable. An amendment to, or motion to recommit, the resolution is not in order, and it is not in order to move to reconsider the vote by which the resolution is agreed to or disagreed to.

(7) Motions to postpone, made with respect to the discharge from committee, or the consideration of, a resolution and motions to proceed to the consideration of other business shall be decided without debate. Appeals from the decisions of the Chair relating to the application of the rules of the Senate or the House of Representatives, as the case may be, to the procedure relating to a resolution shall be decided without debate.

(c)(1) Except as provided in subsection (a)(3), and subject to paragraph (2), the rate for all plans for basic benefits guaranteed under this title with respect to plan years ending after September 2, 1974, is—

(A) in the case of each plan which was not a multiemployer plan in a plan year—

(i) with respect to each plan year beginning before January 1, 1978, an amount equal to \$1 for each individual who was a participant in such plan during the plan year,

(ii) with respect to each plan year beginning after December 31, 1977, and before January 1, 1986, an amount equal to \$2.60 for each individual who was a participant in such plan during the plan year, and

(iii) with respect to each plan year beginning after December 31, 1985, and before January 1, 1988, an amount equal to \$8.50 for each individual who was a participant in such plan during the plan year, and

(iv) with respect to each plan year beginning after December 31, 1987, and before January 1, 1991, an amount equal to \$16 for each individual who was a participant in such plan during the plan year, and

(B) in the case of each plan which was a multiemployer plan in a plan year, an amount equal to 50 cents for each indi-

vidual who was a participant in such plan during the plan year.

(2) The rate applicable under this subsection for the plan year preceding September 1, 1975, is the product of—

(A) the rate described in the preceding sentence; and

(B) a fraction—

(i) the numerator of which is the number of calendar months in the plan year which ends after September 2, 1974, and before the date on which the new plan year commences, and

(ii) the denominator of which is 12.

PAYMENT OF PREMIUMS

SEC. 4007. [1307] (a) The designated payor of each plan shall pay the premiums imposed by the corporation under this title with respect to that plan when they are due. Premiums under this title are payable at the time, and on an estimated, advance, or other basis, as determined by the corporation. Premiums imposed by this title on the date of enactment [September 2, 1974] (applicable to that portion of any plan year during which such date occurs) are due within 30 days after such date. Premiums imposed by this title on the first plan year commencing after the date of enactment of this Act [September 2, 1974] are due within 30 days after such plan year commences. Premiums shall continue to accrue until a plan's assets are distributed pursuant to a termination procedure, or until a trustee is appointed pursuant to section 4042, whichever is earlier. The corporation may waive or reduce premiums for a multiemployer plan for any plan year during which such plan receives financial assistance from the corporation under section 4261, except that any amount so waived or reduced shall be treated as financial assistance under such section.

(b)(1) If any basic benefit premium is not paid when it is due the corporation is authorized to assess a late payment charge of not more than 100 percent of the premium payment which was not timely paid. The preceding sentence shall not apply to any payment of premium made within 60 days after the date on which payment is due, if before such date, the designated payor obtains a waiver from the corporation based upon a showing of substantial hardship arising from the timely payment of the premium. The corporation is authorized to grant a waiver under this subsection upon application made by the designated payor, but the corporation may not grant a waiver if it appears that the designated payor will be unable to pay the premium within 60 days after the date on which it is due. If any premium is not paid by the last date prescribed for a payment, interest on the amount of such premium at the rate

imposed under section 6601(a) of the Internal Revenue Code of 1986 (relating to interest on underpayment, nonpayment, or extensions of time for payment of tax) shall be paid for the period from such last date to the date paid.

(2) The corporation is authorized to pay, subject to regulations prescribed by the corporation, interest on the amount of any overpayment of premium refunded to a designated payor. Interest under this paragraph shall be calculated at the same rate and in the same manner as interest is calculated for underpayments under paragraph (1).

(c) If any designated payor fails to pay a premium when due, the corporation is authorized to bring a civil action in any district court of the United States within the jurisdiction of which the plan assets are located, the plan is administered, or in which a defendant resides or is found for the recovery of the amount of the premium penalty, and interest, and process may be served in any other district. The district courts of the United States shall have jurisdiction over actions brought under this subsection by the corporation without regard to the amount in controversy.

(d) The corporation shall not cease to guarantee basic benefits on account of the failure of a designated payor to pay any premium when due.

(e)(1) For purposes of this section, the term “designated payor” means—

(A) the contributing sponsor or plan administrator in the case of a single-employer plan, and

(B) the plan administrator in the case of a multiemployer plan.

(2) If the contributing sponsor of any single-employer plan is a member of a controlled group, each member of such group shall be jointly and severally liable for any premiums required to be paid by such contributing sponsor. For purposes of the preceding sentence, the term “controlled group” means any group treated as a single employer under subsection (b), (c), (m), or (o) of section 414 of the Internal Revenue Code of 1986.

The report shall include financial statements setting forth the finances of the corporation at the end of such fiscal year and the result of its operations (including the source and application of its funds) for the fiscal year and shall include an actuarial evaluation of the expected operations and status of the funds established under section 4005 for the next five years (including a detailed statement of the actuarial assumptions and methods used in making such evaluation).

(b) The report under subsection (a) shall include—

(1) a summary of the Pension Insurance Modeling System microsimulation model, including the specific simulation parameters, specific initial values, temporal parameters, and policy parameters used to calculate the financial statements for the corporation;

(2) a comparison of—

(A) the average return on investments earned with respect to assets invested by the corporation for the year to which the report relates; and

(B) an amount equal to 60 percent of the average return on investment for such year in the Standard & Poor's 500 Index, plus 40 percent of the average return on investment for such year in the Lehman Aggregate Bond Index (or in a similar fixed income index); and

(3) a statement regarding the deficit or surplus for such year that the corporation would have had if the corporation had earned the return described in paragraph (2)(B) with respect to assets invested by the corporation.

SEC. 4021. [1321] (a) Except as provided in subsection (b), this title applies to any plan (including a successor plan) which, for a plan year—

(1) is an employee pension benefit plan (as defined in paragraph (2) of section 3 of this Act) established or maintained—

(A) by an employer engaged in commerce or in any industry or activity affecting commerce, or

(B) by any employee organization, or organization representing employees, engaged in commerce or in any industry or activity affecting commerce, or

(C) by both,

which has, in practice, met the requirements of part I of subchapter D of chapter 1 of the Internal Revenue Code of 1986 (as in effect for the preceding 5 plan years of the plan) applicable to plans described in paragraph (2) for the preceding 5 plan years; or

(2) is, or has been determined by the Secretary of the Treasury to be, a plan described in section 401(a) of the Internal Revenue Code of 1986, or which meets, or has been determined by the Secretary of the Treasury to meet, the requirements of section 404(a)(2) of such Code.

For purposes of this title, a successor plan is considered to be a continuation of a predecessor plan. For this purpose, unless otherwise specifically indicated in this title, a successor plan is a plan which covers a group of employees which includes substantially the same employees as a previously established plan, and provides substantially the same benefits as that plan provided.

(b) This section does not apply to any plan—

(1) which is an individual account plan, as defined in paragraph (34) of section 3 of this Act,

(2) established and maintained for its employees by the Government of the United States, by the government of any State or political subdivision thereof, or by any agency or instrumentality of any of the foregoing, or to which the Railroad Retirement Act of 1935 [(45 U.S.C. 215 note et seq.)] or 1937 [Railroad Retirement Act of 1974 (45 U.S.C. 231 et seq.)]^{4021—1} applies and which is financed by contributions required under that Act, or which is described in the last sentence of section 3(32)^{4021—2}

(3) which is a church plan as defined in section 414(e) of the Internal Revenue Code of 1986, unless that plan has made an election under section 410(d) of such Code, and has notified the corporation in accordance with procedures prescribed by the corporation, that it wishes to have the provisions of this part apply to it,

(4)(A) established and maintained by a society, order, or association described in section 501(c)(8) or (9) of the Internal

Revenue Code of 1986, if no part of the contributions to or under the plan is made by employers of participants in the plan, or

(B) of which a trust described in section 501(c)(18) of such Code is a part;

(5) which has not at any time after the date of enactment of this Act [September 2, 1974], provided for employer contributions;

(6) which is unfunded and which is maintained by an employer primarily for the purpose of providing deferred compensation for a select group of management or highly compensated employees;

(7) which is established and maintained outside of the United States primarily for the benefit of individuals substantially all of whom are nonresident aliens;

(8) which is maintained by an employer solely for the purpose of providing benefits for certain employees in excess of the limitations on contributions and benefits imposed by section 415 of the Internal Revenue Code of 1986 on plans to which that section applies, without regard to whether the plan is funded, and, to the extent that a separable part of a plan (as determined by the corporation) maintained by an employer is maintained for such purpose, that part shall be treated for purposes of this title, as a separate plan which is an excess benefit plan;

(9) which is established and maintained exclusively for substantial owners;

(10) of an international organization which is exempt from taxation under the International Organizations Immunities Act [(22 U.S.C. 288 et seq.)];

(11) maintained solely for the purpose of complying with applicable workmen's compensation laws or unemployment compensation or disability insurance laws;

(12) which is a defined benefit plan, to the extent that it is treated as an individual account plan under paragraph (35)(B) of section 3 of this Act; or

(13) established and maintained by a professional service employer which does not at any time after the date of enactment of this Act [September 2, 1974] have more than 25 active participants in the plan.

(c)(1) For purposes of subsection (b)(1), the term "individual account plan" does not include a plan under which a fixed benefit is promised if the employer or his representative participated in the determination of that benefit.

(2) For purposes of this paragraph and for purposes of subsection (b)(13)—

(A) the term "professional service employer" means any proprietorship, partnership, corporation, or other association or organization (i) owned or controlled by professional individuals or by executors or administrators of professional individuals, (ii) the principal business of which is the performance of professional services, and

(B) the term "professional individuals" includes but is not limited to, physicians, dentists, chiropractors, osteopaths, op-

tometrists, other licensed practitioners of the healing arts, attorneys at law, public accountants, public engineers, architects, draftsmen, actuaries, psychologists, social or physical scientists, and performing artists.

(3) In the case of a plan established and maintained by more than one professional service employer, the plan shall not be treated as a plan described in subsection (b)(13) if, at any time after the date of enactment of this Act [September 2, 1974] the plan has more than 25 active participants.

(d) For purposes of subsection (b)(9), the term “substantial owner” means an individual who, at any time during the 60-month period ending on the date the determination is being made—

(1) owns the entire interest in an unincorporated trade or business,

(2) in the case of a partnership, is a partner who owns, directly or indirectly, more than 10 percent of either the capital interest or the profits interest in such partnership, or

(3) in the case of a corporation, owns, directly or indirectly, more than 10 percent in value of either the voting stock of that corporation or all the stock of that corporation.

For purposes of paragraph (3), the constructive ownership rules of section 1563(e) of the Internal Revenue Code of 1986 (other than paragraph (3)(C) thereof) shall apply, including the application of such rules under section 414(c) of such Code.

(29 U.S.C. 1321) Enacted September 2, 1974, P.L. 93-406, title IV, sec. 4021, 88 Stat. 1014; amended September 26, 1980, P.L. 96-364, title IV, sec. 402(a)(4), 94 Stat. 1298; amended December 19, 1989, P.L. 101-239, title VII, secs. 7891(a)(1), 7894(g)(3)(A), 103 Stat. 2445, 2451; amended August 17, 2006, P.L. 109-280, secs. 407(c)(1), 906(a)(2)(B), (b)(2), 120 Stat. 930, 1051, 1052; amended December 23, 2008, P.L. 110-458, sec. 109(d)(2), 122 Stat. 5112.

SINGLE-EMPLOYER PLAN BENEFITS GUARANTEED

SEC. 4022. [1322] (a) Subject to the limitations contained in subsection (b), the corporation shall guarantee, in accordance with this section, the payment of all nonforfeitable benefits (other than benefits becoming nonforfeitable solely on account of the termination of a plan) under a single-employer plan which terminates at a time when this title applies to it.

(b)(1) Except to the extent provided in paragraph (7)—

(A) no benefits provided by a plan which has been in effect for less than 60 months at the time the plan terminates shall be guaranteed under this section, and

(B) any increase in the amount of benefits under a plan resulting from a plan amendment which was made, or became effective, whichever is later, within 60 months before the date on which the plan terminates shall be disregarded.

(2) For purposes of this subsection, the time a successor plan (within the meaning of section 4021(a)) has been in effect includes the time a previously established plan (within the meaning of section 4021(a)) was in effect. For purposes of determining what benefits are guaranteed under this section in the case of a plan to which section 4021 does not apply on the day after the date of enactment of this Act [the day after September 2, 1974], the 60-month period

referred to in paragraph (1) shall be computed beginning on the first date on which such section does apply to the plan.

(3) The amount of monthly benefits described in subsection (a) provided by a plan, which are guaranteed under this section with respect to a participant, shall not have an actuarial value which exceeds the actuarial value of a monthly benefit in the form of a life annuity commencing at age 65 equal to the lesser of—

(A) his average monthly gross income from his employer during the 5 consecutive calendar year period (or, if less, during the number of calendar years in such period in which he actively participates in the plan) during which his gross income from that employer was greater than during any other such period with that employer determined by dividing $\frac{1}{12}$ of the sum of all such gross income by the number of such calendar years in which he had such gross income, or

(B) \$750 multiplied by a fraction, the numerator of which is the contribution and benefit base (determined under section 230 of the Social Security Act [(42 U.S.C. 430)]) in effect at the time the plan terminates and the denominator of which is such contribution and benefit base in effect in the calendar year 1974.

The provisions of this paragraph do not apply to non-basic benefits. The maximum guaranteed monthly benefit shall not be reduced solely on account of the age of a participant in the case of a benefit payable by reason of disability that occurred on or before the termination date, if the participant demonstrates to the satisfaction of the corporation that the Social Security Administration has determined that the participant satisfies the definition of disability under title II or XVI of the Social Security Act, and the regulations thereunder. If a benefit payable by reason of disability is converted to an early or normal retirement benefit for reasons other than a change in the health of the participant, such early or normal retirement benefit shall be treated as a continuation of the benefit payable by reason of disability and this subparagraph shall continue to apply.

(4)(A) The actuarial value of a benefit, for purposes of this subsection, shall be determined in accordance with regulations prescribed by the corporation.

(B) For purposes of paragraph (3)—

(i) the term “gross income” means “earned income” within the meaning of section 911(b) of the Internal Revenue Code of 1986 (determined without regard to any community property laws),

(ii) in the case of a participant in a plan under which contributions are made by more than one employer, amounts received as gross income from any employer under that plan shall be aggregated with amounts received from any other employer under that plan during the same period, and

(iii) any non-basic benefit shall be disregarded.

(5)(A) For purposes of this paragraph, the term “majority owner” means an individual who, at any time during the 60-month period ending on the date the determination is being made—

(i) owns the entire interest in an unincorporated trade or business,

(ii) in the case of a partnership, is a partner who owns, directly or indirectly, 50 percent or more of either the capital interest or the profits interest in such partnership, or

(iii) in the case of a corporation, owns, directly or indirectly, 50 percent or more in value of either the voting stock of that corporation or all the stock of that corporation.

For purposes of clause (iii), the constructive ownership rules of section 1563(e) of the Internal Revenue Code of 1986 (other than paragraph (3)(C) thereof) shall apply, including the application of such rules under section 414(c) of such Code.

(B) In the case of a participant who is a majority owner, the amount of benefits guaranteed under this section shall equal the product of—

(i) a fraction (not to exceed 1) the numerator of which is the number of years from the later of the effective date or the adoption date of the plan to the termination date, and the denominator of which is 10, and

(ii) the amount of benefits that would be guaranteed under this section if the participant were not a majority owner.

(6)(A) No benefits accrued under a plan after the date on which the Secretary of the Treasury issues notice that he has determined that any trust which is a part of a plan does not meet the requirements of section 401(a) of the Internal Revenue Code of 1986, or that the plan does not meet the requirements of section 404(a)(2) of such Code, are guaranteed under this section unless such determination is erroneous. This subparagraph does not apply if the Secretary subsequently issues a notice that such trust meets the requirements of section 401(a) of such Code or that the plan meets the requirements of section 404(a)(2) of such Code and if the Secretary determines that the trust or plan has taken action necessary to meet such requirements during the period between the issuance of the notice referred to in the preceding sentence and the issuance of the notice referred to in this sentence.

(B) No benefits accrued under a plan after the date on which an amendment of the plan is adopted which causes the Secretary of the Treasury to determine that any trust under the plan has ceased to meet the requirements of section 401(a) of the Internal Revenue Code of 1986 or that the plan has ceased to meet the requirements of section 404(a)(2) of such Code, are guaranteed under this section unless such determination is erroneous. This subparagraph shall not apply if the amendment is revoked as of the date it was first effective or amended to comply with such requirements.

(7) Benefits described in paragraph (1) are guaranteed only to the extent of the greater of—

(A) 20 percent of the amount which, but for the fact that the plan or amendment has not been in effect for 60 months or more, would be guaranteed under this section, or

(B) \$20 per month, multiplied by the number of years (but not more than 5) the plan or amendment, as the case may be, has been in effect. In determining how many years a plan or amendment has been in effect for purposes of this paragraph, the first 12 months beginning with the date on which the plan or amendment is made or first becomes effective (whichever is later) constitutes one year, and each con-

secutive period of 12 months thereafter constitutes an additional year. This paragraph does not apply to benefits payable under a plan unless the corporation finds substantial evidence that the plan was terminated for a reasonable business purpose and not for the purpose of obtaining the payment of benefits by the corporation under this title.

(8)¹ If an unpredictable contingent event benefit (as defined in section 206(g)(1)) is payable by reason of the occurrence of any event, this section shall be applied as if a plan amendment had been adopted on the date such event occurred.

(c)(1) In addition to benefits paid under the preceding provisions of this section with respect to a terminated plan, the corporation shall pay the portion of the amount determined under paragraph (2) which is allocated with respect to each participant under section 4044(a). Such payment shall be made to such participant or to such participant's beneficiaries (including alternate payees, within the meaning of section 206(d)(3)(K)).

(2) The amount determined under this paragraph is an amount equal to the product derived by multiplying—

(A) the outstanding amount of benefit liabilities under the plan (including interest calculated from the termination date), by

(B) the applicable recovery ratio.

(3)¹

(A)¹ IN GENERAL.—Except as provided in subparagraph (C), the term “recovery ratio” means the ratio which—

(i) the sum of the values of all recoveries under section 4062, 4063, or 4064, determined by the corporation in connection with plan terminations described under subparagraph (B), bears to

(ii) the sum of all unfunded benefit liabilities under such plans as of the termination date in connection with any such prior termination.

(B) A plan termination described in this subparagraph is a termination with respect to which—

(i) the corporation has determined the value of recoveries under section 4062, 4063, or 4064, and

(ii)¹ notices of intent to terminate were provided (or in the case of a termination by the corporation, a notice of determination under section 4042 was issued) during the 5-Federal fiscal year period ending with the third fiscal year preceding the fiscal year in which occurs the date of the notice of intent to terminate (or the notice of determination under section 4042) with respect to the plan termination for which the recovery ratio is being determined.

(C) In the case of a terminated plan with respect to which the outstanding amount of benefit liabilities exceeds \$20,000,000, for

purposes of this section, the term “recovery ratio” means, with respect to the termination of such plan, the ratio of—

- (i) the value of the recoveries of the corporation under section 4062, 4063, or 4064 in connection with such plan, to
- (ii) the amount of unfunded benefit liabilities under such plan as of the termination date.

(4) Determinations under this subsection shall be made by the corporation. Such determinations shall be binding unless shown by clear and convincing evidence to be unreasonable.

(d) The corporation is authorized to guarantee the payment of such other classes of benefits and to establish the terms and conditions under which such other classes of benefits are guaranteed as it determines to be appropriate.

(e) For purposes of subsection (a), a qualified preretirement survivor annuity (as defined in section 205(e)(1)) with respect to a participant under a terminated single-employer plan shall not be treated as forfeitable solely because the participant has not died as of the termination date.

(f) For purposes of this section, the effective date of a plan amendment described in section 204(i)(1) shall be the effective date of the plan of reorganization of the employer described in section 204(i)(1) or, if later, the effective date stated in such amendment.

(g) **BANKRUPTCY FILING SUBSTITUTED FOR TERMINATION DATE.**—If a contributing sponsor of a plan has filed or has had filed against such person a petition seeking liquidation or reorganization in a case under title 11, United States Code, or under any similar Federal law or law of a State or political subdivision, and the case has not been dismissed as of the termination date of the plan, then this section shall be applied by treating the date such petition was filed as the termination date of the plan.

(h) **SPECIAL RULE FOR PLANS ELECTING CERTAIN FUNDING REQUIREMENTS.**—If any plan makes an election under section 402(a)(1) of the Pension Protection Act of 2006 and is terminated effective before the end of the 10-year period beginning on the first day of the first applicable plan year—

(1) this section shall be applied—

(A) by treating the first day of the first applicable plan year as the termination date of the plan, and

(B) by determining the amount of guaranteed benefits on the basis of plan assets and liabilities as of such assumed termination date, and

(2) notwithstanding section 4044(a), plan assets shall first be allocated to pay the amount, if any, by which—

(A) the amount of guaranteed benefits under this section (determined without regard to paragraph (1) and on the basis of plan assets and liabilities as of the actual date of plan termination), exceeds

(B) the amount determined under paragraph (1).

MULTIEMPLOYER PLAN BENEFITS GUARANTEED

SEC. 4022A. [1322a] (a) The corporation shall guarantee, in accordance with this section, the payment of all nonforfeitable benefits (other than benefits becoming nonforfeitable solely on account of the termination of a plan) under a multiemployer plan—

(1) to which this title applies, and

(2) which is insolvent under section 4245(b) or 4281(d)(2).

(b)(1)(A) For purposes of this section, a benefit or benefit increase which has been in effect under a plan for less than 60 months is not eligible for the corporation's guarantee. For purposes of this paragraph, any month of any plan year during which the plan was insolvent or terminated (within the meaning of section 4041A(a)(2)) shall not be taken into account.

(B) For purposes of this section, a benefit or benefit increase which has been in effect under a plan for less than 60 months before the first day of the plan year for which an amendment reducing the benefit or the benefit increase is taken into account under section 4244A(a)(2) in determining the minimum contribution requirement for the plan year under section 4243(b) is not eligible for the corporation's guarantee.

(2) For purposes of this section—

(A) the date on which a benefit or a benefit increase under a plan is first in effect is the later of—

(i) the date on which the documents establishing or increasing the benefit were executed, or

(ii) the effective date of the benefit or benefit increase;

(B) the period of time for which a benefit or a benefit increase has been in effect under a successor plan includes the period of time for which the benefit or benefit increase was in effect under a previously established plan; and

(C) in the case of a plan to which section 4021 did not apply on September 3, 1974, the time periods referred to in this section are computed beginning on the date on which section 4021 first applies to the plan.

(c)(1) Except as provided in subsection (g), the monthly benefit of a participant or a beneficiary which is guaranteed under this section by the corporation with respect to a plan is the product of—

(A) 100 percent of the accrual rate up to \$11, plus 75 percent of the lesser of—

(i) \$33, or

(ii) the accrual rate, if any, in excess of \$11, and

(B) the number of the participant's years of credited service.

(2) For purposes of this section, the accrual rate is—

(A) the monthly benefit of the participant or beneficiary which is described in subsection (a) and which is eligible for the corporation's guarantee under subsection (b), except that such benefit shall be—

(i) no greater than the monthly benefit which would be payable under the plan at normal retirement age in the form of a single life annuity, and

- (ii) determined without regard to any reduction under section 411(a)(3)(E) of the Internal Revenue Code of 1986; divided by
 - (B) the participant's years of credited service.
 - (3) For purposes of this subsection—
 - (A) a year of credited service is a year in which the participant completed—
 - (i) a full year of participation in the plan, or
 - (ii) any period of service before participation which is credited for purposes of benefit accrual as the equivalent of a full year of participation;
 - (B) any year for which the participant is credited for purposes of benefit accrual with a fraction of the equivalent of a full year of participation shall be counted as such a fraction of a year of credited service; and
 - (C) years of credited service shall be determined by including service which may otherwise be disregarded by the plan under section 411(a)(3)(E) of the Internal Revenue Code of 1986.
 - (d) In the case of a benefit which has been reduced under section 411(a)(3)(E) of the Internal Revenue Code of 1986, the corporation shall guarantee the lesser of—
 - (1) the reduced benefit, or
 - (2) the amount determined under subsection (c).
 - (e) The corporation shall not guarantee benefits under a multiemployer plan which, under section 4022(b)(6), would not be guaranteed under a single-employer plan.
 - (f)(1) No later than 5 years after the date of the enactment of the Multiemployer Pension Plan Amendments Act of 1980 [September 26, 1980], and at least every fifth year thereafter, the corporation shall—
 - (A) conduct a study to determine—
 - (i) the premiums needed to maintain the basic-benefit guarantee levels for multiemployer plans described in subsection (c), and
 - (ii) whether the basic-benefit guarantee levels for multiemployer plans may be increased without increasing the basic-benefit premiums for multiemployer plans under this title; and
 - (B) report such determinations to the Committee on Ways and Means and the Committee on Education and Labor of the House of Representatives and to the Committee on Finance and the Committee on Labor and Human Resources of the Senate.
 - (2)(A) If the last report described in paragraph (1) indicates that a premium increase is necessary to support the existing basic-benefit guarantee levels for multiemployer plans, the corporation shall transmit to the Committee on Ways and Means and the Committee on Education and Labor of the House of Representatives and to the Committee on Finance and the Committee on Labor and Human Resources of the Senate by March 31 of any calendar year in which congressional action under this subsection is requested—
 - (i) a revised schedule of basic-benefit guarantees for multiemployer plans which would be necessary in the absence of an

increase in premiums approved in accordance with section 4006(b),

(ii) a revised schedule of basic-benefit premiums for multi-employer plans which is necessary to support the existing basic-benefit guarantees for such plans, and

(iii) a revised schedule of basic-benefit guarantees for multi-employer plans for which the schedule of premiums necessary is higher than the existing premium schedule for such plans but lower than the revised schedule of premiums for such plans specified in clause (ii), together with such schedule of premiums.

(B) The revised schedule of increased premiums referred to in subparagraph (A)(ii) or (A)(iii) shall go into effect as approved by the enactment of a joint resolution.

(C) If an increase in premiums is not so enacted, the revised guarantee schedule described in subparagraph (A)(i) shall go into effect on the first day of the second calendar year following the year in which such revised guarantee schedule was submitted to the Congress.

(3)(A) If the last report described in paragraph (1) indicates that basic-benefit guarantees for multiemployer plans can be increased without increasing the basic-benefit premiums for multiemployer plans under this title, the corporation shall submit to the Committee on Ways and Means and the Committee on Education and Labor of the House of Representatives and to the Committee on Finance and the Committee on Labor and Human Resources of the Senate by March 31 of the calendar year in which congressional action under this paragraph is requested—

(i) a revised schedule of increases in the basic-benefit guarantees which can be supported by the existing schedule of basic-benefit premiums for multiemployer plans, and

(ii) a revised schedule of basic-benefit premiums sufficient to support the existing basic-benefit guarantees.

(B) The revised schedules referred to in subparagraph (A)(i) or subparagraph (A)(ii) shall go into effect as approved by the enactment of a joint resolution.

(4)(A) The succeeding subparagraphs of this paragraph are enacted by the Congress as an exercise of the rulemaking power of the Senate and the House of Representatives, respectively, and as such they shall be deemed a part of the rules of each House, respectively, but applicable only with respect to the procedure to be followed in that House in the case of joint resolutions (as defined in subparagraph (B)). Such subparagraphs shall supersede other rules only to the extent that they are inconsistent therewith. They are enacted with full recognition of the constitutional right of either House to change the rules (so far as relating to the procedure of that House) at any time, in the same manner, and to the same extent as in the case of any rule of that House.

(B) For purposes of this subsection, “joint resolution” means only a joint resolution, the matter after the resolving clause of which is as follows: “The proposed schedule described in transmitted to the Congress by the Pension Benefit Guaranty Corporation on _____ is hereby approved.”, the first blank space therein being filled with “section 4022A(f)(2)(A)(ii)

of the Employee Retirement Income Security Act of 1974”, “section 4022A(f)(2)(A)(iii) of the Employee Retirement Income Security Act of 1974”, “section 4022A(f)(3)(A)(i) of the Employee Retirement Income Security Act of 1974”, or “section 4022A(f)(3)(A)(ii) of the Employee Retirement Income Security Act of 1974” (whichever is applicable), and the second blank space therein being filled with the date on which the corporation’s message proposing the revision was submitted.

(C) The procedure for disposition of a joint resolution shall be the procedure described in section 4006(b)(4) through (7).

(g)(1) The corporation may guarantee the payment of such other classes of benefits under multiemployer plans, and establish the terms and conditions under which those other classes of benefits are guaranteed, as it determines to be appropriate.

(2)(A) The corporation shall prescribe regulations to establish a supplemental program to guarantee benefits under multiemployer plans which would be guaranteed under this section but for the limitations in subsection (c). Such regulations shall be proposed by the corporation no later than the end of the 18th calendar month following the date of the enactment of the Multiemployer Pension Plan Amendments Act of 1980 [September 26, 1980]. The regulations shall make coverage under the supplemental program available no later than January 1, 1983. Any election to participate in the supplemental program shall be on a voluntary basis, and a plan electing such coverage shall continue to pay the premiums required under section 4006(a)(2)(B) to the revolving fund used pursuant to section 4005 in connection with benefits otherwise guaranteed under this section. Any such election shall be irrevocable, except to the extent otherwise provided by regulations prescribed by the corporation.

(B) The regulations prescribed under this paragraph shall provide—

(i) that a plan must elect coverage under the supplemental program within the time permitted by the regulations;

(ii) unless the corporation determines otherwise, that a plan may not elect supplemental coverage unless the value of the assets of the plan as of the end of the plan year preceding the plan year in which the election must be made is an amount equal to^{4022A—1} 15 times the total amount of the benefit payments made under the plan for that year; and

(iii) such other reasonable terms and conditions for supplemental coverage, including funding standards and any other reasonable limitations with respect to plans or benefits covered or to means of program financing, as the corporation determines are necessary and appropriate for a feasible supplemental program consistent with the purposes of this title.

(3) Any benefits guaranteed under this subsection shall be considered nonbasic benefits for purposes of this title.

(4)(A) No revised schedule of premiums under this subsection, after the initial schedule, shall go into effect unless—

(i) the revised schedule is submitted to the Congress, and

^{4022A—1} So in original. Presumably the phrase “amount equal to” is intended to mean “amount equal to at least”.

(ii) a joint resolution described in subparagraph (B) is not enacted before the close of the 60th legislative day after such schedule is submitted to the Congress.

(B) For purposes of subparagraph (A), a joint resolution described in this subparagraph is a joint resolution the matter after the resolving clause of which is as follows: "The revised premium schedule transmitted to the Congress by the Pension Benefit Guaranty Corporation under section 4022A(g)(4) of the Employee Retirement Income Security Act of 1974 on _____ is hereby disapproved.", the blank space therein being filled with the date on which the revised schedule was submitted.

(C) For purposes of subparagraph (A), the term "legislative day" means any calendar day other than a day on which either House is not in session because of a sine die adjournment or an adjournment of more than 3 days to a day certain.

(D) The procedure for disposition of a joint resolution described in subparagraph (B) shall be the procedure described in paragraphs (4) through (7) of section 4006(b).

(5) Regulations prescribed by the corporation to carry out the provisions of this subsection, may, to the extent provided therein, supersede the requirements of sections 4245, 4261, and 4281, and the requirements of section 418E of the Internal Revenue Code of 1986, but only with respect to benefits guaranteed under this subsection.

(h)(1) Except as provided in paragraph (3), subsections (b) and (c) shall not apply with respect to the nonforfeitable benefits accrued as of July 29, 1980, with respect to a participant or beneficiary under a multiemployer plan—

(1) ^{4022A—2} who is in pay status on July 29, 1980, or

(2) ^{4022A—2} who is within 36 months of the normal retirement age and has a nonforfeitable right to a pension as of that date.

(2) The benefits described in paragraph (1) shall be guaranteed by the corporation in the same manner and to the same extent as benefits are guaranteed by the corporation under section 4022 (without regard to this section).

(3) This subsection does not apply with respect to a plan for plan years following a plan year—

(A) in which the plan has terminated within the meaning of section 4041A(a)(2), or

(B) in which it is determined by the corporation that substantially all the employers have withdrawn from the plan pursuant to an agreement or arrangement to withdraw.

(b) For purposes of this section—

(1) the receipt of benefits under a multiemployer plan receiving financial assistance from the corporation shall be considered the receipt of amounts from the corporation pursuant to a guarantee by the corporation of basic benefits except to the extent provided in regulations prescribed by the corporation, and

(2) the date on which a multiemployer plan, whether or not terminated, begins receiving financial assistance from the corporation shall be considered a date of plan termination.

Subtitle C—Terminations

TERMINATION OF SINGLE-EMPLOYER PLANS

SEC. 4041. [1341] (a) GENERAL RULES GOVERNING SINGLE-EMPLOYER PLAN TERMINATIONS.—

(1) EXCLUSIVE MEANS OF PLAN TERMINATION.—Except in the case of a termination for which proceedings are otherwise instituted by the corporation as provided in section 4042, a single-employer plan may be terminated only in a standard termination under subsection (b) or a distress termination under subsection (c).

(2) 60-DAY NOTICE OF INTENT TO TERMINATE.—Not less than 60 days before the proposed termination date of a standard termination under subsection (b) or a distress termination under subsection (c), the plan administrator shall provide to each affected party (other than the corporation in the case of a standard termination) a written notice of intent to terminate stating that such termination is intended and the proposed termination date. The written notice shall include any related additional information required in regulations of the corporation.

(3) ADHERENCE TO COLLECTIVE BARGAINING AGREEMENTS.—The corporation shall not proceed with a termination of a plan

^{4023—1} A prior § 4023 (enacted September 2, 1974, P.L. 94-406, title IV, § 4023, 88 Stat. 1019) was repealed September 26, 1980, P.L. 96-364, title I, § 107, 94 Stat. 1267. The prior section related to contingent liability coverage.

under this section if the termination would violate the terms and conditions of an existing collective bargaining agreement. Nothing in the preceding sentence shall be construed as limiting the authority of the corporation to institute proceedings to involuntarily terminate a plan under section 4042.

(b) STANDARD TERMINATION OF SINGLE-EMPLOYER PLANS.—

(1) GENERAL REQUIREMENTS.—A single-employer plan may terminate under a standard termination only if—

(A) the plan administrator provides the 60-day advance notice of intent to terminate to affected parties required under subsection (a)(2),

(B) the requirements of subparagraphs (A) and (B) of paragraph (2) are met,

(C) the corporation does not issue a notice of non-compliance under subparagraph (C) of paragraph (2), and

(D) when the final distribution of assets occurs, the plan is sufficient for benefit liabilities (determined as of the termination date).

(2) TERMINATION PROCEDURE.—

(A) NOTICE TO THE CORPORATION.—As soon as practicable after the date on which the notice of intent to terminate is provided pursuant to subsection (a)(2), the plan administrator shall send a notice to the corporation setting forth—

(i) certification by an enrolled actuary—

(I) of the projected amount of the assets of the plan (as of a proposed date of final distribution of assets),

(II) of the actuarial present value (as of such date) of the benefit liabilities (determined as of the proposed termination date) under the plan, and

(III) that the plan is projected to be sufficient (as of such proposed date of final distribution) for such benefit liabilities,

(ii) such information as the corporation may prescribe in regulations as necessary to enable the corporation to make determinations under subparagraph (C), and

(iii) certification by the plan administrator that—

(I) the information on which the enrolled actuary based the certification under clause (i) is accurate and complete, and

(II) the information provided to the corporation under clause (ii) is accurate and complete.

Clause (i) and clause (iii)(I) shall not apply to a plan described in section 412(i) of the Internal Revenue Code of 1986.^{4041—1}

(B) NOTICE TO PARTICIPANTS AND BENEFICIARIES OF BENEFIT COMMITMENTS.—No later than the date on which a notice is sent by the plan administrator under subparagraph (A), the plan administrator shall send a notice to

each person who is a participant or beneficiary under the plan—

(i) specifying the amount of the benefit liabilities (if any) attributable to such person as of the proposed termination date and the benefit form on the basis of which such amount is determined, and

(ii) including the following information used in determining such benefit liabilities:

(I) the length of service,

(II) the age of the participant or beneficiary,

(III) wages,

(IV) the assumptions, including the interest rate, and

(V) such other information as the corporation may require.

Such notice shall be written in such manner as is likely to be understood by the participant or beneficiary and as may be prescribed in regulations of the corporation.

(C) NOTICE FROM THE CORPORATION OF NONCOMPLIANCE.—

(i) IN GENERAL.—Within 60 days after receipt of the notice under subparagraph (A), the corporation shall issue a notice of noncompliance to the plan administrator if—

(I) it determines, based on the notice sent under paragraph (2)(A) of subsection (b), that there is reason to believe that the plan is not sufficient for benefit liabilities,

(II) it otherwise determines, on the basis of information provided by affected parties or otherwise obtained by the corporation, that there is reason to believe that the plan is not sufficient for benefit liabilities, or

(III) it determines that any other requirement of subparagraph (A) or (B) of this paragraph or of subsection (a)(2) has not been met, unless it further determines that the issuance of such notice would be inconsistent with the interests of participants and beneficiaries.

(ii) EXTENSION.—The corporation and the plan administrator may agree to extend the 60-day period referred to in clause (i) by a written agreement signed by the corporation and the plan administrator before the expiration of the 60-day period. The 60-day period shall be extended as provided in the agreement and may be further extended by subsequent written agreements signed by the corporation and the plan administrator made before the expiration of a previously agreed upon extension of the 60-day period. Any extension may be made upon such terms and conditions (including the payment of benefits) as are agreed upon by the corporation and the plan administrator.

(D) FINAL DISTRIBUTION OF ASSETS IN ABSENCE OF NOTICE OF NONCOMPLIANCE.—The plan administrator shall

commence the final distribution of assets pursuant to the standard termination of the plan as soon as practicable after the expiration of the 60-day (or extended) period referred to in subparagraph (C), but such final distribution may occur only if—

(i) the plan administrator has not received during such period a notice of noncompliance from the corporation under subparagraph (C), and

(ii) when such final distribution occurs, the plan is sufficient for benefit liabilities (determined as of the termination date).

(3) METHODS OF FINAL DISTRIBUTION OF ASSETS.—

(A) IN GENERAL.—In connection with any final distribution of assets pursuant to the standard termination of the plan under this subsection, the plan administrator shall distribute the assets in accordance with section 4044.

In distributing such assets, the plan administrator shall—

(i) purchase irrevocable commitments from an insurer to provide all benefit liabilities under the plan, or

(ii) in accordance with the provisions of the plan and any applicable regulations, otherwise fully provide all benefit liabilities under the plan. A transfer of assets to the corporation in accordance with section 4050 on behalf of a missing participant shall satisfy this subparagraph with respect to such participant.

(B) CERTIFICATION TO THE CORPORATION OF FINAL DISTRIBUTION OF ASSETS.—Within 30 days after the final distribution of assets is completed pursuant to the standard termination of the plan under this subsection, the plan administrator shall send a notice to the corporation certifying that the assets of the plan have been distributed in accordance with the provisions of subparagraph (A) so as to pay all benefit liabilities under the plan.

(4) CONTINUING AUTHORITY.—Nothing in this section shall be construed to preclude the continued exercise by the corporation, after the termination date of a plan terminated in a standard termination under this subsection, of its authority under section 4003 with respect to matters relating to the termination. A certification under paragraph (3)(B) shall not affect the corporation's obligations under section 4022.

(5) SPECIAL RULE FOR CERTAIN PLANS WHERE CESSATION OR CHANGE IN MEMBERSHIP OF A CONTROLLED GROUP.—

(A) IN GENERAL.—Except as provided in subparagraphs (B) and (D), if—

(i) there is transaction or series of transactions which result in a person ceasing to be a member of a controlled group, and

(ii) such person immediately before the transaction or series of transactions maintained a single-employer plan which is a defined benefit plan which is fully funded,

then the interest rate used in determining whether the plan is sufficient for benefit liabilities or to otherwise as-

sess plan liabilities for purposes of this subsection or section 4042(a)(4) shall be not less than the interest rate used in determining whether the plan is fully funded.

(B) LIMITATIONS.—Subparagraph (A) shall not apply to any transaction or series of transactions unless—

(i) any employer maintaining the plan immediately before or after such transaction or series of transactions—

(I) has an outstanding senior unsecured debt instrument which is rated investment grade by each of the nationally recognized statistical rating organizations for corporate bonds that has issued a credit rating for such instrument, or

(II) if no such debt instrument of such employer has been rated by such an organization but 1 or more of such organizations has made an issuer credit rating for such employer, all such organizations which have so rated the employer have rated such employer investment grade, and

(ii) the employer maintaining the plan after the transaction or series of transactions employs at least 20 percent of the employees located in the United States who were employed by such employer immediately before the transaction or series of transactions.

(C) FULLY FUNDED.—For purposes of subparagraph (A), a plan shall be treated as fully funded with respect to any transaction or series of transactions if—

(i) in the case of a transaction or series of transactions which occur in a plan year beginning before January 1, 2008, the funded current liability percentage determined under section 302(d) for the plan year is at least 100 percent, and

(ii) in the case of a transaction or series of transactions which occur in a plan year beginning on or after such date, the funding target attainment percentage determined under section 303 is, as of the valuation date for such plan year, at least 100 percent.

(D) 2 YEAR LIMITATION.—Subparagraph (A) shall not apply to any transaction or series of transactions if the plan referred to in subparagraph (A)(ii) is terminated under section 4041(c) or 4042 after the close of the 2-year period beginning on the date on which the first such transaction occurs.

(c) DISTRESS TERMINATION OF SINGLE-EMPLOYER PLANS.—

(1) IN GENERAL.—A single-employer plan may terminate under a distress termination only if—

(A) the plan administrator provides the 60-day advance notice of intent to terminate to affected parties required under subsection (a)(2),

(B) the requirements of subparagraph (A) of paragraph (2) are met, and

(C) the corporation determines that the requirements of subparagraphs (B) and (D) of paragraph (2) are met.

(2) TERMINATION REQUIREMENTS.—

(A) INFORMATION SUBMITTED TO THE CORPORATION.—As soon as practicable after the date on which the notice of intent to terminate is provided pursuant to subsection (a)(2), the plan administrator shall provide the corporation, in such form as may be prescribed by the corporation in regulations, the following information:

(i) such information as the corporation may prescribe by regulation as necessary to make determinations under subparagraph (B) and paragraph (3);

(ii) unless the corporation determines the information is not necessary for purposes of paragraph (3)(A) or section 4062, certification by an enrolled actuary of—

(I) the amount (as of the proposed termination date and, if applicable, the proposed distribution date) of the current value of the assets of the plan,

(II) the actuarial present value (as of such dates) of the benefit liabilities under the plan,

(III) whether the plan is sufficient for benefit liabilities as of such dates,

(IV) the actuarial present value (as of such dates) of benefits under the plan guaranteed under section 4022, and

(V) whether the plan is sufficient for guaranteed benefits as of such dates;

(iii) in any case in which the plan is not sufficient for benefit liabilities as of such date—

(I) the name and address of each participant and beneficiary under the plan as of such date, and

(II) such other information as shall be prescribed by the corporation by regulation as necessary to enable the corporation to be able to make payments to participants and beneficiaries as required under section 4022(c); and

(iv) certification by the plan administrator that—

(I) the information on which the enrolled actuary based the certifications under clause (ii) is accurate and complete, and

(II) the information provided to the corporation under clauses (i) and (iii) is accurate and complete.

Clause (ii) and clause (iv)(I) shall not apply to a plan described in section 412(i) of the Internal Revenue Code of 1986.^{4041—2}

(B) DETERMINATION BY THE CORPORATION OF NECESSARY DISTRESS CRITERIA.—Upon receipt of the notice of intent to terminate required under subsection (a)(2) and the information required under subparagraph (A), the corporation shall determine whether the requirements of this subparagraph are met as provided in clause (i), (ii), or (iii). The requirements of this subparagraph are met if each person who is (as of the proposed termination date) a con-

(D) DISCLOSURE OF TERMINATION INFORMATION.—

(i) IN GENERAL.—A plan administrator that has filed a notice of intent to terminate under subsection (a)(2) shall provide to an affected party any information provided to the corporation under subparagraph (A) or the regulations under subsection (a)(2) not later than 15 days after—

(II) the provision of new information to the corporation relating to a previous request.

(ii) CONFIDENTIALITY.—

(I) IN GENERAL.—The plan administrator shall not provide information under clause (i) in a form that includes any information that may directly or indirectly be associated with, or otherwise identify, an individual participant or beneficiary.

(iv) AUTHORIZED REPRESENTATIVE.—For purposes of this subparagraph, the term “authorized representative” means any employee organization representing participants in the pension plan.

(3) TERMINATION PROCEDURE.—

(A) DETERMINATIONS BY THE CORPORATION RELATING TO PLAN SUFFICIENCY FOR GUARANTEED BENEFITS AND FOR BENEFIT LIABILITIES.—If the corporation determines that the requirements for a distress termination set forth in paragraphs (1) and (2) are met, the corporation shall—

(i) determine that the plan is sufficient for guaranteed benefits (as of the termination date) or that the corporation is unable to make such determination on the basis of information made available to the corporation,

(ii) determine that the plan is sufficient for benefit liabilities (as of the termination date) or that the corporation is unable to make such determination on the basis of information made available to the corporation, and

(iii) notify the plan administrator of the determinations made pursuant to this subparagraph as soon as practicable.

(B) IMPLEMENTATION OF TERMINATION.—After the corporation notifies the plan administrator of its determinations under subparagraph (A), the termination of the plan shall be carried out as soon as practicable, as provided in clause (i), (ii), or (iii).

(i) CASES OF SUFFICIENCY FOR BENEFIT LIABILITIES.—In any case in which the corporation determines that the plan is sufficient for benefit liabilities, the plan administrator shall proceed to distribute the plan's assets, and make certification to the corporation with respect to such distribution, in the manner described in subsection (b)(3), and shall take such other actions as may be appropriate to carry out the termination of the plan.

(ii) CASES OF SUFFICIENCY FOR GUARANTEED BENEFITS WITHOUT A FINDING OF SUFFICIENCY FOR BENEFIT LIABILITIES.—In any case in which the corporation determines that the plan is sufficient for guaranteed benefits, but further determines that it is unable to determine that the plan is sufficient for benefit liabilities on the basis of the information made available to it, the plan administrator shall proceed to distribute the plan's assets in the manner described in subsection (b)(3), make certification to the corporation that the distribution has occurred, and take such actions as may be appropriate to carry out the termination of the plan.

(iii) CASES WITHOUT ANY FINDING OF SUFFICIENCY.—In any case in which the corporation determines that it is unable to determine that the plan is sufficient for guaranteed benefits on the basis of the information made available to it, the corporation shall commence proceedings in accordance with section 4042.

(C) FINDING AFTER AUTHORIZED COMMENCEMENT OF TERMINATION THAT PLAN IS UNABLE TO PAY BENEFITS.—

(i) FINDING WITH RESPECT TO BENEFIT LIABILITIES WHICH ARE NOT GUARANTEED BENEFITS.—If, after the plan administrator has begun to terminate the plan as authorized under subparagraph (B)(i), the plan administrator finds that the plan is unable, or will be unable, to pay benefit liabilities which are not benefits guaranteed by the corporation under section 4022, the plan administrator shall notify the corporation of such finding as soon as practicable thereafter.

(ii) FINDING WITH RESPECT TO GUARANTEED BENEFITS.—If, after the plan administrator has begun to terminate the plan as authorized by subparagraph (B) (i) or (ii), the plan administrator finds that the plan is unable, or will be unable, to pay all benefits under the plan which are guaranteed by the corporation under section 4022, the plan administrator shall notify the corporation of such finding as soon as practicable thereafter. If the corporation concurs in the finding of the plan administrator (or the corporation itself makes such a finding), the corporation shall institute appropriate proceedings under section 4042.

(D) ADMINISTRATION OF THE PLAN DURING INTERIM PERIOD.—

(i) IN GENERAL.—The plan administrator shall—

(I) meet the requirements of clause (ii) for the period commencing on the date on which the plan administrator provides a notice of distress termination to the corporation under subsection (a)(2) and ending on the date on which the plan administrator receives notification from the corporation of its determinations under subparagraph (A), and

(II) meet the requirements of clause (ii) commencing on the date on which the plan administrator or the corporation makes a finding under subparagraph (C)(ii).

(II) pays benefits attributable to employer contributions, other than death benefits, only in the form of an annuity,

(III) does not use plan assets to purchase irrevocable commitments to provide benefits from an insurer, and

(IV) continues to pay all benefit liabilities under the plan, but, commencing on the proposed termination date, limits the payment of benefits under the plan to those benefits which are guaranteed by the corporation under section 4022 or to which assets are required to be allocated under section 4044.

In the event the plan administrator is later determined not to have met the requirements for distress termination, any benefits which are not paid solely by reason of compliance with subclause (IV) shall be due and payable immediately (together with interest, at a reasonable rate, in accordance with regulations of the corporation).

(e) LIMITATION ON THE CONVERSION OF A DEFINED BENEFIT PLAN TO A DEFINED CONTRIBUTION PLAN.—The adoption of an amendment to a plan which causes the plan to become a plan described in section 4021(b)(1) constitutes a termination of the plan. Such an amendment may take effect only after the plan satisfies the requirements for standard termination under subsection (b) or distress termination under subsection (c).

TERMINATION OF MULTIEMPLOYER PLANS

SEC. 4041A. [1341a] (a) Termination of a multiemployer plan under this section occurs as a result of—

(1) the adoption after the date of enactment of the Multiemployer Pension Plan Amendments Act of 1980 [September 26, 1980] of a plan amendment which provides that participants will receive no credit for any purpose under the plan for service with any employer after the date specified by such amendment;

(2) the withdrawal of every employer from the plan, within the meaning of section 4203, or the cessation of the obligation of all employers to contribute under the plan; or

(3) the adoption of an amendment to the plan which causes the plan to become a plan described in section 4021(b)(1).

(b)(1) The date on which a plan terminates under paragraph (1) or (3) of subsection (a) is the later of—

(A) the date on which the amendment is adopted, or

(B) the date on which the amendment takes effect.

^{4041—4} So in original. Section 7881(g)(1) of P.L. 101-239 amended the text to substitute “benefit liabilities” for “benefit commitments” but did not conform the heading accordingly.

(2) The date on which a plan terminates under paragraph (2) of subsection (a) is the earlier of—

(A) the date on which the last employer withdraws, or

(B) the first day of the first plan year for which no employer contributions were required under the plan.

(c) Except as provided in subsection (f)(1), the plan sponsor of a plan which terminates under paragraph (2) of subsection (a) shall—

(1) limit the payment of benefits to benefits which are nonforfeitable under the plan as of the date of the termination, and

(2) pay benefits attributable to employer contributions, other than death benefits, only in the form of an annuity, unless the plan assets are distributed in full satisfaction of all nonforfeitable benefits under the plan.

(d) The plan sponsor of a plan which terminates under paragraph (2) of subsection (a) shall reduce benefits and suspend benefit payments in accordance with section 4281.

(e) In the case of a plan which terminates under paragraph (1) or (3) of subsection (a), the rate of an employer's contributions under the plan for each plan year beginning on or after the plan termination date shall equal or exceed the highest rate of employer contributions at which the employer had an obligation to contribute under the plan in the 5 preceding plan years ending on or before the plan termination date, unless the corporation approves a reduction in the rate based on a finding that the plan is or soon will be fully funded.

(f)(1) The plan sponsor of a terminated plan may authorize the payment other than in the form of an annuity of a participant's entire nonforfeitable benefit attributable to employer contributions, other than a death benefit, if the value of the entire nonforfeitable benefit does not exceed \$1,750. The corporation may authorize the payment of benefits under the terms of a terminated plan other than nonforfeitable benefits, or the payment other than in the form of an annuity of benefits having a value greater than \$1,750, if the corporation determines that such payment is not adverse to the interest of the plan's participants and beneficiaries generally and does not unreasonably increase the corporation's risk of loss with respect to the plan.

(2) The corporation may prescribe reporting requirements for terminated plans, and rules and standards for the administration of such plans, which the corporation considers appropriate to protect the interests of plan participants and beneficiaries or to prevent unreasonable loss to the corporation.

(29 U.S.C. 1341a) Added September 26, 1980, P.L. 96-364, title I, sec. 103, 94 Stat. 1216.

INSTITUTION OF TERMINATION PROCEEDINGS BY THE CORPORATION

SEC. 4042. [1342] (a) The corporation may institute proceedings under this section to terminate a plan whenever it determines that—

(1) the plan has not met the minimum funding standard required under section 412 of Internal Revenue Code of 1986, or has been notified by the Secretary of the Treasury that a

notice of deficiency under section 6212 of such Code has been mailed with respect to the tax imposed under section 4971(a) of such Code,

(2) the plan will be unable to pay benefits when due,

(3) the reportable event described in section 4043(c)(7) has occurred, or

(4) the possible long-run loss of the corporation with respect to the plan may reasonably be expected to increase unreasonably if the plan is not terminated.

The corporation shall as soon as practicable institute proceedings under this section to terminate a single-employer plan whenever the corporation determines that the plan does not have assets available to pay benefits which are currently due under the terms of the plan. The corporation may prescribe a simplified procedure to follow in terminating small plans as long as that procedure includes substantial safeguards for the rights of the participants and beneficiaries under the plans, and for the employers who maintain such plans (including the requirement for a court decree under subsection (c)). Notwithstanding any other provision of this title, the corporation is authorized to pool assets of terminated plans for purposes of administration, investment, payment of liabilities of all such terminated plans, and such other purposes as it determines to be appropriate in the administration of this title.

(b)(1) Whenever the corporation makes a determination under subsection (a) with respect to a plan or is required under subsection (a) to institute proceedings under this section, it may, upon notice to the plan, apply to the appropriate United States district court for the appointment of a trustee to administer the plan with respect to which the determination is made pending the issuance of a decree under subsection (c) ordering the termination of the plan. If within 3 business days after the filing of an application under this subsection, or such other period as the court may order, the administrator of the plan consents to the appointment of a trustee, or fails to show why a trustee should not be appointed, the court may grant the application and appoint a trustee to administer the plan in accordance with its terms until the corporation determines that the plan should be terminated or that termination is unnecessary. The corporation may request that it be appointed as trustee of a plan in any case.

(2) Notwithstanding any other provision of this title—

(A) upon the petition of a plan administrator or the corporation, the appropriate United States district court may appoint a trustee in accordance with the provisions of this section if the interests of the plan participants would be better served by the appointment of the trustee, and

(B) upon the petition of the corporation, the appropriate United States district court shall appoint a trustee proposed by the corporation for a multiemployer plan which is in reorganization or to which section 4041A(d) applies, unless such appointment would be adverse to the interests of the plan participants and beneficiaries in the aggregate.

(3) The corporation and plan administrator may agree to the appointment of a trustee without proceeding in accordance with the requirements of paragraphs (1) and (2).

(c)(1) If the corporation is required under subsection (a) of this section to commence proceedings under this section with respect to a plan or, after issuing a notice under this section to a plan administrator, has determined that the plan should be terminated, it may, upon notice to the plan administrator, apply to the appropriate United States district court for a decree adjudicating that the plan must be terminated in order to protect the interests of the participants or to avoid any unreasonable deterioration of the financial condition of the plan or any unreasonable increase in the liability of the fund. If the trustee appointed under subsection (b) disagrees with the determination of the corporation under the preceding sentence he may intervene in the proceeding relating to the application for the decree, or make application for such decree himself. Upon granting a decree for which the corporation or trustee has applied under this subsection the court shall authorize the trustee appointed under subsection (b) (or appoint a trustee if one has not been appointed under such subsection and authorize him) to terminate the plan in accordance with the provisions of this subtitle. If the corporation and the plan administrator agree that a plan should be terminated and agree to the appointment of a trustee without proceeding in accordance with the requirements of this subsection (other than this sentence) the trustee shall have the power described in subsection (d)(1) of this section and, in addition to any other duties imposed on the trustee under law or by agreement between the corporation and the plan administrator, the trustee is subject to the duties described in subsection (d)(3). Whenever a trustee appointed under this title is operating a plan with discretion as to the date upon which final distribution of the assets is to be commenced, the trustee shall notify the corporation at least 10 days before the date on which he proposes to commence such distribution.

(2) In the case of a proceeding initiated under this section, the plan administrator shall provide the corporation, upon the request of the corporation, the information described in clauses (ii), (iii), and (iv) of section 4041(c)(2)(A).

(3) DISCLOSURE OF TERMINATION INFORMATION.—

(A) IN GENERAL.—

(i) INFORMATION FROM PLAN SPONSOR OR ADMINISTRATOR.—A plan sponsor or plan administrator of a single-employer plan that has received a notice from the corporation of a determination that the plan should be terminated under this section shall provide to an affected party any information provided to the corporation in connection with the plan termination.

(ii) INFORMATION FROM CORPORATION.—The corporation shall provide a copy of the administrative record, including the trusteeship decision record of a termination of a plan described under clause (i).

(B) TIMING OF DISCLOSURE.—The plan sponsor, plan administrator, or the corporation, as applicable, shall provide the information described in subparagraph (A) not later than 15 days after—

(i) receipt of a request from an affected party for such information; or

(ii) in the case of information described under subparagraph (A)(i), the provision of any new information to the corporation relating to a previous request by an affected party.

(C) CONFIDENTIALITY.—

(i) IN GENERAL.—The plan administrator, the plan sponsor, or the corporation shall not provide information under subparagraph (A) in a form which includes any information that may directly or indirectly be associated with, or otherwise identify, an individual participant or beneficiary.

(ii) LIMITATION.—A court may limit disclosure under this paragraph of confidential information described in section 552(b) of title 5, United States Code, to authorized representatives (within the meaning of section 4041(c)(2)(D)(iv)) of the participants or beneficiaries that agree to ensure the confidentiality of such information.

(D) FORM AND MANNER OF INFORMATION; CHARGES.—

(i) FORM AND MANNER.—The corporation may prescribe the form and manner of the provision of information under this paragraph, which shall include delivery in written, electronic, or other appropriate form to the extent that such form is reasonably accessible to individuals to whom the information is required to be provided.

(ii) REASONABLE CHARGES.—A plan sponsor may charge a reasonable fee for any information provided under this paragraph in other than electronic form.

(d)(1)(A) A trustee appointed under subsection (b) shall have the power—

(i) to do any act authorized by the plan or this title to be done by the plan administrator or any trustee of the plan;

(ii) to require the transfer of all (or any part) of the assets and records of the plan to himself as trustee;

(iii) to invest any assets of the plan which he holds in accordance with the provisions of the plan, regulations of the corporation, and applicable rules of law;

(iv) to limit payment of benefits under the plan to basic benefits or to continue payment of some or all of the benefits which were being paid prior to his appointment;

(v) in the case of a multiemployer plan, to reduce benefits or suspend benefit payments under the plan, give appropriate notices, amend the plan, and perform other acts required or authorized by subtitle (E)^{4042—2} to be performed by the plan sponsor or administrator;

(vi) to do such other acts as he deems necessary to continue operation of the plan without increasing the potential liability of the corporation, if such acts may be done under the provisions of the plan; and

(vii) to require the plan sponsor, the plan administrator, any contributing or withdrawn employer, and any employee or-

ganization representing plan participants to furnish any information with respect to the plan which the trustee may reasonably need in order to administer the plan.

If the court to which application is made under subsection (c) dismisses the application with prejudice, or if the corporation fails to apply for a decree under subsection (c) within 30 days after the date on which the trustee is appointed under subsection (b), the trustee shall transfer all assets and records of the plan held by him to the plan administrator within 3 business days after such dismissal or the expiration of such 30-day period, and shall not be liable to the plan or any other person for his acts as trustee except for willful misconduct, or for conduct in violation of the provisions of part 4 of subtitle B of title I of this Act (except as provided in subsection (d)(1)(A)(v)). The 30-day period referred to in this subparagraph may be extended as provided by agreement between the plan administrator and the corporation or by court order obtained by the corporation.

(B) If the court to which an application is made under subsection (c) issues the decree requested in such application, in addition to the powers described in subparagraph (A), the trustee shall have the power—

(i) to pay benefits under the plan in accordance with the allocation requirements of this title;

(ii) to collect for the plan any amounts due the plan, including but not limited to the power to collect from the persons obligated to meet the requirements of section 302 or the terms of the plan;

(iii) to receive any payment made by the corporation to the plan under this title;

(iv) to commence, prosecute, or defend on behalf of the plan any suit or proceeding involving the plan;

(v) to issue, publish, or file such notices, statements, and reports as may be required by the corporation or any order of the court;

(vi) to liquidate the plan assets;

(vii) to recover payments under section 4045(a); and

(viii) to do such other acts as may be necessary to comply with this title or any order of the court and to protect the interests of plan participants and beneficiaries.

(2) As soon as practicable after his appointment, the trustee shall give notice to interested parties of the institution of proceedings under this title to determine whether the plan should be terminated or to terminate the plan, whichever is applicable. For purposes of this paragraph, the term “interested party” means—

(A) the plan administrator,

(B) each participant in the plan and each beneficiary of a deceased participant,

(C) each employer who may be subject to liability under section 4062, 4063, or 4064,

(D) each employer who is or may be liable to the plan under section part 1 of subtitle E,

(E) each employer who has an obligation to contribute, within the meaning of section 4212(a), under a multiemployer plan, and

(F) each employee organization which, for purposes of collective bargaining, represents plan participants employed by an employer described in subparagraph (C), (D), or (E).

(3) Except to the extent inconsistent with the provisions of this Act, or as may be otherwise ordered by the court, a trustee appointed under this section shall be subject to the same duties as those of a trustee under section 704 of title 11, United States Code, and shall be, with respect to the plan, a fiduciary within the meaning of paragraph (21) of section 3 of this Act and under section 4975(e) of the Internal Revenue Code of 1986 (except to the extent that the provisions of this title are inconsistent with the requirements applicable under part 4 of subtitle B of title I of this Act and of such section 4975).

(e) An application by the corporation under this section may be filed notwithstanding the pendency in the same or any other court of any bankruptcy, mortgage foreclosure, or equity receivership proceeding, or any proceeding to reorganize, conserve, or liquidate such plan or its property, or any proceeding to enforce a lien against property of the plan.

(f) Upon the filing of an application for the appointment of a trustee or the issuance of a decree under this section, the court to which an application is made shall have exclusive jurisdiction of the plan involved and its property wherever located with the powers, to the extent consistent with the purposes of this section, of a court of the United States having jurisdiction over cases under chapter 11 of title 11 of the United States Code. Pending an adjudication under subsection (c) such court shall stay, and upon appointment by it of a trustee, as provided in this section such court shall continue the stay of, any pending mortgage foreclosure, equity receivership, or other proceeding to reorganize, conserve, or liquidate the plan or its property and any other suit against any receiver, conservator, or trustee of the plan or its property. Pending such adjudication and upon the appointment by it of such trustee, the court may stay any proceeding to enforce a lien against property of the plan or any other suit against the plan.

(g) An action under this subsection may be brought in the judicial district where the plan administrator resides or does business or where any asset of the plan is situated. A district court in which such action is brought may issue process with respect to such action in any other judicial district.

(h)(1) The amount of compensation paid to each trustee appointed under the provisions of this title shall require the prior approval of the corporation, and, in the case of a trustee appointed by a court, the consent of that court.

(2) Trustees shall appoint, retain, and compensate accountants, actuaries, and other professional service personnel in accordance with regulations prescribed by the corporation.

REPORTABLE EVENTS

SEC. 4043. [1343] (a) Within 30 days after the plan administrator or the contributing sponsor knows or has reason to know that a reportable event described in subsection (c) has occurred, he shall notify the corporation that such event has occurred, unless a notice otherwise required under this subsection has already been provided with respect to such event. The corporation is authorized to waive the requirement of the preceding sentence with respect to any or all reportable events with respect to any plan, and to require the notification to be made by including the event in the annual report made by the plan.

(b)(1) The requirements of this subsection shall be applicable to a contributing sponsor if, as of the close of the preceding plan year—

(A) the aggregate unfunded vested benefits (as determined under section 4006(a)(3)(E)(iii)) of plans subject to this title which are maintained by such sponsor and members of such sponsor's controlled groups (disregarding plans with no unfunded vested benefits) exceed \$50,000,000, and

(B) the funded vested benefit percentage for such plans is less than 90 percent.

For purposes of subparagraph (B), the funded vested benefit percentage means the percentage which the aggregate value of the assets of such plans bears to the aggregate vested benefits of such plans (determined in accordance with section 4006(a)(3)(E)(iii)).

(2) This subsection shall not apply to an event if the contributing sponsor, or the member of the contributing sponsor's controlled group to which the event relates, is—

(A) a person subject to the reporting requirements of section 13 or 15(d) of the Securities Exchange Act of 1934, or

(B) a subsidiary (as defined for purposes of such Act) of a person subject to such reporting requirements.

(3) No later than 30 days prior to the effective date of an event described in paragraph (9), (10), (11), (12), or (13) of subsection (c), a contributing sponsor to which the requirements of this subsection apply shall notify the corporation that the event is about to occur.

(4) The corporation may waive the requirement of this subsection with respect to any or all reportable events with respect to any contributing sponsor.

(c) For purposes of this section a reportable event occurs—

(1) when the Secretary of the Treasury issues notice that a plan has ceased to be a plan described in section 4021(a)(2), or when the Secretary of Labor determines the plan is not in compliance with title I of this Act;

(2) when an amendment of the plan is adopted if, under the amendment, the benefit payable with respect to any participant may be decreased;

(3) when the number of active participants is less than 80 percent of the number of such participants at the beginning of

the plan year, or is less than 75 percent of the number of such participants at the beginning of the previous plan year;

(4) when the Secretary of the Treasury determines that there has been a termination or partial termination of the plan within the meaning of section 411(d)(3) of the Internal Revenue Code of 1986, but the occurrence of such a termination or partial termination does not, by itself, constitute or require a termination of a plan under this title;

(5) when the plan fails to meet the minimum funding standards under section 412 of such Code (without regard to whether the plan is a plan described in section 4021(a)(2) of this Act) or under section 302 of this Act;

(6) when the plan is unable to pay benefits thereunder when due;

(7) when there is a distribution under the plan to a participant who is a substantial owner as defined in section 4021(d) if—

(A) such distribution has a value of \$10,000 or more;

(B) such distribution is not made by reason of the death of the participant; and

(C) immediately after the distribution, the plan has nonforfeitable benefits which are not funded;

(8) when a plan merges, consolidates, or transfers its assets under section 208 of this Act, or when an alternative method of compliance is prescribed by the Secretary of Labor under section 110 of this Act;

(9) when, as a result of an event, a person ceases to be a member of the controlled group;

(10) when a contributing sponsor or a member of a contributing sponsor's controlled group liquidates in a case under title 11, United States Code, or under any similar Federal law or law of a State or political subdivision of a State;

(11) when a contributing sponsor or a member of a contributing sponsor's controlled group declares an extraordinary dividend (as defined in section 1059(c) of the Internal Revenue Code of 1986) or redeems, in any 12-month period, an aggregate of 10 percent or more of the total combined voting power of all classes of stock entitled to vote, or an aggregate of 10 percent or more of the total value of shares of all classes of stock, of a contributing sponsor and all members of its controlled group;

(12) when, in any 12-month period, an aggregate of 3 percent or more of the benefit liabilities of a plan covered by this title and maintained by a contributing sponsor or a member of its controlled group are transferred to a person that is not a member of the controlled group or to a plan or plans maintained by a person or persons that are not such a contributing sponsor or a member of its controlled group; or

(13) when any other event occurs that may be indicative of a need to terminate the plan and that is prescribed by the corporation in regulations.

For purposes of paragraph (7), all distributions to a participant within any 24-month period are treated as a single distribution.

(d) The Secretary of the Treasury shall notify the corporation—

(1) whenever a reportable event described in paragraph (1), (4), or (5) of subsection (c) occurs, or

(2) whenever any other event occurs which the Secretary of the Treasury believes indicates that the plan may not be sound.

(e) The Secretary of Labor shall notify the corporation—

(1) whenever a reportable event described in paragraph (1), (5), or (8) of subsection (c) occurs, or

(2) whenever any other event occurs which the Secretary of Labor believes indicates that the plan may not be sound.

(f) Any information or documentary material submitted to the corporation pursuant to this section shall be exempt from disclosure under section 552 of title 5, United States Code, and no such information or documentary material may be made public, except as may be relevant to any administrative or judicial action or proceeding. Nothing in this section is intended to prevent disclosure to either body of Congress or to any duly authorized committee or subcommittee of the Congress.

ALLOCATION OF ASSETS

SEC. 4044. [1344] (a) In the case of the termination of a single-employer plan, the plan administrator shall allocate the assets of the plan (available to provide benefits) among the participants and beneficiaries of the plan in the following order:

(1) First, to that portion of each individual's accrued benefit which is derived from the participant's contributions to the plan which were not mandatory contributions.

(2) Second, to that portion of each individual's accrued benefit which is derived from the participant's mandatory contributions.

(3) Third, in the case of benefits payable as an annuity—

(A) in the case of the benefit of a participant or beneficiary which was in pay status as of the beginning of the 3-year period ending on the termination date of the plan, to each such benefit, based on the provisions of the plan (as in effect during the 5-year period ending on such date) under which such benefit would be the least,

(B) in the case of a participant's or beneficiary's benefit (other than a benefit described in subparagraph (A)) which would have been in pay status as of the beginning of such 3-year period if the participant had retired prior to the beginning of the 3-year period and if his benefits had commenced (in the normal form of annuity under the plan) as of the beginning of such period, to each such benefit based on the provisions of the plan (as in effect during the 5-year period ending on such date) under which such benefit would be the least.

For purposes of subparagraph (A), the lowest benefit in pay status during a 3-year period shall be considered the benefit in pay status for such period.

(4) Fourth—

(A) to all other benefits (if any) of individuals under the plan guaranteed under this title (determined without regard to section 4022B(a)), and

(B) to the additional benefits (if any) which would be determined under subparagraph (A) if section 4022(b)(5)(B) did not apply.

For purposes of this paragraph, section 4021 shall be applied without regard to subsection (c) thereof.

(5) Fifth, to all other nonforfeitable benefits under the plan.

(6) Sixth, to all other benefits under the plan.

(b) For purposes of subsection (a)—

(1) The amount allocated under any paragraph of subsection (a) with respect to any benefit shall be properly adjusted for any allocation of assets with respect to that benefit under a prior paragraph of subsection (a).

(2) If the assets available for allocation under any paragraph of subsection (a) (other than paragraphs (4), (5), and (6)) are insufficient to satisfy in full the benefits of all individuals which are described in that paragraph, the assets shall be allocated pro rata among such individuals on the basis of the present value (as of the termination date) of their respective benefits described in that paragraph.

(3) If assets available for allocation under paragraph (4) of subsection (a) are insufficient to satisfy in full the benefits of all individuals who are described in that paragraph, the assets shall be allocated first to benefits described in subparagraph (A) of that paragraph. Any remaining assets shall then be allocated to benefits described in subparagraph (B) of that paragraph. If assets allocated to such subparagraph (B) are insufficient to satisfy in full the benefits described in that subparagraph, the assets shall be allocated pro rata among individuals on the basis of the present value (as of the termination date) of their respective benefits described in that subparagraph.

(4) This paragraph applies if the assets available for allocation under paragraph (5) of subsection (a) are not sufficient to satisfy in full the benefits of individuals described in that paragraph.

(A) If this paragraph applies, except as provided in subparagraph (B), the assets shall be allocated to the benefits of individuals described in such paragraph (5) on the basis of the benefits of individuals which would have been described in such paragraph (5) under the plan as in effect at the beginning of the 5-year period ending on the date of plan termination.

(B) If the assets available for allocation under subparagraph (A) are sufficient to satisfy in full the benefits described in such subparagraph (without regard to this subparagraph), then for purposes of subparagraph (A), benefits of individuals described in such subparagraph

shall be determined on the basis of the plan as amended by the most recent plan amendment effective during such 5-year period under which the assets available for allocation are sufficient to satisfy in full the benefits of individuals described in subparagraph (A) and any assets remaining to be allocated under such subparagraph shall be allocated under subparagraph (A) on the basis of the plan as amended by the next succeeding plan amendment effective during such period.

(5) If the Secretary of the Treasury determines that the allocation made pursuant to this section (without regard to this paragraph) results in discrimination prohibited by section 401(a)(4) of the Internal Revenue Code of 1986 then, if required to prevent the disqualification of the plan (or any trust under the plan) under section 401(a) or 403(a) of such Code, the assets allocated under subsections (a)(4)(B), (a)(5), and (a)(6) shall be reallocated to the extent necessary to avoid such discrimination.

(6) The term "mandatory contributions" means amounts contributed to the plan by a participant which are required as a condition of employment, as a condition of participation in such plan, or as a condition of obtaining benefits under the plan attributable to employer contributions. For this purpose, the total amount of mandatory contributions of a participant is the amount of such contributions reduced (but not below zero) by the sum of the amounts paid or distributed to him under the plan before its termination.

(7) A plan may establish subclasses and categories within the classes described in paragraphs (1) through (6) of subsection (a) in accordance with regulations prescribed by the corporation.

(c) Any increase or decrease in the value of the assets of a single-employer plan occurring during the period beginning on the later of (1) the date a trustee is appointed under section 4042(b) or (2) the date on which the plan is terminated is to be allocated between the plan and the corporation in the manner determined by the court (in the case of a court-appointed trustee) or as agreed upon by the corporation and the plan administrator in any other case. Any increase or decrease in the value of the assets of a single-employer plan occurring after the date on which the plan is terminated shall be credited to, or suffered by, the corporation.

(d)(1) Subject to paragraph (3), any residual assets of a single-employer plan may be distributed to the employer if—

(A) all liabilities of the plan to participants and their beneficiaries have been satisfied,

(B) the distribution does not contravene any provision of law, and

(C) the plan provides for such a distribution in these circumstances.

(2)(A) In determining the extent to which a plan provides for the distribution of plan assets to the employer for purposes of paragraph (1)(C), any such provision, and any amendment increasing the amount which may be distributed to the employer, shall not be

treated as effective before the end of the fifth calendar year following the date of the adoption of such provision or amendment.

(B) A distribution to the employer from a plan shall not be treated as failing to satisfy the requirements of this paragraph if the plan has been in effect for fewer than 5 years and the plan has provided for such a distribution since the effective date of the plan.

(C) Except as otherwise provided in regulations of the Secretary of the Treasury, in any case in which a transaction described in section 208 occurs, subparagraph (A) shall continue to apply separately with respect to the amount of any assets transferred in such transaction.

(D) For purposes of this subsection, the term “employer” includes any member of the controlled group of which the employer is a member. For purposes of the preceding sentence, the term “controlled group” means any group treated as a single employer under subsection (b), (c), (m) or (o) of section 414 of the Internal Revenue Code of 1986.

(3)(A) Before any distribution from a plan pursuant to paragraph (1), if any assets of the plan attributable to employee contributions remain after satisfaction of all liabilities described in subsection (a), such remaining assets shall be equitably distributed to the participants who made such contributions or their beneficiaries (including alternate payees, within the meaning of section 206(d)(3)(K)).

(B) For purposes of subparagraph (A), the portion of the remaining assets which are attributable to employee contributions shall be an amount equal to the product derived by multiplying—

- (i) the market value of the total remaining assets, by
- (ii) a fraction—

(I) the numerator of which is the present value of all portions of the accrued benefits with respect to participants which are derived from participants’ mandatory contributions (referred to in subsection (a)(2)), and

(II) the denominator of which is the present value of all benefits with respect to which assets are allocated under paragraphs (2) through (6) of subsection (a).

(C) For purposes of this paragraph, each person who is, as of the termination date—

- (i) a participant under the plan, or
- (ii) an individual who has received, during the 3-year period ending with the termination date, a distribution from the plan of such individual’s entire nonforfeitable benefit in the form of a single sum distribution in accordance with section 203(e) or in the form of irrevocable commitments purchased by the plan from an insurer to provide such nonforfeitable benefit, shall be treated as a participant with respect to the termination, if all or part of the nonforfeitable benefit with respect to such person is or was attributable to participants’ mandatory contributions (referred to in subsection (a)(2)).

(4) Nothing in this subsection shall be construed to limit the requirements of section 4980(d) of the Internal Revenue Code of 1986 (as in effect immediately after the enactment of the Omnibus Budget Reconciliation Act of 1990) or section 404(d) of this Act with

respect to any distribution of residual assets of a single-employer plan to the employer.

(e) **BANKRUPTCY FILING SUBSTITUTED FOR TERMINATION DATE.**—If a contributing sponsor of a plan has filed or has had filed against such person a petition seeking liquidation or reorganization in a case under title 11, United States Code, or under any similar Federal law or law of a State or political subdivision, and the case has not been dismissed as of the termination date of the plan, then subsection (a)(3) shall be applied by treating the date such petition was filed as the termination date of the plan.

(f) **VALUATION OF SECTION 4062(c) LIABILITY FOR DETERMINING AMOUNTS PAYABLE BY CORPORATION TO PARTICIPANTS AND BENEFICIARIES.**—

(1) **IN GENERAL.**—In the case of a terminated plan, the value of the recovery of liability under section 4062(c) allocable as a plan asset under this section for purposes of determining the amount of benefits payable by the corporation shall be determined by multiplying—

(A) the amount of liability under section 4062(c) as of the termination date of the plan, by

(B) the applicable section 4062(c) recovery ratio.

(2) **SECTION 4062(c) RECOVERY RATIO.**—For purposes of this subsection—

(A) **IN GENERAL.**—Except as provided in subparagraph (C), the term “section 4062(c) recovery ratio” means the ratio which—

(i) the sum of the values of all recoveries under section 4062(c) determined by the corporation in connection with plan terminations described under subparagraph (B), bears to

(ii) the sum of all the amounts of liability under section 4062(c) with respect to such plans as of the termination date in connection with any such prior termination.

(B) **PRIOR TERMINATIONS.**—A plan termination described in this subparagraph is a termination with respect to which—

(i) the value of recoveries under section 4062(c) have been determined by the corporation, and

(ii) notices of intent to terminate were provided (or in the case of a termination by the corporation, a notice of determination under section 4042 was issued) during the 5-Federal fiscal year period ending with the third fiscal year preceding the fiscal year in which occurs the date of the notice of intent to terminate (or the notice of determination under section 4042) with respect to the plan termination for which the recovery ratio is being determined.

(C) **EXCEPTION.**—In the case of a terminated plan with respect to which the outstanding amount of benefit liabilities exceeds \$20,000,000, the term “section 4062(c) recovery ratio” means, with respect to the termination of such plan, the ratio of—

- (i) the value of the recoveries on behalf of the plan under section 4062(c), to
- (ii) the amount of the liability owed under section 4062(c) as of the date of plan termination to the trustee appointed under section 4042 (b) or (c).
- (3) SUBSECTION NOT TO APPLY.—This subsection shall not apply with respect to the determination of—
 - (A) whether the amount of outstanding benefit liabilities exceeds \$20,000,000, or
 - (B) the amount of any liability under section 4062 to the corporation or the trustee appointed under section 4042 (b) or (c).
- (4) DETERMINATIONS.—Determinations under this subsection shall be made by the corporation. Such determinations shall be binding unless shown by clear and convincing evidence to be unreasonable.

SEC. 4045. [1345] (a) Except as provided in subsection (c), the trustee is authorized to recover for the benefit of a plan from a participant the recoverable amount (as defined in subsection (b)) of all payments from the plan to him which commenced within the 3-year period immediately preceding the time the plan is terminated.

(b) For purposes of subsection (a) the recoverable amount is the excess of the amount determined under paragraph (1) over the amount determined under paragraph (2).

(1) The amount determined under this paragraph is the sum of the amount of the actual payments received by the participant within the 3-year period.

(2) The amount determined under this paragraph is the sum of—

(A) the sum of the amount such participant would have received during each consecutive 12-month period within the 3 years if the participant received the benefit in the form described in paragraph (3),

(B) the sum for each of the consecutive 12-month periods of the lesser of—

(i) the excess, if any, of \$10,000 over the benefit in the form described in paragraph (3), or

(ii) the excess of the actual payment, if any, over the benefit in the form described in paragraph (3), and

(C) the present value at the time of termination of the participant's future benefits guaranteed under this title as

if the benefits commenced in the form described in paragraph (3).

(3) The form of benefit for purposes of this subsection shall be the monthly benefit the participant would have received during the consecutive 12-month period, if he had elected at the time of the first payment made during the 3-year period, to receive his interest in the plan as a monthly benefit in the form of a life annuity commencing at the time of such first payment.

(c)(1) In the event of a distribution described in section 4043(b)(7) the 3-year period referred to in subsection (b) shall not end sooner than the date on which the corporation is notified of the distribution.

(2) The trustee shall not recover any payment made from a plan after or on account of the death of a participant, or to a participant who is disabled (within the meaning of section 72(m)(7) of the Internal Revenue Code of 1986).

(3) The corporation is authorized to waive, in whole or in part, the recovery of any amount which the trustee is authorized to recover for the benefit of a plan under this section in any case in which it determines that substantial economic hardship would result to the participant or his beneficiaries from whom such amount is recoverable.

which is in the process of being terminated under section 4041 or 4042, should not be terminated under section 4041 or 4042 as a result of such circumstances as the corporation determines to be relevant, the corporation is authorized to cease any activities undertaken to terminate the plan, and to take whatever action is necessary and within its power to restore the plan to its status prior to the determination that the plan was to be terminated under section 4041 or 4042. In the case of a plan which has been terminated under section 4041 or 4042 the corporation is authorized in any such case in which the corporation determines such action to be appropriate and consistent with its duties under this title, to take such action as may be necessary to restore the plan to its pretermination status, including, but not limited to, the transfer to the employer or a plan administrator of control of part or all of the remaining assets and liabilities of the plan.

SEC. 4050. [1350] MISSING PARTICIPANTS.**(a) GENERAL RULE.—**

(1) **PAYMENT TO THE CORPORATION.**—A plan administrator satisfies section 4041(b)(3)(A) in the case of a missing participant only if the plan administrator—

(A) transfers the participant's designated benefit to the corporation or purchases an irrevocable commitment from an insurer in accordance with clause (i) of section 4041(b)(3)(A), and

(B) provides the corporation such information and certifications with respect to such designated benefits or irrevocable commitments as the corporation shall specify.

(2) **TREATMENT OF TRANSFERRED ASSETS.**—A transfer to the corporation under this section shall be treated as a transfer of assets from a terminated plan to the corporation as trustee, and shall be held with assets of terminated plans for which the corporation is trustee under section 4042, subject to the rules set forth in that section.

(3) **PAYMENT BY THE CORPORATION.**—After a missing participant whose designated benefit was transferred to the corporation is located—

(A) in any case in which the plan could have distributed the benefit of the missing participant in a single sum without participant or spousal consent under section 205(g), the corporation shall pay the participant or beneficiary a single sum benefit equal to the designated benefit paid the corporation plus interest as specified by the corporation, and

(B) in any other case, the corporation shall pay a benefit based on the designated benefit and the assumptions prescribed by the corporation at the time that the corporation received the designated benefit.

The corporation shall make payments under subparagraph (B) available in the same forms and at the same times as a guaranteed benefit under section 4022 would be available to be paid, except that the corporation may make a benefit available in the form of a single sum if the plan provided a single sum benefit (other than a single sum described in subsection (b)(2)(A)).

(b) **DEFINITIONS.**—For purposes of this section—

(1) **MISSING PARTICIPANT.**—The term “missing participant” means a participant or beneficiary under a terminating plan whom the plan administrator cannot locate after a diligent search.

(2) DESIGNATED BENEFIT.—The term “designated benefit” means the single sum benefit the participant would receive—

(A) under the plan’s assumptions, in the case of a distribution that can be made without participant or spousal consent under section 205(g);

(B) under the assumptions of the corporation in effect on the date that the designated benefit is transferred to the corporation, in the case of a plan that does not pay any single sums other than those described in subparagraph (A); or

(C) under the assumptions of the corporation or of the plan, whichever provides the higher single sum, in the case of a plan that pays a single sum other than those described in subparagraph (A).

(c) MULTIEMPLOYER PLANS.—The corporation shall prescribe rules similar to the rules in subsection (a) for multiemployer plans covered by this title that terminate under section 4041A.

(d) PLANS NOT OTHERWISE SUBJECT TO TITLE.—

(1) TRANSFER TO CORPORATION.—The plan administrator of a plan described in paragraph (4) may elect to transfer a missing participant’s benefits to the corporation upon termination of the plan.

(2) INFORMATION TO THE CORPORATION.—To the extent provided in regulations, the plan administrator of a plan described in paragraph (4) shall, upon termination of the plan, provide the corporation information with respect to benefits of a missing participant if the plan transfers such benefits—

LIABILITY FOR TERMINATION OF SINGLE-EMPLOYER PLANS UNDER A DISTRESS TERMINATION OR A TERMINATION BY THE CORPORATION

SEC. 4062. [1362] (a) IN GENERAL.—In any case in which a single-employer plan is terminated in a distress termination under section 4041(c) or a termination otherwise instituted by the corporation under section 4042, any person who is, on the termination date, a contributing sponsor of the plan or a member of such a contributing sponsor's controlled group shall incur liability under this section. The liability under this section of all such persons shall be joint and several. The liability under this section consists of—

- (1) liability to the corporation, to the extent provided in subsection (b), and
 - (2) liability to the trustee appointed under subsection (b) or (c) of section 4042, to the extent provided in subsection (c).
- (b) LIABILITY TO THE CORPORATION.—

(1) AMOUNT OF LIABILITY.—

(A) IN GENERAL.—Except as provided in subparagraph (B), the liability to the corporation of a person described in subsection (a) shall be the total amount of the unfunded

benefit liabilities (as of the termination date) to all participants and beneficiaries under the plan, together with interest (at a reasonable rate) calculated from the termination date in accordance with regulations prescribed by the corporation.

(B) SPECIAL RULE IN CASE OF SUBSEQUENT INSUFFICIENCY.—For purposes of subparagraph (A), in any case described in section 4041(c)(3)(C)(ii), actuarial present values shall be determined as of the date of the notice to the corporation (or the finding by the corporation) described in such section.

(2) PAYMENT OF LIABILITY.—

(A) IN GENERAL.—Except as provided in subparagraph (B), the liability to the corporation under this subsection shall be due and payable to the corporation as of the termination date, in cash or securities acceptable to the corporation.

(B) SPECIAL RULE.—Payment of so much of the liability under paragraph (1)(A) as exceeds 30 percent of the collective net worth of all persons described in subsection (a) (including interest) shall be made under commercially reasonable terms prescribed by the corporation. The parties involved shall make a reasonable effort to reach agreement on such commercially reasonable terms. Any such terms prescribed by the corporation shall provide for deferral of 50 percent of any amount of liability otherwise payable for any year under this subparagraph if a person subject to such liability demonstrates to the satisfaction of the corporation that no person subject to such liability has any individual pre-tax profits for such person's fiscal year ending during such year.

(3) ALTERNATIVE ARRANGEMENTS.—The corporation and any person liable under this section may agree to alternative arrangements for the satisfaction of liability to the corporation under this subsection.

(c) LIABILITY TO SECTION 4042 TRUSTEE.—A person described in subsection (a) shall be subject to liability under this subsection to the trustee appointed under subsection (b) or (c) of section 4042. The liability of such person under this subsection shall consist of—

(2) the sum of the waiver amortization charge (within the meaning of section 303(e)(1) of this Act and 430(e)(1) of the Internal Revenue Code of 1986) with respect to the plan (if any) for the plan year in which the termination date occurs, plus the aggregate total of waiver amortization installments (if any) determined for succeeding plan years under section 303(e)(2) of this Act and section 430(e)(2) of such Code, together with interest (at a reasonable rate) calculated from the termination date in accordance with regulations prescribed by the corporation. The liability under this subsection shall be due and payable to such trustee as of the termination date, in cash or securities acceptable to such trustee.

(d) DEFINITIONS.—

(1) COLLECTIVE NET WORTH OF PERSONS SUBJECT TO LIABILITY.—

(A) IN GENERAL.—The collective net worth of persons subject to liability in connection with a plan termination consists of the sum of the individual net worths of all persons who—

(i) have individual net worths which are greater than zero, and

(ii) are (as of the termination date) contributing sponsors of the terminated plan or members of their controlled groups.

(B) DETERMINATION OF NET WORTH.—For purposes of this paragraph, the net worth of a person is—

(i) determined on whatever basis best reflects, in the determination of the corporation, the current status of the person's operations and prospects at the time chosen for determining the net worth of the person, and

(ii) increased by the amount of any transfers of assets made by the person which are determined by the corporation to be improper under the circumstances, including any such transfers which would be inappropriate under title 11, United States Code, if the person were a debtor in a case under chapter 7 of such title.

(C) TIMING OF DETERMINATION.—For purposes of this paragraph, determinations of net worth shall be made as of a day chosen by the corporation (during the 120-day period ending with the termination date) and shall be computed without regard to any liability under this section.

(2) PRE-TAX PROFITS.—The term “pre-tax profits” means—

(A) except as provided in subparagraph (B), for any fiscal year of any person, such person's consolidated net income (excluding any extraordinary charges to income and including any extraordinary credits to income) for such fiscal year, as shown on audited financial statements prepared in accordance with generally accepted accounting principles, or

(B) for any fiscal year of an organization described in section 501(c) of the Internal Revenue Code of 1986, the excess of income over expenses (as such terms are defined

for such organizations under generally accepted accounting principles),
 before provision for or deduction of Federal or other income tax, any contribution to any single-employer plan of which such person is a contributing sponsor at any time during the period beginning on the termination date and ending with the end of such fiscal year, and any amounts required to be paid for such fiscal year under this section. The corporation may by regulation require such information to be filed on such forms as may be necessary to determine the existence and amount of such pre-tax profits.

(e) TREATMENT OF SUBSTANTIAL CESSATION OF OPERATIONS.—
 If an employer ceases operations at a facility in any location and, as a result of such cessation of operations, more than 20 percent of the total number of his employees who are participants under a plan established and maintained by him are separated from employment, the employer shall be treated with respect to that plan as if he were a substantial employer under a plan under which more than one employer makes contributions and the provisions of sections 4063, 4064, and 4065 shall apply.

LIABILITY OF SUBSTANTIAL EMPLOYER FOR WITHDRAWAL FROM SINGLE-EMPLOYER PLANS UNDER MULTIPLE CONTROLLED GROUPS.

SEC. 4063. [1363] (a) Except as provided in subsection (d), the plan administrator of a single-employer plan which has two or more contributing sponsors at least two of whom are not under common control—

(1) shall notify the corporation of the withdrawal during a plan year of a substantial employer for such plan year from the plan, within 60 days after such withdrawal, and

(2) request that the corporation determine the liability of all persons with respect to the withdrawal of the substantial employer.

The corporation shall, as soon as practicable thereafter, determine whether there is liability resulting from the withdrawal of the substantial employer and notify the liable persons of such liability.

(b) Except as provided in subsection (c), any one or more contributing sponsors who withdraw, during a plan year for which they constitute a substantial employer, from a single-employer plan which has two or more contributing sponsors at least two of whom are not under common control, shall, upon notification of such contributing sponsors by the corporation as provided by subsection (a), be liable, together with the members of their controlled groups, to the corporation in accordance with the provisions of section 4062 and this section. The amount of liability shall be computed on the

basis of an amount determined by the corporation to be the amount described in section 4062 for the entire plan, as if the plan had been terminated by the corporation on the date of the withdrawal referred to in subsection (a)(1), multiplied by a fraction—

(1) the numerator of which is the total amount required to be contributed to the plan by such contributing sponsors for the last 5 years ending prior to the withdrawal, and

(2) the denominator of which is the total amount required to be contributed to the plan by all contributing sponsors for such last 5 years.

In addition to and in lieu of the manner prescribed in the preceding sentence, the corporation may also determine such liability on any other equitable basis prescribed by the corporation in regulations. Any amount collected by the corporation under this subsection shall be held in escrow subject to disposition in accordance with the provisions of paragraphs (2) and (3) of subsection (c).

(c)(1) In lieu of payment of a contributing sponsor's liability under this section, the contributing sponsor may be required to furnish a bond to the corporation in an amount not exceeding 150 percent of his liability to insure payment of his liability under this section. The bond shall have as surety thereon a corporate surety company which is an acceptable surety on Federal bonds under authority granted by the Secretary of the Treasury under sections 6 through 13 of title 6, United States Code. Any such bond shall be in a form or of a type approved by the Secretary including individual bonds or schedule or blanket forms of bonds which cover a group or class.

(2) If the plan is not terminated under section 4041(c) or 4042 within the 5-year period commencing on the day of withdrawal, the liability is abated and any payment held in escrow shall be refunded without interest (or the bond cancelled) in accordance with bylaws or rules prescribed by the corporation.

(3) If the plan terminates under section 4041(c) or 4042 within the 5-year period commencing on the day of withdrawal, the corporation shall—

(A) demand payment or realize on the bond and hold such amount in escrow for the benefit of the plan;

(B) treat any escrowed payments under this section as if they were plan assets and apply them in a manner consistent with this subtitle; and

(C) refund any amount to the contributing sponsor which is not required to meet any obligation of the corporation with respect to the plan.

(d) The provisions of this subsection apply in the case of a withdrawal described in subsection (a), and the provisions of subsections (b) and (c) shall not apply, if the corporation determines that the procedure provided for under this subsection is consistent with the purposes of this section and section 4064 and is more appropriate in the particular case. Upon a showing by the plan administrator of the plan that the withdrawal from the plan by one or more contributing sponsors has resulted, or will result, in a significant reduction in the amount of aggregate contributions to or under the plan, the corporation may—

(1) require the plan fund to be equitably allocated between those participants no longer working in covered service under the plan as a result of the withdrawal, and those participants who remain in covered service under the plan;

(2) treat that portion of the plan funds allocable under paragraph (1) to participants no longer in covered service as a plan terminated under section 4042; and

(3) treat that portion of the plan fund allocable to participants remaining in covered service as a separate plan.

(e) The corporation is authorized to waive the application of the provisions of subsections (b), (c), and (d) of this section whenever it determines that there is an indemnity agreement in effect among contributing sponsors under the plan which is adequate to satisfy the purposes of this section and of section 4064.

LIABILITY ON TERMINATION OF SINGLE-EMPLOYER PLANS UNDER MULTIPLE CONTROLLED GROUPS

SEC. 4064. [1364] (a) This section applies to all contributing sponsors of a single-employer plan which has two or more contributing sponsors at least two of whom are not under common control at the time such plan is terminated under section 4041(c) or 4042, or who, at any time within the 5 plan years preceding the date of termination, made contributions under the plan.

(b) The corporation shall determine the liability with respect to each contributing sponsor and each member of its controlled group in a manner consistent with section 4062, except that the amount of liability determined under section 4062(b)(1) with respect to the entire plan shall be allocated to each controlled group by multiplying such amount by a fraction—

(1) the numerator of which is the amount required to be contributed to the plan for the last 5 plan years ending prior to the termination date by persons in such controlled group as contributing sponsors, and

(2) the denominator of which is the total amount required to be contributed to the plan for such last 5 plan years by all persons as contributing sponsors,

and section 4068(a) shall be applied separately with respect to each controlled group. The corporation may also determine the liability of each such contributing sponsor and member of its controlled group on any other equitable basis prescribed by the corporation in regulations.

(1) a copy of each notification required under section 4063 with respect to such year,

(2) a statement disclosing whether any reportable event (described in section 4043(b)) occurred during the plan year except to the extent the corporation waives such requirement, and

(3) in the case of a multiemployer plan, information with respect to such plan which the corporation determines is necessary for the enforcement of subtitle E and requires by regulation, which may include—

(A) a statement certified by the plan's enrolled actuary of—

(i) the value of all vested benefits under the plan as of the end of the plan year, and

(ii) the value of the plan's assets as of the end of the plan year;

(B) a statement certified by the plan sponsor of each claim for outstanding withdrawal liability (within the meaning of section 4001(a)(12)) and its value as of the end of that plan year and as of the end of the preceding plan year; and

(C) the number of employers having an obligation to contribute to the plan and the number of employers required to make withdrawal liability payments.

The report shall be filed within 6 months after the close of the plan year to which it relates. The corporation shall cooperate with the Secretary of the Treasury and the Secretary of Labor in an endeavor to coordinate the timing and content, and possibly obtain the combination, of reports under this section with reports required to be made by plan administrators to such Secretaries.

LIEN FOR LIABILITY

SEC. 4068. [1368] (a) If any person liable to the corporation under section 4062, 4063, or 4064 neglects or refuses to pay, after demand, the amount of such liability (including interest), there shall be a lien in favor of the corporation in the amount of such liability (including interest) upon all property and rights to property, whether real or personal, belonging to such person, except that such lien may not be in an amount in excess of 30 percent of the collective net worth of all persons described in section 4062(a)⁴⁰⁶⁸⁻¹

(b) The lien imposed by subsection (a) arises on the date of termination of a plan, and continues until the liability imposed under section 4062, 4063, or 4064 is satisfied or becomes unenforceable by reason of lapse of time.

(c)(1) Except as otherwise provided under this section, the priority of a lien imposed under subsection (a) shall be determined in the same manner as under section 6323 of the Internal Revenue Code of 1986 (as in effect on the date of the enactment of the Single-Employer Pension Plan Amendments Act of 1986 [April 7, 1986]). Such section 6323 shall be applied for purposes of this section by disregarding subsection (g)(4) and by substituting—

(A) “lien imposed by section 4068 of the Employee Retirement Income Security Act of 1974” for “lien imposed by section 6321” each place it appears in subsections (a), (b), (c)(1), (c)(4)(B), (d), (e), and (h)(5);

(B) “the corporation” for “the Secretary” in subsections (a) and (b)(9)(C);

(C) “the payment of the amount on which the section 4068(a) lien is based” for “the collection of any tax under this title” in subsection (b)(3);

(D) “a person whose property is subject to the lien” for “the taxpayer” in subsections (b)(8), (c)(2)(A)(i) (the first place it appears), (c)(2)(A)(ii), (c)(2)(B), (c)(4)(B), and (c)(4)(C) (in the matter preceding clause (i));

(E) “such person” for “the taxpayer” in subsections (c)(2)(A)(i) (the second place it appears) and (c)(4)(C)(ii);

⁴⁰⁶⁸⁻¹ So in original. The provision is lacking a period.

(F) “payment of the loan value of the amount on which the lien is based is made to the corporation” for “satisfaction of a levy pursuant to section 6332(b)” in subsection (b)(9)(C);

(G) “section 4068(a) lien” for “tax lien” each place it appears in subsections (c)(1), (c)(2)(A), (c)(2)(B), (c)(3)(B)(iii), (c)(4)(B), (d), and (h)(5); and

(H) “the date on which the lien is first filed” for “the date of the assessment of the tax” in subsection (g)(3)(A).

(2) In a case under title 11 of the United States Code or in insolvency proceedings, the lien imposed under subsection (a) shall be treated in the same manner as a tax due and owing to the United States for purposes of title 11 of the United States Code or section 3713 of title 31 of the United States Code.

(3) For purposes of applying section 6323(a) of the Internal Revenue Code of 1986 to determine the priority between the lien imposed under subsection (a) and a Federal tax lien, each lien shall be treated as a judgment lien arising as of the time notice of such lien is filed.

(4) For purposes of this subsection, notice of the lien imposed by subsection (a) shall be filed in the same manner as under section 6323(f) and (g) of the Internal Revenue Code of 1986.

(d)(1) In any case where there has been a refusal or neglect to pay the liability imposed under section 4062, 4063, or 4064, the corporation may bring civil action in a district court of the United States to enforce the lien of the corporation under this section with respect to such liability or to subject any property, of whatever nature, of the liable person, or in which he has any right, title, or interest to the payment of such liability.

(2) The liability imposed by section 4062, 4063, or 4064 may be collected by a proceeding in court if the proceeding is commenced within 6 years after the date upon which the plan was terminated or prior to the expiration of any period for collection agreed upon in writing by the corporation and the liable person before the expiration of such 6-year period. The period of limitations provided under this paragraph shall be suspended for the period the assets of the liable person are in the control or custody of any court of the United States, or of any State, or of the District of Columbia, and for 6 months thereafter, and for any period during which the liable person is outside the United States if such period of absence is for a continuous period of at least 6 months.

(e) If the corporation determines that release of the lien or subordination of the lien to any other creditor of the liable person would not adversely affect the collection of the liability imposed under section 4062, 4063, or 4064, or that the amount realizable by the corporation from the property to which the lien attaches will ultimately be increased by such release or subordination, and that the ultimate collection of the liability will be facilitated by such release or subordination, the corporation may issue a certificate of release or subordination of the lien with respect to such property, or any part thereof.

(f) DEFINITIONS.—For purposes of this section—

(1) The collective net worth of persons subject to liability in connection with a plan termination shall be determined as provided in section 4062(d)(1).

(2) The term “pre-tax profits” has the meaning provided in section 4062(d)(2).

CORPORATE REORGANIZATION

SEC. 4069. [1369] (a) **TREATMENT OF TRANSACTIONS TO EVADE LIABILITY.**—If a principal purpose of any person in entering into any transaction is to evade liability to which such person would be subject under this subtitle and the transaction becomes effective within five years before the termination date of the termination on which such liability would be based, then such person and the members of such person’s controlled group (determined as of the termination date) shall be subject to liability under this subtitle in connection with such termination as if such person were a contributing sponsor of the terminated plan as of the termination date. This subsection shall not cause any person to be liable under this subtitle in connection with such plan termination for any increases or improvements in the benefits provided under the plan which are adopted after the date on which the transaction referred to in the preceding sentence becomes effective.

(b) **EFFECT OF CORPORATE REORGANIZATION.**—For purposes of this subtitle, the following rules apply in the case of certain corporate reorganizations:

(1) **CHANGE OF IDENTITY, FORM, ETC.**—If a person ceases to exist by reason of a reorganization which involves a mere change in identity, form, or place of organization, however effected, a successor corporation resulting from such reorganization shall be treated as the person to whom this subtitle applies.

(2) **LIQUIDATION INTO PARENT CORPORATION.**—If a person ceases to exist by reason of liquidation into a parent corporation, the parent corporation shall be treated as the person to whom this subtitle applies.

(3) **MERGER, CONSOLIDATION, OR DIVISION.**—If a person ceases to exist by reason of a merger, consolidation, or division, the successor corporation or corporations shall be treated as the person to whom this subtitle applies.

ENFORCEMENT AUTHORITY RELATING TO TERMINATIONS OF SINGLE-
EMPLOYER PLANS

SEC. 4070. [1370] (a) **IN GENERAL.**—Any person who is with respect to a single-employer plan a fiduciary, contributing sponsor, member of a contributing sponsor’s controlled group, participant, or beneficiary, and is adversely affected by an act or practice of any party (other than the corporation) in violation of any provision of

section 4041, 4042, 4062, 4063, 4064, or 4069, or who is an employee organization representing such a participant or beneficiary so adversely affected for purposes of collective bargaining with respect to such plan, may bring an action—

(1) to enjoin such act or practice, or

(2) to obtain other appropriate equitable relief (A) to redress such violation or (B) to enforce such provision.

(b) STATUS OF PLAN AS PARTY TO ACTION AND WITH RESPECT TO LEGAL PROCESS.—A single-employer plan may be sued under this section as an entity. Service of summons, subpoena, or other legal process of a court upon a trustee or an administrator of a single-employer plan in such trustee's or administrator's capacity as such shall constitute service upon the plan. If a plan has not designated in the summary plan description of the plan an individual as agent for the service of legal process, service upon any contributing sponsor of the plan shall constitute such service. Any money judgment under this section against a single-employer plan shall be enforceable only against the plan as an entity and shall not be enforceable against any other person unless liability against such person is established in such person's individual capacity.

(c) JURISDICTION AND VENUE.—The district courts of the United States shall have exclusive jurisdiction of civil actions under this section. Such actions may be brought in the district where the plan is administered, where the violation took place, or where a defendant resides or may be found, and process may be served in any other district where a defendant resides or may be found. The district courts of the United States shall have jurisdiction, without regard to the amount in controversy or the citizenship of the parties, to grant the relief provided for in subsection (a) in any action.

(d) RIGHT OF CORPORATION TO INTERVENE.—A copy of the complaint or notice of appeal in any action under this section shall be served upon the corporation by certified mail. The corporation shall have the right in its discretion to intervene in any action.

(e) AWARDS OF COSTS AND EXPENSES.—

(1) GENERAL RULE.—In any action brought under this section, the court in its discretion may award all or a portion of the costs and expenses incurred in connection with such action, including reasonable attorney's fees, to any party who prevails or substantially prevails in such action.

(2) EXEMPTION FOR PLANS.—Notwithstanding the preceding provisions of this subsection, no plan shall be required in any action to pay any costs and expenses (including attorney's fees).

(f) LIMITATION ON ACTIONS.—

(1) IN GENERAL.—Except as provided in paragraph (3), an action under this section may not be brought after the later of—

(A) 6 years after the date on which the cause of action arose, or

(B) 3 years after the applicable date specified in paragraph (2).

(2) APPLICABLE DATE.—

(A) GENERAL RULE.—Except as provided in subparagraph (B), the applicable date specified in this paragraph is the earliest date on which the plaintiff acquired or should have acquired actual knowledge of the existence of such cause of action.

(B) SPECIAL RULE FOR PLAINTIFFS WHO ARE FIDUCIARIES.—In the case of a plaintiff who is a fiduciary bringing the action in the exercise of fiduciary duties, the applicable date specified in this paragraph is the date on which the plaintiff became a fiduciary with respect to the plan if such date is later than the date described in subparagraph (A).

(3) CASES OF FRAUD OR CONCEALMENT.—In the case of fraud or concealment, the period described in paragraph (1)(B) shall be extended to 6 years after the applicable date specified in paragraph (2).

PENALTY FOR FAILURE TO TIMELY PROVIDE REQUIRED INFORMATION

SEC. 4071. The corporation may assess a penalty, payable to the corporation, against any person who fails to provide any notice or other material information required under this subtitle, subtitle A, B, or C, or section 303(k)(4), or any regulations prescribed under any such subtitle or such section, within the applicable time limit specified therein. Such penalty shall not exceed \$1,000 for each day for which such failure continues.

(A) first, by any de minimis reduction applicable under section 4209,

(B) next, in the case of a partial withdrawal, in accordance with section 4206,

(C) then, to the extent necessary to reflect the limitation on annual payments under section 4219(c)(1)(B), and

COMPLETE WITHDRAWAL

SEC. 4203. [1383] (a) For purposes of this part, a complete withdrawal from a multiemployer plan occurs when an employer—

(1) permanently ceases to have an obligation to contribute under the plan, or

(2) permanently ceases all covered operations under the plan.

(b)(1) Notwithstanding subsection (a), in the case of an employer that has an obligation to contribute under a plan for work performed in the building and construction industry, a complete withdrawal occurs only as described in paragraph (2), if—

(A) substantially all the employees with respect to whom the employer has an obligation to contribute under the plan perform work in the building and construction industry, and

(B) the plan—

(i) primarily covers employees in the building and construction industry, or

(ii) is amended to provide that this subsection applies to employers described in this paragraph.

(2) A withdrawal occurs under this paragraph if—

(A) an employer ceases to have an obligation to contribute under the plan, and

(B) the employer—

- (i) continues to perform work in the jurisdiction of the collective bargaining agreement of the type for which contributions were previously required, or
 - (ii) resumes such work within 5 years after the date on which the obligation to contribute under the plan ceases, and does not renew the obligation at the time of the resumption.
- (3) In the case of a plan terminated by mass withdrawal (within the meaning of section 4041A(a)(2)), paragraph (2) shall be applied by substituting “3 years” for “5 years” in subparagraph (B)(ii).^{4203—1}
- (c)(1) Notwithstanding subsection (a), in the case of an employer that has an obligation to contribute under a plan for work performed in the entertainment industry, primarily on a temporary or project-by-project basis, if the plan primarily covers employees in the entertainment industry, a complete withdrawal occurs only as described in subsection (b)(2) applied by substituting “plan” for “collective bargaining agreement” in subparagraph (B)(i) thereof.
- (2) For purposes of this subsection, the term “entertainment industry” means—
 - (A) theater, motion picture (except to the extent provided in regulations prescribed by the corporation), radio, television, sound or visual recording, music, and dance, and
 - (B) such other entertainment activities as the corporation may determine to be appropriate.
- (3) The corporation may by regulation exclude a group or class of employers described in the preceding sentence^{4203—2} from the application of this subsection if the corporation determines that such exclusion is necessary—
 - (A) to protect the interest of the plan’s participants and beneficiaries, or
 - (B) to prevent a significant risk of loss to the corporation with respect to the plan.
- (4) A plan may be amended to provide that this subsection shall not apply to a group or class of employers under the plan.
- (d)(1) Notwithstanding subsection (a), in the case of an employer who—
 - (A) has an obligation to contribute under a plan described in paragraph (2) primarily for work described in such paragraph, and
 - (B) does not continue to perform work within the jurisdiction of the plan,
 a complete withdrawal occurs only as described in paragraph (3).
 - (2) A plan is described in this paragraph if substantially all of the contributions required under the plan are made by employers primarily engaged in the long and short haul trucking industry, the household goods moving industry, or the public warehousing industry.
 - (3) A withdrawal occurs under this paragraph if—

^{4203—1} So in original. The intended reference appears to be to paragraph (2)(B)(ii).

^{4203—2} So in original. The intended reference appears to be to paragraph (2).

(A) an employer permanently ceases to have an obligation to contribute under the plan or permanently ceases all covered operations under the plan, and

(B) either—

(i) the corporation determines that the plan has suffered substantial damage to its contribution base as a result of such cessation, or

(ii) the employer fails to furnish a bond issued by a corporate surety company that is an acceptable surety for purposes of section 412, or an amount held in escrow by a bank or similar financial institution satisfactory to the plan, in an amount equal to 50 percent of the withdrawal liability of the employer.

(4) If, after an employer furnishes a bond or escrow to a plan under paragraph (3)(B)(ii), the corporation determines that the cessation of the employer's obligation to contribute under the plan (considered together with any cessations by other employers), or cessation of covered operations under the plan, has resulted in substantial damage to the contribution base of the plan, the employer shall be treated as having withdrawn from the plan on the date on which the obligation to contribute or covered operations ceased, and such bond or escrow shall be paid to the plan. The corporation shall not make a determination under this paragraph more than 60 months after the date on which such obligation to contribute or covered operations ceased.

(5) If the corporation determines that the employer has no further liability under the plan either—

(A) because it determines that the contribution base of the plan has not suffered substantial damage as a result of the cessation of the employer's obligation to contribute or cessation of covered operations (considered together with any cessation of contribution obligation, or of covered operations, with respect to other employers), or

(B) because it may not make a determination under paragraph (4) because of the last sentence thereof, then the bond shall be cancelled or the escrow refunded.

(6) Nothing in this subsection shall be construed as a limitation on the amount of the withdrawal liability of any employer.

(e) For purposes of this part, the date of a complete withdrawal is the date of the cessation of the obligation to contribute or the cessation of covered operations.^{4203—3}

(f)(1) The corporation may prescribe regulations under which plans in industries other than the construction or entertainment industries may be amended to provide for special withdrawal liability rules similar to the rules described in subsections (b) and (c) of this section.

(2) Regulations under paragraph (1) shall permit use of special withdrawal liability rules—

(A) only in industries (or portions thereof) in which, as determined by the corporation, the characteristics that would make use of such rules appropriate are clearly shown, and

^{4203—3} So in original. The intended reference appears to be to whichever first occurs.

(B) only if the corporation determines, in each instance in which special withdrawal liability rules are permitted, that use of such rules will not pose a significant risk to the corporation under this title.

(29 U.S.C. 1383) Added September 26, 1980, P.L. 96-364, title I, sec. 104(2), 94 Stat. 1218.

SALE OF ASSETS

SEC. 4204. [1384] (a)(1) A complete or partial withdrawal of an employer (hereinafter in this section referred to as the “seller”) under this section^{4204—1} does not occur solely because, as a result of a bona fide, arm’s-length sale of assets to an unrelated party (hereinafter in this section referred to as the “purchaser”), the seller ceases covered operations or ceases to have an obligation to contribute for such operations, if—

(A) the purchaser has an obligation to contribute to the plan with respect to the operations for substantially the same number of contribution base units for which the seller had an obligation to contribute to the plan;

(B) the purchaser provides to the plan for a period of 5 plan years commencing with the first plan year beginning after the sale of assets, a bond issued by a corporate surety company that is an acceptable surety for purposes of section 412 of this Act, or an amount held in escrow by a bank or similar financial institution satisfactory to the plan, in an amount equal to the greater of—

(i) the average annual contribution required to be made by the seller with respect to the operations under the plan for the 3 plan years preceding the plan year in which the sale of the employer’s assets occurs, or

(ii) the annual contribution that the seller was required to make with respect to the operations under the plan for the last plan year before the plan year in which the sale of the assets occurs,

which bond or escrow shall be paid to the plan if the purchaser withdraws from the plan, or fails to make a contribution to the plan when due, at any time during the first 5 plan years beginning after the sale; and

(C) the contract for sale provides that, if the purchaser withdraws in a complete withdrawal, or a partial withdrawal with respect to operations, during such first 5 plan years, the seller is secondarily liable for any withdrawal liability it would have had to the plan with respect to the operations (but for this section) if the liability of the purchaser with respect to the plan is not paid.

(2) If the purchaser—

(A) withdraws before the last day of the fifth plan year beginning after the sale, and

(B) fails to make any withdrawal liability payment when due,

then the seller shall pay to the plan an amount equal to the payment that would have been due from the seller but for this section.

^{4204—1} So in original. The intended reference appears to be to this part.

(3)(A) If all, or substantially all, of the seller's assets are distributed, or if the seller is liquidated before the end of the 5 plan year period described in paragraph (1)(C), then the seller shall provide a bond or amount in escrow equal to the present value of the withdrawal liability the seller would have had but for this subsection.

(B) If only a portion of the seller's assets are distributed during such period, then a bond or escrow shall be required, in accordance with regulations prescribed by the corporation, in a manner consistent with subparagraph (A).

(4) The liability of the party furnishing a bond or escrow under this subsection shall be reduced, upon payment of the bond or escrow to the plan, by the amount thereof.

(b)(1) For the purposes of this part, the liability of the purchaser shall be determined as if the purchaser had been required to contribute to the plan in the year of the sale and the 4 plan years preceding the sale the amount the seller was required to contribute for such operations for such 5 plan years.

(2) If the plan is in reorganization in the plan year in which the sale of assets occurs, the purchaser shall furnish a bond or escrow in an amount equal to 200 percent of the amount described in subsection (a)(1)(B).

(c) The corporation may by regulation vary the standards in subparagraphs (B) and (C) of subsection (a)(1) if the variance would more effectively or equitably carry out the purposes of this title. Before it promulgates such regulations, the corporation may grant individual or class variances or exemptions from the requirements of such subparagraphs if the particular case warrants it. Before granting such an individual or class variance or exemption, the corporation—

(1) shall publish notice in the Federal Register of the pendency of the variance or exemption,

(2) shall require that adequate notice be given to interested persons, and

(3) shall afford interested persons an opportunity to present their views.

(d) For purposes of this section, the term "unrelated party" means a purchaser or seller who does not bear a relationship to the seller or purchaser, as the case may be, that is described in section 267(b) of the Internal Revenue Code of 1986, or that is described in regulations prescribed by the corporation applying principles similar to the principles of such section.

(29 U.S.C. 1384) Added September 26, 1980, P.L. 96-364, title I, sec. 104(2), 94 Stat. 1220; amended December 19, 1989, P.L. 101-239, title VII, sec. 7891(a)(1), 103 Stat. 2445.

PARTIAL WITHDRAWALS

SEC. 4205. [1385] (a) Except as otherwise provided in this section, there is a partial withdrawal by an employer from a plan on the last day of a plan year if for such plan year—

(1) there is a 70-percent contribution decline, or

(2) there is a partial cessation of the employer's contribution obligation.

(b) For purposes of subsection (a)—

(1)(A) There is a 70-percent contribution decline for any plan year if during each plan year in the 3-year testing period the employer's contribution base units do not exceed 30 percent of the employer's contribution base units for the high base year.

(B) For purposes of subparagraph (A)—

(i) The term “3-year testing period” means the period consisting of the plan year and the immediately preceding 2 plan years.

(ii) The number of contribution base units for the high base year is the average number of such units for the 2 plan years for which the employer's contribution base units were the highest within the 5 plan years immediately preceding the beginning of the 3-year testing period.

(2)(A) There is a partial cessation of the employer's contribution obligation for the plan year if, during such year—

(i) the employer permanently ceases to have an obligation to contribute under one or more but fewer than all collective bargaining agreements under which the employer has been obligated to contribute under the plan but continues to perform work in the jurisdiction of the collective bargaining agreement of the type for which contributions were previously required or transfers such work to another location or to an entity or entities owned or controlled by the employer, or

(ii) an ^{4205—1} employer permanently ceases to have an obligation to contribute under the plan with respect to work performed at one or more but fewer than all of its facilities, but continues to perform work at the facility of the type for which the obligation to contribute ceased.

(B) For purposes of subparagraph (A), a cessation of obligations under a collective bargaining agreement shall not be considered to have occurred solely because, with respect to the same plan, one agreement that requires contributions to the plan has been substituted for another agreement.

(c)(1) In the case of a plan in which a majority of the covered employees are employed in the retail food industry, the plan may be amended to provide that this section shall be applied with respect to such plan—

(A) by substituting “35 percent” for “70 percent” in subsections (a) and (b), and

(B) by substituting “65 percent” for “30 percent” in subsection (b).

(2) Any amendment adopted under paragraph (1) shall provide rules for the equitable reduction of withdrawal liability in any case in which the number of the plan's contribution base units, in the 2 plan years following the plan year of withdrawal of the employer, is higher than such number immediately after the withdrawal.

(3) Section 4208 shall not apply to a plan which has been amended under paragraph (1).

^{4205—1} So in original. The intended article appears to be “the” rather than “an”.

(d) In the case of a plan described in section 404(c) of the Internal Revenue Code of 1986, or a continuation thereof, the plan may be amended to provide rules setting forth other conditions consistent with the purposes of this Act under which an employer has liability for partial withdrawal.

(29 U.S.C. 1385) Added September 26, 1980, P.L. 96-364, title I, sec. 104(2), 94 Stat. 1221; amended December 19, 1989, P.L. 101-239, title VII, sec. 7891(a)(1), 103 Stat. 2445; amended August 17, 2006, P.L. 109-280, sec. 204(b)(1), 120 Stat. 887.

ADJUSTMENT FOR PARTIAL WITHDRAWAL

SEC. 4206. [1386] (a) The amount of an employer's liability for a partial withdrawal, before the application of sections 4219(c)(1) and 4225, is equal to the product of—

(1) the amount determined under section 4211, and adjusted under section 4209 if appropriate, determined as if the employer had withdrawn from the plan in a complete withdrawal—

(A) on the date of the partial withdrawal, or

(B) in the case of a partial withdrawal described in section 4205(a)(1) (relating to 70-percent contribution decline), on the last day of the first plan year in the 3-year testing period,

multiplied by

(2) a fraction which is 1 minus a fraction—

(A) the numerator of which is the employer's contribution base units for the plan year following the plan year in which the partial withdrawal occurs, and

(B) the denominator of which is the average of the employer's contribution base units for—

(i) except as provided in clause (ii), the 5 plan years immediately preceding the plan year in which the partial withdrawal occurs, or

(ii) in the case of a partial withdrawal described in section 4205(a)(1) (relating to 70-percent contribution decline), the 5 plan years immediately preceding the beginning of the 3-year testing period.

(b)(1) In the case of an employer that has withdrawal liability for a partial withdrawal from a plan, any withdrawal liability of that employer for a partial or complete withdrawal from that plan in a subsequent plan year^{4206—1} shall be reduced by the amount of any partial withdrawal liability (reduced by any abatement or reduction of such liability) of the employer with respect to the plan for a previous plan year.

(2) The corporation shall prescribe such regulations as may be necessary to provide for proper adjustments in the reduction provided by paragraph (1) for—

(A) changes in unfunded vested benefits arising after the close of the prior year^{4206—2} for which partial withdrawal liability was determined,

^{4206—1} So in original. The intended reference appears to be to "any plan year".

^{4206—2} So in original. The intended reference appears to be to "any plan year".

(B) changes in contribution base units occurring after the close of the prior year^{4206—3} for which partial withdrawal liability was determined, and

(C) any other factors for which it determines adjustment to be appropriate,
so that the liability for any complete or partial withdrawal in any subsequent year (after the application of the reduction) properly reflects the employer's share of liability with respect to the plan.

(29 U.S.C. 1386) Added September 26, 1980, P.L. 96-364, title I, sec. 104(2), 94 Stat. 1222.

REDUCTION OR WAIVER OF COMPLETE WITHDRAWAL LIABILITY

SEC. 4207. [1387] (a) The corporation shall provide by regulation for the reduction or waiver of liability for a complete withdrawal in the event that an employer who has withdrawn from a plan subsequently resumes covered operations under the plan or renews an obligation to contribute under the plan, to the extent that the corporation determines that reduction or waiver of withdrawal liability is consistent with the purposes of this Act.

(b) The corporation shall prescribe by regulation a procedure and standards for the amendment of plans to provide alternative rules for the reduction or waiver of liability for a complete withdrawal in the event that an employer who has withdrawn from the plan subsequently resumes covered operations or renews an obligation to contribute under the plan. The rules may apply only to the extent that the rules are consistent with the purposes of this Act.

(29 U.S.C. 1387) Added September 26, 1980, P.L. 96-364, title I, sec. 104(2), 94 Stat. 1223.

REDUCTION OF PARTIAL WITHDRAWAL LIABILITY

SEC. 4208. [1388] (a)(1) If, for any 2 consecutive plan years following the plan year in which an employer has partially withdrawn from a plan under section 4205(a)(1) (referred to elsewhere in this section as the "partial withdrawal year"), the number of contribution base units with respect to which the employer has an obligation to contribute under the plan for each such year is not less than 90 percent of the total number of contribution base units with respect to which the employer had an obligation to contribute under the plan for the high base year (within the meaning of section 4205(b)(1)(B)(ii)), then the employer shall have no obligation to make payments with respect to such partial withdrawal (other than delinquent payments) for plan years beginning after the second consecutive plan year following the partial withdrawal year.

(2)(A) For any plan year for which the number of contribution base units with respect to which an employer who has partially withdrawn under section 4205(a)(1) has an obligation to contribute under the plan equals or exceeds the number of units for the highest year determined under paragraph (1) without regard to "90 percent of", the employer may furnish (in lieu of payment of the partial withdrawal liability determined under section 4206) a bond to the plan in the amount determined by the plan sponsor (not exceeding 50 percent of the annual payment otherwise required).

^{4206—3} So in original. The intended reference appears to be to "any plan year".

(B) If the plan sponsor determines under paragraph (1) that the employer has no further liability to the plan for the partial withdrawal, then the bond shall be cancelled.

(C) If the plan sponsor determines under paragraph (1) that the employer continues to have liability to the plan for the partial withdrawal, then—

- (i) the bond shall be paid to the plan,
- (ii) the employer shall immediately be liable for the outstanding amount of liability due with respect to the plan year for which the bond was posted, and
- (iii) the employer shall continue to make the partial withdrawal liability payments as they are due.

(b) If—

(1) for any 2 consecutive plan years following a partial withdrawal under section 4205(a)(1), the number of contribution base units with respect to which the employer has an obligation to contribute for each such year exceeds 30 percent of the total number of contribution base units with respect to which the employer had an obligation to contribute for the high base year (within the meaning of section 4205(b)(1)(B)(ii)^{4208—1}, and

(2) the total number of contribution base units with respect to which all employers under the plan have obligations to contribute in each of such 2 consecutive years is not less than 90 percent of the total number of contribution base units for which all employers had obligations to contribute in the partial withdrawal plan year;

then, the employer shall have no obligation to make payments with respect to such partial withdrawal (other than delinquent payments) for plan years beginning after the second such consecutive plan year.

(c) In any case in which, in any plan year following a partial withdrawal under section 4205(a)(1), the number of contribution base units with respect to which the employer has an obligation to contribute for such year equals or exceeds 110 percent (or such other percentage as the plan may provide by amendment and which is not prohibited under regulations prescribed by the corporation) of the number of contribution base units with respect to which the employer had an obligation to contribute in the partial withdrawal year, then the amount of the employer's partial withdrawal liability payment for such year shall be reduced pro rata, in accordance with regulations prescribed by the corporation.

(d)(1) An employer to whom section 4202(b)^{4208—2} (relating to the building and construction industry) applies is liable for a partial withdrawal only if the employer's obligation to contribute under the plan is continued for no more than an insubstantial portion of its work in the craft and area jurisdiction of the collective bargaining agreement of the type for which contributions are required.

^{4208—1} So in original. There is no closing parenthesis.

^{4208—2} So in original. The intended reference appears to be to section 4203(b).

(2) An employer to whom section 4202(c)^{4208—3} (relating to the entertainment industry) applies shall have no liability for a partial withdrawal except under the conditions and to the extent prescribed by the corporation by regulation.

(e)(1) The corporation may prescribe regulations providing for the reduction or elimination of partial withdrawal liability under any conditions with respect to which the corporation determines that reduction or elimination of partial withdrawal liability is consistent with the purposes of this Act.

(2) Under such regulations, reduction of withdrawal liability shall be provided only with respect to subsequent changes in the employer's contributions for the same operations, or under the same collective bargaining agreement, that gave rise to the partial withdrawal, and changes in the employer's contribution base units with respect to other facilities or other collective bargaining agreements shall not be taken into account.

(3) The corporation shall prescribe by regulation a procedure by which a plan may by amendment adopt rules for the reduction or elimination of partial withdrawal liability under any other conditions, subject to the approval of the corporation based on its determination that adoption of such rules by the plan is consistent with the purposes of this Act.

SEC. 4209. [1389] (a) Except in the case of a plan amended under subsection (b), the amount of the unfunded vested benefits allocable under section 4211 to an employer who withdraws from a plan shall be reduced by the smaller of—

(1) 3/4 of 1 percent of the plan's unfunded vested obligations (determined as of the end of the plan year ending before the date of withdrawal), or

(2) \$50,000,
reduced by the amount, if any, by which the unfunded vested benefits allowable to the employer, determined without regard to this subsection, exceeds \$100,000.

(b) A plan may be amended to provide for the reduction of the amount determined under section 4211 by not more than the greater of—

(1) the amount determined under subsection (a), or

(2) the lesser of—

(A) the amount determined under subsection (a)(1), or

(B) \$100,000,

reduced by the amount, if any, by which the amount determined under section 4211 for the employer, determined without regard to this subsection, exceeds \$150,000.

(c) This section does not apply—

(1) to an employer who withdraws in a plan year in which substantially all employers withdraw from the plan, or

(2) in any case in which substantially all employers withdraw from the plan during a period of one or more plan years

pursuant to an agreement or arrangement to withdraw, to an employer who withdraws pursuant to such agreement or arrangement.

(d) In any action or proceeding to determine or collect withdrawal liability, if substantially all employers have withdrawn from a plan within a period of 3 plan years, an employer who has withdrawn from such plan during such period shall be presumed to have withdrawn from the plan pursuant to an agreement or arrangement, unless the employer proves otherwise by a preponderance of the evidence.

NO WITHDRAWAL LIABILITY FOR CERTAIN TEMPORARY CONTRIBUTION OBLIGATION PERIODS

SEC. 4210. [1390] (a) An employer who withdraws from a plan in complete or partial withdrawal is not liable to the plan if the employer—

(1) first had an obligation to contribute to the plan after the date of the enactment of the Multiemployer Pension Plan Amendments Act of 1980 [September 26, 1980],

(2) had an obligation to contribute to the plan for no more than the lesser of—

(A) 6 consecutive plan years preceding the date on which the employer withdraws, or

(B) the number of years required for vesting under the plan,

(3) was required to make contributions to the plan for each such plan year in an amount equal to less than 2 percent of the sum of all employer contributions made to the plan for each such year, and

(4) has never avoided withdrawal liability because of the application of this section with respect to the plan.

(b) Subsection (a) shall apply to an employer with respect to a plan only if—

(1) the plan is amended to provide that subsection (a) applies;

(2) the plan provides, or is amended to provide, that the reduction under section 411(a)(3)(E) of the Internal Revenue Code of 1986 applies with respect to the employees of the employer; and

(3) the ratio of the assets of the plan for the plan year preceding the first plan year for which the employer was required to contribute to the plan to the benefit payments made during that plan year was at least 8 to 1.

METHODS FOR COMPUTING WITHDRAWAL LIABILITY

SEC. 4211. [1391] (a) The amount of the unfunded vested benefits allocable to an employer that withdraws from a plan shall be

determined in accordance with subsection (b), (c), or (d) of this section.

(b)(1) Except as provided in subsections (c) and (d), the amount of unfunded vested benefits allocable to an employer that withdraws is the sum of—

(A) the employer's proportional share of the unamortized amount of the change in the plan's unfunded vested benefits for plan years ending after September 25, 1980, as determined under paragraph (2),

(B) the employer's proportional share, if any, of the unamortized amount of the plan's unfunded vested benefits at the end of the plan year ending before September 26, 1980, as determined under paragraph (3); and

(C) the employer's proportional share of the unamortized amounts of the reallocated unfunded vested benefits (if any) as determined under paragraph (4).

If the sum of the amounts determined with respect to an employer under paragraphs (2), (3), and (4) is negative, the unfunded vested benefits allocable to the employer shall be zero.

(2)(A) An employer's proportional share of the unamortized amount of the change in the plan's unfunded vested benefits for plan years ending after September 25, 1980, is the sum of the employer's proportional shares of the unamortized amount of the change in unfunded vested benefits for each plan year in which the employer has an obligation to contribute under the plan ending—

(i) after such date, and

(ii) before the plan year in which the withdrawal of the employer occurs.

(B) The change in a plan's unfunded vested benefits for a plan year is the amount by which—

(i) the unfunded vested benefits at the end of the plan year; exceeds

(ii) the sum of—

(I) the unamortized amount of the unfunded vested benefits for the last plan year ending before September 26, 1980, and

(II) the sum of the unamortized amounts of the change in unfunded vested benefits for each plan year ending after September 25, 1980, and preceding the plan year for which the change is determined.

(C) The unamortized amount of the change in a plan's unfunded vested benefits with respect to a plan year is the change in unfunded vested benefits for the plan year, reduced by 5 percent of such change for each succeeding plan year.

(D) The unamortized amount of the unfunded vested benefits for the last plan year ending before September 26, 1980, is the amount of the unfunded vested benefits as of the end of that plan year reduced by 5 percent of such amount for each succeeding plan year.

(E) An employer's proportional share of the unamortized amount of a change in unfunded vested benefits is the product of—

(i) the unamortized amount of such change (as of the end of the plan year preceding the plan year in which the employer withdraws); multiplied by

- (ii) a fraction—
- (I) the numerator of which is the sum of the contributions required to be made under the plan by the employer for the year in which such change arose and for the 4 preceding plan years, and
- (II) the denominator of which is the sum for the plan year in which such change arose and the 4 preceding plan years of all contributions made by employers who had an obligation to contribute under the plan for the plan year in which such change arose reduced by the contributions made in such years by employers who had withdrawn from the plan in the year in which the change arose.
- (3) An employer's proportional share of the unamortized amount of the plan's unfunded vested benefits for the last plan year ending before September 26, 1980, is the product of—
- (A) such unamortized amount; multiplied by—
- (B) a fraction—
- (i) the numerator of which is the sum of all contributions required to be made by the employer under the plan for the most recent 5 plan years ending before September 26, 1980, and
- (ii) the denominator of which is the sum of all contributions made for the most recent 5 plan years ending before September 26, 1980, by all employers—
- (I) who had an obligation to contribute under the plan for the first plan year ending on or after such date, and
- (II) who had not withdrawn from the plan before such date.
- (4)(A) An employer's proportional share of the unamortized amount of the reallocated unfunded vested benefits is the sum of the employer's proportional shares of the unamortized amount of the reallocated unfunded vested benefits for each plan year ending before the plan year in which the employer withdrew from the plan.
- (B) Except as otherwise provided in regulations prescribed by the corporation, the reallocated unfunded vested benefits for a plan year is the sum of—
- (i) any amount which the plan sponsor determines in that plan year to be uncollectible^{4211—1} for reasons arising out of cases or proceedings under title 11, United States Code, or similar proceedings.^{4211—2}
- (ii) any amount which the plan sponsor determines in that plan year will not be assessed^{4211—3} as a result of the operation of section 4209, 4219(c)(1)(B), or section 4225 against an employer to whom a notice described in section 4219^{4211—4} has been sent, and

^{4211—4} So in original. The intended reference appears to be to section 4219(b)(1)(A).

(iii) any amount which the plan sponsor determines to be uncollectible or unassessable in that plan year for other reasons under standards not inconsistent with regulations prescribed by the corporation.

(C) The unamortized amount of the reallocated unfunded vested benefits with respect to a plan year is the reallocated unfunded vested benefits for the plan year, reduced by 5 percent of such reallocated unfunded vested benefits for each succeeding plan year.

(D) An employer's proportional share of the unamortized amount of the reallocated unfunded vested benefits with respect to a plan year is the product of—

(i) the unamortized amount of the reallocated unfunded vested benefits (as of the end of the plan year preceding the plan year in which the employer withdraws); multiplied by

(ii) the fraction defined in paragraph (2)(E)(ii).

(c)(1) A multiemployer plan, other than a plan which primarily covers employees in the building and construction industry, may be amended to provide that the amount of unfunded vested benefits allocable to an employer that withdraws from the plan is an amount determined under paragraph (2), (3), (4), or (5) of this subsection, rather than under subsection (b) or (d). A plan described in section 4203(b)(1)(B)(i) (relating to the building and construction industry) may be amended, to the extent provided in regulations prescribed by the corporation, to provide that the amount of the unfunded vested benefits allocable to an employer not described in section 4203(b)(1)(A) shall be determined in a manner different from that provided in subsection (b).

(2)(A) The amount of the unfunded vested benefits allocable to any employer under this paragraph is the sum of the amounts determined under subparagraphs (B) and (C).

(B) The amount determined under this subparagraph is the product of—

(i) the plan's unfunded vested benefits as of the end of the last plan year ending before September 26, 1980, reduced as if those obligations were being fully amortized in level annual installments over 15 years beginning with the first plan year ending on or after such date; multiplied by

(ii) a fraction—

(I) the numerator of which is the sum of all contributions required to be made by the employer under the plan for the last 5 plan years ending before September 26, 1980, and

(II) the denominator of which is the sum of all contributions made for the last 5 plan years ending before September 26, 1980, by all employers who had an obligation to contribute under the plan for the first plan year ending after September 25, 1980, and who had not withdrawn from the plan before such date.

(C) The amount determined under this subparagraph is the product of—

(i) an amount equal to—

(I) the plan's unfunded vested benefits as of the end of the plan year preceding the plan year in which the employer withdraws, less

- (II) the sum of the value as of such date of all outstanding claims for withdrawal liability which can reasonably be expected to be collected, with respect to employers withdrawing before such plan year, and that portion of the amount determined under subparagraph (B)(i) which is allocable to employers who have an obligation to contribute under the plan in the plan year preceding the plan year in which the employer withdraws and who also had an obligation to contribute under the plan for the first plan year ending after September 25, 1980; multiplied by
- (ii) a fraction—
- (I) the numerator of which is the total amount required to be contributed under the plan by the employer for the last 5 plan years ending before the date on which the employer withdraws, and
- (II) the denominator of which is the total amount contributed under the plan by all employers for the last 5 plan years ending before the date on which the employer withdraws, increased by the amount of any employer contributions owed with respect to earlier periods which were collected in those plan years, and decreased by any amount contributed by an employer who withdrew from the plan under this part during those plan years.
- (D) The corporation may by regulation permit adjustments in any denominator under this section, consistent with the purposes of this title, where such adjustment would be appropriate to ease administrative burdens of plan sponsors in calculating such denominators.
- (3) The amount of the unfunded vested benefits allocable to an employer under this paragraph is the product of—
- (A) the plan's unfunded vested benefits as of the end of the plan year preceding the plan year in which the employer withdraws, less the value as of the end of such year of all outstanding claims for withdrawal liability which can reasonably be expected to be collected from employers withdrawing before such year; multiplied by
- (B) a fraction—
- (i) the numerator of which is the total amount required to be contributed by the employer under the plan for the last 5 plan years ending before the withdrawal, and
- (ii) the denominator of which is the total amount contributed under the plan by all employers for the last 5 plan years ending before the withdrawal, increased by any employer contributions owed with respect to earlier periods which were collected in those plan years, and decreased by any amount contributed to the plan during those plan years by employers who withdrew from the plan under this section during those plan years.
- (4)(A) The amount of the unfunded vested benefits allocable to an employer under this paragraph is equal to the sum of—
- (i) the plan's unfunded vested benefits which are attributable to participants' service with the employer (determined as of the end of the plan year preceding the plan year in which the employer withdraws), and

(ii) the employer's proportional share of any unfunded vested benefits which are not attributable to service with the employer or other employers who are obligated to contribute under the plan in the plan year preceding the plan year in which the employer withdraws (determined as of the end of the plan year preceding the plan year in which the employer withdraws).

(B) The plan's unfunded vested benefits which are attributable to participants' service with the employer is the amount equal to the value of nonforfeitable benefits under the plan which are attributable to participants' service with such employer (determined under plan rules not inconsistent with regulations of the corporation) decreased by the share of plan assets determined under subparagraph (C) which is allocated to the employer as provided under subparagraph (D).

(C) The value of plan assets determined under this subparagraph is the value of plan assets allocated to nonforfeitable benefits which are attributable to service with the employers who have an obligation to contribute under the plan in the plan year preceding the plan year in which the employer withdraws, which is determined by multiplying—

(i) the value of the plan assets as of the end of the plan year preceding the plan year in which the employer withdraws, by

(ii) a fraction—

(I) the numerator of which is the value of nonforfeitable benefits which are attributable to service with such employers, and

(II) the denominator of which is the value of all nonforfeitable benefits under the plan

as of the end of the plan year.

(D) The share of plan assets, determined under subparagraph (C), which is allocated to the employer shall be determined in accordance with one of the following methods which shall be adopted by the plan by amendment:

(i) by multiplying the value of plan assets determined under subparagraph (C) by a fraction—

(I) the numerator of which is the value of the nonforfeitable benefits which are attributable to service with the employer, and

(II) the denominator of which is the value of the nonforfeitable benefits which are attributable to service with all employers who have an obligation to contribute under the plan in the plan year preceding the plan year in which the employer withdraws;

(ii) by multiplying the value of plan assets determined under subparagraph (C) by a fraction—

(I) the numerator of which is the sum of all contributions (accumulated with interest) which have been made to the plan by the employer for the plan year preceding the plan year in which the employer withdraws and all preceding plan years; and

(II) the denominator of which is the sum of all contributions (accumulated with interest) which have been

- made to the plan (for the plan year preceding the plan year in which the employer withdraws and all preceding plan years) by all employers who have an obligation to contribute to the plan for the plan year preceding the plan year in which the employer withdraws; or
- (iii) by multiplying the value of plan assets under subparagraph (C) by a fraction—
- (I) the numerator of which is the amount determined under clause (ii)(I) of this subparagraph, less the sum of benefit payments (accumulated with interest) made to participants (and their beneficiaries) for the plan years described in such clause (ii)(I) which are attributable to service with the employer; and
- (II) the denominator of which is the amount determined under clause (ii)(II) of this subparagraph, reduced by the sum of benefit payments (accumulated with interest) made to participants (and their beneficiaries) for the plan years described in such clause (ii)(II) which are attributable to service with respect to the employers described in such clause (ii)(II).
- (E) The amount of the plan's unfunded vested benefits for a plan year preceding the plan year in which an employer withdraws, which is not attributable to service with employers who have an obligation to contribute under the plan in the plan year preceding the plan year in which such employer withdraws, is equal to—
- (i) an amount equal to—
- (I) the value of all nonforfeitable benefits under the plan at the end of such plan year, reduced by
- (II) the value of nonforfeitable benefits under the plan at the end of such plan year which are attributable to participants' service with employers who have an obligation to contribute under the plan for such plan year; reduced by
- (ii) an amount equal to—
- (I) the value of the plan assets as of the end of such plan year, reduced by
- (II) the value of plan assets as of the end of such plan year as determined under subparagraph (C); reduced by
- (iii) the value of all outstanding claims for withdrawal liability which can reasonably be expected to be collected with respect to employers withdrawing before the year preceding the plan year in which the employer withdraws.
- (F) The employer's proportional share described in subparagraph (A)(ii) for a plan year is the amount determined under subparagraph (E) for the employer, but not in excess of an amount which bears the same ratio to the sum of the amounts determined under subparagraph (E) for all employers under the plan as the amount determined under subparagraph (C) for the employer bears to the sum of the amounts determined under subparagraph (C) for all employers under the plan.
- (G) The corporation may prescribe by regulation other methods which a plan may adopt for allocating assets to determine the amount of the unfunded vested benefits attributable to service with the employer and to determine the employer's share of unfunded vested benefits not attributable to service with employers who have

an obligation to contribute under the plan in the plan year in which the employer withdraws.

(5)(A) The corporation shall prescribe by regulation a procedure by which a plan may, by amendment, adopt any other alternative method for determining an employer's allocable share of unfunded vested benefits under this section, subject to the approval of the corporation based on its determination that adoption of the method by the plan would not significantly increase the risk of loss to plan participants and beneficiaries or to the corporation.

(B) The corporation may prescribe by regulation standard approaches for alternative methods, other than those set forth in the preceding paragraphs of this subsection, which a plan may adopt under subparagraph (A), for which the corporation may waive or modify the approval requirements of subparagraph (A). Any alternative method shall provide for the allocation of substantially all of a plan's unfunded vested benefits among employers who have an obligation to contribute under the plan.

(C) Unless the corporation by regulation provides otherwise, a plan may be amended to provide that a period of more than 5 but not more than 10 plan years may be used for determining the numerator and denominator of any fraction which is used under any method authorized under this section for determining an employer's allocable share of unfunded vested benefits under this section.

(D) The corporation may by regulation permit adjustments in any denominator under this section, consistent with the purposes of this title, where such adjustment would be appropriate to ease administrative burdens of plan sponsors in calculating such denominators.

(E) FRESH START OPTION.—Notwithstanding paragraph (1), a plan may be amended to provide that the withdrawal liability method described in subsection (b) shall be applied by substituting the plan year which is specified in the amendment and for which the plan has no unfunded vested benefits for the plan year ending before September 26, 1980.

(d)(1) The method of calculating an employer's allocable share of unfunded vested benefits set forth in subsection (c)(3) shall be the method for calculating an employer's allocable share of unfunded vested benefits under a plan to which section 404(c) of the Internal Revenue Code of 1986, or a continuation of such a plan, applies, unless the plan is amended to adopt another method authorized under subsection (b) or (c).

(2) Sections 4204, 4209, 4219(c)(1)(B), and 4225 shall not apply with respect to the withdrawal of an employer from a plan described in paragraph (1) unless the plan is amended to provide that any of such sections apply.

(e) In the case of a transfer of liabilities to another plan incident to an employer's withdrawal or partial withdrawal, the withdrawn employer's liability under this part shall be reduced in an amount equal to the value, as of the end of the last plan year ending on or before the date of the withdrawal, of the transferred unfunded vested benefits.

(f) In the case of a withdrawal following a merger of multiemployer plans, subsection (b), (c), or (d) shall be applied in accord-

ance with regulations prescribed by the corporation; except that, if a withdrawal occurs in the first plan year beginning after a merger of multiemployer plans, the determination under this section shall be made as if each of the multiemployer plans had remained separate plans.

OBLIGATION TO CONTRIBUTE; SPECIAL RULES

SEC. 4212. [1392] (a) For purposes of this part, the term “obligation to contribute” means an obligation to contribute arising—

(1) under one or more collective bargaining (or related) agreements, or

(2) as a result of a duty under applicable labor-management relations law, but

does not include an obligation to pay withdrawal liability under this section or to pay delinquent contributions.

(b) Payments of withdrawal liability under this part shall not be considered contributions for purposes of this part.

(c) If a principal purpose of any transaction is to evade or avoid liability under this part, this part shall be applied (and liability shall be determined and collected) without regard to such transaction.

ACTUARIAL ASSUMPTIONS, ETC.

SEC. 4213. [1393] (a) The corporation may prescribe by regulation actuarial assumptions which may be used by a plan actuary in determining the unfunded vested benefits of a plan for purposes of determining an employer’s withdrawal liability under this part. Withdrawal liability under this part shall be determined by each plan on the basis of—

(1) actuarial assumptions and methods which, in the aggregate, are reasonable (taking into account the experience of the plan and reasonable expectations) and which, in combination, offer the actuary’s best estimate of anticipated experience under the plan, or

(2) actuarial assumptions and methods set forth in the corporation’s regulations for purposes of determining an employer’s withdrawal liability.

(b) In determining the unfunded vested benefits of a plan for purposes of determining an employer’s withdrawal liability under this part, the plan actuary may—

(1) rely on the most recent complete actuarial valuation used for purposes of section 412 of Internal Revenue Code of 1986 and reasonable estimates for the interim years of the unfunded vested benefits, and

(2) in the absence of complete data, rely on the data available or on data secured by a sampling which can reasonably be expected to be representative of the status of the entire plan.

(c) For purposes of this part, the term “unfunded vested benefits” means with respect to a plan, an amount equal to—

(A)^{4213—1} the value of nonforfeitable benefits under the plan, less

(B)^{4213—1} the value of the assets of the plan.

(29 U.S.C. 1393) Added September 26, 1980, P.L. 96-364, title I, sec. 104(2), 94 Stat. 1233; amended December 19, 1989, P.L. 101-239, title VII, sec. 7891(a)(1), 103 Stat. 2445.

APPLICATION OF PLAN AMENDMENTS

SEC. 4214. [1394] (a) No plan rule or amendment adopted after January 31, 1981, under section 4209 or 4211(c) may be applied without the employer's consent with respect to liability for a withdrawal or partial withdrawal which occurred before the date on which the rule or amendment was adopted.

(b) All plan rules and amendments authorized under this part shall operate and be applied uniformly with respect to each employer, except that special provisions may be made to take into account the creditworthiness of an employer. The plan sponsor shall give notice to all employers who have an obligation to contribute under the plan and to all employee organizations representing employees covered under the plan of any plan rules or amendments adopted pursuant to this section.

(29 U.S.C. 1394) Added September 26, 1980, P.L. 96-364, title I, sec. 104(2), 94 Stat. 1234.

PLAN NOTIFICATION TO CORPORATION OF POTENTIALLY SIGNIFICANT WITHDRAWALS

SEC. 4215. [1395] The corporation may, by regulation, require the plan sponsor of a multiemployer plan to provide notice to the corporation when the withdrawal from the plan by any employer has resulted, or will result, in a significant reduction in the amount of aggregate contributions under the plan made by employers.

(29 U.S.C. 1395) Added September 26, 1980, P.L. 96-364, title I, sec. 104(2), 94 Stat. 1234.

SPECIAL RULES FOR PLANS UNDER SECTION 404(C) PLANS

SEC. 4216. [1396] (a) In the case of a plan described in subsection (b)—

(1) if an employer withdraws prior to a termination described in section 4041A(a)(2), the amount of withdrawal liability to be paid in any year^{4216—1} by such employer shall be an amount equal to the greater of—

(A) the amount determined under section 4219(c)(1)(C)(i), or

(B) the product of—

(i) the number of contribution base units for which the employer would have been required to make contributions for the prior plan year if the employer had not withdrawn, multiplied by

^{4213—1} So in original. Subparagraphs (A) and (B) probably should be redesignated as paragraphs (1) and (2).

^{4216—1} So in original. The intended phrase appears to be “for any year”.

(ii) the contribution rate for the plan year which would be required to meet the amortization schedules contained in section 4243(d)(3)(B)(ii)^{4216—2} (determined without regard to any limitation on such rate otherwise provided by this title)

except that an employer shall not be required to pay an amount in excess of the withdrawal liability computed with interest; and

(2) the withdrawal liability of an employer who withdraws after December 31, 1983, as a result of a termination described in section 4041A(a)(2) which is agreed to by the labor organization that appoints the employee representative on the joint board of trustees which sponsors the plan, shall be determined under subsection (c) if—

(A) as a result of prior employer withdrawals in any plan year commencing after January 1, 1980, the number of contribution base units is reduced to less than 67 percent of the average number of such units for the calendar years 1974 through 1979; and

(B) at least 50 percent of the withdrawal liability attributable to the first 33 percent decline described in subparagraph (A) has been determined by the plan sponsor to be uncollectible within the meaning of regulations of the corporation of general applicability; and

(C) the rate of employer contributions under the plan for each plan year following the first plan year beginning after the date of enactment of the Multiemployer Pension Plan Amendments Act of 1980 [September 26, 1980] and preceding the termination date equals or exceeds the rate described in section 4243(d)(3).

(b) A plan is described in this subsection if—

(1) it is a plan described in section 404(c) of the Internal Revenue Code of 1986 or a continuation thereof; and

(2) participation in the plan is substantially limited to individuals who retired prior to January 1, 1976.

(c)(1) The amount of an employer's liability under this paragraph is the product of—

(A) the amount of the employer's withdrawal liability determined without regard to this section, and

(B) the greater of 90 percent, or a fraction—

(i) the numerator of which is an amount equal to the portion of the plan's unfunded vested benefits that is attributable to plan participants who have a total of 10 or more years of signatory service, and

(ii) the denominator of which is an amount equal to the total unfunded vested benefits of the plan.

(2) For purposes of paragraph (1), the term “a year of signatory service”^{4216—3} means a year during any portion of which a participant was employed for an employer who was obligated to contribute in that year, or who was subsequently obligated to contribute.

^{4216—2} So in original. The intended reference appears to be to section 4243(d)(3)(B)(i).

APPLICATION OF PART IN CASE OF CERTAIN PRE-1980 WITHDRAWALS

SEC. 4217. [1397] (a) For the purpose of determining the amount of unfunded vested benefits allocable to an employer for a partial or complete withdrawal from a plan which occurs after September 25, 1980, and for the purpose of determining whether there has been a partial withdrawal after such date, the amount of contributions, and the number of contribution base units, of such employer properly allocable—

(1) to work performed under a collective bargaining agreement for which there was a permanent cessation of the obligation to contribute before September 26, 1980, or

(2) to work performed at a facility at which all covered operations permanently ceased before September 26, 1980, or for which there was a permanent cessation of the obligation to contribute before that date,

shall not be taken into account.

(b) A plan may, in a manner not inconsistent with regulations, which shall be prescribed by the corporation, adjust the amount of unfunded vested benefits allocable to other employers under a plan maintained by an employer described in subsection (a).

(29 U.S.C. 1397) Added September 26, 1980, P.L. 96-364, title I, sec. 104(2), 94 Stat. 1235; amended July 18, 1984, P.L. 98-369, title V, sec. 558(b), 98 Stat. 899.

WITHDRAWAL NOT TO OCCUR MERELY BECAUSE OF CHANGE IN BUSINESS FORM OR SUSPENSION OF CONTRIBUTIONS DURING LABOR DISPUTE

SEC. 4218. [1398] Notwithstanding any other provision of this part, an employer shall not be considered to have withdrawn from a plan solely because—

(1) an employer ceases to exist by reason of—

(A) a change in corporate structure described in section 4069(b), or

(B) a change to an unincorporated form of business enterprise,

if the change causes no interruption in employer contributions or obligations to contribute under the plan, or

(2) an employer suspends contributions under the plan during a labor dispute involving its employees.

For purposes of this part, a successor or parent corporation or other entity resulting from any such change shall be considered the original employer.

NOTICE, COLLECTION, ETC., OF WITHDRAWAL LIABILITY

SEC. 4219. [1399] (a) An employer shall, within 30 days after a written request from the plan sponsor, furnish such information as the plan sponsor reasonably determines to be necessary to enable the plan sponsor to comply with the requirements of this part.

(b)(1) As soon as practicable after an employer's complete or partial withdrawal, the plan sponsor shall—

(A) notify the employer of—

(i) the amount of the liability, and

(ii) the schedule for liability payments, and

(B) demand payment in accordance with the schedule.

(2)(A) No later than 90 days after the employer receives the notice described in paragraph (1), the employer—

(i) may ask the plan sponsor to review any specific matter relating to the determination of the employer's liability and the schedule of payments,

(ii) may identify any inaccuracy in the determination of the amount of the unfunded vested benefits allocable to the employer, and

(iii) may furnish any additional relevant information to the plan sponsor.

(B) After a reasonable review of any matter raised, the plan sponsor shall notify the employer of—

(i) the plan sponsor's decision,

(ii) the basis for the decision, and

(iii) the reason for any change in the determination of the employer's liability or schedule of liability payments.

(c)(1)(A)(i) Except as provided in subparagraphs (B) and (D) of this paragraph and in paragraphs (4) and (5), an employer shall pay the amount determined under section 4211, adjusted if appropriate first under section 4209 and then under section 4206 over the period of years necessary to amortize the amount in level annual payments determined under subparagraph (C), calculated as if the first payment were made on the first day of the plan year following the plan year in which the withdrawal occurs and as if each subsequent payment were made on the first day of each subsequent plan year. Actual payment shall commence in accordance with paragraph (2).

(ii) The determination of the amortization period described in clause (i) shall be based on the assumptions used for the most recent actuarial valuation for the plan.

(B) In any case in which the amortization period described in subparagraph (A) exceeds 20 years, the employer's liability shall be limited to the first 20 annual payments determined under subparagraph (C).

(C)(i) Except as provided in subparagraph (E), the amount of each annual payment shall be the product of—

(I) the average annual number of contribution base units for the period of 3 consecutive plan years, during the period of 10 consecutive plan years ending before the plan year in which the withdrawal occurs, in which the number of contribution base units for which the employer had an obligation to contribute under the plan is the highest, and

(II) the highest contribution rate at which the employer had an obligation to contribute under the plan during the 10 plan years ending with the plan year in which the withdrawal occurs.

For purposes of the preceding sentence, a partial withdrawal described in section 4205(a)(1) shall be deemed to occur on the last

day of the first year of the 3-year testing period described in section 4205(b)(1)(B)(i).

(ii)(I) A plan may be amended to provide that for any plan year ending before 1986 the amount of each annual payment shall be (in lieu of the amount determined under clause (i)) the average of the required employer contributions under the plan for the period of 3 consecutive plan years (during the period of 10 consecutive plan years ending with the plan year preceding the plan year in which the withdrawal occurs) for which such required contributions were the highest.

(II) Subparagraph (B) shall not apply to any plan year to which this clause applies.

(III) This clause shall not apply in the case of any withdrawal described in subparagraph (D).

(IV) If under a plan this clause applies to any plan year but does not apply to the next plan year, this clause shall not apply to any plan year after such next plan year.

(V) For purposes of this clause, the term "required contributions" means, for any period, the amounts which the employer was obligated to contribute for such period (not taking into account any delinquent contribution for any other period).

(iii) A plan may be amended to provide that for the first plan year ending on or after September 26, 1980, the number "5" shall be substituted for the number "10" each place it appears in clause (i) or clause (ii) (whichever is appropriate). If the plan is so amended, the number "5" shall be increased by one for each succeeding plan year until the number "10" is reached.

(D) In any case in which a multiemployer plan terminates by the withdrawal of every employer from the plan, or in which substantially all the employers withdraw from a plan pursuant to an agreement or arrangement to withdraw from the plan—

(i) the liability of each such employer who has withdrawn shall be determined (or redetermined) under this paragraph without regard to subparagraph (B), and

(ii) notwithstanding any other provision of this part, the total unfunded vested benefits of the plan shall be fully allocated among all such employers in a manner not inconsistent with regulations which shall be prescribed by the corporation.

Withdrawal by an employer from a plan, during a period of 3 consecutive plan years within which substantially all the employers who have an obligation to contribute under the plan withdraw, shall be presumed to be a withdrawal pursuant to an agreement or arrangement, unless the employer proves otherwise by a preponderance of the evidence.

(E) In the case of a partial withdrawal described in section 4205(a), the amount of each annual payment shall be the product of—

(i) the amount determined under subparagraph (C) (determined without regard to this subparagraph), multiplied by

(ii) the fraction determined under section 4206(a)(2).

(2) Withdrawal liability shall be payable in accordance with the schedule set forth by the plan sponsor under subsection (b)(1) beginning no later than 60 days after the date of the demand not-

withstanding any request for review or appeal of determinations of the amount of such liability or of the schedule.

(3) Each annual payment determined under paragraph (1)(C) shall be payable in 4 equal installments due quarterly, or at other intervals specified by plan rules. If a payment is not made when due, interest on the payment shall accrue from the due date until the date on which the payment is made.

(4) The employer shall be entitled to prepay the outstanding amount of the unpaid annual withdrawal liability payments determined under paragraph (1)(C), plus accrued interest, if any, in whole or in part, without penalty. If the prepayment is made pursuant to a withdrawal which is later determined to be part of a withdrawal described in paragraph (1)(D), the withdrawal liability of the employer shall not be limited to the amount of the prepayment.

(5) In the event of a default, a plan sponsor may require immediate payment of the outstanding amount of an employer's withdrawal liability, plus accrued interest on the total outstanding liability from the due date of the first payment which was not timely made. For purposes of this section, the term "default" means—

(A) the failure of an employer to make, when due, any payment under this section, if the failure is not cured within 60 days after the employer receives written notification from the plan sponsor of such failure, and

(B) any other event defined in rules adopted by the plan which indicates a substantial likelihood that an employer will be unable to pay its withdrawal liability.

(6) Except as provided in paragraph (1)(A)(ii), interest under this subsection shall be charged at rates based on prevailing market rates for comparable obligations, in accordance with regulations prescribed by the corporation.

(7) A multiemployer plan may adopt rules for other terms and conditions for the satisfaction of an employer's withdrawal liability if such rules—

(A) are consistent with this Act, and

(B) are not inconsistent with regulations of the corporation.

(8) In the case of a terminated multiemployer plan, an employer's obligation to make payments under this section ceases at the end of the plan year in which the assets of the plan (exclusive of withdrawal liability claims) are sufficient to meet all obligations of the plan, as determined by the corporation.

(d) The prohibitions provided in section 406(a) do not apply to any action required or permitted under this part.

(29 U.S.C. 1399) Added September 26, 1980, P.L. 96-364, title I, sec. 104(2), 94 Stat. 1236; amended July 18, 1984, P.L. 98-369, title V, sec. 558(b), 98 Stat. 899.

APPROVAL OF AMENDMENTS

SEC. 4220. [1400] (a) Except as provided in subsection (b), if an amendment to a multiemployer plan authorized by any preceding section of this part is adopted more than 36 months after the effective date of this section [September 26, 1980], the amendment shall be effective only if the corporation approves the amendment, or, within 90 days after the corporation receives notice and

a copy of the amendment from the plan sponsor, fails to disapprove the amendment.

(b) An amendment permitted by section 4211(c)(5) may be adopted only in accordance with that section.

(c) The corporation shall disapprove an amendment referred to in subsection (a) or (b) only if the corporation determines that the amendment creates an unreasonable risk of loss to plan participants and beneficiaries or to the corporation.

(29 U.S.C. 1400) Added September 26, 1980, P.L. 96-364, title I, sec. 104(2), 94 Stat. 1239.

RESOLUTION OF DISPUTES

SEC. 4221. [1401] (a)(1) Any dispute between an employer and the plan sponsor of a multiemployer plan concerning a determination made under sections 4201 through 4219^{4221—1} shall be resolved through arbitration. Either party may initiate the arbitration proceeding within a 60-day period after the earlier of—

(A) the date of notification to the employer under section 4219(b)(2)(B), or

(B) 120 days after the date of the employer's request under section 4219(b)(2)(A).

The parties may jointly initiate arbitration within the 180-day period after the date of the plan sponsor's demand under section 4219(b)(1).

(2) An arbitration proceeding under this section shall be conducted in accordance with fair and equitable procedures to be promulgated by the corporation. The plan sponsor may purchase insurance to cover potential liability of the arbitrator. If the parties have not provided for the costs of the arbitration, including arbitrator's fees, by agreement, the arbitrator shall assess such fees. The arbitrator may also award reasonable attorney's fees.

(3)(A) For purposes of any proceeding under this section, any determination made by a plan sponsor under sections 4201 through 4219 and section 4225 is presumed correct unless the party contesting the determination shows by a preponderance of the evidence that the determination was unreasonable or clearly erroneous.

(B) In the case of the determination of a plan's unfunded vested benefits for a plan year, the determination is presumed correct unless a party contesting the determination shows by a preponderance of evidence that—

(i) the actuarial assumptions and methods used in the determination were, in the aggregate, unreasonable (taking into account the experience of the plan and reasonable expectations), or

(ii) the plan's actuary made a significant error in applying the actuarial assumptions or methods.

(b)(1) If no arbitration proceeding has been initiated pursuant to subsection (a), the amounts demanded by the plan sponsor under section 4219(b)(1) shall be due and owing on the schedule set forth

^{4221—1} So in original. There is no reference to section 4225 in paragraph (1) despite the reference made to that section in paragraph (3)(A).

by the plan sponsor. The plan sponsor may bring an action in a State or Federal court of competent jurisdiction for collection.

(2) Upon completion of the arbitration proceedings in favor of one of the parties, any party thereto may bring an action, no later than 30 days after the issuance of an arbitrator's award, in an appropriate United States district court in accordance with section 4301 to enforce, vacate, or modify the arbitrator's award.

(3) Any arbitration proceedings under this section shall, to the extent consistent with this title, be conducted in the same manner, subject to the same limitations, carried out with the same powers (including subpoena power), and enforced in United States courts as an arbitration proceeding carried out under title 9, United States Code.

(c) In any proceeding under subsection (b), there shall be a presumption, rebuttable only by a clear preponderance of the evidence, that the findings of fact made by the arbitrator were correct.

(d) Payments shall be made by an employer in accordance with the determinations made under this part until the arbitrator issues a final decision with respect to the determination submitted for arbitration, with any necessary adjustments in subsequent payments for overpayments or underpayments arising out of the decision of the arbitrator with respect to the determination. If the employer fails to make timely payment in accordance with such final decision, the employer shall be treated as being delinquent in the making of a contribution required under the plan (within the meaning of section 515).

(e) PROCEDURES APPLICABLE TO CERTAIN DISPUTES.—

(1) IN GENERAL.—If—

(A) a plan sponsor of a plan determines that—

(i) a complete or partial withdrawal of an employer has occurred, or

(ii) an employer is liable for withdrawal liability payments with respect to the complete or partial withdrawal of an employer from the plan,

(B) such determination is based in whole or in part on a finding by the plan sponsor under section 4212(c) that a principal purpose of a transaction that occurred before January 1, 1999, was to evade or avoid withdrawal liability under this subtitle, and

(C) such transaction occurred at least 5 years before the date of the complete or partial withdrawal, then the special rules under paragraph (2) shall be used in applying subsections (a) and (d) of this section and section 4219(c) to the employer.

(2) SPECIAL RULES.—

(A) DETERMINATION.—Notwithstanding subsection

(a)(3)—

(i) a determination by the plan sponsor under paragraph (1)(B) shall not be presumed to be correct, and

(ii) the plan sponsor shall have the burden to establish, by a preponderance of the evidence, the elements of the claim under section 4212(c) that a prin-

principal purpose of the transaction was to evade or avoid withdrawal liability under this subtitle.

Nothing in this subparagraph shall affect the burden of establishing any other element of a claim for withdrawal liability under this subtitle.

(B) PROCEDURE.—Notwithstanding subsection (d) and section 4219(c), if an employer contests the plan sponsor's determination under paragraph (1) through an arbitration proceeding pursuant to subsection (a), or through a claim brought in a court of competent jurisdiction, the employer shall not be obligated to make any withdrawal liability payments until a final decision in the arbitration proceeding, or in court, upholds the plan sponsor's determination.

(f) ¹ PROCEDURES APPLICABLE TO CERTAIN DISPUTES.—

(1) IN GENERAL.—If—

(A) a plan sponsor of a plan determines that—

(i) a complete or partial withdrawal of an employer has occurred, or

(ii) an employer is liable for withdrawal liability payments with respect to such complete or partial withdrawal, and

(B) such determination is based in whole or in part on a finding by the plan sponsor under section 4212(c) that a principal purpose of any transaction which occurred after December 31, 1998, and at least 5 years (2 years in the case of a small employer) before the date of the complete or partial withdrawal was to evade or avoid withdrawal liability under this subtitle,

then the person against which the withdrawal liability is assessed based solely on the application of section 4212(c) may elect to use the special rule under paragraph (2) in applying subsection (d) of this section and section 4219(c) to such person.

(2) SPECIAL RULE.—Notwithstanding subsection (d) and section 4219(c), if an electing person contests the plan sponsor's determination with respect to withdrawal liability payments under paragraph (1) through an arbitration proceeding pursuant to subsection (a), through an action brought in a court of competent jurisdiction for review of such an arbitration decision, or as otherwise permitted by law, the electing person shall not be obligated to make the withdrawal liability payments until a final decision in the arbitration proceeding, or in court, upholds the plan sponsor's determination, but only if the electing person—

(A) provides notice to the plan sponsor of its election to apply the special rule in this paragraph within 90 days after the plan sponsor notifies the electing person of its liability by reason of the application of section 4212(c); and

(B) if a final decision in the arbitration proceeding, or in court, of the withdrawal liability dispute has not been

¹ Section 204(d) of the Pension Protection Act of 2006 applies the provisions to notifications after date of enactment with respect to transactions after December 31, 1998.

rendered within 12 months from the date of such notice, the electing person provides to the plan, effective as of the first day following the 12-month period, a bond issued by a corporate surety company that is an acceptable surety for purposes of section 412 of this Act, or an amount held in escrow by a bank or similar financial institution satisfactory to the plan, in an amount equal to the sum of the withdrawal liability payments that would otherwise be due under subsection (d) and section 4219(c) for the 12-month period beginning with the first anniversary of such notice. Such bond or escrow shall remain in effect until there is a final decision in the arbitration proceeding, or in court, of the withdrawal liability dispute, at which time such bond or escrow shall be paid to the plan if such final decision upholds the plan sponsor's determination.

(3) DEFINITION OF SMALL EMPLOYER.—For purposes of this subsection—

(A) IN GENERAL.—The term “small employer” means any employer which, for the calendar year in which the transaction referred to in paragraph (1)(B) occurred and for each of the 3 preceding years, on average—

(i) employs not more than 500 employees, and

(ii) is required to make contributions to the plan for not more than 250 employees.

(B) CONTROLLED GROUP.—Any group treated as a single employer under subsection (b)(1) of section 4001, without regard to any transaction that was a basis for the plan's finding under section 4212, shall be treated as a single employer for purposes of this subparagraph.

(4) ADDITIONAL SECURITY PENDING RESOLUTION OF DISPUTE.—If a withdrawal liability dispute to which this subsection applies is not concluded by 12 months after the electing person posts the bond or escrow described in paragraph (2), the electing person shall, at the start of each succeeding 12-month period, provide an additional bond or amount held in escrow equal to the sum of the withdrawal liability payments that would otherwise be payable to the plan during that period.

(5) The liability of the party furnishing a bond or escrow under this subsection shall be reduced, upon the payment of the bond or escrow to the plan, by the amount thereof.

REIMBURSEMENTS FOR UNCOLLECTIBLE WITHDRAWAL LIABILITY

SEC. 4222. [1402] (a) By May 1, 1982, the corporation shall establish by regulation a supplemental program to reimburse multi-employer plans for withdrawal liability payments which are due from employers and which are determined to be uncollectible for reasons arising out of cases or proceedings involving the employers under title 11, United States Code, or similar cases or proceedings. Participation in the supplemental program shall be on a voluntary basis, and a plan which elects coverage under the program shall pay premiums to the corporation in accordance with a premium

schedule which shall be prescribed from time to time by the corporation. The premium schedule shall contain such rates and bases for the application of such rates as the corporation considers to be appropriate.

(b) The corporation may provide under the program for reimbursement of amounts of withdrawal liability determined to be uncollectible for any other reasons the corporation considers appropriate.

(c) The cost of the program (including such administrative and legal costs as the corporation considers appropriate) may be paid only out of premiums collected under such program.

(d) The supplemental program may be offered to eligible plans on such terms and conditions, and with such limitations with respect to the payment of reimbursements (including the exclusion of de minimis amounts of uncollectible employer liability, and the reduction or elimination of reimbursements which cannot be paid from collected premiums) and such restrictions on withdrawal from the program, as the corporation considers necessary and appropriate.

(e) The corporation may enter into arrangements with private insurers to carry out in whole or in part the program authorized by this section and may require plans which elect coverage under the program to elect coverage by those private insurers.

(29 U.S.C. 1402) Added September 26, 1980, P.L. 96-364, title I, sec. 104(2), 94 Stat. 1240.

WITHDRAWAL LIABILITY PAYMENT FUND

SEC. 4223. [1403] (a) The plan sponsors of multiemployer plans may establish or participate in a withdrawal liability payment fund.

(b) For purposes of this section, the term “withdrawal liability payment fund”, and the term “fund”, mean a trust which—

(1) is established and maintained under section 501(c)(22) of the Internal Revenue Code of 1986,

(2) maintains agreements which cover a substantial portion of the participants who are in multiemployer plans which (under the rules of the trust instrument) are eligible to participate in the fund,

(3) is funded by amounts paid by the plans which participate in the fund, and

(4) is administered by a Board of Trustees, and in the administration of the fund there is equal representation of—

(A) trustees representing employers who are obligated to contribute to the plans participating in the fund, and

(B) trustees representing employees who are participants in plans which participate in the fund.

(c)(1) If an employer withdraws from a plan which participates in a withdrawal liability payment fund, then, to the extent provided in the trust, the fund shall pay to that plan—

(A) the employer’s unattributable liability,

(B) the employer's withdrawal liability payments which would have been due but for section 4208, 4209, 4219, or 4225,^{4223—1}

(C) the employer's withdrawal liability payments to the extent they are uncollectible.

(2) The fund may provide for the payment of the employer's attributable liability if the fund—

(A) provides for the payment of both the attributable and the unattributable liability of the employer in a single payment, and

(B) is subrogated to all rights of the plan against the employer.

(3) For purposes of this section, the term—

(A) "attributable liability" means the excess, if any, determined under the provisions of a plan not inconsistent with regulations of the corporation, of—

(i) the value of vested benefits accrued as a result of service with the employer, over

(ii) the value of plan assets attributed to the employer, and

(B) "unattributable liability" means the excess of withdrawal liability over attributable liability.

Such terms may be further defined, and the manner in which they shall be applied may be prescribed, by the corporation by regulation.

(4)(A) The trust of a fund shall be maintained for the exclusive purpose of paying—

(i) any amount described in paragraph (1) and ^{4223—2} paragraph (2), and

(ii) reasonable and necessary administrative expenses in connection with the establishment and operation of the trust and the processing of claims against the fund.

(B) The amounts paid by a plan to a fund shall be deemed a reasonable expense of administering the plan under sections 403(c)(1) and 404(a)(1)(A)(ii), and the payments made by a fund to a participating plan shall be deemed services necessary for the operation of the plan within the meaning of section 408(b)(2) or within the meaning of section 4975(d)(2) of the Internal Revenue Code of 1986.

(d)(1) For purposes of this part—

(A) only amounts paid by the fund to a plan under subsection (c)(1)(A) shall be credited to withdrawal liability otherwise payable by the employer, unless the plan otherwise provides, and

(B) any amounts paid by the fund under subsection (c) to a plan shall be treated by the plan as a payment of withdrawal liability to such plan.

(2) For purposes of applying provisions relating to the funding standard accounts (and minimum contribution requirements), amounts paid from the plan to fund shall be applied to reduce the amount treated as contributed to the plan.

^{4223—1} So in original. The word "and" appears to be intended here.

^{4223—2} So in original. The intended conjunction appears to be "or".

(e) The fund shall be subrogated to the rights of the plan against the employer that has withdrawn from the plan for amounts paid by a fund to a plan under—

(1) subsection (c)(1)(A), to the extent not credited under subsection (d)(1)(A), and

(2) subsection (c)(1)(C).

(f) Notwithstanding any other provision of this Act, a fiduciary of the fund shall discharge the fiduciary's duties with respect to the fund in accordance with the standards for fiduciaries prescribed by this Act (to the extent not inconsistent with the purposes of this section), and in accordance with the documents and instruments governing the fund insofar as such documents and instruments are consistent with the provisions of this Act (to the extent not inconsistent with the purposes of this section). The provisions of the preceding sentence shall supersede any and all State laws relating to fiduciaries insofar as they may now or hereafter relate to a fund to which this section applies.

(g) No payments shall be made from a fund to a plan on the occasion of a withdrawal or partial withdrawal of an employer from such plan if the employees representing the withdrawn contribution base units continue, after such withdrawal, to be represented under section 9 of the National Labor Relations Act [(29 U.S.C. 159)] (or other applicable labor laws) in negotiations with such employer by the labor organization which represented such employees immediately preceding such withdrawal.

(h) Nothing in this section shall be construed to prohibit the purchase of insurance by an employer from any other person, to limit the circumstances under which such insurance would be payable, or to limit in any way the terms and conditions of such insurance.

(i) The corporation may provide by regulation rules not inconsistent with this section governing the establishment and maintenance of funds, but only to the extent necessary to carry out the purposes of this part (other than section 4222).

ALTERNATIVE METHOD OF WITHDRAWAL LIABILITY PAYMENTS

SEC. 4225. [1405] (a)(1) In the case of bona fide sale of all or substantially all of the employer's assets in an arm's-length transaction to an unrelated party (within the meaning of section 4204(d)), the unfunded vested benefits allocable to an employer (after the application of all sections of this part having a lower number designation than this section), other than an employer un-

dergoing reorganization under title 11, United States Code, or similar provisions of State law, shall not exceed the greater of—

(A) a portion (determined under paragraph (2)) of the liquidation or dissolution value of the employer (determined after the sale or exchange of such assets), or

More than \$10,000,000, but not more than \$15,000,000	\$3,250,000, plus 40 percent of the amount in excess of \$10,000,000.

More than \$17,500,000, but not more than \$20,000,000	\$6,375,000, plus 50 percent of the amount in excess of \$17,500,000.
More than \$20,000,000, but not more than \$22,500,000	\$7,625,000, plus 60 percent of the amount in excess of \$20,000,000.

More than \$25,000,000	\$10,875,000, plus 80 percent of the amount in excess of \$25,000,000.

(b) In the case of an insolvent employer undergoing liquidation or dissolution, the unfunded vested benefits allocable to that employer shall not exceed an amount equal to the sum of—

(1) 50 percent of the unfunded vested benefits allocable to the employer (determined without regard to this section), and

(2) that portion of 50 percent of the unfunded vested benefits allocable to the employer (as determined under paragraph (1)) which does not exceed the liquidation or dissolution value of the employer determined—

(A) as of the commencement of liquidation or dissolution, and

(B) after reducing the liquidation or dissolution value of the employer by the amount determined under paragraph (1).

(c) To the extent that the withdrawal liability of an employer is attributable to his obligation to contribute to or under a plan as an individual (whether as a sole proprietor or as a member of a partnership), property which may be exempt from the estate under

(d) For purposes of this section—

(1) an employer is insolvent if the liabilities of the employer, including withdrawal liability under the plan (determined without regard to subsection (b)), exceed the assets of the employer (determined as of the commencement of the liquidation or dissolution), and

(2) the liquidation or dissolution value of the employer shall be determined without regard to such withdrawal liability.

(e) In the case of one or more withdrawals of an employer attributable to the same sale, liquidation, or dissolution, under regulations prescribed by the corporation—

(1) all such withdrawals shall be treated as a single withdrawal for the purpose of applying this section, and

(2) the withdrawal liability of the employer to each plan shall be an amount which bears the same ratio to the present value of the withdrawal liability payments to all plans (after the application of the preceding provisions of this section) as the withdrawal liability of the employer to such plan (determined without regard to this section) bears to the withdrawal liability of the employer to all such plans (determined without regard to this section).

PART 2—MERGER OR TRANSFER OF PLAN ASSETS OR LIABILITIES ^{4231—1}

MERGERS AND TRANSFERS BETWEEN MULTIEMPLOYER PLANS

SEC. 4231. **[1411]** (a) Unless otherwise provided in regulations prescribed by the corporation, a plan sponsor may not cause a multiemployer plan to merge with one or more multiemployer plans, or engage in a transfer of assets and liabilities to or from another multiemployer plan, unless such merger or transfer satisfies the requirements of subsection (b).

(b) A merger or transfer satisfies the requirements of this section if—

(1) in accordance with regulations of the corporation, the plan sponsor of a multiemployer plan notifies the corporation of a merger with or transfer of plan assets or liabilities to another multiemployer plan at least 120 days before the effective date of the merger or transfer;

(2) no participant's or beneficiary's accrued benefit will be lower immediately after the effective date of the merger or transfer than the benefit immediately before that date;

(3) the benefits of participants and beneficiaries are not reasonably expected to be subject to suspension under section 4245; and

^{4231—1} Several related provisions of the Internal Revenue Code of 1986 were originally enacted in title II of Public Law 96-364 (94 Stat. 1271 et seq.).

(4) an actuarial valuation of the assets and liabilities of each of the affected plans has been performed during the plan year preceding the effective date of the merger or transfer, based upon the most recent data available as of the day before the start of that plan year, or other valuation of such assets and liabilities performed under such standards and procedures as the corporation may prescribe by regulation.

(c) The merger of multiemployer plans or the transfer of assets or liabilities between multiemployer plans, shall be deemed not to constitute a violation of the provisions of section 406(a) or section 406(b)(2) if the corporation determines that the merger or transfer otherwise satisfies the requirements of this section.

(d) A plan to which liabilities are transferred under this section is a successor plan for purposes of section 4022A(b)(2)(B).

(29 U.S.C. 1411) Added September 26, 1980, P.L. 96-364, title I, sec. 104(2), 94 Stat. 1244.

TRANSFERS BETWEEN A MULTIEMPLOYER PLAN AND A SINGLE-EMPLOYER PLAN

SEC. 4232. [1412] (a) A transfer of assets or liabilities between, or a merger of, a multiemployer plan and a single-employer plan shall satisfy the requirements of this section.

(b) No accrued benefit of a participant or beneficiary may be lower immediately after the effective date of a transfer or merger described in subsection (a) than the benefit immediately before that date.

(c)(1) Except as provided in paragraphs (2) and (3), a multiemployer plan which transfers liabilities to a single-employer plan shall be liable to the corporation if the single-employer plan terminates within 60 months after the effective date of the transfer. The amount of liability shall be the lesser of—

(A) the amount of the plan asset insufficiency of the terminated single-employer plan, less 30 percent of the net worth of the employer who maintained the single-employer plan, determined in accordance with section 4062 or 4064, or ^{4232—1}

(B) the value, on the effective date of the transfer, of the unfunded benefits transferred to the single-employer plan which are guaranteed under section 4022. ^{4232—2}

(2) A multiemployer plan shall be liable to the corporation as provided in paragraph (1) unless, within 180 days after the corporation receives an application (together with such information as the corporation may reasonably require for purposes of such application) from the multiemployer plan sponsor for a determination under this paragraph—

(A) the corporation determines that the interests of the plan participants and beneficiaries and of the corporation are adequately protected, or

(B) fails to make any determination regarding the adequacy with which such interests are protected with respect to such transfer of liabilities.

^{4232—1} So in original. The provisions of section 4232(c)(1)(A) have not been amended to conform with amendments to sections 4062 and 4064 made since its enactment on September 26, 1980.

^{4232—2} See note 4232-1.

If, after the receipt of such application, the corporation requests from the plan sponsor additional information necessary for the determination, the running of the 180-day period shall be suspended from the date of such request until the receipt by the corporation of the additional information requested. The corporation may by regulation prescribe procedures and standards for the issuance of determinations under this paragraph. This paragraph shall not apply to any application submitted less than 180 days after the date of enactment of the Multiemployer Pension Plan Amendments Act of 1980 [September 26, 1980].

(3) A multiemployer plan shall not be liable to the corporation as provided in paragraph (1) in the case of a transfer from the multiemployer plan to a single-employer plan of liabilities which accrued under a single-employer plan which merged with the multiemployer plan, if,^{4232—3} the value of liabilities transferred to the single-employer plan does not exceed the value of the liabilities for benefits which accrued before the merger, and the value of the assets transferred to the single-employer plan is substantially equal to the value of the assets which would have been in the single-employer plan if the employer had maintained and funded it as a separate plan under which no benefits accrued after the date of the merger.

(4) The corporation may make equitable arrangements with multiemployer plans which are liable under this subsection for satisfaction of their liability.

(d) Benefits under a single-employer plan to which liabilities are transferred in accordance with this section are guaranteed under section 4022 to the extent provided in that section as of the effective date of the transfer and the plan is a successor plan.

(e)(1) Except as provided in paragraph (2), a multiemployer plan may not transfer liabilities to a single-employer plan unless the plan sponsor of the plan to which the liabilities would be transferred agrees to the transfer.

(2) In the case of a transfer described in subsection (c)(3), paragraph (1) of this subsection is satisfied by the advance agreement to the transfer by the employer who will be obligated to contribute to the single-employer plan.

(f)(1) The corporation may prescribe by regulation such additional requirements with respect to the transfer of assets or liabilities as may be necessary to protect the interests of plan participants and beneficiaries and the corporation.

(2) Except as otherwise determined by the corporation, a transfer of assets or liabilities to a single-employer plan from a plan in reorganization under section 4241 is not effective unless the corporation approves such transfer.

(3) No transfer to which this section applies, in connection with a termination described in section 4041A(a)(2)^{4232—4} shall be effective unless the transfer meets such requirements as may be established by the corporation to prevent an increase in the risk of loss to the corporation.

PARTITION

SEC. 4233. [1413] (a) The corporation may order the partition of a multiemployer plan in accordance with this section.

(b) A plan sponsor may apply to the corporation for an order partitioning a plan. The corporation may not order the partition of a plan except upon notice to the plan sponsor and the participants and beneficiaries whose vested benefits will be affected by the partition of the plan, and upon finding that—

(1) a substantial reduction in the amount of aggregate contributions under the plan has resulted or will result from a case or proceeding under title 11, United States Code, with respect to an employer;

(2) the plan is likely to become insolvent;

(3) contributions will have to be increased significantly in reorganization to meet the minimum contribution requirement^{4233—1} and prevent insolvency; and

(4) partition would significantly reduce the likelihood that the plan will become insolvent.

(c) The corporation may order the partition of a plan notwithstanding the pendency of a proceeding described in subsection (b)(1).

(d) The corporation's partition order shall provide for a transfer of no more than the nonforfeitable benefits directly attributable to service with the employer referred to in subsection (b)(1) and an equitable share of assets.

(e) The plan created by the partition is—

(1) a successor plan to which section 4022A applies, and

(2) a terminated multiemployer plan to which section 4041A(d) applies, with respect to which only the employer described in subsection (b)(1) has withdrawal liability, and to which section 4068 applies.

(f) The corporation may proceed under section 4042(c) through (h) for a decree partitioning a plan and appointing a trustee for the terminated portion of a partitioned plan. The court may order the partition of a plan upon making the findings described in subsection (b)(1) through (4), and subject to the conditions set forth in subsections (c) through (e).

ASSET TRANSFER RULES

SEC. 4234. [1414] (a) A transfer of assets from a multiemployer plan to another plan shall comply with asset-transfer rules which shall be adopted by the multiemployer plan and which—

(1) do not unreasonably restrict the transfer of plan assets in connection with the transfer of plan liabilities, and

(2) operate and are applied uniformly with respect to each proposed transfer, except that the rules may provide for rea-

sonable variations taking into account the potential financial impact of a proposed transfer on the multiemployer plan.

Plan rules authorizing asset transfers consistent with the requirements of section 4232(c)(3) shall be considered to satisfy the requirements of this subsection.

(b) The corporation shall prescribe regulations which exempt de minimis transfers of assets from the requirements of this part.

(c) This part shall not apply to transfers of assets pursuant to written reciprocity agreements, except to the extent provided in regulations prescribed by the corporation.

TRANSFERS PURSUANT TO CHANGE IN BARGAINING REPRESENTATIVE

SEC. 4235. [1415] (a) In any case in which an employer has completely or partially withdrawn from a multiemployer plan (hereafter in this section referred to as the “old plan”) as a result of a certified change of collective bargaining representative occurring after September 25, 1980, if participants of the old plan who are employed by the employer will, as a result of that change, participate in another multiemployer plan (hereafter in this section referred to as the “new plan”), the old plan shall transfer assets and liabilities to the new plan in accordance with this section.

(b)(1) The employer shall notify the plan sponsor of the old plan of a change in multiemployer plan participation described in subsection (a) no later than 30 days after the employer determines that the change will occur.

(2) The plan sponsor of the old plan shall—

(A) notify the employer of—

(i) the amount of the employer’s withdrawal liability determined under part 1 with respect to the withdrawal,

(ii) the old plan’s intent to transfer to the new plan the nonforfeitable benefits of the employees who are no longer working in covered service under the old plan as a result of the change of bargaining representative, and

(iii) the amount of assets and liabilities which are to be transferred to the new plan, and

(B) notify the plan sponsor of the new plan of the benefits, assets, and liabilities which will be transferred to the new plan.

(3) Within 60 days after receipt of the notice described in paragraph (2)(B), the new plan may file an appeal with the corporation to prevent the transfer. The transfer shall not be made if the corporation determines that the new plan would suffer substantial financial harm as a result of the transfer. Upon notification described in paragraph (2), if—

(A) the employer fails to object to the transfer within 60 days after receipt of the notice described in paragraph (2)(A), or

(B) the new plan either—

(i) fails to file such an appeal, or

(ii) the corporation, pursuant to such an appeal, fails to find that the new plan would suffer substantial financial harm as a result of the transfer described in the notice

under paragraph (2)(B) within 180 days after the date on which the appeal is filed, then the plan sponsor of the old plan shall transfer the appropriate amount of assets and liabilities to the new plan.

(c) If the plan sponsor of the old plan transfers the appropriate amount of assets and liabilities under this section to the new plan, then the amount of the employer's withdrawal liability (as determined under section 4201(b) without regard to such transfer and this section) with respect to the old plan shall be reduced by the amount by which—

(1) the value of the unfunded vested benefits allocable to the employer which were transferred by the plan sponsor of the old plan to the new plan, exceeds

(2) the value of the assets transferred.

(d) In any case in which there is a complete or partial withdrawal described in subsection (a), if—

(1) the new plan files an appeal with the corporation under subsection (b)(3), and

(2) the employer is required by section 4219 to begin making payments of withdrawal liability before the earlier of—

(A) the date on which the corporation finds that the new plan would not suffer substantial financial harm as a result of the transfer, or

(B) the last day of the 180-day period beginning on the date on which the new plan files its appeal,

then the employer shall make such payments into an escrow held by a bank or similar financial institution satisfactory to the old plan. If the transfer is made, the amounts paid into the escrow shall be returned to the employer. If the transfer is not made, the amounts paid into the escrow shall be paid to the old plan and credited against the employer's withdrawal liability.

(e)(1) Notwithstanding subsection (b), the plan sponsor shall not transfer any assets to the new plan if—

(A) the old plan is in reorganization (within the meaning of section 4241(a)), or

(B) the transfer of assets would cause the old plan to go into reorganization (within the meaning of section 4241(a)).

(2) In any case in which a transfer of assets from the old plan to the new plan is prohibited by paragraph (1), the plan sponsor of the old plan shall transfer^{4235—1}—

(A) all nonforfeitable benefits described in subsection (b)(2), if the value of such benefits does not exceed the withdrawal liability of the employer with respect to such withdrawal, or

(B) such nonforfeitable benefits having a value equal to the withdrawal liability of the employer, if the value of such benefits exceeds the withdrawal liability of the employer.

(f)(1) Notwithstanding subsections (b) and (e), the plan sponsors of the old plan and the new plan may agree to a transfer of assets and liabilities that complies with sections 4231 and 4234, rather than this section, except that the employer's liability with respect to the withdrawal from the old plan shall be reduced under

^{4235—1} The required transfer appears to be intended to be a transfer to the new plan.

subsection (c) as if assets and liabilities had been transferred in accordance with this section.

(2) If the employer withdraws from the new plan within 240 months after the effective date of a transfer of assets and liabilities described in this section, the amount of the employer's withdrawal liability to the new plan shall be the greater of—

(A) the employer's withdrawal liability determined under part 1 with respect to the new plan, or

(B) the amount by which the employer's withdrawal liability to the old plan was reduced under subsection (c), reduced by 5 percent for each 12-month period following the effective date of the transfer and ending before the date of the withdrawal from the new plan.

(g) For purposes of this section—

(1) "appropriate amount of assets" means the amount by which the value of the nonforfeitable benefits to be transferred exceeds the amount of the employer's withdrawal liability to the old plan (determined under part 1 without regard to section 4211(e)), and

(2) "certified change of collective bargaining representative" means a change of collective bargaining representative certified under the Labor-Management Relations Act, 1947 [(29 U.S.C. 141 et seq.)], or the Railway Labor Act [(45 U.S.C. 151 et seq.)].

(29 U.S.C. 1415) Added September 26, 1980, P.L. 96-364, title I, sec. 104(2), 94 Stat. 1247; amended July 18, 1984, P.L. 98-369, title V, sec. 558(b), 98 Stat. 899.

PART 3—REORGANIZATION; MINIMUM CONTRIBUTION REQUIREMENTS FOR MULTIEMPLOYER PLANS ^{4241—1}

REORGANIZATION STATUS

SEC. 4241. **[1421]** (a) A multiemployer plan is in reorganization for a plan year if the plan's reorganization index for that year is greater than zero.

(b)(1) A plan's reorganization index for any plan year is the excess of—

(A) the vested benefits charge for such year, over

(B) the net charge to the funding standard account for such year.

(2) For purposes of this part, the net charge to the funding standard account for any plan year is the excess (if any) of—

(A) the charges to the funding standard account for such year under section 412(b)(2) of the Internal Revenue Code of 1986, over

(B) the credits to the funding standard account under section 412(b)(3)(B) of such Code.

(3) For purposes of this part, the vested benefits charge for any plan year is the amount which would be necessary to amortize the

^{4241—1} Several related provisions of the Internal Revenue Code of 1986 were originally enacted in title II of Public Law 96-364 (94 Stat. 1271 et seq.).

plan's unfunded vested benefits as of the end of the base plan year in equal annual installments—

(A) over 10 years, to the extent such benefits are attributable to persons in pay status, and

(B) over 25 years, to the extent such benefits are attributable to other participants.

(4)(A) The vested benefits charge for a plan year shall be based on an actuarial valuation of the plan as of the end of the base plan year, adjusted to reflect—

(i) any—

(I) decrease of 5 percent or more in the value of plan assets, or increase of 5 percent or more in the number of persons in pay status, during the period beginning on the first day of the plan year following the base plan year and ending on the adjustment date, or

(II) at the election of the plan sponsor, actuarial valuation of the plan as of the adjustment date or any later date not later than the last day of the plan year for which the determination is being made,

(ii) any change in benefits under the plan which is not otherwise taken into account under this subparagraph and which is pursuant to any amendment—

(I) adopted before the end of the plan year for which the determination is being made, and

(II) effective after the end of the base plan year and on or before the end of the plan year referred to in subclause (I), and

(iii) any other event (including an event described in subparagraph (B)(i)(I)) which, as determined in accordance with regulations prescribed by the Secretary, would substantially increase the plan's vested benefit^{4241—2} charge.

(B)(i) In determining the vested benefits charge for a plan year following a plan year in which the plan was not in reorganization, any change in benefits which—

(I) results from the changing of a group of participants from one benefit level to another benefit level under a schedule of plan benefits as a result of changes in a collective bargaining agreement, or

(II) results from any other change in a collective bargaining agreement,

shall not be taken into account except to the extent provided in regulations prescribed by the Secretary of the Treasury.

(ii) Except as otherwise determined by the Secretary of the Treasury, in determining the vested benefits charge for any plan year following any plan year in which the plan was in reorganization, any change in benefits—

(I) described in clause (i)(I), or

(II) described in clause (i)(II) as determined under regulations prescribed by the Secretary of the Treasury, shall, for purposes of subparagraph (A)(ii), be treated as a change in benefits pursuant to an amendment to a plan.

^{4241—2} So in original. The intended word appears to be "benefits".

(5)(A) For purposes of this part, the base plan year for any plan year is—

(i) if there is a relevant collective bargaining agreement, the last plan year ending at least 6 months before the relevant effective date, or

(ii) if there is no relevant collective bargaining agreement, the last plan year ending at least 12 months before the beginning of the plan year.

(B) For purposes of this part, a relevant collective bargaining agreement is a collective bargaining agreement—

(i) which is in effect for at least 6 months during the plan year, and

(ii) which has not been in effect for more than 36 months as of the end of the plan year.

(C) For purposes of this part, the relevant effective date is the earliest of the effective dates for the relevant collective bargaining agreements.

(D) For purposes of this part, the adjustment date is the date which is—

(i) 90 days before the relevant effective date, or

(ii) if there is no relevant effective date, 90 days before the beginning of the plan year.

(6) For purposes of this part, the term “person in pay status” means—

(A) a participant or beneficiary on the last day of the base plan year who, at any time during such year, was paid an early, late, normal, or disability retirement benefit (or a death benefit related to a retirement benefit), and

(B) to the extent provided in regulations prescribed by the Secretary of the Treasury, any other person who is entitled to such a benefit under the plan.

(7) For purposes of paragraph (3)—

(A) in determining the plan’s unfunded vested benefits, plan assets shall first be allocated to the vested benefits attributable to persons in pay status, and

(B) the vested benefits charge shall be determined without regard to reductions in accrued benefits under section 4244A which are first effective in the plan year.

(8) For purposes of this part, any outstanding claim for withdrawal liability shall not be considered a plan asset, except as otherwise provided in regulations prescribed by the Secretary of the Treasury.

(9) For purposes of this part, the term “unfunded vested benefits” means with respect to a plan, an amount (determined in accordance with regulations prescribed by the Secretary of the Treasury) equal to—

(A) the value of nonforfeitable benefits under the plan, less

(B) the value of assets of the plan.

(c) Except as provided in regulations prescribed by the corporation, while a plan is in reorganization a benefit with respect to a participant (other than a death benefit) which is attributable to employer contributions and which has a value of more than \$1,750 may not be paid in a form other than an annuity which (by itself or in combination with social security, railroad retirement, or work-

ers' compensation benefits) provides substantially level payments over the life of the participant.

(d) Any multiemployer plan which terminates under section 4041A(a)(2) shall not be considered in reorganization after the last day of the plan year in which the plan is treated as having terminated.

(29 U.S.C. 1421) Added September 26, 1980, P.L. 96-364, title I, sec. 104(2), 94 Stat. 1249; amended December 19, 1989, P.L. 101-239, title VII, sec. 7891(a)(1), 103 Stat. 2445.

NOTICE OF REORGANIZATION AND FUNDING REQUIREMENTS

SEC. 4242. **[1422]** (a)(1) If—

(A) a multiemployer plan is in reorganization for a plan year, and

(B) section 4243 would require an increase in contributions for such plan year,

the plan sponsor shall notify the persons described in paragraph (2) that the plan is in reorganization and that, if contributions to the plan are not increased, accrued benefits under the plan may be reduced or an excise tax may be imposed (or both such reduction and imposition may occur).

(2) The persons described in this paragraph are—

(A) each employer who has an obligation to contribute under the plan (within the meaning of section 4201(h)(5))^{4242—1}, and

(B) each employee organization which, for purposes of collective bargaining, represents plan participants employed by such an employer.

(3) The determination under paragraph (1)(B) shall be made without regard to the overburden credit provided by section 4244.

(b) The corporation may prescribe additional or alternative requirements for assuring, in the case of a plan with respect to which notice is required by subsection (a)(1), that the persons described in subsection (a)(2)—

(1) receive appropriate notice that the plan is in reorganization,

(2) are adequately informed of the implications of reorganization status, and

(3) have reasonable access to information relevant to the plan's reorganization status.

(29 U.S.C. 1422) Added September 26, 1980, P.L. 96-364, title I, sec. 104(2), 94 Stat. 1251.

MINIMUM CONTRIBUTION REQUIREMENT

SEC. 4243. **[1423]** (a)(1) For any plan year for which a plan is in reorganization—

(A) the plan shall continue to maintain its funding standard account while it is in reorganization, and

(B) the plan's accumulated funding deficiency under section 304(a) for such plan year shall be equal to the excess (if any) of—

^{4242—1} So in original. The intended reference appears to be to section 4212(a).

(i) the sum of the minimum contribution requirement for such plan year (taking into account any overburden credit under section 4244(a)) plus the plan's accumulated funding deficiency for the preceding plan year (determined under this section if the plan was in reorganization during such year or under section 304(a) if the plan was not in reorganization), over

(ii) amounts considered contributed by employers to or under the plan for the plan year (increased by any amount waived under subsection (f) for the plan year).

(2) For purposes of paragraph (1), withdrawal liability payments (whether or not received) which are due with respect to withdrawals before the end of the base plan year shall be considered amounts contributed by the employer to or under the plan if, as of the adjustment date, it was reasonable for the plan sponsor to anticipate that such payments would be made during the plan year.

(b)(1) Except as otherwise provided in this section, for purposes of this part the minimum contribution requirement for a plan year in which a plan is in reorganization is an amount equal to the excess of—

(A) the sum of—

(i) the plan's vested benefits charge for the plan year, and

(ii) the increase in normal cost for the plan year determined under the entry age normal funding method which is attributable to plan amendments adopted while the plan was in reorganization, over

(B) the amount of the overburden credit (if any) determined under section 4244 for the plan year.

(2) If the plan's current contribution base for the plan year is less than the plan's valuation contribution base for the plan year, the minimum contribution requirement for such plan year shall be equal to the product of the amount determined under paragraph (1) (after any adjustment required by this part other than this paragraph) and a fraction—

(A) the numerator of which is the plan's current contribution base for the plan year, and

(B) the denominator of which is the plan's valuation contribution base for the plan year.

(3)(A) If the vested benefits charge for a plan year of a plan in reorganization is less than the plan's cash-flow amount for the plan year, the plan's minimum contribution requirement for the plan year is the amount determined under paragraph (1) (determined before the application of paragraph (2)) after substituting the term "cash-flow amount" for the term "vested benefits charge" in paragraph (1)(A).

(B) For purposes of subparagraph (A), a plan's cash-flow amount for a plan year is an amount equal to—

(i) the amount of the benefits payable under the plan for the base plan year, plus the amount of the plan's administrative expenses for the base plan year, reduced by

(ii) the value of the available plan assets for the base plan year determined under regulations prescribed by the Secretary of the Treasury,

adjusted in a manner consistent with section 4241(b)(4).

(c)(1) For purposes of this part, a plan's current contribution base for a plan year is the number of contribution base units with respect to which contributions are required to be made under the plan for that plan year, determined in accordance with regulations prescribed by the Secretary of the Treasury.

(2)(A) Except as provided in subparagraph (B), for purposes of this part a plan's valuation contribution base is the number of contribution base units for which contributions were received for the base plan year—

(i) adjusted to reflect declines in the contribution base which have occurred (or could reasonably be anticipated) as of the adjustment date for the plan year referred to in paragraph (1),

(ii) adjusted upward (in accordance with regulations prescribed by the Secretary of the Treasury) for any contribution base reduction in the base plan year caused by a strike or lock-out or by unusual events, such as fire, earthquake, or severe weather conditions, and

(iii) adjusted (in accordance with regulations prescribed by the Secretary of the Treasury) for reductions in the contribution base resulting from transfers of liabilities.

(B) For any plan year—

(i) in which the plan is insolvent (within the meaning of section 4245(b)(1)), and

(ii) beginning with the first plan year beginning after the expiration of all relevant collective bargaining agreements which were in effect in the plan year in which the plan became insolvent,

the plan's valuation contribution base is the greater of the number of contribution base units for which contributions were received for the first or second plan year preceding the first plan year in which the plan is insolvent, adjusted as provided in clause (ii) or (iii) of subparagraph (A).

(d)(1) Under regulations prescribed by the Secretary of the Treasury, the minimum contribution requirement applicable to any plan for any plan year which is determined under subsection (b) (without regard to subsection (b)(2)) shall not exceed an amount which is equal to the sum of—

(A) the greater of—

(i) the funding standard requirement for such plan year, or

(ii) 107 percent of—

(I) if the plan was not in reorganization in the preceding plan year, the funding standard requirement for such preceding plan year, or

(II) if the plan was in reorganization in the preceding plan year, the sum of the amount determined under this subparagraph for the preceding plan year and the amount (if any) determined under subparagraph (B) for the preceding plan year, plus

(B) if for the plan year a change in benefits is first required to be considered in computing the charges under section 412(b)(2)(A) or (B) of the Internal Revenue Code of 1986, the sum of—

(i) the increase in normal cost for a plan year determined under the entry age normal funding method due to increases in benefits described in section 4241(b)(4)(A)(ii) (determined without regard to section 4241(b)(4)(B)(i)), and

(ii) the amount necessary to amortize in equal annual installments the increase in the value of vested benefits under the plan due to increases in benefits described in clause (i) over—

(I) 10 years, to the extent such increase in value is attributable to persons in pay status, or

(II) 25 years, to the extent such increase in value is attributable to other participants.

(2) For purposes of paragraph (1), the funding standard requirement for any plan year is an amount equal to the net charge to the funding standard account for such plan year (as defined in section 4241(b)(2)).

(3)(A) In the case of a plan described in section 4216(b), if a plan amendment which increases benefits is adopted after January 1, 1980—

(i) paragraph (1) shall apply only if the plan is a plan described in subparagraph (B), and

(ii) the amount under paragraph (1) shall be determined without regard to paragraph (1)(B).

(B) A plan is described in this subparagraph if—

(i) the rate of employer contributions under the plan for the first plan year beginning on or after the date on which an amendment increasing benefits is adopted, multiplied by the valuation contribution base for that plan year, equals or exceeds the sum of—

(I) the amount that would be necessary to amortize fully, in equal annual installments, by July 1, 1986, the unfunded vested benefits attributable to plan provisions in effect on July 1, 1977 (determined as of the last day of the base plan year); and

(II) the amount that would be necessary to amortize fully, in equal annual installments, over the period described in subparagraph (C), beginning with the first day of the first plan year beginning on or after the date on which the amendment is adopted, the unfunded vested benefits (determined as of the last day of the base plan year) attributable to each plan amendment after July 1, 1977; and

(ii) the rate of employer contributions for each subsequent plan year is not less than the lesser of—

(I) the rate which when multiplied by the valuation contribution base for that subsequent plan year produces the annual amount that would be necessary to complete the amortization schedule described in clause (i), or

(II) the rate for the plan year immediately preceding such subsequent plan year, plus 5 percent of such rate.

(C) The period determined under this subparagraph is the lesser of—

- (i) 12 years, or
- (ii) a period equal in length to the average of the remaining expected lives of all persons receiving benefits under the plan.

(4) Paragraph (1) shall not apply with respect to a plan, other than a plan described in paragraph (3), for the period of consecutive plan years in each of which the plan is in reorganization, beginning with a plan year in which occurs the earlier of the date of the adoption or the effective date of any amendment of the plan which increases benefits with respect to service performed before the plan year in which the adoption of the amendment occurred.

(e) In determining the minimum contribution requirement with respect to a plan for a plan year under subsection (b), the vested benefits charge may be adjusted to reflect a plan amendment reducing benefits under section 412(c)(8) of the Internal Revenue Code of 1986.

(f)(1) The Secretary of the Treasury may waive any accumulated funding deficiency under this section in accordance with the provisions of section 302(c).

(2) Any waiver under paragraph (1) shall not be treated as a waived funding deficiency (within the meaning of section 302(c)(3)).

(g) For purposes of making any determination under this part, the requirements of section 304(c)(3) shall apply.

OVERBURDEN CREDIT AGAINST MINIMUM CONTRIBUTION REQUIREMENT

SEC. 4244. [1424] (a) For purposes of determining the minimum contribution requirement under section 4243 (before the application of section 4243(b)(2) or (d)) the plan sponsor of a plan which is overburdened for the plan year shall apply an overburden credit against the plan's minimum contribution requirement for the plan year (determined without regard to section 4243(b)(2) or (d) and without regard to this section).

(b) A plan is overburdened for a plan year if—

(1) the average number of pay status participants under the plan in the base plan year exceeds the average of the number of active participants in the base plan year and the 2 plan years preceding the base plan year, and

(2) the rate of employer contributions under the plan equals or exceeds the greater of—

(A) such rate for the preceding plan year, or

(B) such rate for the plan year preceding the first year in which the plan is in reorganization.

(c) The amount of the overburden credit for a plan year is the product of—

(1) one-half of the average guaranteed benefit paid for the base plan year, and

(2) the overburden factor for the plan year.

The amount of the overburden credit for a plan year shall not exceed the amount of the minimum contribution requirement for such year (determined without regard to this section).

(d) For purposes of this section, the overburden factor of a plan for the plan year is an amount equal to—

(1) the average number of pay status participants for the base plan year, reduced by

(2) the average of the number of active participants for the base plan year and for each of the 2 plan years preceding the base plan year.

(e) For purposes of this section—

(1) The term “pay status participant” means, with respect to a plan, a participant receiving retirement benefits under the plan.

(2) The number of active participants for a plan year shall be the sum of—

(A) the number of active employees who are participants in the plan and on whose behalf contributions are required to be made during the plan year;

(B) the number of active employees who are not participants in the plan but who are in an employment unit covered by a collective bargaining agreement which requires the employees’ employer to contribute to the plan, unless service in such employment unit was never covered under the plan or a predecessor thereof, and

(C) the total number of active employees attributed to employers who made payments to the plan for the plan year of withdrawal liability pursuant to part 1, determined by dividing—

(i) the total amount of such payments, by

(ii) the amount equal to the total contributions received by the plan during the plan year divided by the average number of active employees who were participants in the plan during the plan year.

The Secretary of the Treasury shall by regulation provide alternative methods of determining active participants where (by reason of irregular employment, contributions on a unit basis, or otherwise) this paragraph does not yield a representative basis for determining the credit.

(3) The term “average number” means, with respect to pay status participants for a plan year, a number equal to one-half the sum of—

(A) the number with respect to the plan as of the beginning of the plan year, and

(B) the number with respect to the plan as of the end of the plan year.

(4) The average guaranteed benefit paid is 12 times the average monthly pension payment guaranteed under section 4022A(c)(1) determined under the provisions of the plan in effect at the beginning of the first plan year in which the plan is in reorganization and without regard to section 4022A(c)(2).

(5) The first year in which the plan is in reorganization is the first of a period of 1 or more consecutive plan years in which the plan has been in reorganization not taking into ac-

count any plan years the plan was in reorganization prior to any period of 3 or more consecutive plan years in which the plan was not in reorganization.

(f)(1) Notwithstanding any other provision of this section, a plan is not eligible for an overburden credit for a plan year if the Secretary of the Treasury finds that the plan's current contribution base for the plan year was reduced, without a corresponding reduction in the plan's unfunded vested benefits attributable to pay status participants, as a result of a change in an agreement providing for employer contributions under the plan.

(2) For purposes of paragraph (1), a complete or partial withdrawal of an employer (within the meaning of part 1) does not impair a plan's eligibility for an overburden credit, unless the Secretary of the Treasury finds that a contribution base reduction described in paragraph (1) resulted from a transfer of liabilities to another plan in connection with the withdrawal.

(g) Notwithstanding any other provision of this section, if 2 or more multiemployer plans merge, the amount of the overburden credit which may be applied under this section with respect to the plan resulting from the merger for any of the 3 plan years ending after the effective date of the merger shall not exceed the sum of the used overburden credit for each of the merging plans for its last plan year ending before the effective date of the merger. For purposes of the preceding sentence, the used overburden credit is that portion of the credit which does not exceed the excess of the minimum contribution requirement (determined without regard to any overburden requirement under this section) over the employer contributions required under the plan.

ADJUSTMENTS IN ACCRUED BENEFITS

SEC. 4244A. [1425] (a)(1) Notwithstanding sections 203 and 204, a multiemployer plan in reorganization may be amended in accordance with this section, to reduce or eliminate accrued benefits attributable to employer contributions which, under section 4022A(b), are not eligible for the corporation's guarantee. The preceding sentence shall only apply to accrued benefits under plan amendments (or plans) adopted after March 26, 1980, or under collective bargaining agreements entered into after March 26, 1980.

(2) In determining the minimum contribution requirement with respect to a plan for a plan year under section 4243(b), the vested benefits charge may be adjusted to reflect a plan amendment reducing benefits under this section or section 412(c)(8) of the Internal Revenue Code of 1986, but only if the amendment is adopted and effective no later than 2½ months after the end of the plan year, or within such extended period as the Secretary of the Treasury may prescribe by regulation under section 412(c)(10) of such Code.

(b)(1) Accrued benefits may not be reduced under this section unless—

(A) notice has been given, at least 6 months before the first day of the plan year in which the amendment reducing benefits is adopted, to—

- (i) plan participants and beneficiaries,
 - (ii) each employer who has an obligation to contribute (within the meaning of section 4212(a)) under the plan, and
 - (iii) each employee organization which, for purposes of collective bargaining, represents plan participants employed by such an employer,
- that the plan is in reorganization and that, if contributions under the plan are not increased, accrued benefits under the plan will be reduced or an excise tax will be imposed on employers;
- (B) in accordance with regulations prescribed by the Secretary of the Treasury—
- (i) any category of accrued benefits is not reduced with respect to inactive participants to a greater extent proportionally than such category of accrued benefits is reduced with respect to active participants,
 - (ii) benefits attributable to employer contributions other than accrued benefits and the rate of future benefit accruals are reduced at least to an extent equal to the reduction in accrued benefits of inactive participants, and
 - (iii) in any case in which the accrued benefit of a participant or beneficiary is reduced by changing the benefit form or the requirements which the participant or beneficiary must satisfy to be entitled to the benefit, such reduction is not applicable to—
 - (I) any participant or beneficiary in pay status on the effective date of the amendment, or the beneficiary of such a participant, or
 - (II) any participant who has attained normal retirement age, or who is within 5 years of attaining normal retirement age, on the effective date of the amendment, or the beneficiary of any such participant; and
- (C) the rate of employer contributions for the plan year in which the amendment becomes effective and for all succeeding plan years in which the plan is in reorganization equals or exceeds the greater of—
- (i) the rate of employer contributions, calculated without regard to the amendment, for the plan year in which the amendment becomes effective, or
 - (ii) the rate of employer contributions for the plan year preceding the plan year in which the amendment becomes effective.
- (2) The plan sponsors shall include in any notice required to be sent to plan participants and beneficiaries under paragraph (1) information as to the rights and remedies of plan participants and beneficiaries as well as how to contact the Department of Labor for further information and assistance where appropriate.
- (c) A plan may not recoup a benefit payment which is in excess of the amount payable under the plan because of an amendment retroactively reducing accrued benefits under this section.
- (d)(1)(A) A plan which has been amended to reduce accrued benefits under this section may be amended to increase or restore

accrued benefits, or the rate of future benefit accruals, only if the plan is amended to restore levels of previously reduced accrued benefits of inactive participants and of participants who are within 5 years of attaining normal retirement age to at least the same extent as any such increase in accrued benefits or in the rate of future benefit accruals.

(B) For purposes of this subsection, in the case of a plan which has been amended under this section to reduce accrued benefits—

(i) an increase in a benefit, or in the rate of future benefit accruals, shall be considered a benefit increase to the extent that the benefit, or the accrual rate, is thereby increased above the highest benefit level, or accrual rate, which was in effect under the terms of the plan before the effective date of the amendment reducing accrued benefits, and

(ii) an increase in a benefit, or in the rate of future benefit accruals, shall be considered a benefit restoration to the extent that the benefit, or the accrual rate, is not thereby increased above the highest benefit level, or accrual rate, which was in effect under the terms of the plan immediately before the effective date of the amendment reducing accrued benefits.

(2) If a plan is amended to partially restore previously reduced accrued benefit levels, or the rate of future benefit accruals, the benefits of inactive participants shall be restored in at least the same proportions as other accrued benefits which are restored.

(3) No benefit increase under a plan may take effect in a plan year in which an amendment reducing accrued benefits under the plan, in accordance with this section, is adopted or first becomes effective.

(4) A plan is not required to make retroactive benefit payments with respect to that portion of an accrued benefit which was reduced and subsequently restored under this section.

(e) For purposes of this section, “inactive participant” means a person not in covered service under the plan who is in pay status under the plan or who has a nonforfeitable benefit under the plan.

(f) The Secretary of the Treasury may prescribe rules under which, notwithstanding any other provision of this section, accrued benefit reductions or benefit increases for different participant groups may be varied equitably to reflect variations in contribution rates and other relevant factors reflecting differences in negotiated levels of financial support for plan benefit obligations.

(29 U.S.C. 1425) Added September 26, 1980, P.L. 96-364, title I, sec. 104(2), 94 Stat. 1257; amended December 19, 1989, P.L. 101-239, title VII, sec. 7891(a)(1), 103 Stat. 2445.

INSOLVENT PLANS

SEC. 4245. [1426] (a) Notwithstanding sections 203 and 204, in any case in which benefit payments under an insolvent multiemployer plan exceed the resource benefit level, any such payments of benefits which are not basic benefits shall be suspended, in accordance with this section, to the extent necessary to reduce the sum of such payments and the payments of such basic benefits to the greater of the resource benefit level or the level of basic benefits, unless an alternative procedure is prescribed by the corporation under section 4022A(g)(5).

(b) For purposes of this section, for a plan year—

(1) a multiemployer plan is insolvent if the plan's available resources are not sufficient to pay benefits under the plan when due for the plan year, or if the plan is determined to be insolvent under subsection (d);

(2) "resource benefit level" means the level of monthly benefits determined under subsections (c)(1) and (3) and (d)(3) to be the highest level which can be paid out of the plan's available resources;

(3) "available resources" means the plan's cash, marketable assets, contributions, withdrawal liability payments, and earnings, less reasonable administrative expenses and amounts owed for such plan year to the corporation under section 4261(b)(2); and

(4) "insolvency year" means a plan year in which a plan is insolvent.

(c)(1) The plan sponsor of a plan in reorganization shall determine in writing the plan's resource benefit level for each insolvency year, based on the plan sponsor's reasonable projection of the plan's available resources and the benefits payable under the plan.

(2) The suspension of benefit payments under this section shall, in accordance with regulations prescribed by the Secretary of the Treasury, apply in substantially uniform proportions to the benefits of all persons in pay status (within the meaning of section 4241(b)(6)) under the plan, except that the Secretary of the Treasury may prescribe rules under which benefit suspensions for different participant groups may be varied equitably to reflect variations in contribution rates and other relevant factors including differences in negotiated levels of financial support for plan benefit obligations.

(3) Notwithstanding paragraph (2), if a plan sponsor determines in writing a resource benefit level for a plan year which is below the level of basic benefits, the payment of all benefits other than basic benefits must be suspended for that plan year.

(4)(A) If, by the end of an insolvency year, the plan sponsor determines in writing that the plan's available resources in that insolvency year could have supported benefit payments above the resource benefit level for that insolvency year, the plan sponsor shall distribute the excess resources to the participants and beneficiaries who received benefit payments from the plan in that insolvency year, in accordance with regulations prescribed by the Secretary of the Treasury.

(B) For purposes of this paragraph, the term "excess resources" means available resources above the amount necessary to support the resource benefit level, but no greater than the amount necessary to pay benefits for the plan year at the benefit levels under the plan.

(5) If, by the end of an insolvency year, any benefit has not been paid at the resource benefit level, amounts up to the resource benefit level which were unpaid shall be distributed to the participants and beneficiaries, in accordance with regulations prescribed by the Secretary of the Treasury, to the extent possible taking into account the plan's total available resources in that insolvency year.

(6) Except as provided in paragraph (4) or (5), a plan is not required to make retroactive benefit payments with respect to that portion of a benefit which was suspended under this section.

(d)(1) As of the end of the first plan year in which a plan is in reorganization, and at least every 3 plan years thereafter (unless the plan is no longer in reorganization), the plan sponsor shall compare the value of plan assets (determined in accordance with section 4243(b)(3)(B)(ii))^{4245—1} for that plan year with the total amount of benefit payments made under the plan for that plan year. Unless the plan sponsor determines that the value of plan assets exceeds 3 times the total amount of benefit payments, the plan sponsor shall determine whether the plan will be insolvent in any of the next 5 plan years. If the plan sponsor makes such a determination that the plan will be insolvent in any of the next 5 plan years, the plan sponsor shall make the comparison under this paragraph at least annually until the plan sponsor makes a determination that the plan will not be insolvent in any of the next 5 plan years.

(2) If, at any time, the plan sponsor of a plan in reorganization reasonably determines, taking into account the plan's recent and anticipated financial experience, that the plan's available resources are not sufficient to pay benefits under the plan when due for the next plan year, the plan sponsor shall make such determination available to interested parties.

(3) The plan sponsor of a plan in reorganization shall determine in writing for each insolvency year the resource benefit level and the level of basic benefits no later than 3 months before the insolvency year.

(e)(1) If the plan sponsor of a plan in reorganization determines under subsection (d)(1) or (2) that the plan may become insolvent (within the meaning of subsection (b)(1)), the plan sponsor shall—

(A) notify the Secretary of the Treasury, the corporation, the parties described in section 4242(a)(2), and the plan participants and beneficiaries of that determination, and

(B) inform the parties described in section 4242(a)(2) and the plan participants and beneficiaries that if insolvency occurs certain benefit payments will be suspended, but that basic benefits will continue to be paid.

(2) No later than 2 months before the first day of each insolvency year, the plan sponsor of a plan in reorganization shall notify the Secretary of the Treasury, the corporation, and the parties described in paragraph (1)(B) of the resource benefit level determined in writing for that insolvency year.

(3) In any case in which the plan sponsor anticipates that the resource benefit level for an insolvency year may not exceed the level of basic benefits, the plan sponsor shall notify the corporation.

(4) Notice required by this subsection shall be given in accordance with regulations prescribed by the corporation, except that notice to the Secretary of the Treasury shall be given in accordance with regulations prescribed by the Secretary of the Treasury.

^{4245—1} The intended reference appears to be to regulations prescribed under section 4243(b)(3)(B)(ii).

(5) The corporation may prescribe a time other than the time prescribed by this section for the making of a determination or the filing of a notice under this section.

(f)(1) If the plan sponsor of an insolvent plan, for which the resource benefit level is above the level of basic benefits, anticipates that, for any month in an insolvency year, the plan will not have funds sufficient to pay basic benefits, the plan sponsor may apply for financial assistance from the corporation under section 4261.

(2) A plan sponsor who has determined a resource benefit level for an insolvency year which is below the level of basic benefits shall apply for financial assistance from the corporation under section 4261.

(29 U.S.C. 1426) Added September 26, 1980, P.L. 96-364, title I, sec. 104(2), 94 Stat. 1259; amended August 17, 2006, P.L. 109-280, sec. 203(a), 120 Stat. 886.

PART 4—FINANCIAL ASSISTANCE

FINANCIAL ASSISTANCE

SEC. 4261. [1431] (a) If, upon receipt of an application for financial assistance under section 4245(f) or section 4281(d), the corporation verifies that the plan is or will be insolvent and unable to pay basic benefits when due, the corporation shall provide the plan financial assistance in an amount sufficient to enable the plan to pay basic benefits under the plan.

(b)(1) Financial assistance shall be provided under such conditions as the corporation determines are equitable and are appropriate to prevent unreasonable loss to the corporation with respect to the plan.

(2) A plan which has received financial assistance shall repay the amount of such assistance to the corporation on reasonable terms consistent with regulations prescribed by the corporation.

(c) Pending determination of the amount described in subsection (a), the corporation may provide financial assistance in such amounts as it considers appropriate in order to avoid undue hardship to plan participants and beneficiaries.

(29 U.S.C. 1431) Added September 26, 1980, P.L. 96-364, title I, sec. 104(2), 94 Stat. 1261.

PART 5—BENEFITS AFTER TERMINATION

BENEFITS UNDER CERTAIN TERMINATED PLANS

SEC. 4281. [1441] (a) Notwithstanding sections 203 and 204, the plan sponsor of a terminated multiemployer plan to which section 4041A(d) applies shall amend the plan to reduce benefits, and shall suspend benefit payments, as required by this section.

(b)(1) The value of nonforfeitable benefits under a terminated plan referred to in subsection (a), and the value of the plan's assets, shall be determined in writing, in accordance with regulations prescribed by the corporation, as of the end of the plan year during which section 4041A(d) becomes applicable to the plan, and each plan year thereafter.

(2) For purposes of this section, plan assets include outstanding claims for withdrawal liability (within the meaning of section 4001(a)(12)).

(c)(1) If, according to the determination made under subsection (b), the value of nonforfeitable benefits exceeds the value of the plan's assets, the plan sponsor shall amend the plan to reduce benefits under the plan to the extent necessary to ensure that the plan's assets are sufficient, as determined and certified in accordance with regulations prescribed by the corporation, to discharge when due all of the plan's obligations with respect to nonforfeitable benefits.

(2) Any plan amendment required by this subsection shall, in accordance with regulations prescribed by the Secretary of the Treasury—

(A) reduce benefits only to the extent necessary to comply with paragraph (1);

(B) reduce accrued benefits only to the extent that those benefits are not eligible for the corporation's guarantee under section 4022A(b);

(C) comply with the rules for and limitations on benefit reductions under a plan in reorganization, as prescribed in section 4244A, except to the extent that the corporation prescribes other rules and limitations in regulations under this section; and

(D) take effect no later than 6 months after the end of the plan year for which it is determined that the value of nonforfeitable benefits exceeds the value of the plan's assets.

(d)(1) In any case in which benefit payments under a plan which is insolvent under paragraph (2)(A) exceed the resource benefit level, any such payments which are not basic benefits shall be suspended, in accordance with this subsection, to the extent necessary to reduce the sum of such payments and such basic benefits to the greater of the resource benefit level or the level of basic benefits, unless an alternative procedure is prescribed by the corporation in connection with a supplemental guarantee program established under section 4022A(g)(2).

(2) For purposes of this subsection, for a plan year—

(A) a plan is insolvent if—

(i) the plan has been amended to reduce benefits to the extent permitted by subsection (c), and

(ii) the plan's available resources are not sufficient to pay benefits under the plan when due for the plan year; and

(B) "resource benefit level" and "available resources" have the meanings set forth in paragraphs (2) and (3), respectively, of section 4245(b).

(3) The plan sponsor of a plan which is insolvent (within the meaning of paragraph (2)(A)) shall have the powers and duties of the plan sponsor of a plan in reorganization which is insolvent (within the meaning of section 4245(b)(1)), except that regulations governing the plan sponsor's exercise of those powers and duties under this section shall be prescribed by the corporation, and the corporation shall prescribe by regulation notice requirements which

assure that plan participants and beneficiaries receive adequate notice of benefit suspensions.

(4) A plan is not required to make retroactive benefit payments with respect to that portion of a benefit which was suspended under this subsection, except that the provisions of section 4245(c)(4) and (5) shall apply in the case of plans which are insolvent under paragraph (2)(A), in connection with the plan year during which such section 4041A(d) first became applicable to the plan and every year thereafter, in the same manner and to the same extent as such provisions apply to insolvent plans in reorganization under section 4245, in connection with insolvency years under such section 4245.

(29 U.S.C. 1441) Added September 26, 1980, P.L. 96-364, title I, sec. 104(2), 94 Stat. 1261.

PART 6—ENFORCEMENT

CIVIL ACTIONS

SEC. 4301. [1451] (a)(1) A plan fiduciary, employer, plan participant, or beneficiary, who is adversely affected by the act or omission of any party under this subtitle with respect to a multi-employer plan, or an employee organization which represents such a plan participant or beneficiary for purposes of collective bargaining, may bring an action for appropriate legal or equitable relief, or both.

(2) Notwithstanding paragraph (1), this section does not authorize an action against the Secretary of the Treasury, the Secretary of Labor, or the corporation.

(b) In any action under this section to compel an employer to pay withdrawal liability, any failure of the employer to make any withdrawal liability payment within the time prescribed shall be treated in the same manner as a delinquent contribution (within the meaning of section 515).

(c) The district courts of the United States shall have exclusive jurisdiction of an action under this section without regard to the amount in controversy, except that State courts of competent jurisdiction shall have concurrent jurisdiction over an action brought by a plan fiduciary to collect withdrawal liability.

(d) An action under this section may be brought in the district where the plan is administered or where a defendant resides or does business, and process may be served in any district where a defendant resides, does business, or may be found.

(e) In any action under this section, the court may award all or a portion of the costs and expenses incurred in connection with such action, including reasonable attorney's fees, to the prevailing party.

(f) An action under this section may not be brought after the later of—

(1) 6 years after the date on which the cause of action arose, or

(2) 3 years after the earliest date on which the plaintiff acquired or should have acquired actual knowledge of the existence of such cause of action; except that in the case of fraud

or concealment, such action may be brought not later than 6 years after the date of discovery of the existence of such cause of action.

(g) A copy of the complaint in any action under this section or section 4221 shall be served upon the corporation by certified mail. The corporation may intervene in any such action.

Subtitle F—Transition Rules and Effective Dates^{4401—1}

AMENDMENTS TO INTERNAL REVENUE CODE OF 1986

SEC. 4401. **[Omitted.]**^{4401—2}

EFFECTIVE DATE; SPECIAL RULES

SEC. 4402. **[1461]** (a) The provisions of this title take effect on the date of enactment of this Act [September 2, 1974].

(b) Notwithstanding the provisions of subsection (a), the corporation shall pay benefits guaranteed under this title with respect to any plan—

- (1) which is not a multiemployer plan,
- (2) which terminates after June 30, 1974, and before the date of enactment of this Act [September 2, 1974],
- (3) to which section 4021 would apply if that section were effective beginning on July 1, 1974, and
- (4) with respect to which a notice is filed with the Secretary of Labor and received by him not later than 10 days after the date of enactment of this Act [September 2, 1974], except that, for reasonable cause shown, such notice may be filed

^{4401—1} The subtitle heading was amended to read as indicated September 26, 1980, P.L. 96-364, title I, § 104(1), 94 Stat. 1217.

^{4401—2} The omitted provisions were originally section 4081, before redesignation by section 108(a) of P.L. 96-364, 94 Stat. 1267. The provisions consist of amendments adding a subsection (g) to section 404 of the Internal Revenue Code of 1954, relating to certain employer liability payments considered as contributions and adding a paragraph (8) to section 6511(d) of such Code, relating to special period of limitation with respect to amounts included in income subsequently recaptured under qualified plan termination. Both added provisions have since received further amendment.

with the Secretary of Labor and received by him not later than October 31, 1974, stating that the plan is a plan described in paragraphs (1), (2), and (3).

The corporation shall not pay benefits guaranteed under this title with respect to a plan described in the preceding sentence unless the corporation finds substantial evidence that the plan was terminated for a reasonable business purpose and not for the purpose of obtaining the payment of benefits by the corporation under this title or for the purpose of avoiding the liability which might be imposed under subtitle D if the plan terminated on or after the date of enactment of this Act [September 2, 1974]. The provisions of subtitle D do not apply in the case of such a plan which terminates before the date of enactment of this Act [September 2, 1974]. For purposes of determining whether a plan is a plan described in paragraph (2), the provisions of section 4048 shall not apply, but the corporation shall make the determination on the basis of the date on which benefits ceased to accrue or on any other reasonable basis consistent with the purposes of this subsection.

(c)(1) Except as provided in paragraphs (2), (3), and (4), the corporation shall not pay benefits guaranteed under this title with respect to a multiemployer plan which terminates before August 1, 1980. Whenever the corporation exercises the authority granted under paragraph (2) or (3), the corporation shall notify the Committee on Education and Labor and the Committee on Ways and Means of the House of Representatives, and the Committee on Labor and Public Welfare^{4402—1} and the Committee on Finance of the Senate.

(2) The corporation may, in its discretion, pay benefits guaranteed under this title with respect to a multiemployer plan which terminates after the date of enactment of this Act [September 2, 1974] and before August 1, 1980, if—

(A) the plan was maintained during the 60 months immediately preceding the date on which the plan terminates, and

(B) the corporation determines that the payment by the corporation of benefits guaranteed under this title with respect to that plan will not jeopardize the payments the corporation anticipates it may be required to make in connection with benefits guaranteed under this title with respect to multiemployer plans which terminate after July 31, 1980.

(3) Notwithstanding any provision of section 4021 or 4022 which would prevent such payments, the corporation, in carrying out its authority under paragraph (2), may pay benefits guaranteed under this title with respect to a multiemployer plan described in paragraph (2) in any case in which those benefits would otherwise not be payable if—

(A) the plan has been in effect for at least 5 years,

(B) the plan has been in substantial compliance with the funding requirements for a qualified plan with respect to the employees and former employees in those employment units on the basis of which the participating employers have contributed to the plan for the preceding 5 years, and

^{4402—1} So in original. The committee's name has since been changed to the Committee on Labor and Human Resources.

(C) the participating employers and employee organization or organizations had no reasonable recourse other than termination.

(4) If the corporation determines, under paragraph (2) or (3), that it will pay benefits guaranteed under this title with respect to a multiemployer plan which terminates before August 1, 1980, the corporation—

(A) may establish requirements for the continuation of payments which commenced before January 2, 1974, with respect to retired participants under the plan,

(B) may not, notwithstanding any other provision of this title, make payments with respect to any participant under such a plan who, on January 1, 1974, was receiving payment of retirement benefits, in excess of the amounts and rates payable with respect to such participant on that date,

(C) may not make any payments with respect to benefits guaranteed under this title in connection with such a plan which are derived, directly or indirectly, from amounts borrowed under section 4005(c), and

(D) shall review from time to time payments made under the authority granted to it by paragraphs (2) and (3), and reduce or terminate such payments to the extent necessary to avoid jeopardizing the ability of the corporation to make payments of benefits guaranteed under this title in connection with multiemployer plans which terminate after July 31, 1980, without increasing premium rates for such plans.

(d) Notwithstanding any other provision of this title, guaranteed benefits payable by the corporation pursuant to its discretionary authority under this section shall continue to be paid at the level guaranteed under section 4022, without regard to any limitation on payment under subparagraph (C) or (D) of subsection (c)(4).

(e)(1) Except as provided in paragraphs (2), (3), and (4), the amendments to this Act made by the Multiemployer Pension Plan Amendments Act of 1980 shall take effect on the date of enactment of that Act [September 26, 1980].

(2)(A) Except as provided in this paragraph, part 1 of subtitle E, relating to withdrawal liability, takes effect on September 26, 1980.

(B) For purposes of determining withdrawal liability under part 1 of subtitle E, an employer who has withdrawn from a plan shall be considered to have withdrawn from a multiemployer plan if, at the time of the withdrawal, the plan was a multiemployer plan as defined in section 4001(a)(3) as in effect at the time of the withdrawal.

(3) Sections 4241 through 4245, relating to multiemployer plan reorganization, shall take effect, with respect to each plan, on the first day of the first plan year beginning on or after the earlier of—

(A) the date on which the last collective bargaining agreement providing for employer contributions under the plan, which was in effect on the date of the enactment of the Multiemployer Pension Plan Amendments Act of 1980 [September 26, 1980], expires, without regard to extensions agreed to on or after the date of enactment of that Act [September 26, 1980], or

(B) 3 years after the date of the enactment of the Multiemployer Pension Plan Amendments Act of 1980 [September 26, 1980].

(4) Section 4235 shall take effect on September 26, 1980.

(f)(1) In the event that before the date of the enactment of the Multiemployer Pension Plan Amendments Act of 1980 [September 26, 1980], the corporation has determined that—

(A) an employer has withdrawn from a multiemployer plan under section 4063, and

(B) the employer is liable to the corporation under such section,

the corporation shall retain the amount of liability paid to it or furnished in the form of a bond and shall pay such liability to the plan in the event the plan terminates in accordance with section 4041A(a)(2) before the earlier of September 26, 1985, or the day after the 5-year period commencing on the date of such withdrawal.

(2) In any case in which the plan is not so terminated within the period described in paragraph (1), the liability of the employer is abated and any payment held in escrow shall be refunded without interest to the employer or the employer's bond shall be cancelled.

(g)(1) In any case in which an employer or employers withdrew from a multiemployer plan before the effective date of part 1 of subtitle E, the corporation may—

(A) apply section 4063(d), as in effect before the amendments made by the Multiemployer Pension Plan Amendments Act of 1980, to such plan,

(B) assess liability against the withdrawn employer with respect to the resulting terminated plan,

(C) guarantee benefits under the terminated plan under section 4022, as in effect before such amendments, and

(D) if necessary, enforce such action through suit brought under section 4003.

(2) The corporation shall use the revolving fund used by the corporation with respect to basic benefits guaranteed under section 4022A in guaranteeing benefits under a terminated plan described in this subsection.

(h)(1) In the case of an employer who entered into a collective bargaining agreement—

(A) which was effective on January 12, 1979, and which remained in effect through May 15, 1982, and

(B) under which contributions to a multiemployer plan were to cease on January 12, 1982,

any withdrawal liability incurred by the employer pursuant to part 1 of subtitle E as a result of the complete or partial withdrawal of the employer from the multiemployer plan before January 16, 1982, shall be void.

(2) In any case in which—

(A) an employer engaged in the grocery wholesaling business—

(i) had ceased all covered operations under a multiemployer plan before June 30, 1981, and had relocated its operations to a new facility in another State, and

(ii) had notified a local union representative on May 14, 1980, that the employer had tentatively decided to discontinue operations and relocate to a new facility in another State, and
 (B) all State and local approvals with respect to construction of and commencement of operations at the new facility had been obtained, a contract for construction had been entered into, and construction of the new facility had begun before September 26, 1980,
 any withdrawal liability incurred by the employer pursuant to part 1 of subtitle E as a result of the complete or partial withdrawal of the employer from the multiemployer plan before June 30, 1981, shall be void.

(i) The preceding provisions of this section shall not apply with respect to amendments made to this title in provisions enacted after the date of the enactment of the Tax Reform Act of 1986.

SECTION 101. *Transfer to the Secretary of the Treasury.*

Except as otherwise provided in Sections 104 and 106 of this Plan, all authority of the Secretary of Labor to issue the following described documents pursuant to the statutes hereinafter specified is hereby transferred to the Secretary of the Treasury:

EXCEPT for sections and subsections 201, 203(a)(3)(B), 209, and 301(a) of ERISA;

(b) such regulations, ruling, and opinions which are granted to the Secretary of Labor under Sections 404, 410, 411, 412, and 413 of the Internal Revenue Code of 1954, as amended, (hereinafter referred to as the "Code"),

EXCEPT for subsection 411(a)(3)(B) of the Code and the definitions of "collectively bargained plan" and "collective bargaining agreement" contained in subsections 404 (a)(1)(B) and (a)(1)(C), 410 (b)(2)(A) and (b)(2)(B), and 413(a)(1) of the Code; and

(a) regulations, rulings, opinions, and exemptions under section 4975 of the Code,

EXCEPT for (i) subsections 4975 (a), (b), (c)(3), (d)(3), (e)(1), and (e)(7) of the Code; (ii) to the extent necessary for the continued enforcement of subsections 4975 (a) and (b)

EXCEPT for subsection 2003(c)(1)(B).

SECTION 103. *Coordination Concerning Certain Fiduciary Actions.*

In the case of fiduciary actions which are subject to Part 4 of Subtitle B of Title I of ERISA, the Secretary of the Treasury shall notify the Secretary of Labor prior to the time of commencing any proceeding to determine whether the action violates the exclusive benefit rule of subsection 401(a) of the Code, but not later than prior to issuing a preliminary notice of intent to disqualify under that rule, and the Secretary of the Treasury shall not issue a determination that a plan or trust does not satisfy the requirements of subsection 401(a) by reason of the exclusive benefit rule of subsection 401(a), unless within 90 days after the date on which the Secretary of the Treasury notifies the Secretary of Labor of pending action, the Secretary of Labor certifies that he has no objection to the disqualification or the Secretary of Labor fails to respond to the Secretary of the Treasury. The requirements of this paragraph do not apply in the case of any termination or jeopardy assessment under sections 6851 or 6861 of the Code that has been approved in advance by the Commissioner of Internal Revenue, or, as delegated, the Assistant Commissioner for Employee Plans and Exempt Organization.

SECTION 104. *Enforcement of the Secretary of Labor.*

The transfers provided for in Section 101 of this Plan shall not affect the ability of the Secretary of Labor, subject to the provisions of Title III of ERISA relating to jurisdiction, administration, and enforcement, to engage in enforcement under Section 502 of ERISA or to exercise the authority set forth under Title III of ERISA, including the ability to make interpretations necessary to engage in such enforcement or to exercise such authority. However, in bringing such actions and in exercising such authority with respect to Parts 2 and 3 of Subtitle B of Title I of ERISA and any definitions for which the authority of the Secretary of Labor is transferred to the Secretary of the Treasury as provided in Section 101 of this Plan, the Secretary of Labor shall be bound by the regulations, rulings, opinions, variances, and waivers issued by the Secretary of the Treasury.

necessary to audit, to enforce such taxes, and to exercise such authority; and (b) consistent with the coordination requirements under Section 103 of this Plan, to disqualify, under section 401 of the Code, a plan subject to Part 4 of Subtitle B of Title I of ERISA, including the ability to make the interpretations necessary to make such disqualification. However, in enforcing such excise taxes and, to the extent applicable, in disqualifying such plans the Secretary of the Treasury shall be bound by the regulations, rulings, opinions, and exemptions issued by the Secretary of Labor pursuant to the authority transferred to the Secretary of Labor as provided in Section 102 of this Plan.

SECTION 106. *Coordination for Section 101 Transfers.*

(a) The Secretary of the Treasury shall not exercise the functions transferred pursuant to Section 101 of this Plan to issue in proposed or final form any of the documents described in subsection (b) of this Section in any case in which such documents would significantly impact on or substantially affect collectively bargained plans unless, within 100 calendar days after the Secretary of Treasury notifies the Secretary of Labor of such proposed action, the Secretary of Labor certifies that he has no objection or he fails to respond to the Secretary of the Treasury. The fact of such a notification, except for such notification for documents described in subsection (b)(iv) of this Section, from the Secretary of the Treasury to the Secretary of Labor shall be announced by the Secretary of Labor to the public within ten days following the date of receipt of the notification by the Secretary of Labor.

(b) The documents to which this Section applies are:

(i) amendments to regulations issued pursuant to subsections 202(a)(3), 203(b)(2) and (3)(A), 204(b)(3) (A), (C), and (E), and 210(a)(2) of ERISA, and subsections 410(a)(3) and 411(a)(5), (6)(A), and (b)(3) (A), (C), and (E), 413(b)(4) and (c)(3) and 414(f) of the Code;

(ii) regulations issued pursuant to subsections 204(b)(3)(D), 302(c)(8), and 304(a) and (b)(2)(A) of ERISA, and subsections 411(b)(3)(D), 412(c)(8), (e), and (f)(2)(A) of the Code; and

(iii) revenue rulings (within the meaning of 26 CFR Section 601.201(a)(6)), revenue procedures, and similar publications, if the rulings, procedures and publications are issued under one of the statutory provisions listed in (i) and (ii) of this subsection; and

(iv) rulings (within the meaning of 26 CFR Section 601.201(a)(2)) issued prior to the issuance of a published regulation under one of the statutory provisions listed in (i) and (ii) of this subsection and not issued under a published Revenue Ruling.

(c) For those documents described in subsections (b)(i), (b)(ii), and (b)(iii) of this Section, the Secretary of Labor may request the Secretary of the Treasury to initiate the actions described in this Section 106 of this Plan.

SECTION 107. *Evaluation.*

On or before January 31, 1980, the President will submit to both Houses of the Congress an evaluation of the extent to which this Reorganization Plan has alleviated the problems associated with the present administrative structure under ERISA, accompanied by specific legislative recommendations for a long-term administrative structure under ERISA.

SECTION 108. *Incidental Transfers.*

So much of the personnel, property, records, and unexpended balances of appropriations, allocations and other funds employed, used, held, available, or to be made available in connection with the functions transferred under this Plan, as the Director of the Office of Management and Budget shall determine, shall be transferred to the appropriate agency, or component at such time or times as the Director of the Office of Management and Budget shall provide, except that no such unexpended balances transferred shall be used for purposes other than those for which the appropriation was originally made. The Director of the Office of Management and Budget shall provide for terminating the affairs of any agencies abolished herein and for such further measures and dispositions as such Director deems necessary to effectuate the purposes of this Reorganization Plan.

SECTION 109. *Effective Date.*

The provisions of this Reorganization Plan shall become effective at such time or times, on or before April 30, 1979, as the President shall specify, but not sooner than the earliest time allowable under Section 906 of Title 5, United States Code.

(5 U.S.C. app.; 29 U.S.C. 1001 note) Became effective December 31, 1978, 92 Stat. 2790; ratified and affirmed as law October 19, 1984, P.L. 98-532, 98 Stat. 2705.

NOTE: The provisions of Part 3 of title I of the Employee Retirement Income Security Act prior to the enactment of the Pension Protection Act of 2006 (Public Law 109-280) and amended by such law reads as follows:

PART 3—FUNDING

COVERAGE

SEC. 301. [1081] (a) This part shall apply to any employee pension benefit plan described in section 4(a), (and not exempted under section 4(b)), other than—

- (1) an employee welfare benefit plan;
- (2) an insurance contract plan described in subsection (b);
- (3) a plan which is unfunded and is maintained by an employer primarily for the purpose of providing deferred compensation for a select group of management or highly compensated employees;
- (4)(A) a plan which is established and maintained by a society, order, or association described in section 501(c)(8) or (9) of the Internal Revenue Code of 1986, if no part of the contributions to or under such plan are made by employers of participants in such plan; or
- (B) a trust described in section 501(c)(18) of such Code;
- (5) a plan which has not at any time after the date of enactment of this Act [September 2, 1974] provided for employer contributions;

(7) an individual retirement account or annuity as described in section 408(a) of the Internal Revenue Code of 1954^{301—1}, or a retirement bond described in section 409 of the Internal Revenue Code of 1954 (as effective for obligations issued before January 1, 1984);

(8) an individual account plan (other than a money purchase plan) and a defined benefit plan to the extent it is treated as an individual account plan (other than a money purchase plan) under section 3(35)(B) of this title;

(9) an excess benefit plan; or

(10) any plan, fund or program under which an employer, all of whose stock is directly or indirectly owned by employees, former employees or their beneficiaries, proposes through an unfunded arrangement to compensate retired employees for benefits which were forfeited by such employees under a pension plan maintained by a former employer prior to the date such pension plan became subject to this Act.

(b) For the purposes of paragraph (2) of subsection (a) a plan is an “insurance contract plan” if—

(1) the plan is funded exclusively by the purchase of individual insurance contracts,

(2) such contracts provide for level annual premium payments to be paid extending not later than the retirement age for each individual participating in the plan, and commencing with the date the individual became a participant in the plan (or, in the case of an increase in benefits, commencing at the time such increase becomes effective),

(3) benefits provided by the plan are equal to the benefits provided under each contract at normal retirement age under the plan and are guaranteed by an insurance carrier (licensed under the laws of a State to do business with the plan) to the extent premiums have been paid,

MINIMUM FUNDING STANDARDS

SEC. 302. [1082] (a)(1) Every employee pension benefit plan subject to this part shall satisfy the minimum funding standard (or the alternative minimum funding standard under section 305) for any plan year to which this part applies. A plan to which this part applies shall have satisfied the minimum funding standard for such plan for a plan year if as of the end of such plan year the plan does not have an accumulated funding deficiency.

(2) For the purposes of this part, the term “accumulated funding deficiency” means for any plan the excess of the total charges to the funding standard account for all plan years (beginning with the first plan year to which this part applies) over the total credits to such account for such years or, if less, the excess of the total charges to the alternative minimum funding standard account for such plan years over the total credits to such account for such years.

(3) In any plan year in which a multiemployer plan is in reorganization, the accumulated funding deficiency of the plan shall be determined under section 4243.

(b)(1) Each plan to which this part applies shall establish and maintain a funding standard account. Such account shall be credited and charged solely as provided in this section.

(2) For a plan year, the funding standard account shall be charged with the sum of—

(A) the normal cost of the plan for the plan year,
(B) the amounts necessary to amortize in equal annual installments (until fully amortized)—

(i) in the case of a plan in existence on January 1, 1974, the unfunded past service liability under the plan on the first day of the first plan year to which this part applies, over a period of 40 plan years,

(ii) in the case of a plan which comes into existence after January 1, 1974, the unfunded past service liability under the plan on the first day of the first plan year to which this part applies, over a period of 30 plan years (20 plan years in the case of a multiemployer plan),

(iii) separately, with respect to each plan year, the net increase (if any) in unfunded past service liability under the plan arising from plan amendments adopted in such year, over a period of 30 plan years (20 plan years in the case of a multiemployer plan),

(iv) separately, with respect to each plan year, the net experience loss (if any) under the plan, over a period of 5 plan years (15 plan years in the case of a multiemployer plan), and

(v) separately, with respect to each plan year, the net loss (if any) resulting from changes in actuarial assumptions used under the plan, over a period of 10 plan years (30 plan years in the case of a multiemployer plan),

(C) the amount necessary to amortize each waived funding deficiency (within the meaning of section 303(c), for each prior plan year in equal annual installments (until fully amortized) over a period of 5 plan years (15 plan years in the case of a multiemployer plan),

(D) the amount necessary to amortize in equal annual installments (until fully amortized) over a period of 5 plan years any amount credited to the funding standard account under paragraph (3)(D), and

(E) the amount necessary to amortize in equal annual installments (until fully amortized) over a period of 20 years the contributions which would be required to be made under the plan but for the provisions of subsection (c)(7)(A)(i)(I).

(3) For a plan year, the funding standard account shall be credited with the sum of—

(A) the amount considered contributed by the employer to or under the plan for the plan year,

(B) the amount necessary to amortize in equal annual installments (until fully amortized)—

(i) separately, with respect to each plan year, the net decrease (if any) in unfunded past service liability under the plan arising from plan amendments adopted in such year, over a period of 30 plan years (20 plan years in the case of a multiemployer plan),

(ii) separately, with respect to each plan year, the net experience gain (if any) under the plan, over a period of 5 plan years (15 plan years in the case of a multiemployer plan), and

(iii) separately, with respect to each plan year, the net gain (if any) resulting from changes in actuarial assumptions used under the plan, over a period of 10 plan years (30 plan years in the case of a multiemployer plan),

(C) the amount of the waived funding deficiency (within the meaning of section 303(c)) for the plan year, and

(D) in the case of a plan year for which the accumulated funding deficiency is determined under the funding standard account if such plan year follows a plan year for which such deficiency was determined under the alternative minimum funding standard, the excess (if any) of any debit balance in the funding standard account (determined without regard to this subparagraph) over any debit balance in the alternative minimum funding standard account.

(4) Under regulations prescribed by the Secretary of the Treasury, amounts required to be amortized under paragraph (2) or paragraph (3), as the case may be—

(A) may be combined into one amount under such paragraph to be amortized over a period determined on the basis of the remaining amortization period for all items entering into such combined amount, and

(B) may be offset against amounts required to be amortized under the other such paragraph, with the resulting amount to be amortized over a period determined on the basis of the remaining amortization periods for all items entering into whichever of the two amounts being offset is the greater.

(5) INTEREST.—

(A) IN GENERAL.—The funding standard account (and items therein) shall be charged or credited (as determined under regulations prescribed by the Secretary of the Treasury) with interest at the appropriate rate consistent with the rate or rates of interest used under the plan to determine costs.

(B) REQUIRED CHANGE OF INTEREST RATE.—For purposes of determining a plan's current liability and for purposes of determining a plan's required contribution under section 302(d) for any plan year—

(i) IN GENERAL.—If any rate of interest used under the plan to determine cost is not within the permissible range, the plan shall establish a new rate of interest within the permissible range.

(ii) PERMISSIBLE RANGE.—For purposes of this subparagraph—

(I) IN GENERAL.—Except as provided in subclause (II) or (III), the term “permissible range” means a rate of interest which is not more than 10 percent above, and not more than 10 percent below, the the^{302—1} weighted average of the rates of interest on 30-year Treasury securities during the 4-year period ending on the last day before the beginning of the plan year.

(II) SPECIAL RULE FOR YEARS 2004, 2005, 2006, AND 2007.—In the case of plan years beginning after December 31, 2003, and before January 1, 2008, the term “permissible range” means a rate of interest which is not above, and not more than 10 percent below, the weighted average of the rates of interest on amounts invested conservatively in long-term investment grade corporate bonds during the 4-year period ending on the last day before the beginning of the plan year. Such rates shall be determined by the Secretary of the Treasury on the basis of 2 or more indices that are selected periodically by the Secretary of the Treasury and that are in the top 3 quality levels available. The Secretary of the Treasury shall make the permissible range, and the indices and methodology used to determine the average rate, publicly available.

(III) SECRETARIAL AUTHORITY.—If the Secretary finds that the lowest rate of interest permissible under subclause (I) or (II) is unreasonably high, the Secretary may prescribe a lower rate of interest, except that such rate may not be less than 80 percent of the average rate determined under such subclause.

(iii) ASSUMPTIONS.—Notwithstanding subsection (c)(3)(A)(i), the interest rate used under the plan shall be—

(I) determined without taking into account the experience of the plan and reasonable expectations, but

(II) consistent with the assumptions which reflect the purchase rates which would be used by insurance companies to satisfy the liabilities under the plan.

^{302—1} So in original. See Public Law 101-239, section 7881(d)(2)(C), 103 Stat. 2439.

(6) In the case of a plan which, immediately before the date of the enactment of the Multiemployer Pension Plan Amendments Act of 1980 [September 26, 1980], was a multiemployer plan (within the meaning of section 3(37) as in effect immediately before such date)—

(A) any amount described in paragraph (2)(B)(ii), (2)(B)(iii), or (3)(B)(i) of this subsection which arose in a plan year beginning before such date shall be amortized in equal annual installments (until fully amortized) over 40 plan years, beginning with the plan year in which the amount arose;

(B) any amount described in paragraph (2)(B)(iv) or (3)(B)(ii) of this subsection which arose in a plan year beginning before such date shall be amortized in equal annual installments (until fully amortized) over 20 plan years, beginning with the plan year in which the amount arose;

(C) any change in past service liability which arises during the period of 3 plan years beginning on or after such date, and results from a plan amendment adopted before such date, shall be amortized in equal annual installments (until fully amortized) over 40 plan years, beginning with the plan year in which the change arises; and

(D) any change in past service liability which arises during the period of 2 plan years beginning on or after such date, and results from the changing of a group of participants from one benefit level to another benefit level under a schedule of plan benefits which—

(i) was adopted before such date, and

(ii) was effective for any plan participant before the beginning of the first plan year beginning on or after such date,

shall be amortized in equal annual installments (until fully amortized) over 40 plan years, beginning with the plan year in which the increase arises.

(7) For purposes of this part—

(A) Any amount received by a multiemployer plan in payment of all or part of an employer's withdrawal liability under part 1 of subtitle E of title IV shall be considered an amount contributed by the employer to or under the plan. The Secretary of the Treasury may prescribe by regulation additional charges and credits to a multiemployer plan's funding standard account to the extent necessary to prevent withdrawal liability payments from being unduly reflected as advance funding for plan liabilities.

(B) If a plan is not in reorganization in the plan year but was in reorganization in the immediately preceding plan year, any balance in the funding standard account at the close of such immediately preceding plan year—

(i) shall be eliminated by an offsetting credit or charge (as the case may be), but

(ii) shall be taken into account in subsequent plan years by being amortized in equal annual installments (until fully amortized) over 30 plan years.

The preceding sentence shall not apply to the extent of any accumulated funding deficiency under section 418B(a) of the In-

ternal Revenue Code of 1986 as of the end of the last plan year that the plan was in reorganization.

(C) Any amount paid by a plan during a plan year to the Pension Benefit Guaranty Corporation pursuant to section 4222 or to a fund exempt under section 501(c)(22) of such Code pursuant to section 4223 shall reduce the amount of contributions considered received by the plan for the plan year.

(D) Any amount paid by an employer pending a final determination of the employer's withdrawal liability under part 1 of subtitle E of title IV and subsequently refunded to the employer by the plan shall be charged to the funding standard account in accordance with regulations prescribed by the Secretary.

(E) For purposes of the full funding limitation under subsection (c)(7), unless otherwise provided by the plan, the accrued liability under a multiemployer plan shall not include benefits which are not nonforfeitable under the plan after the termination of the plan (taking into consideration section 411(d)(3) of the Internal Revenue Code of 1986).

(F) ELECTION FOR DEFERRAL OF CHARGE FOR PORTION OF NET EXPERIENCE LOSS.—

(i) IN GENERAL.—With respect to the net experience loss of an eligible multiemployer plan for the first plan year beginning after December 31, 2001, the plan sponsor may elect to defer up to 80 percent of the amount otherwise required to be charged under paragraph (2)(B)(iv) for any plan year beginning after June 30, 2003, and before July 1, 2005, to any plan year selected by the plan from either of the 2 immediately succeeding plan years.

(ii) INTEREST.—For the plan year to which a charge is deferred pursuant to an election under clause (i), the funding standard account shall be charged with interest on the deferred charge for the period of deferral at the rate determined under section 304(a) for multiemployer plans.

(iii) RESTRICTIONS ON BENEFIT INCREASES.—No amendment which increases the liabilities of the plan by reason of any increase in benefits, any change in the accrual of benefits, or any change in the rate at which benefits become nonforfeitable under the plan shall be adopted during any period for which a charge is deferred pursuant to an election under clause (i), unless—

(I) the plan's enrolled actuary certifies (in such form and manner prescribed by the Secretary of the Treasury) that the amendment provides for an increase in annual contributions which will exceed the increase in annual charges to the funding standard account attributable to such amendment, or

(II) the amendment is required by a collective bargaining agreement which is in effect on the date of enactment of this subparagraph.

If a plan is amended during any such plan year in violation of the preceding sentence, any election under this paragraph shall not apply to any such plan year ending on or after the date on which such amendment is adopted.

(iv) **ELIGIBLE MULTIEMPLOYER PLAN.**—For purposes of this subparagraph, the term “eligible multiemployer plan” means a multiemployer plan—

(I) which had a net investment loss for the first plan year beginning after December 31, 2001, of at least 10 percent of the average fair market value of the plan assets during the plan year, and

(II) with respect to which the plan’s enrolled actuary certifies (not taking into account the application of this subparagraph), on the basis of the actuarial assumptions used for the last plan year ending before the date of the enactment of this subparagraph, that the plan is projected to have an accumulated funding deficiency (within the meaning of subsection (a)(2)) for any plan year beginning after June 30, 2003, and before July 1, 2006.

For purposes of subclause (I), a plan’s net investment loss shall be determined on the basis of the actual loss and not under any actuarial method used under subsection (c)(2).

(v) **EXCEPTION TO TREATMENT OF ELIGIBLE MULTIEMPLOYER PLAN.**—In no event shall a plan be treated as an eligible multiemployer plan under clause (iv) if—

(I) for any taxable year beginning during the 10-year period preceding the first plan year for which an election is made under clause (i), any employer required to contribute to the plan failed to timely pay any excise tax imposed under section 4971 of the Internal Revenue Code of 1986 with respect to the plan,

(II) for any plan year beginning after June 30, 1993, and before the first plan year for which an election is made under clause (i), the average contribution required to be made by all employers to the plan does not exceed 10 cents per hour or no employer is required to make contributions to the plan, or

(III) with respect to any of the plan years beginning after June 30, 1993, and before the first plan year for which an election is made under clause (i), a waiver was granted under section 303 of this Act or section 412(d) of the Internal Revenue Code of 1986 with respect to the plan or an extension of an amortization period was granted under section 304 of this Act or section 412(e) of such Code with respect to the plan.

(vi) NOTICE.—If a plan sponsor makes an election under this subparagraph or section 412(b)(7)(F) of the Internal Revenue Code of 1986 for any plan year, the plan administrator shall provide, within 30 days of filing the election for such year, written notice of the election to participants and beneficiaries, to each labor organization representing such participants or beneficiaries, to each employer that has an obligation to contribute under the plan, and to the Pension Benefit Guaranty Corporation. Such notice shall include with respect to any election the amount of any charge to be deferred and the period of the deferral. Such notice shall also include the maximum guaranteed monthly benefits which the Pension Benefit Guaranty Corporation would pay if the plan terminated while underfunded.

(vii) ELECTION.—An election under this subparagraph shall be made at such time and in such manner as the Secretary of the Treasury may prescribe.

(c)(1) For purposes of this part, normal costs, accrued liability, past service liabilities, and experience gains and losses shall be determined under the funding method used to determine costs under the plan.

(2)(A) For purposes of this part, the value of the plan's assets shall be determined on the basis of any reasonable actuarial method of valuation which takes into account fair market value and which is permitted under regulations prescribed by the Secretary of the Treasury.

(B) For purposes of this part, the value of a bond or other evidence of indebtedness which is not in default as to principal or interest may, at the election of the plan administrator, be determined on an amortized basis running from initial cost at purchase to par value at maturity or earliest call date. Any election under this subparagraph shall be made at such time and in such manner as the Secretary of the Treasury shall by regulations provide, shall apply to all such evidences of indebtedness, and may be revoked only with the consent of the Secretary of the Treasury. In the case of a plan other than a multiemployer plan, this subparagraph shall not apply, but the Secretary of the Treasury may by regulations provide that the value of any dedicated bond portfolio of such plan shall be determined by using the interest rate under subsection (b)(5).

(3) For purposes of this section, all costs, liabilities, rates of interest, and other factors under the plan shall be determined on the basis of actuarial assumptions and methods—

(A) in the case of—

(i) a plan other than a multiemployer plan, each of which is reasonable (taking into account the experience of the plan and reasonable expectations) or which, in the aggregate, result in a total contribution equivalent to that which would be determined if each such assumption and method were reasonable, or

(ii) a multiemployer plan, which, in the aggregate, are reasonable (taking into account the experiences of the plan and reasonable expectations), and
 (B) which, in combination, offer the actuary's best estimate of anticipated experience under the plan.
 (4) For purposes of this section, if—
 (A) a change in benefits under the Social Security Act [(42 U.S.C. 301 et seq.)] or in other retirement benefits created under Federal or State law, or
 (B) a change in the definition of the term "wages" under section 3121 of the Internal Revenue Code of 1986, or a change in the amount of such wages taken into account under regulations prescribed for purposes of section 401(a)(5) of the Internal Revenue Code of 1986,
 results in an increase or decrease in accrued liability under a plan, such increase or decrease shall be treated as an experience loss or gain.

(5)^{302—2}

(A) IN GENERAL.—If the funding method for a plan is changed, the new funding method shall become the funding method used to determine costs and liabilities under the plan only if the change is approved by the Secretary of the Treasury. If the plan year for a plan is changed, the new plan year shall become the plan year for the plan only if the change is approved by the Secretary of the Treasury.

(B) APPROVAL REQUIRED FOR CERTAIN CHANGES IN ASSUMPTIONS BY CERTAIN SINGLE-EMPLOYER PLANS SUBJECT TO ADDITIONAL FUNDING REQUIREMENT.—

(i) IN GENERAL.—No actuarial assumption (other than the assumptions described in subsection (d)(7)(C)) used to determine the current liability for a plan to which this subparagraph applies may be changed without the approval of the Secretary of the Treasury.

(ii) PLANS TO WHICH SUBPARAGRAPH APPLIES.—This subparagraph shall apply to a plan only if—

(I) the plan is a defined benefit plan (other than a multiemployer plan) to which title IV applies;

(II) the aggregate unfunded vested benefits as of the close of the preceding plan year (as determined under section 4006(a)(3)(E)(iii)) of such plan and all other plans maintained by the contributing sponsors (as defined in section 4001(a)(13)) and members of such sponsors' controlled groups (as defined in section 4001(a)(14)) which are covered by title IV (disregarding plans with no unfunded vested benefits) exceed \$50,000,000; and

(III) the change in assumptions (determined after taking into account any changes in interest

^{302—2} So in law. See section 762(a)(1) of P.L. 103-465 (108 Stat. 5024). Marginations for subparagraphs (A) and (B) (as added by such section) do not conform to existing paragraphs of this subsection.

rate and mortality table) results in a decrease in the unfunded current liability of the plan for the current plan year that exceeds \$50,000,000, or that exceeds \$5,000,000 and that is 5 percent or more of the current liability of the plan before such change.

(6) If, as of the close of a plan year, a plan would (without regard to this paragraph) have an accumulated funding deficiency (determined without regard to the alternative minimum funding standard account permitted under section 305) in excess of the full funding limitation—

(A) the funding standard account shall be credited with the amount of such excess, and

(B) all amounts described in paragraphs (2), (B), (C), and (D)^{302—3} and (3)(B) of subsection (b) which are required to be amortized shall be considered fully amortized for purposes of such paragraphs.

(7) FULL-FUNDING LIMITATION.—

(A) IN GENERAL.—For purposes of paragraph (6), the term “full-funding limitation” means the excess (if any) of—

(i) the lesser of (I) in the case of plan years beginning before January 1, 2004, the applicable percentage of current liability (including the expected increase in current liability due to benefits accruing during the plan year), or (II) the accrued liability (including normal cost) under the plan (determined under the entry age normal funding method if such accrued liability cannot be directly calculated under the funding method used for the plan), over

(ii) the lesser of—

(I) the fair market value of the plan’s assets, or

(II) the value of such assets determined under paragraph (2).

(B) ^{302—4} CURRENT LIABILITY.—For purposes of subparagraph (D) and subclause (I) of subparagraph (A)(i), the term “current liability” has the meaning given such term by subsection (d)(7) (without regard to subparagraphs (C) and (D) thereof) and using the rate of interest used under subsection (b)(5)(B).

(C) SPECIAL RULE FOR PARAGRAPH (6)(B).—For purposes of paragraph (6)(B), subparagraph (A)(i) shall be applied without regard to subclause (I) thereof.

(D) REGULATORY AUTHORITY.—The Secretary of the Treasury may by regulations provide—

(i) for adjustments to the percentage contained in subparagraph (A)(i) to take into account the respective ages or lengths of service of the participants, and

(ii) alternative methods based on factors other than current liability for the determination of the amount taken into account under subparagraph (A)(i).

^{302—3} So in original. The intended reference appears to be to subparagraphs (B), (C), and (D) of paragraph (2) of subsection (b).

^{302—4} Margination so in law.

(E)³⁰²⁻⁵ MINIMUM AMOUNT.—

(i) IN GENERAL.—In no event shall the full-funding limitation determined under subparagraph (A) be less than the excess (if any) of—

(I) 90 percent of the current liability of the plan (including the expected increase in current liability due to benefits accruing during the plan year), over

(II) the value of the plan's assets determined under paragraph (2).

(ii) CURRENT LIABILITY; ASSETS.—For purposes of clause (i)—

(I) the term “current liability” has the meaning given such term by subsection (d)(7) (without regard to subparagraph (D) thereof), and

(II) assets shall not be reduced by any credit balance in the funding standard account.

(F) APPLICABLE PERCENTAGE.—For purposes of subparagraph (A)(i)(I), the applicable percentage shall be determined in accordance with the following table:

In the case of any plan year beginning in calendar year—	The applicable percentage is—
2002	165
2003	170.

(8) For purposes of this part, any amendment applying to a plan year which—

(A) is adopted after the close of such plan year but no later than 2½ months after the close of the plan year (or, in the case of a multiemployer plan, no later than 2 years after the close of such plan year),

(B) does not reduce the accrued benefit of any participant determined as of the beginning of the first plan year to which the amendment applies, and

(C) does not reduce the accrued benefit of any participant determined as of the time of adoption except to the extent required by the circumstances,

shall, at the election of the plan administrator, be deemed to have been made on the first day of such plan year. No amendment described in this paragraph which reduces the accrued benefits of any participant shall take effect unless the plan administrator files a notice with the Secretary notifying him of such amendment and the Secretary has approved such amendment or, within 90 days after the date on which such notice was filed, failed to disapprove such amendment. No amendment described in this subsection shall be approved by the Secretary unless he determines that such amendment is necessary because of a substantial business hardship (as determined under section 303(b) and that waiver under section 303(a) is unavailable or inadequate.

(9)(A) For purposes of this part, a determination of experience gains and losses and a valuation of the plan's liability shall be made not less frequently than once every year, except that such determination shall be made more frequently to the extent required

³⁰²⁻⁵ Margination so in law.

in particular cases under regulations prescribed by the Secretary of the Treasury.

(B)(i) Except as provided in clause (ii), the valuation referred to in subparagraph (A) shall be made as of a date within the plan year to which the valuation refers or within one month prior to the beginning of such year.

(ii) The valuation referred to in subparagraph (A) may be made as of a date within the plan year prior to the year to which the valuation refers if, as of such date, the value of the assets of the plan are not less than 100 percent of the plan's current liability (as defined in paragraph (7)(B)).

(iii) Information under clause (ii) shall, in accordance with regulations, be actuarially adjusted to reflect significant differences in participants.

(iv) A change in funding method to use a prior year valuation, as provided in clause (ii), may not be made unless as of the valuation date within the prior plan year, the value of the assets of the plan are not less than 125 percent of the plan's current liability (as defined in paragraph (7)(B)).

(10) For purposes of this section—

(A) In the case of a defined benefit plan other than a multiemployer plan, any contributions for a plan year made by an employer during the period—

(i) beginning on the day after the last day of such plan year, and

(ii) ending on the date which is 8½ months after the close of the plan year,

shall be deemed to have been made on such last day.

(B) In the case of a plan not described in subparagraph (A), any contributions for a plan year made by an employer after the last day of such plan year, but not later than two and one-half months after such day, shall be deemed to have been made on such last day. For purposes of this subparagraph, such two and one-half month period may be extended for not more than six months under regulations prescribed by the Secretary of the Treasury.

(11)³⁰²⁻⁶ LIABILITY FOR CONTRIBUTIONS.—

(A) IN GENERAL.—Except as provided in subparagraph (B), the amount of any contribution required by this section and any required installments under subsection (e) shall be paid by the employer responsible for contributing to or under the plan the amount described in subsection (b)(3)(A).

(B) JOINT AND SEVERAL LIABILITY WHERE EMPLOYER MEMBER OF CONTROLLED GROUP.—

(i) IN GENERAL.—In the case of a plan other than a multiemployer plan, if the employer referred to in subparagraph (A) is a member of a controlled group, each member of such group shall be jointly and severally liable for payment of such contribution or required installment.

³⁰²⁻⁶ So in original. Indentation and heading are wrong.

(ii) CONTROLLED GROUP.—For purposes of clause (i), the term “controlled group” means any group treated as a single employer under subsection (b), (c), (m), or (o) of section 414 of the Internal Revenue Code of 1986.

(12)³⁰²⁻⁶ ANTICIPATION OF BENEFIT INCREASES EFFECTIVE IN THE FUTURE.—In determining projected benefits, the funding method of a collectively bargained plan described in section 413(a) of the Internal Revenue Code of 1986 (other than a multiemployer plan) shall anticipate benefit increases scheduled to take effect during the term of the collective bargaining agreement applicable to the plan.

(d) ADDITIONAL FUNDING REQUIREMENTS FOR PLANS WHICH ARE NOT MULTIEMPLOYER PLANS.—

(1) IN GENERAL.—In the case of a defined benefit plan (other than a multiemployer plan) to which this subsection applies under paragraph (9) for any plan year, the amount charged to the funding standard account for such plan year shall be increased by the sum of—

(A) the excess (if any) of—

(i) the deficit reduction contribution determined under paragraph (2) for such plan year, over

(ii) the sum of the charges for such plan year under subsection (b)(2), reduced by the sum of the credits for such plan year under subparagraph (B) of subsection (b)(3), plus

(B) the unpredictable contingent event amount (if any)

for such plan year.

Such increase shall not exceed the amount which, after taking into account charges (other than the additional charge under this subsection) and credits under subsection (b), is necessary to increase the funded current liability percentage (taking into account the expected increase in current liability due to benefits accruing during the plan year) to 100 percent.

(2) DEFICIT REDUCTION CONTRIBUTION.—For purposes of paragraph (1), the deficit reduction contribution determined under this paragraph for any plan year is the sum of—

(A) the unfunded old liability amount,

(B) the unfunded new liability amount,

(C) the expected increase in current liability due to benefits accruing during the plan year, and

(D) the aggregate of the unfunded mortality increase amounts.

(3) UNFUNDED OLD LIABILITY AMOUNT.—For purposes of this subsection—

(A) IN GENERAL.—The unfunded old liability amount with respect to any plan for any plan year is the amount necessary to amortize the unfunded old liability under the plan in equal annual installments over a period of 18 plan years (beginning with the 1st plan year beginning after December 31, 1988).

(B) UNFUNDED OLD LIABILITY.—The term “unfunded old liability” means the unfunded current liability of the plan as of the beginning of the 1st plan year beginning

after December 31, 1987 (determined without regard to any plan amendment increasing liabilities adopted after October 28, 1987).

(C) SPECIAL RULES FOR BENEFIT INCREASES UNDER EXISTING COLLECTIVE BARGAINING AGREEMENTS.—

(i) IN GENERAL.—In the case of a plan maintained pursuant to 1 or more collective bargaining agreements between employee representatives and the employer ratified before October 29, 1987, the unfunded old liability amount with respect to such plan for any plan year shall be increased by the amount necessary to amortize the unfunded existing benefit increase liability in equal annual installments over a period of 18 plan years beginning with—

(I) the plan year in which the benefit increase with respect to such liability occurs, or

(II) if the taxpayer elects, the 1st plan year beginning after December 31, 1988.

(ii) UNFUNDED EXISTING BENEFIT INCREASE LIABILITIES.—For purposes of clause (i), the unfunded existing benefit increase liability means, with respect to any benefit increase under the agreements described in clause (i) which takes effect during or after the 1st plan year beginning after December 31, 1987, the unfunded current liability determined—

(I) by taking into account only liabilities attributable to such benefit increase, and

(II) by reducing (but not below zero) the amount determined under paragraph (8)(A)(ii) by the current liability determined without regard to such benefit increase.

(iii) EXTENSIONS, MODIFICATIONS, ETC. NOT TAKEN INTO ACCOUNT.—For purposes of this subparagraph, any extension, amendment, or other modification of an agreement after October 28, 1987, shall not be taken into account.

(D) SPECIAL RULE FOR REQUIRED CHANGES IN ACTUARIAL ASSUMPTIONS.—

(i) IN GENERAL.—The unfunded old liability amount with respect to any plan for any plan year shall be increased by the amount necessary to amortize the amount of additional unfunded old liability under the plan in equal annual installments over a period of 12 plan years (beginning with the first plan year beginning after December 31, 1994).

(ii) ADDITIONAL UNFUNDED OLD LIABILITY.—For purposes of clause (i), the term “additional unfunded old liability” means the amount (if any) by which—

(I) the current liability of the plan as of the beginning of the first plan year beginning after December 31, 1994, valued using the assumptions required by paragraph (7)(C) as in effect for plan years beginning after December 31, 1994, exceeds

(II) the current liability of the plan as of the beginning of such first plan year, valued using the same assumptions used under subclause (I) (other than the assumptions required by paragraph (7)(C)), using the prior interest rate, and using such mortality assumptions as were used to determine current liability for the first plan year beginning after December 31, 1992.

there shall be substituted for the months specified in this subsection, the months which correspond thereto.

(B) SHORT PLAN YEAR.—This section shall be applied to plan years of less than 12 months in accordance with regulations prescribed by the Secretary of the Treasury.

(7) SPECIAL RULE FOR 2002.—In any case in which the interest rate used to determine current liability is determined under subsection (d)(7)(C)(i)(III), for purposes of applying paragraphs (1) and (4)(B)(ii) for plan years beginning in 2002, the current liability for the preceding plan year shall be redetermined using 120 percent as the specified percentage determined under subsection (d)(7)(C)(i)(II).

(f) IMPOSITION OF LIEN WHERE FAILURE TO MAKE REQUIRED CONTRIBUTIONS.—

(1) IN GENERAL.—In the case of a plan covered under section 4021 of this Act, if—

(A) any person fails to make a required installment under subsection (e) or any other payment required under this section before the due date for such installment or other payment, and

(B) the unpaid balance of such installment or other payment (including interest), when added to the aggregate unpaid balance of all preceding such installments or other payments for which payment was not made before the due date (including interest), exceeds \$1,000,000,

then there shall be a lien in favor of the plan in the amount determined under paragraph (3) upon all property and rights to property, whether real or personal, belonging to such person and any other person who is a member of the same controlled group of which such person is a member.

(2) PLANS TO WHICH SUBSECTION APPLIES.—This subsection shall apply to a defined benefit plan (other than a multiemployer plan) for any plan year for which the funded current liability percentage (within the meaning of subsection (d)(8)(B)) of such plan is less than 100 percent.

(3) AMOUNT OF LIEN.—For purposes of paragraph (1), the amount of the lien shall be equal to the aggregate unpaid balance of required installments and other payments required under this section (including interest)—

(A) for plan years beginning after 1987, and

(B) for which payment has not been made before the due date.

(4) NOTICE OF FAILURE; LIEN.—

(A) NOTICE OF FAILURE.—A person committing a failure described in paragraph (1) shall notify the Pension Benefit Guaranty Corporation of such failure within 10 days of the due date for the required installment or other payment.

(B) PERIOD OF LIEN.—The lien imposed by paragraph (1) shall arise on the due date for the required installment or other payment and shall continue until the last day of the first plan year in which the plan ceases to be described in paragraph (1)(B). Such lien shall continue to run without regard to whether such plan continues to be described

in paragraph (2) during the period referred to in the preceding sentence.

(C) CERTAIN RULES TO APPLY.—Any amount with respect to which a lien is imposed under paragraph (1) shall be treated as taxes due and owing the United States and rules similar to the rules of subsections (c), (d), and (e) of section 4068 shall apply with respect to a lien imposed by subsection (a) and the amount with respect to such lien.

(5) ENFORCEMENT.—Any lien created under paragraph (1) may be perfected and enforced only by the Pension Benefit Guaranty Corporation, or at the direction of the Pension Benefit Guaranty Corporation, by the contributing sponsor (or any member of the controlled group of the contributing sponsor).

(6) DEFINITIONS.—For purposes of this subsection—

(A) DUE DATE; REQUIRED INSTALLMENT.—The terms “due date” and “required installment” have the meanings given such terms by subsection (e), except that in the case of a payment other than a required installment, the due date shall be the date such payment is required to be made under this section.

(B) CONTROLLED GROUP.—The term “controlled group” means any group treated as a single employer under subsections (b), (c), (m), and (o) of section 414 of the Internal Revenue Code of 1986.

(g) QUALIFIED TRANSFERS TO HEALTH BENEFIT ACCOUNTS.—For purposes of this section, in the case of a qualified transfer (as defined in section 420 of the Internal Revenue Code of 1986)—

(1) any assets transferred in a plan year on or before the valuation date for such year (and any income allocable thereto) shall, for purposes of subsection (c)(7), be treated as assets in the plan as of the valuation date for such year, and

(2) the plan shall be treated as having a net experience loss under subsection (b)(2)(B)(iv) in an amount equal to the amount of such transfer (reduced by any amounts transferred back to the plan under section 420(c)(1)(B) of such Code) and for which amortization charges begin for the first plan year after the plan year in which such transfer occurs, except that such subsection shall be applied to such amount by substituting “10 plan years” for “5 plan years”.

(h) CROSS REFERENCE.—For alternative amortization method for certain multiemployer plans see section 1013(d) of this Act.

VARIANCE FROM MINIMUM FUNDING STANDARD

SEC. 303. [1083] (a) If an employer, or in the case of a multi-employer plan, 10 percent or more of the number of employers contributing to or under the plan are unable to satisfy the minimum funding standard for a plan year without temporary substantial business hardship (substantial business hardship in the case of a multiemployer plan) and if application of the standard would be adverse to the interests of plan participants in the aggregate, the Secretary of the Treasury may waive the requirements of section 302(a) for such year with respect to all or any portion of the minimum funding standard other than the portion thereof determined under section 302(b)(2)(C). The Secretary of the Treasury shall not waive the minimum funding standard with respect to a plan for more than 3 of any 15 (5 of any 15 in the case of a multiemployer plan) consecutive plan years. The interest rate used for purposes of computing the amortization charge described in subsection (b)(2)(C) for any plan year shall be—

(1) in the case of a plan other than a multiemployer plan, the greater of (A) 150 percent of the Federal mid-term rate (as in effect under section 1274 of the Internal Revenue Code of 1986 for the 1st month of such plan year), or (B) the rate of interest used under the plan in determining costs (including adjustments under section 302(b)(5)(B)),^{303—1} and

(2) in the case of a multiemployer plan, the rate determined under section 6621(b) of such Code.

(b) For purposes of this part, the factors taken into account in determining temporary substantial business hardship (substantial business hardship in the case of a multiemployer plan) shall include (but shall not be limited to) whether—

- (1) the employer is operating at an economic loss,
- (2) there is substantial unemployment or underemployment in the trade or business and in the industry concerned,
- (3) the sales and profits of the industry concerned are depressed or declining, and
- (4) it is reasonable to expect that the plan will be continued only if the waiver is granted.

(c) For purposes of this part, the term “waived funding deficiency” means the portion of the minimum funding standard (determined without regard to subsection (b)(3)(C) of section 302) for a plan year waived by the Secretary of the Treasury and not satisfied by employer contributions.

(d) SPECIAL RULES.—

(1) APPLICATION MUST BE SUBMITTED BEFORE DATE 2½ MONTHS AFTER CLOSE OF YEAR.—In the case of a plan other than a multiemployer plan, no waiver may be granted under this section with respect to any plan for any plan year unless an application therefor is submitted to the Secretary of the Treasury not later than the 15th day of the 3rd month beginning after the close of such plan year.

^{303—1} Insertion of the parenthetical phrase by section 7881(b)(6)(B)(ii) of P.L. 101-239 (103 Stat. 2438) relies on an erroneous cross-reference to another amendatory provision in the same section. The presumed intent of the Congress is expressed as shown, based on the parallel provision in section 412(d)(1)(A)(ii) of the Internal Revenue Code of 1986, as amended by section 7881(b)(6)(A)(ii) of P.L. 101-239 (103 Stat. 2438).

(2) SPECIAL RULE IF EMPLOYER IS MEMBER OF CONTROLLED GROUP.—

(A) IN GENERAL.—In the case of a plan other than a multiemployer plan, if an employer is a member of a controlled group, the temporary substantial business hardship requirements of subsection (a) shall be treated as met only if such requirements are met—

(i) with respect to such employer, and

(ii) with respect to the controlled group of which such employer is a member (determined by treating all members of such group as a single employer).

The Secretary of the Treasury may provide that an analysis of a trade or business or industry of a member need not be conducted if the Secretary of the Treasury determines such analysis is not necessary because the taking into account of such member would not significantly affect the determination under this subsection.

(B) CONTROLLED GROUP.—For purposes of subparagraph (A), the term “controlled group” means any group treated as a single employer under subsection (b), (c), (m), or (o) of section 414 of the Internal Revenue Code of 1986.

(e)(1) The Secretary of the Treasury shall, before granting a waiver under this section, require each applicant to provide evidence satisfactory to such Secretary that the applicant has provided notice of the filing of the application for such waiver to each employee organization representing employees covered by the affected plan, and each affected party (as defined in section 4001(a)(21)) other than the Pension Benefit Guaranty Corporation. Such notice shall include a description of the extent to which the plan is funded for benefits which are guaranteed under title IV and for benefit liabilities.

(2) The Secretary of the Treasury shall consider any relevant information provided by a person to whom notice was given under paragraph (1).

(f) CROSS REFERENCE.—For corresponding duties of the Secretary of the Treasury with regard to implementation of the Internal Revenue Code of 1986, see section 412(d) of such Code.

EXTENSION OF AMORTIZATION PERIODS

SEC. 304. [1084] (a) The period of years required to amortize any unfunded liability (described in any clause of subsection (b)(2)(B) of section 302) of any plan may be extended by the Secretary for a period of time (not in excess of 10 years) if he determines that such extension would carry out the purposes of this Act and would provide adequate protection for participants under the plan and their beneficiaries and if he determines that the failure to permit such extension would—

(1) result in—

(A) a substantial risk to the voluntary continuation of the plan, or

(B) a substantial curtailment of pension benefit levels or employee compensation, and

(2) be adverse to the interests of plan participants in the aggregate.

In the case of a plan other than a multiemployer plan, the interest rate applicable for any plan year under any arrangement entered into by the Secretary in connection with an extension granted under this subsection shall be the greater of (A) 150 percent of the Federal mid-term rate (as in effect under section 1274 of the Internal Revenue Code of 1986 for the 1st month of such plan year), or (B) the rate of interest used under the plan in determining costs. In the case of a multiemployer plan, such rate shall be the rate determined under section 6621(b) of such Code.

(b)(1) No amendment of the plan which increases the liabilities of the plan by reason of any increase in benefits, any change in the accrual of benefits, or any change in the rate at which benefits become nonforfeitable under the plan shall be adopted if a waiver under section 303(a) or an extension of time under subsection (a) of this section is in effect with respect to the plan, or if a plan amendment described in section 302(c)(8) has been made at any time in the preceding 12 months (24 months in the case of a multiemployer plan). If a plan is amended in violation of the preceding sentence, any such waiver, or extension of time, shall not apply to any plan year ending on or after the date on which such amendment is adopted.

(2) Paragraph (1) shall not apply to any plan amendment which—

(A) the Secretary determines to be reasonable and which provides for only de minimis increases in the liabilities of the plan,

(B) only repeals an amendment described in section 302(c)(8), or

(C) is required as a condition of qualification under part I of subchapter D, of chapter 1, of the Internal Revenue Code of 1986.

(c)(1) The Secretary of the Treasury shall, before granting an extension under this section, require each applicant to provide evidence satisfactory to such Secretary that the applicant has provided notice of the filing of the application for such extension to each employee organization representing employees covered by the affected plan.

(2) The Secretary of the Treasury shall consider any relevant information provided by a person to whom notice was given under paragraph (1).

ALTERNATIVE MINIMUM FUNDING STANDARD

SEC. 305. **[1085]** (a) A plan which uses a funding method that requires contributions in all years not less than those required under the entry age normal funding method may maintain an alternative minimum funding standard account for any plan year. Such account shall be credited and charged solely as provided in this section.

(b) For a plan year the alternative minimum funding standard accounts shall be—

(1) charged with the sum of—

(A) the lesser of normal cost under the funding method used under the plan or normal cost determined under the unit credit method,

(B) the excess, if any, of the present value of accrued benefits under the plan over the fair market value of the assets, and

(C) an amount equal to the excess, if any, of credits to the alternative minimum funding standard account for all prior plan years over charges to such account for all such years, and

(2) credited with the amount considered contributed by the employer to or under the plan (within the meaning of section 302(c)(10)) for the plan year.

(c) The alternative minimum funding standard account (and items therein) shall be charged or credited with interest in the manner provided under section 302(b)(5) with respect to the funding standard account.

(29 U.S.C. 1085) Enacted September 2, 1974, P.L. 93-406, title I, sec. 305, 88 Stat. 873.

SECURITY FOR WAIVERS OF MINIMUM FUNDING STANDARD AND
EXTENSIONS OF AMORTIZATION PERIOD

SEC. 306. **[1085a]** (a) SECURITY MAY BE REQUIRED.—

(1) IN GENERAL.—Except as provided in subsection (c), the Secretary of the Treasury may require an employer maintaining a defined benefit plan which is a single-employer plan (within the meaning of section 4001(a)(15)) to provide security to such plan as a condition for granting or modifying a waiver under section 303 or an extension under section 304.

(2) SPECIAL RULES.—Any security provided under paragraph (1) may be perfected and enforced only by the Pension Benefit Guaranty Corporation or, at the direction of the Corporation, by a contributing sponsor (within the meaning of section 4001(a)(13)) or a member of such sponsor's controlled group (within the meaning of section 4001(a)(14)).

(b) CONSULTATION WITH THE PENSION BENEFIT GUARANTY CORPORATION.—Except as provided in subsection (c), the Secretary of the Treasury shall, before granting or modifying a waiver under section 303 or an extension under section 304 with respect to a plan described in subsection (a)(1)—

(1) provide the Pension Benefit Guaranty Corporation with—

(A) notice of the completed application for any waiver, extension, or modification, and

(B) an opportunity to comment on such application within 30 days after receipt of such notice, and

(2) consider—

(A) any comments of the Corporation under paragraph (1)(B), and

(B) any views of any employee organization representing participants in the plan which are submitted in writing to the Secretary of the Treasury in connection with such application.

Information provided to the corporation^{306—1} under this subsection shall be considered tax return information and subject to the safeguarding and reporting requirements of section 6103(p) of the Internal Revenue Code of 1986.

(c) EXCEPTION FOR CERTAIN WAIVERS AND EXTENSIONS.—

(1) IN GENERAL.—The preceding provisions of this section shall not apply to any plan with respect to which the sum of—

(A) the outstanding balance of the accumulated funding deficiencies (within the meaning of section 302(a)(2) of this Act and section 412(a) of the Internal Revenue Code of 1986) of the plan,

(B) the outstanding balance of the amount of waived funding deficiencies of the plan waived under section 303 of this Act or section 412(d) of such Code, and

(C) the outstanding balance of the amount of decreases in the minimum funding standard allowed under section 304 of this Act or section 412(e) of such Code, is less than \$1,000,000.

(2) ACCUMULATED FUNDING DEFICIENCIES.—For purposes of paragraph (1)(A), accumulated funding deficiencies shall include any increase in such amount which would result if all applications for waivers of the minimum funding standard under section 303 of this Act or section 412(d) of the Internal Revenue Code of 1986 and for extensions of the amortization period under section 304 of this Act or section 412(e) of such Code which are pending with respect to such plan were denied.

(29 U.S.C. 1085a) Added April 7, 1986, P.L. 99-272, title XI, sec. 11015(a)(1)(A)(ii), 100 Stat. 264; amended December 22, 1987, P.L. 100-203, title IX, sec. 9306(e)(2), 101 Stat. 1330-355; amended December 19, 1989, P.L. 101-239, title VII, sec. 7891(a)(1), 103 Stat. 2445.

SECURITY REQUIRED UPON ADOPTION OF PLAN AMENDMENT RESULTING IN SIGNIFICANT UNDERFUNDING

SEC. 307. [1085b] (a) IN GENERAL.—If—

(1) a defined benefit plan (other than a multiemployer plan) to which the requirements of section 302 apply adopts an amendment an effect of which is to increase current liability under the plan for a plan year, and

(2) the funded current liability percentage of the plan for the plan year in which the amendment takes effect is less than

^{306—1} So in original. Intended reference appears to be to the “Corporation”, a reference to the Pension Benefit Guaranty Corporation.

60 percent, including the amount of the unfunded current liability under the plan attributable to the plan amendment, the contributing sponsor (or any member of the controlled group of the contributing sponsor) shall provide security to the plan.

(b) FORM OF SECURITY.—The security required under subsection (a) shall consist of—

(1) a bond issued by a corporate surety company that is an acceptable surety for purposes of section 412,

(2) cash, or United States obligations which mature in 3 years or less, held in escrow by a bank or similar financial institution, or

(3) such other form of security as is satisfactory to the Secretary of the Treasury and the parties involved.

(c) AMOUNT OF SECURITY.—The security shall be in an amount equal to the excess of—

(1) the lesser of—

(A) the amount of additional plan assets which would be necessary to increase the funded current liability percentage under the plan to 60 percent, including the amount of the unfunded current liability under the plan attributable to the plan amendment, or

(B) the amount of the increase in current liability under the plan attributable to the plan amendment and any other plan amendments adopted after December 22, 1987, and before such plan amendment^{307—1}, over

(2) \$10,000,000.

(d) RELEASE OF SECURITY.—The security shall be released (and any amounts thereunder shall be refunded together with any interest accrued thereon) at the end of the first plan year which ends after the provision of the security and for which the funded current liability percentage under the plan is not less than 60 percent. The Secretary of the Treasury may prescribe regulations for partial releases of the security by reason of increases in the funded current liability percentage.

(e) NOTICE.—A contributing sponsor which is required to provide security under subsection (a) shall notify the Pension Benefit Guaranty Corporation within 30 days after the amendment requiring such security takes effect. Such notice shall contain such information as the Corporation may require.

(f) DEFINITIONS.—For purposes of this section, the terms “current liability”, “funded current liability percentage”, and “unfunded current liability” shall have the meanings given such terms by section 302(d), except that in computing unfunded current liability there shall not be taken into account any unamortized portion of the unfunded old liability amount as of the close of the plan year.

(29 U.S.C. 1085b) Added December 22, 1987, P.L. 100-203, title IX, sec. 9341(b)(2), 101 Stat. 1330-370; amended December 19, 1989, P.L. 101-239, title VII, sec. 7881(i)(1)(B), (2), (3)(A), (4)(B), 103 Stat. 2442.

^{307—1} Section 7881(i)(1)(B) of P.L. 101-239 (103 Stat. 2442) provides for the insertion, in section 307(c)(1)(B) of the Act, of the following: “and any other plan amendments adopted after December 22, 1987, and before such plan amendment”, but does indicate the placement of the insertion. This compilation follows the parallel provision at section 401(a)(29)(C)(i)(II) of the Internal Revenue Code of 1986, as amended by section 7881(i)(1)(A) of P.L. 101-239 (103 Stat. 2442), as the probable intent of the Congress.
